

BASE PROSPECTUS

ADIF-ALTA VELOCIDAD
(incorporated in the Kingdom of Spain)
€6,000,000,000
Euro Medium Term Note Programme

This base prospectus (this "**Base Prospectus**") has been approved by the Central Bank of Ireland (the "**Central Bank**"), as competent authority for the purpose of Directive 2003/71/EC and amendments thereto including Directive 2010/73/EU (the "**Prospectus Directive**"), as a base prospectus in accordance with the requirements imposed under EU and Irish law pursuant to the Prospectus Directive for the purpose of giving information with regard to the issue of notes ("**Notes**") issued under the Euro Medium Term Note Programme (the "**Programme**") described in this Base Prospectus during the period of twelve months after the date hereof. Such approval only relates to Notes which are to be admitted to trading on the regulated market of the Irish Stock Exchange (the "**Main Securities Market**") or other regulated markets for the purposes of Directive 2004/39/EC (the "**Markets in Financial Instruments Directive**" or "**MiFID**") or which are offered to the public in any Member State of the European Economic Area (the "**EEA**"), which has implemented the Prospectus Directive (each a "**Relevant Member State**"). Applications will be made to the Irish Stock Exchange to admit Notes issued under the Programme to listing on the official list (the "**Official List**") and to trading on the Main Securities Market which is a regulated market for the purposes of MiFID.

References in this Base Prospectus to Notes being "listed" (and all related references) on the Irish Stock Exchange shall mean that such Notes have been admitted to the Official List and to trading on the Main Securities Market. The Programme also permits Notes to be admitted to listing, trading and/or quotation by such other or further competent authorities, stock exchanges and/or quotation systems as may be agreed with the Issuer.

Under the Programme, ADIF-Alta Velocidad ("**ADIF-AV**" or the "**Issuer**") may from time to time issue Notes denominated in any currency or currencies, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements. No Notes may be issued under the Programme which have a minimum denomination of less than €100,000 (or equivalent in another currency).

Notes will be issued in bearer form. The Notes of each Tranche (as described below) will initially be represented by a temporary global Note (a "**Temporary Global Note**") (or, if so specified in the relevant Final Terms or Drawdown Prospectus, a permanent global Note (a "**Permanent Global Note**"). If the Global Notes are stated in the applicable Final Terms or Drawdown Prospectus to be issued in new global note ("**NGN**") form they are intended to be eligible collateral for Eurosystem monetary policy and the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"). Global Notes which are not issued in NGN form ("**Classic Global Notes**" or "**CGNs**") will be deposited on or around the issue date of the relevant Tranche with a common depository on behalf of Euroclear and Clearstream, Luxembourg (the "**Common Depository**"). The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "*Summary of Provisions relating to the Notes while in Global Form*".

The Notes have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exception from, or in a transaction not subject to, the registration requirements of the Securities Act.

The Programme has been rated BBB+ by Fitch Ratings España, S.A.U. ("**Fitch**") and Baa3 by Moody's Investors Service España, S.A. ("**Moody's**"). Series of Notes to be issued under the Programme may be rated or unrated.

As at the date of this Base Prospectus, each of Moody's and Fitch is established in the EEA and registered under Regulation (EU) No 1060/2009, as amended (the "**CRA Regulation**").

A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Investing in Notes issued under the Programme involves certain risks. The principal risk factors that may affect the abilities of the Issuer to fulfil its obligations under the Notes are discussed under "Risk Factors" on pages 10 to 14 below.

Restrictions on distribution

The distribution of this Base Prospectus and any Final Terms or Drawdown Prospectus, and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms or Drawdown Prospectus comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions.

Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons.

Neither this Base Prospectus nor any Final Terms or Drawdown Prospectus constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuer, the Dealers or any of them that any recipient of this Base Prospectus or any Final Terms or Drawdown Prospectus should subscribe for or purchase any Notes. Each recipient of this Base Prospectus or any Final Terms or Drawdown Prospectus shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer and should consider the suitability of the Notes as an investment in light of their own circumstances, investment objectives, tax position and financial condition.

Programme limit

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed €5,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into euro at the date of the agreement to issue such Notes (calculated in accordance with the provisions of the Dealer Agreement as defined under "*Subscription and Sale*"). Certain figures included in this Base Prospectus have been subject to rounding adjustments; accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures which precede them.

Ratings

Tranches of Notes issued under the Programme will be rated or unrated. Where a Tranche of Notes is rated, such rating will not necessarily be the same as the rating(s) described above or the rating(s) assigned to Notes already issued. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms or Drawdown Prospectus. Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be (1) issued by a credit rating agency established in the EEA and registered (or which has applied for registration and not been refused) under the CRA Regulation, or (2) issued by a credit rating agency which is not established in the EEA but will be endorsed by a CRA which is established in the EEA and registered under the CRA Regulation or (3) issued by a credit rating agency which is not established in the EEA but which is certified under the CRA Regulation will be disclosed in the Final Terms or Drawdown Prospectus, as applicable.

Stabilisation

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms or Drawdown Prospectus may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche

of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms or Drawdown Prospectus. RISK FACTORS

Any investment in the Notes is subject to a number of risks. Prior to investing in the Notes, prospective investors should carefully consider risk factors associated with any investment in the Notes, the business of the Issuer and the industry in which it operates together with all other information contained in this Base Prospectus, including, in particular the risk factors described below. Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section.

The following is not an exhaustive list or explanation of all risks which investors may face when making an investment in the Notes and should be used as guidance only. Additional risks and uncertainties relating to the Issuer that are not currently known to the Issuer, or that it currently deems immaterial, may individually or cumulatively also have a material adverse effect on the business, prospects, results of operations and/or financial position of the Issuer and, if any such risk should occur, the price of the Notes may decline and investors could lose all or part of their investment. Investors should consider carefully whether an investment in the Notes is suitable for them in light of the information in this Base Prospectus and their personal circumstances.

Risk Factors relating to the Issuer

Project and operational risks

Investment into the high speed rail network (particularly for construction of the high speed rail lines), which by its nature involves long and often complex projects, requires a high level of capital expenditure. As these projects typically take several years to achieve, any changes to the legal framework, delay in delivery of a project or technical adjustment can result in increased costs. Notwithstanding the extensive control systems in place to prevent operational issues from causing major service disruptions, there can be no assurance that the changes listed above would not lead to increased costs and/or operational difficulties that may have an adverse effect on the Issuer's business, particularly its ability to complete construction of a specific line of the high speed rail network in due course, and results of operations.

Procurement costs

Costs related to materials and services for construction constitute a significant portion of ADIF-AV's capital expenses. Procurement prices of such materials and services may shift depending on the market situation. Although over the last several months suppliers have been required in the public tender to waive their right to review prices under the contracts, any shifts in prices may have an adverse impact on the Issuer's business.

Major accidents, derailment or other incidents

The Issuer's infrastructure operation may be adversely affected by many factors, including accidents, derailments, the breakdown or failure of equipment or processes, natural disasters, terrorist attacks or sabotage. A major rail accident, derailment or other incident involving the Issuer's railway operations could result in damage to or loss of the Issuer's infrastructure and may also disrupt the Issuer's services, which could give rise to potential claims by counterparties, injured passengers and others. The Issuer carries insurance that would cover such events – see further below. A significant event would cause the Issuer to incur additional expenses (if not covered by relevant insurance) and the Issuer may not be able to rebuild or repair its infrastructure or restore operations in a timely fashion. Accordingly, a major accident, derailment or other incident involving the Issuer's railway operations could have a material adverse effect on the Issuer's business, financial condition, results of operations and prospects.

In addition, train crashes or similar incidents could impact general passenger confidence and lead to a reduced demand for train travel adversely impacting Issuer's results coming from charges for the use of the high speed rail infrastructure. Furthermore, ADIF-AV might suffer from reputational damage (and associated losses) derived from a train crash or similar incidents. The adverse consequences of such events, and the threat of such events, could include reduced demand for train travel, limitations on the availability of insurance coverage and increased costs associated with security precautions.

Risks relating to macroeconomic conditions

During the last few years, the global economy and the global financial system have experienced a period of significant turbulence and uncertainty. This turmoil affecting the global financial markets and banking system has significantly limited the availability of credit and resulted in a widespread withdrawal of investment funding. In several countries of the Euro-zone (including Spain), overall demand for goods and services has been adversely affected by spending cuts and other austerity measures which has led to an adverse effect on economic growth and

the rate of employment. ADIF-AV is dependent on the economic environment and cyclical trends in the world, European and domestic economies. Any economic downturn, market crisis or period of instability is likely to have a negative impact on the Issuer's business and, therefore, its ability to fulfil its obligations under the Notes.

As the Issuer is a public corporate entity, its credit rating is linked to, and closely follows, that of the Kingdom of Spain. The Issuer, is therefore, exposed to the risk of downgrading in Spain's sovereign credit rating. Accordingly, in line with practice adopted by rating agencies, a hypothetical downgrade of Spain's credit rating may have a knock-on effect on the credit rating of the Issuer and, consequently, adversely affect the Issuer's access to alternative sources of funding and/or may increase the cost of funding. Notwithstanding these points, on 21 February 2014 Moody's upgraded the rating for the Kingdom of Spain to Baa2/P2/Positive outlook and on 22 April 2014 the Issuer obtained the rating of Baa3/P3/Positive outlook from Moody's, which was confirmed on 1 April 2015. On 25 April 2014 Fitch updated the rating for the Kingdom of Spain to BBB+/F2/Stable outlook and on 2 May 2014 the Issuer obtained the rating of BBB+/F2/Stable outlook from Fitch, which was confirmed on 29 April 2015.

Certain macroeconomics ratios may indicate that the economic situation in the Euro-zone, and more specifically in Spain, is currently improving. As a consequence the debt capital markets in the Eurozone have been performing well in the few months prior to the date of this Base Prospectus, and it is expected that the real economy will also see a positive improvement.

Due to the changing nature of the aforementioned risk, as at the date of this Base Prospectus it is not certain how such risk may impact the Issuer's business prospects and financial condition.

Liquidity and Financing risks

From time to time, ADIF-AV may need to raise further debt to, among other things, finance future capital expenditure and enable it to refinance its existing indebtedness in the ordinary course of business. The Issuer proactively manages its liquidity and financing needs by controlling and reviewing its expected cash flows and access to diversified sources of funding both in the long and short-term. There can be no assurance that ADIF-AV will be able to raise future debt on terms that are economically viable, or at all, and this may have an adverse effect on the Issuer's business (including the ability to complete construction of its infrastructure) and results of operations.

Counterparty risk

As referred to in section "Principal sources of funds" of this Base Prospectus, ADIF-AV's main revenue stream comes from the charges for railway usage. The main users of the railway are public business entities such as Renfe Viajeros and Renfe Mercancías (affiliates of Renfe Operadora), who in turn are also the Issuer's main debtors.

The Issuer evaluates the credit status of its commercial debtors by taking into account a number of factors: their financial position; their historical experience, and any other economic factor that may be helpful for establishing their creditworthiness.

The Issuer has several internal policies in order to (i) evaluate the creditworthiness of the financial entities by looking at the period of the investment to be made and considering among others, the credit qualification given by rating agencies, and (ii) to determine the individual limit of credit for each financial entity, according to different factors (total volume of assets, profitability, etc.)

However, a failure in such internal policies to evaluate the Issuer's counterparties could have a negative impact on the Issuer's business.

Insurance policy

Although ADIF-AV maintains appropriate insurance cover as required for the type of risks associated with the business it conducts (such as general liability and additional operating liability insurance, liability insurance for damages (for example, fire, lightning and explosion) and other extraordinary risks of ADIF-AV's rail infrastructure; accident insurance for users of passenger stations; and liability insurance for ADIF-AV's directors and for its management), the risk to the occurrence of events not covered by those insurance policies cannot be excluded, nor that the insurance cover in place will not be sufficient in the event that a risk crystallises. If a claim were to be made that was not covered by insurance, this could impact on Issuer's results of operations.

Legal risks

As detailed in section "History and legal status" of this Base Prospectus, ADIF-AV, as a public corporate entity (*entidad pública empresarial*) is subject to a number of Spanish regulations implemented by various sources (such Acts, Royal Decrees, Ministerial Orders and budgetary legislation.).

Therefore, any regulatory or political developments which result in changes to the legislation, government regulation or policy which ADIF-AV is subject to may have a material impact on the Issuer. For example, any change on regulation governing the charges for the use of the high speed infrastructures could have an adverse effect on Issuer's profitability. Another example may be a change in the relevant General State Budget reducing the annual amount of contributions from the Spanish State, which could limit Issuer's ability to expand its construction activities.

Credit risk

Holders of Notes bear the credit risk of the Issuer, that is the risk that the Issuer is not able to meet its obligations under the Notes, irrespective of how any principal, interest or other payments under such Notes are to be calculated.

State-owned entity

The Issuer is wholly owned by the State and therefore has the power to influence and to control the Issuer's operational and financial decisions. The State might require the Issuer to engage in business practices in a way not always consistent with the best interests of the holders of the Notes. Additionally, as a consequence of the Issuer's nature of public corporate entity (*entidad pública empresarial*) and of the fact that most of the Issuer's assets are in the public domain, it is not possible to enforce against most of ADIF-AV's assets if it fails to make payments under the Notes.

Environmental risks

As the Issuer's business involves infrastructure projects, which by their nature pose a number of potentially hazardous consequences for the environment, their operations are subject to extensive environmental laws and regulations. Compliance with environmental regulation is therefore an on-going process and, as such, new laws and regulations would need to be complied with. As new policies in this area tend to impose more stringent requirements, as well as carrying stricter enforcement, ADIF-AV would be required to modify its operations in order to comply with any new laws or regulations which may result in substantial costs being incurred. If ADIF-AV fails to comply with any such environmental laws, it may incur hefty penalties that could have a material adverse effect on the Issuer's business, profitability and operating results.

Interest Rate risks

The Issuer has entered into credit facilities which are linked to a number of different interest rates: at a fixed rate for periods between 3 and 40 years and floating interest rates referenced to Euribor plus a margin which can be either fixed or floating. In certain cases, the risk that an interest rate may rise could be modulated by changing the allocation of fixed and floating rates, if at the time when the credit operation is entered into, this is possible and the Issuer considers this to be beneficial. As at 31 December 2014, 64.95 per cent. of ADIF-AV's long term debt is at a fixed rate (16.54 per cent. of which remains subject to review in the future and could be allocated to fixed or floating rate), 35.05 per cent. is linked to Euribor.

The Issuer has entered into hedging transactions on the basis of specific risk management policies, with the aim of managing the exposure to changes in floating interest rates. The Issuer does not enter into derivatives for speculative purposes. There can be no assurance that the Issuer will be able to further implement transactions to hedge interest rate risk related to new debt issues and this may have an adverse effect on the Issuer's business and results of operations.

Ability to service indebtedness

The Issuer's ability to make payments on or to refinance its debt obligations will depend on its future operating performance and ability to generate sufficient cash. This will depend on factors largely beyond its control.

If future cash flow from operations and other capital resources are insufficient to pay any obligations as they mature on to liquidity needs, the Issuer may be forced to reduce or limit its business activities or delay capital expenditure,

sell assets, obtain additional debt financing or restructure all or a portion of its debt, including the Notes, on or before maturity.

However, refinancing of the Issuer's debt could be at higher interest rates than the Issuer's current debt and may require the Issuer to comply with more onerous obligations, which could further restrict the Issuer's business operations. In addition, the terms of the Issuer's existing or future debt instruments and the terms governing the Notes may restrict the Issuer from adopting some of these alternatives, therefore it cannot be assured that the Issuer would be able to accomplish any of these alternatives on a timely basis or on satisfactory terms, if at all.

Any failure to make payments of interest or principal on Issuer's outstanding indebtedness on a timely basis would likely result in a reduction of Issuer's credit standing, which could harm its ability to incur additional indebtedness. Moreover, the Issuer could face substantial liquidity problems, which would have a material adverse effect on the Issuer's business, financial condition and results of operations.

Qualifications to Audit Reports

Each of the Audit Reports (as defined below) contains a qualification in relation to the amount recorded in "Property, Plant and Equipment" which does not include the land through which the stretch of the high-speed Madrid-Seville line (built by the Ministry of Public Works (*Ministerio de Fomento*)) runs, as well as land on which certain railway premises are located which have been assigned to the branch of activity of ADIF-AV, and for which the predecessor of the Issuer held legal title in 2012, title which was passed to ADIF-AV in 2013. The auditors were unable to obtain sufficient evidence to analyse the effect that not recording this property could have on the figures in relation to "Property, Plant and Equipment" and "Equity" contained in the relevant financial statements of the Issuer as at and for the years ended 31 December 2013 and 31 December 2014, respectively. KPMG Auditores, S.L. and the General Public Auditor (*Intervención General de la Administración del Estado*) were consequentially unable to evaluate the impact that this may have on the relevant line items of the relevant financial statements.

Recording this property in the relevant financial statements could have a potential benefit on the corresponding line items, but due to it not being possible to record this property the reliance that investors can place on the relevant line items in the financial statements is limited.

In the financial statements for the year ended 31 December 2014 the auditors identified that there had been an infringement of public sector procurement rules due to the fact that certain infrastructure work was performed without the required legal coverage and advances were given to suppliers beyond the cases and requirements envisaged in the applicable rules. However during 2014 ADIF-AV put in place a process to regularise such matters as more fully described in the notes to the financial statements for the year ended 31 December 2014 and the infringement did not in any way modify the auditors' opinion on the financial statements.

Risk Relating to the Notes

No active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although application has been made to the Irish Stock Exchange for the Notes issued under the Programme to be admitted to the Official List and trading on the Main Securities Market, there is no assurance that such application will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

Redemption prior to maturity

Unless in the case of any particular Tranche of Notes the relevant Final Terms or Drawdown Prospectus specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Kingdom of Spain or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

Early redemption of the Notes by the Issuer would affect the period of time over which the relevant Holders expected to receive interest payments and would result in early repayment of principal.

Global Notes are held by or on behalf of Euroclear and Clearstream, Luxembourg

Notes issued under the Programme may be represented by one or more Global Notes. Such Global Notes will be deposited with a common depository for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes the Issuer will discharge its payment obligations under the Notes by making payments to the common depository for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the Issuer in the event of a default under the relevant Notes but will have to rely upon their rights under the Deed of Covenant.

The conditions of the Notes contain provisions which may permit their modification without the consent of all investors

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Withholding under the EU Savings Tax Directive

As described in "*Taxation – EU Savings Tax Directive*" below, in accordance with the requirement of the EU Savings Tax Directive, certain Member States have opted to apply a withholding system in relation to payments of interest or of other similar income, deducting tax at a rate of 35 per cent.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent (as defined in the Conditions) nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

For more information, please see "*Taxation – EU Savings Tax Directive*", below.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates

Investment in Fixed Rate Notes involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Fixed Rate Notes.

Credit ratings assigned to the Issuer or any Notes may not reflect all the risks associated with an investment in those Notes

One or more independent credit rating agencies may assign credit ratings to the Issuer or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

FINAL TERMS AND DRAWDOWN PROSPECTUSES

In this section the expression "necessary information" means, in relation to any Tranche of Notes, the information necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and of the rights attaching to the Notes. In relation to the different types of Notes which may be issued under the Programme the Issuer has included in this Base Prospectus all of the necessary information except for information relating to the Notes which is not known at the date of this Base Prospectus and which can only be determined at the time of an individual issue of a Tranche of Notes.

Any information relating to the Notes which is not included in this Base Prospectus and which is required in order to complete the necessary information in relation to a Tranche of Notes will be contained either in the relevant Final Terms or in a Drawdown Prospectus.

For a Tranche of Notes which is the subject of Final Terms, those Final Terms will, for the purposes of that Tranche only, complete this Base Prospectus and must be read in conjunction with this Base Prospectus. The terms and conditions applicable to any particular Tranche of Notes which is the subject of Final Terms are the Conditions described in the relevant Final Terms as completed to the extent described in the relevant Final Terms.

The terms and conditions applicable to any particular Tranche of Notes which is the subject of a Drawdown Prospectus will be the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Drawdown Prospectus.

Each Drawdown Prospectus will be constituted by a single document containing the necessary information relating to the Issuer and the relevant Notes.

FORMS OF THE NOTES

Each Tranche of Notes will initially be in the form of either a temporary global note (the "**Temporary Global Note**"), without interest coupons, or a permanent global note (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the relevant Final Terms or Drawdown Prospectus. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Note**") which is not intended to be issued in new global note ("**NGN**") form, as specified in the relevant Final Terms or Drawdown Prospectus, will be deposited on or around the issue date of the relevant Tranche of the Notes with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and each Global Note which is intended to be issued in NGN form, as specified in the relevant Final Terms or Drawdown Prospectus, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), **provided that** certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The relevant Final Terms or Drawdown Prospectus will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or, if the Notes do not have a maturity of more than 365 days, that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Notes

If the relevant Final Terms or Drawdown Prospectus specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the delivery of a Permanent Global Note to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) presentation and surrender of the Temporary Global Note to or to the order of the Fiscal Agent; and
- (ii) receipt by the Fiscal Agent of a certificate or certificates of non-U.S. beneficial ownership.

The principal amount of Notes represented by the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership **provided, however, that** in no circumstances shall the principal amount of Notes represented by the Permanent Global Note exceed the initial principal amount of Notes represented by the Temporary Global Note.

If:

- (a) the Permanent Global Note has not been delivered or the principal amount thereof increased by 5.00 p.m. (London time) on the seventh day after the bearer of the Temporary Global Note has requested exchange of an interest in the Temporary Global Note for an interest in a Permanent Global Note; or
- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Note in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver a Permanent Global Note) will become void at 5.00 p.m. (London time) on such seventh day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Deed of Covenant).

The Permanent Global Note will become exchangeable, in whole but not in part only and at the request of the bearer of the Permanent Global Note, for Bearer Notes in definitive form ("**Definitive Notes**"):

- (a) on the expiry of such period of notice as may be specified in the Final Terms or Drawdown Prospectus; or
- (b) at any time, if so specified in the Final Terms or Drawdown Prospectus; or
- (c) if the Final Terms or Drawdown Prospectus specifies "in the limited circumstances described in the Permanent Global Note", then if either of the following events occurs:
 - (i) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or
 - (ii) any of the circumstances described in Condition 11 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Final Terms or Drawdown Prospectus), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Notes; or
- (b) the Permanent Global Note was originally issued in exchange for part only of a Temporary Global Note representing the Notes and such Temporary Global Note becomes void in accordance with its terms; or
- (c) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on the date on which such Temporary Global Note becomes void (in the case of (b) above) or at 5.00 p.m. (London time) on such due date ((c) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant).

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms or Drawdown Prospectus specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules or the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Final Terms or Drawdown Prospectus specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-

U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or Drawdown Prospectus), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Temporary Global Note for Definitive Notes; or
- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Deed of Covenant).

Permanent Global Note exchangeable for Definitive Notes

If the relevant Final Terms specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Notes", then the Notes will initially be in the form of a Permanent Global Note which will be exchangeable in whole, but not in part, for Definitive Notes:

- (a) on the expiry of such period of notice as may be specified in the relevant Final Terms or Drawdown Prospectus; or
- (b) at any time, if so specified in the relevant Final Terms or Drawdown Prospectus; or
- (c) if the relevant Final Terms or Drawdown Prospectus specifies "in the limited circumstances described in the Permanent Global Note", then if either of the following events occurs:
 - (i) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or
 - (ii) any of the circumstances described in Condition 11 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Final Terms or Drawdown Prospectus), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Notes; or
- (b) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not

been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date ((b) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant).

Rights under Deed of Covenant

Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Temporary Global Note or a Permanent Global Note which becomes void will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Temporary Global Note or Permanent Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Note will be endorsed on that Note and will consist of the terms and conditions set out under "*Terms and Conditions of the Notes*" below and the provisions of the relevant Final Terms which complete, or the Drawdown Prospectus which supplements, amends and/or replaces, those terms and conditions.

The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "*Summary of Provisions Relating to the Notes while in Global Form*" below.

Legend concerning United States persons

In the case of any Tranche of Bearer Notes having a maturity of more than 365 days, the Notes in global form, the Notes in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions which, as completed by the relevant Final Terms, will be endorsed on each Note in definitive form issued under the Programme.

- (b) **Accrual of interest:** The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 9 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (*Fixed Rate Note Provisions*) (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

- (d) **Calculation of interest amount:** The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

7. **Floating Rate Note Provisions**

- (a) **Application:** This Condition 7 (*Floating Rate Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) **Accrual of interest:** The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 9 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

- (c) **Screen Rate Determination:** If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:
- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (ii) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:
 - (A) one rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided, however, that if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate;
 - (iii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (iv) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
 - (v) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

- (d) **ISDA Determination:** If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms; and
 - (iv) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates based on the relevant Floating Rate Option, where:
 - (A) one rate shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided, however, that if there is no rate available for a period of time next shorter than the length of the relevant Interest Period or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.
- (e) **Maximum or Minimum Rate of Interest:** If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (f) **Calculation of Interest Amount:** The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (g) **Publication:** The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the Specified Denomination.

- (h) **Notifications etc:** All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

8. **Redemption and Purchase**

- (a) **Scheduled redemption:** Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 9 (*Payments*).
- (b) **Redemption for tax reasons:** The Notes may be redeemed at the option of the Issuer in whole, but not in part:
- (i) at any time (if the Floating Rate Note Provisions are not specified in the relevant Final Terms as being applicable); or
 - (ii) on any Interest Payment Date (if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant Final Terms, (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if:

- (A) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 10 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the Kingdom of Spain or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and
- (B) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided, however, that no such notice of redemption shall be given earlier than:

1. where the Notes may be redeemed at any time, 90 days (or such other period as may be specified in the relevant Final Terms) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due; or
2. where the Notes may be redeemed only on an Interest Payment Date, 60 days (or such other period as may be specified in the relevant Final Terms) prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent (A) a certificate signed by two authorised signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment. Upon the expiry of any such notice as is referred to in this Condition 8 (*Redemption and Purchase*), the Issuer shall be bound to redeem the Notes in accordance with this Condition 8 (*Redemption and Purchase*).

- (c) **Redemption at the option of the Issuer:** If the Call Option is specified in the relevant Final Terms as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer's giving not less than 30 nor more than 60 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant final terms, (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in

such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).

- (d) **Partial redemption:** If the Notes are to be redeemed in part only on any date in accordance with Condition 8(c) (*Redemption and Purchase – Redemption at the option of the Issuer*), the Notes to be redeemed shall be selected by the drawing of lots in such place as the Fiscal Agent approves and in such manner as the Fiscal Agent considers appropriate, subject to compliance with applicable law, the rules of each competent authority, stock exchange and/or quotation system by which the Notes have then been admitted to listing, trading and/or quotation and the notice to Noteholders referred to in Condition 8(c) (*Redemption and Purchase – Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.
- (e) **Redemption at the option of Noteholders:** If the Put Option is specified in the relevant Final Terms as being applicable, the Issuer shall, at the option of the holder of any Note redeem such Note on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 8(e) (*Redemption and Purchase – Redemption at the option of the Noteholders*), the holder of a Note must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put) (or such other period(s) as may be specified in the relevant final terms), deposit with any Paying Agent such Note together with all unmatured Coupons relating thereto and a duly completed Put Option Notice in the form obtainable from any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Noteholder. No Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 8(e) (*Redemption and Purchase – Redemption at the option of the Noteholders*), may be withdrawn; **provided, however, that** if, prior to the relevant Optional Redemption Date (Put), any such Note becomes immediately due and payable or, upon due presentation of any such Note on the relevant Optional Redemption Date (Put), payment of the redemption moneys is improperly withheld or refused, the relevant Paying Agent shall mail notification thereof to the depositing Noteholder at such address as may have been given by such Noteholder in the relevant Put Option Notice and shall hold such Note at its Specified Office for collection by the depositing Noteholder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note is held by a Paying Agent in accordance with this Condition 8(e) (*Redemption and Purchase – Redemption at the option of the Noteholders*), the depositor of such Note and not such Paying Agent shall be deemed to be the holder of such Note for all purposes.
- (f) **No other redemption:** The Issuer shall not be entitled to redeem the Notes otherwise than as provided in paragraphs (a) to (e) above.
- (g) **Purchase:** The Issuer or any of its Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price, **provided that** all unmatured Coupons are purchased therewith.
- (h) **Cancellation:** All Notes so redeemed or purchased by the Issuer or any of its Subsidiaries and any unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or resold.

9. Payments

- (a) **Principal:** Payments of principal shall be made only against presentation and (**provided that** payment is made in full) surrender of Notes at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency.
- (b) **Interest:** Payments of interest shall, subject to paragraph (h) below, be made only against presentation and (**provided that** payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in paragraph (a) above.
- (c) **Payments in New York City:** Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount

of the interest on the Notes in the currency in which the payment is due when due, (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.

- (d) **Payments subject to fiscal laws:** All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 10 (*Taxation*). No commissions or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Deductions for unmatured Coupons:** If the relevant Final Terms specifies that the Fixed Rate Note Provisions are applicable and a Note is presented without all unmatured Coupons relating thereto:
 - (i) if the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; **provided, however, that** if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of such missing Coupons which the gross amount actually available for payment bears to the amount of principal due for payment;
 - (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; **provided, however, that** where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
 - (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; **provided, however, that**, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (**provided that** payment is made in full) surrender of the relevant missing Coupons.

- (f) **Unmatured Coupons void:** If the relevant Final Terms specifies that this Condition 9 (*Payments*) is applicable or that the Floating Rate Note Provisions are applicable, on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 8(b) (*Redemption and Purchase – Redemption for tax reasons*), Condition 8(c) (*Redemption and Purchase – Redemption at the option of the Issuer*), Condition 8(e) (*Redemption and Purchase – Redemption at the option of Noteholders*), or Condition 11 (*Events of Default*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.
- (g) **Payments on business days:** If the due date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (h) **Payments other than in respect of matured Coupons:** Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Notes at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by paragraph (c) above).
- (i) **Partial payments:** If a Paying Agent makes a partial payment in respect of any Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.

- (j) **Exchange of Talons:** On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Fiscal Agent for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 12 (*Prescription*)). Upon the due date for redemption of any Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.

10. **Taxation**

- (a) **Gross up:** All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Kingdom of Spain or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts as will result in receipt by the Noteholders and the Couponholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or Coupon presented for payment:
- (i) by or on behalf of a holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of its having some connection with the Kingdom of Spain by which such taxes, duties, assessments or charges have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note or Coupon; or
 - (ii) by or on behalf of, a Spanish-resident legal entity subject to the Spanish Corporation Income Tax if the Spanish tax authorities determine that the Notes do not comply with applicable exemption requirements including those specified in the reply to a non-binding consultation of the Directorate General for Taxation (*Dirección General de Tributos*) dated 27 July 2004 and require a withholding to be made; or
 - (iii) by or on behalf of an individual resident for tax purposes in the Kingdom of Spain if the Spanish tax authorities determine that payments made to such individuals are not exempt from Spanish withholding tax and require a withholding to be made; or
 - (iv) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, this Directive; or
 - (v) by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the EU; or
 - (vi) more than 30 days after the Relevant Date except to the extent that the holder of such Note or Coupon would have been entitled to such additional amounts on presenting such Note or Coupon for payment on the last day of such period of 30 days.
- (b) **Taxing jurisdiction:** If the Issuer becomes subject at any time to any taxing jurisdiction other than the Kingdom of Spain, references in these Conditions to the Kingdom of Spain shall be construed as references to the Kingdom of Spain and/or such other jurisdiction.

11. **Events of Default**

If any of the following events occurs:

- (a) **Non-payment:** the Issuer fails to pay any amount of principal in respect of the Notes on the due date for payment thereof or fails to pay any amount of interest in respect of the Notes within 3 days of the due date for payment thereof; or
- (b) **Breach of other obligations:** the Issuer defaults in the performance or observance of any of its other obligations under or in respect of the Notes and such default remains unremedied for 30 days after written

notice thereof, addressed to the Issuer by any Noteholder, has been delivered to the Issuer or to the Specified Office of the Fiscal Agent; or

(c) **Cross-default of Issuer or any of its Material Subsidiaries:**

- (i) any Indebtedness of the Issuer or any of its Material Subsidiaries is not paid when due or (as the case may be) within any originally applicable grace period;
- (ii) any such Indebtedness becomes (or becomes capable of being declared) due and payable prior to its stated maturity otherwise than at the option of the Issuer or the relevant Subsidiary or (**provided that** no event of default, howsoever described, has occurred) any Person entitled to such Indebtedness; or
- (iii) the Issuer or any of its Material Subsidiaries fails to pay when due any amount payable by it under any Guarantee of any Indebtedness; or

(d) **Unsatisfied judgment:** one or more judgment(s) or order(s) for the payment of an individual or aggregate amount equal to or in excess of €200,000,000 (or its equivalent in any other currency or currencies) is rendered against the Issuer or any of its Material Subsidiaries and continue(s) unsatisfied and unstayed for a period of 30 days after the date(s) thereof or, if later, the date therein specified for payment; or

(e) **Inability to pay debts:** (i) the Issuer or any of its Material Subsidiaries is unable to, or admits its inability to, pay its debts as they fall due, (ii) the Issuer or any of its Material Subsidiaries takes any action for a readjustment or deferment of any of its obligations or makes a general assignment or an arrangement or composition with or for the benefit of its creditors or declares a moratorium in respect of any of its Indebtedness or any Guarantee of any Indebtedness given by it or (iii) the Issuer or any of its Material Subsidiaries ceases or threatens to cease to carry on all or any substantial part of its business otherwise than for the purposes of or pursuant to an amalgamation, reorganisation or restructuring whilst solvent; or

(f) **Winding up etc:** an order is made or an effective resolution, law or regulation is passed for the winding up, liquidation or dissolution of the Issuer or any of its Material Subsidiaries otherwise than for the purposes of or pursuant to an amalgamation, reorganisation or restructuring whilst solvent; or

(g) **Analogous event:** any event occurs which under the laws of the Kingdom of Spain has an analogous effect to any of the events referred to in paragraphs (d) to (g) above; or

(h) **Failure to take action etc:** any action, condition or thing at any time required to be taken, fulfilled or done in order (i) to enable the Issuer lawfully to enter into, exercise its rights and perform and comply with its obligations under and in respect of the Notes, (ii) to ensure that those obligations are legal, valid, binding and enforceable and (iii) to make the Notes and the Coupons admissible in evidence in the courts of the Kingdom of Spain is not taken, fulfilled or done; or

(i) **Unlawfulness:** it is or will become unlawful for the Issuer to perform or comply with any of its obligations under or in respect of the Notes; or

(j) **Change of control:** the Issuer ceases to be wholly-owned by the General Administration of the Spanish State (*Administración General del Estado*) or the General Administration of the Spanish State (*Administración General del Estado*) no longer has control of the Issuer ("control" in this context meaning the right to appoint and/or remove all or the majority of the members of the board of directors and/or the President (*Presidente*) of the board of directors of the Issuer, whether directly or indirectly, and whether by law, the possession of voting rights, contract or otherwise); or

(k) **Change of law:** a change in Spanish law or regulation that results in the Issuer ceasing to be a public corporate entity (*entidad pública empresarial*) or a change in the Spanish legislative, regulatory and administrative framework applicable to the winding up and liquidation of public corporate entities (*entidad pública empresarial*) that has, or is reasonably likely to have, a material adverse effect on (i) the business, operations, property, condition (financial or otherwise) or prospects of the Issuer, (ii) the ability of the Issuer to perform its obligations under the Notes, or (iii) the validity or enforceability of the Notes or the rights or remedies of any Noteholder under the Notes,

then any Note may, by written notice addressed by the holder thereof to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent, be declared immediately due and payable, whereupon

it shall become immediately due and payable at its Early Termination Amount together with accrued interest (if any) without further action or formality.

For the purpose of this Condition, "**Material Subsidiary**" means, at any time, a Subsidiary of the Issuer which has earnings (before interest, tax, depreciation and amortisation), gross assets, net assets or turnover representing 5 per cent. or more of the earnings (before interest, tax, depreciation and amortisation), gross assets, net assets or turnover of the Issuer, in each case calculated on a consolidated basis. Compliance with the conditions set out in this definition shall be determined by reference to the latest financial statements and/or management accounts of the Issuer and each of its Subsidiaries. However, if a Subsidiary has been acquired since the date as at which the latest financial statements and/or management accounts of the Issuer or any relevant Subsidiary were prepared, those financial statements and/or management accounts shall be deemed to be adjusted in order to take into account the acquisition of that Subsidiary. A letter from the auditors of the Issuer confirming the calculation as to whether a Subsidiary is or is not a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on all Parties.

12. **Prescription**

Claims for principal shall become void unless the relevant Notes are presented for payment within ten years of the appropriate Relevant Date. Claims for interest shall become void unless the relevant Coupons are presented for payment within five years of the appropriate Relevant Date.

13. **Replacement of Notes and Coupons**

If any Note or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent (and, if the Notes are then admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Paying Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system), subject to all applicable laws and competent authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes or Coupons must be surrendered before replacements will be issued.

14. **Agents**

In acting under the Agency Agreement and in connection with the Notes and the Coupons, the Paying Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Paying Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint a successor fiscal agent or Calculation Agent and additional or successor paying agents; **provided, however, that:**

- (a) the Issuer shall at all times maintain a Fiscal Agent; and
- (b) the Issuer shall at all times maintain a paying agent in an EU member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC; and
- (c) if a Calculation Agent is specified in the relevant Final Terms, the Issuer shall at all times maintain a Calculation Agent; and
- (d) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Issuer shall maintain a Paying Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Paying Agents or in their Specified Offices shall promptly be given to the Noteholders.

15. **Meetings of Noteholders; Modification and Waiver**

- (a) *Meetings of Noteholders:* The Agency Agreement contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer and shall be convened by them upon the request in writing of Noteholders holding not less than one-tenth of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be two or more Persons holding or representing more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, two or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which two or more Persons holding or representing not less than three-quarters or, at any adjourned meeting, one quarter of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification:* The Notes and these Conditions may be amended without the consent of the Noteholders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement may agree to modify any provision thereof, but the Issuer shall not agree, without the consent of the Noteholders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is, in the opinion of such parties, not materially prejudicial to the interests of the Noteholders.

16. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders or the Couponholders, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with any Series of the Notes.

17. **Notices**

Notices to the Noteholders shall be valid if published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*) and, if the Notes are admitted to trading on the Irish Stock Exchange and it is a requirement of applicable law or regulations, a leading newspaper having general circulation in Ireland or published on the website of the Irish Stock Exchange or, in either case, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of first publication (or if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Noteholders.

18. **Currency Indemnity**

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

19. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

20. **Governing Law and Jurisdiction**

- (a) **Governing law:** The Notes and any non-contractual obligations arising out of or in connection with the Notes are governed by English law.
- (b) **English courts:** The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes (including any non-contractual obligation arising out of or in connection with the Notes).
- (c) **Appropriate forum:** The Issuer agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.
- (d) **Rights of the Noteholders to take proceedings outside England:** Condition 20(b) (*Governing Law and Jurisdiction – English courts*) is for the benefit of the Noteholders only. As a result, nothing in this Condition 20 (*Governing Law and Jurisdiction*) prevents any Noteholder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, Noteholders may take concurrent Proceedings in any number of jurisdictions.
- (e) **Process agent:** The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to WFW Legal Services Limited at its registered office from time to time (as at the date of the Base Prospectus, at 15 Appold Street, London, EC2A 2HB, England (Attention: KAVS1/28338.50000)) or, if different, its registered office for the time being or at any address of the Issuer in Great Britain. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall, on the written demand of any Noteholder addressed and delivered to the Issuer or to the Specified Office of the Fiscal Agent appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Noteholder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any Noteholder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and to Proceedings elsewhere.
- (f) **Consent to enforcement etc.:** The Issuer consents generally to the extent permitted by any applicable Law in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such Proceedings.
- (g) **Waiver of immunity:** To the extent that the Issuer may in any jurisdiction claim for itself or its assets or revenues immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that such immunity (whether or not claimed) may be attributed in any such jurisdiction to the Issuer or its assets or revenues, the Issuer agrees not to claim and irrevocably waives such immunity to the full extent permitted by the laws of such jurisdiction.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Clearing System Accountholders

Each Global Note will be in bearer form. Consequently, in relation to any Tranche of Notes represented by a Global Note, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a depositary or a common depositary, in the case of a CGN, or a common safekeeper, in the case of an NGN for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or, as the case may be, common safekeeper.

Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Note (each an "**Accountholder**") must look solely to Euroclear and/or Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer to the bearer of such Global Note and in relation to all other rights arising under the Global Note. The extent to which, and the manner in which, Accountholders may exercise any rights arising under the Global Note will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by the Global Note, Accountholders shall have no claim directly against the Issuer in respect of payments due under the Notes and such obligations of the Issuer will be discharged by payment to the bearer of the Global Note.

Conditions applicable to Global Notes

Each Global Note will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note. The following is a summary of certain of those provisions:

Payments: All payments in respect of the Global Note will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Global Note to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Global Note, the Issuer shall procure that in respect of a CGN the payment is noted in a schedule thereto and in respect of an NGN the payment is entered *pro rata* in the records of Euroclear and Clearstream, Luxembourg.

Payment Business Day: In the case of a Global Note, shall be: if the currency of payment is euro, any day which is a TARGET Settlement Day and a day on which dealings in foreign currencies may be carried on in each (if any) Additional Financial Centre; or, if the currency of payment is not euro, any day which is a day on which dealings in foreign currencies may be carried on in the Principal Financial Centre of the currency of payment and in each (if any) Additional Financial Centre.

Exercise of put option: In order to exercise the option contained in Condition 8(e) (*Redemption and Purchase – Redemption at the option of Noteholders*) the bearer of the Permanent Global Note must, within the period specified in the Conditions for the deposit of the relevant Note and put notice, give written notice of such exercise to the Fiscal Agent specifying the principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 8(c) (*Redemption and Purchase – Redemption at the option of the Issuer*) in relation to some only of the Notes, the Permanent Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

Notices: Notwithstanding Condition 17 (*Notices*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are) deposited with a depositary or a common depositary for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system or a common safekeeper, notices to Noteholders may be given by delivery of the

relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and, in any case, such notices shall be deemed to have been given to the Noteholders in accordance with Condition 17 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

USE OF PROCEEDS

The net proceeds of the issue of each Tranche of Notes will be used for the construction of the Spanish high speed rail infrastructure and general corporate and financing purposes.

DESCRIPTION OF ADIF-ALTA VELOCIDAD

INTRODUCTION

History and legal status

ADIF-AV is a state-owned "public corporate entity" (*entidad pública empresarial*) created by the State General Public Administration Department (*AGE-Administración General del Estado*) of the Spanish State (the "State"), and operates under the supervisory control of the Ministry of Public Works (*Ministerio de Fomento*) pursuant to Article 43.1(b) of Act 6/1997². Public corporate entities are organisations which perform functions considered to be in the public interest and which are not permitted to be carried out by the private sector. Although they operate in line with public policy, unlike government agencies which operate as non-profit making organisations, a public corporate entity performs these functions on a commercial basis with funding from the State. ADIF-AV is charged with the responsibility of constructing and managing Spain's high speed rail network in-line with government policy.

Prior to December 2013, overall responsibility for Spain's railway infrastructure was entrusted to *Administrador de Infraestructuras Ferroviarias* ("ADIF")³. However, on 13 December 2013 the Council of Ministers approved "Royal Decree-law 15/2013" ("**RDL 15/2013**"), which effectively split ADIF into two entities. The high speed rail network business was hived off to ADIF-AV leaving the conventional railway system in ADIF. As per article 1 of RDL 15/2013, this split became effective on 31 December 2013 (but with effects for accountancy purposes as from 1 January 2013), when ADIF-AV was created as a public corporate entity⁴.

ADIF-AV was established and is governed by the following regulatory provisions:

- (i) RDL 15/2013;
- (ii) Royal Decree 1044/2013, of 27 December, by virtue of which ADIF-AV's By-Laws were approved, as amended from time to time;
- (iii) Ministerial order PRE/2443/2013, of 27 December, (the "**Order PRE/2443/2013**") by virtue of which the assets and liabilities allocated to ADIF-AV were transferred from ADIF to ADIF-AV; and
- (iv) Ministerial order FOM/2438/2013, of 27 December, (the "**Order FOM/2438/2013**") by virtue of which the lists of employees of ADIF to be transferred to ADIF-AV was approved.

In addition to the above, ADIF-AV is also subject to the following general regulatory provisions which apply to all public corporate entities:

- (i) Act 6/1997 and its implementing regulations;
- (ii) Act 39/2003;

² The Ministry of Public Works (*Ministerio de Fomento*) is in charge of Spanish rail policy, legislation and future planning, and is responsible for issuing, granting, suspending and revoking licences in the sector

³ *Administrador de Infraestructuras Ferroviarias* (ADIF) is a public corporate entity in charge of the management of the rail infrastructure, excluding High Speed infrastructure (including rail traffic, allocation of available infrastructure and the building of additional infrastructure pursuant to government instructions).

⁴ Regulated pursuant to Article 43.1(b) of Act 6/1997, of 14 April, on the Organisation and Function of the General State Administration (*Ley 6/1997, de 14 de abril, de Organización y Funcionamiento de la Administración General del Estado* ("**Act 6/1997**").

- (iii) Act 30/1992, of 26 November, dealing with the Legal Regime of Public Administrations and Common Administrative Procedure⁵;
- (iv) Budgetary legislation (Act 47/2003, of 26 November, General Budgetary Law –*Ley General Presupuestaria*- and annually approved budgetary legislation); and
- (v) any other applicable regulations.

Where a matter of law is not covered by the above regulations, regulations applicable to the private sector will apply in respect of that matter.

In performing its duties, ADIF-AV's management has autonomy but must act within the parameters of certain policy objectives as defined by statute including: safeguarding public interest; meeting customer needs by ensuring that the service provided by ADIF-AV is user friendly; and the overarching commitment to create and maintain an efficient railway network.

As ADIF-AV was created by a Royal Decree-Law, it may only be dissolved by a Law or Royal Decree.

Registered office

As ADIF-AV is a public corporate entity, it is not registered with any Public Registry and therefore is not required to hold a registered office. For the purpose of communication and tax purposes, ADIF-AV's uses its office address at: Calle Hiedra s/n, Recinto Estación de Chamartín, Edificio 23, 28036, Madrid, Spain. Its telephone number is +34 91 7674425.

Financial Year

ADIF-AV's financial year runs from 1 January to 31 December.

ADIF-AV's Business

Overview

The main business activities of ADIF-AV are:

- the construction of high speed rail infrastructures. Further investment is being sought to fund additional construction of high speed rail infrastructures in line with ADIF-AV's business strategy (please see *Description of the Issuer – ADIF-AV's Business Strategy*). For the year ended 31 December 2014, the investment for construction activities amounted to €1.88 billion;
- the management and administration of the high-speed rail network owned by ADIF AV. Although some funding comes from the State, management and administration costs are expected to be met from revenue streams generated through railway charges (*cánones ferroviarios*) payable by train operators;
- other activities such as (i) management of the passenger stations; (ii) the management of ADIF-AV's fiber optic network, until its assignment to Red Eléctrica Internacional on 20 November 2014; and (iii) the supply of energy for train users on the rail network, which accounted for 47 per cent. of the Issuer's total revenues and other operating income for the year ended 31 December 2014.

ADIF-AV is not permitted to provide rail transport services, as it is established in Article 3.2 of its By-laws and in Article 21.2 of the Act 39/2003. ADIF-AV is only permitted to provide transport services to a third party for the purpose of transporting materials which are required by ADIF-AV in order to perform its functions, for example when transporting materials for the purpose of construction activities of the rail network.

⁵ Ley 30/1992, de 26 de noviembre, de Régimen jurídico de las Administraciones Públicas y del Procedimiento Administrativo Común.

A resolution dated 28 January 2014 was passed by the Secretary of State for Infrastructure, Transport and Housing, who authorised publication of the resolutions of ADIF-AV's Board of Directors dated 17 January 2014, which permit ADIF-AV to delegate the following activities to ADIF:

The nature and scope of the activities being delegated will be set out in the relevant agreements (*convenios*) to be entered into by ADIF-AV with ADIF in respect of each activity. From an accounting perspective, these agreements will have retroactive treatment.

For the year ended 31 December 2014, expenses for services and activities rendered by ADIF to ADIF-AV amounted to €52 million. In addition, ADIF-AV may also carry out activities or render services to ADIF. For the same period, the income for services and activities rendered by ADIF-AV to ADIF amounted to €2.9 million.

Management

Preservation and maintenance of the High Speed rail network

Maintenance of the high speed rail network is divided into three technical areas:

- (i) infrastructure;
- (ii) railway track maintenance; and
- (iii) power supply and safety installations.

Within each of these technical areas, the maintenance sector is further subdivided into three key activities:

- (i) preventive maintenance (scheduled based on legal guidelines);

- (ii) corrective maintenance; and
- (iii) improvement work.

Maintenance activities relate to lines in operation as at the date of this Base Prospectus. The lines in operation as at 31 December 2014 are set out below:

<u>Line</u>	<u>Line length</u>
	<i>(km)</i>
Madrid – Sevilla.....	475
Madrid – Toledo.....	21
Córdoba – Málaga.....	155
Madrid – Valladolid.....	201
Madrid – Barcelona – French Border.....	806
Line Madrid – Castilla la Mancha – Comunidad Valenciana – Región de Murcia.....	607
Total.....	2,265

Logistics

The purpose of ADIF-AV's traffic management activities is to manage the high speed rail network in a way that is both safe and sustainable. This involves, primarily, two operational processes: (i) regulating rail traffic by devising a timetable and allocating slots to different railway companies at different times; and (ii) train circulation management carried out from the Centre for Circulation Regulation (*Centros de Regulación de la Circulación*).

Other activities

Passenger stations management

This area of activity involves managing the 42 stations, positioned on the high speed rail track used by passenger trains, by ensuring that a range of services are provided and that each station has suitable accessibility for its commercial activities.

Telecommunications

The telecommunications business of ADIF-AV comprises: (i) the use of ADIF-AV's fibre optic network (which covers the whole Spanish territory); and (ii) the management of the mobile phones masts and ancillary facilities.

Pursuant to Order PRE/2443/2013, all of the assets relating to the fiber optic network previously owned and operated by ADIF prior to December 2013 were assigned to ADIF-AV, along with all the associated assets necessary to run the network, including mobile phone masts, although ADIF still retained the right to use the fiber optic network. ADIF's right extends to the use of any of the assets in the fibre optic network that are necessary for running the conventional railway network still held under its management, are free of charge, and are not subject to a date of expiry. ADIF is however required to contribute proportionally to the maintenance of such assets.

ADIF-AV has started to prepare a public tender for the award of a lease agreement for the use of its fiber optic network for a period of between 10 years and up to a maximum of 20 years.

On 20 November 2014, by way of public tender, the use of ADIF-AV's fibre optic network was granted to another entity for a 20 year term. The income generated to ADIF AV from this public tender amounted to €34 million which was fully perceived in fiscal year 2014.

Energy

This sector of the business involves the supply of traction electrical energy to any train operator that may require such supply. Effectively, this division of ADIF-AV operates as an energy sale centre: ADIF-AV buys the traction electrical energy and afterwards sells such energy to the train operators. ADIF-AV is obliged to offer this service to train operators using the rail network under ADIF-AV's control, pursuant to Act 39/2003.

Corporate Bodies and Management

Pursuant to article 14 of its By-Laws, ADIF-AV is required to be governed and managed by both a President and a Board of Directors.

The President of ADIF-AV is proposed by the Ministry of Public Works, and appointed by the Council of Ministers (*Consejo de Ministros*). The President's powers are contained in ADIF-AV's By-laws and include the authority to act on behalf of ADIF-AV in any action, or to enter into any contract with an individual or company. The By-laws also allow the President to appoint an assistant in the form of a General Manager (Director General) to assist with their duties. At present, the current President is Mr. Gonzalo Ferre Moltó, and the General Manager is Mr. Javier Gallego López.

The Board of Directors are responsible for the executive supervision of the management and administration of ADIF-AV. The Board comprises directors appointed by the Ministry of Public works and a secretary non-director (currently Mrs. Alicia del Carmen Portas Martínez), with the President acting as the Chairman. As ADIF-AV's By-Laws do not contain a time limit for a director's appointment, their role will be ongoing until they are removed by the Ministry of Public Works.

ADIF-AV's business strategy

ADIF-AV has approved a business plan for the period 2013–2016, with the aim of developing an economically sustainable, safe, efficient, high quality and high performance rail infrastructure network.

Four basic points of action have been identified to help achieve this aim:

- (a) The optimisation of ADIF-AV's investments with the aim of reducing travelling times, allowing rail travel to better compete with other modes of transport.
- (b) The rationalisation of the investment, selecting the more economically sustainable choices, avoiding overcapacity and reducing high cost technical solutions.
- (c) Increasing revenue from charges for the use of the rail network in order to achieve financial sustainability.
- (d) Reduction of ADIF-AV's operating costs by improving productivity and efficiency. The operating costs per km of high speed railway network have shown a steady decline between the year ended 31 December 2009 and the year ended 31 December 2014 of 16 per cent. The maintenance costs of the infrastructure had decreased by 8 per cent. for the year ended 31 December 2014 in comparison with the year ended 31 December 2011.

Recent developments

Judicial investigations and proceedings (criminal proceedings, arbitration, antitrust proceedings administrative litigation)

Project AVE Madrid – Barcelona – Figueres Investigation

On 5 May 2014 a court-ordered search was performed at various ADIF offices; court agents requisitioned documentation relating to the AVE MADRID-BARCELONA-FIGUERES project, and detained four employees of ADIF.

The reason for the search and detention is related to a claim made by a sub-contractor pursuant to the "works execution agreement for the construction project of the high speed line platform Madrid-Zaragoza-Barcelona-French Border. Section: La Sagrera-Nudo de La Trinidad. Sector Sagrera" (Case ON 041/07-3.7/5500.0794/7-00000). The works were completed in July 2011, and a works certification in the amount of €6 million was due to then be issued.

ADIF-AV has been cooperating with the Justice Administration its investigation into this matter since October 2013, when a request was received from the Barcelona Judicial Police case file. As a precautionary measure, it was decided not to issue the final works certification. Currently, this decision has been upheld by judicial order, and ADIF-AV were notified as such on the day of the search.

With respect to the individuals who were detained, although their names cannot be disclosed in order to safeguard their privacy, neither of them is a member of the Board of Directors or the Management Committee of ADIF-AV and, as at the date of this Base Prospectus and without prejudice to their right to presumption of innocence, the positions and duties held in ADIF-AV have been disclosed.

As at the date of this Base Prospectus, to the knowledge of ADIF-AV these proceedings have not had and are not expected to have a significant effect on the financial position or profitability of the Issuer.

Other than as described above, there are no governmental, legal or arbitration proceedings, (including any such proceedings which are pending or threatened, of which ADIF-AV is aware), which may have, or have had during the 12 months prior to the date of this Base Prospectus, a significant effect on the financial position or profitability of ADIF-AV.

- (c) for legal entities resident for tax purposes in Spain which are corporate income tax ("**Corporate Income Tax**") taxpayers, Law 27/2014, of 27 November 2014 of the Corporate Income Tax Law, and Royal Decree 634/2015, of 10 July promulgating the corporate income tax regulations (the "**Corporate Income Tax Regulations**"); and
- (d) for individuals and legal entities who are not resident for tax purposes in Spain and are non-resident income tax ("**Non-Resident Income Tax**") taxpayers, subject to Royal Legislative Decree 5/2004, of 5 March promulgating the Consolidated Text of the Non-Resident Income Tax Law, as amended by Law 26/2014 of 27 November and Royal Decree 1776/2004, of 30 July promulgating the Non-Resident Income Tax Regulations as amended by Royal Decree 633/2015, of 10 July, along with Law 19/1991, of 6 June on Wealth Tax as amended by Law 4/2008, Royal Decree-Law 13/2011 as amended by Law 36/2014, of 26 December and Law 29/1987, of 18 December on Inheritance and Gift Tax.

Whatever the nature and residence of the holder of a Noteholder, the acquisition and transfer of the Notes will be exempt from indirect taxes in Spain, for example it will be exempt from transfer tax and stamp duty, in accordance with the consolidated text of such tax promulgated by Royal Legislative Decree 1/1993, of 24 September, and exempt from value added tax, in accordance with Law 37/1992, of 28 December regulating such tax.

1. Individuals with Tax Residency in Spain

1.1 *Personal Income Tax (Impuesto sobre la Renta de las Personas Físicas)*

Payments of both interest periodically received and income deriving from the transfer, redemption, repayment or exchange of the Notes would constitute a return on investment obtained from the transfer of own capital to third parties in accordance with the provisions of Section 25.2 of the Personal Income Tax Law, and should be included in a noteholder's Personal Income Tax savings taxable base pursuant to the provisions of the aforementioned law, and taxed

according to the then-applicable rate. The savings taxable base of tax year 2015 will be taxed at the rate of 19.5 per cent. up to €6,000, 21.5 per cent. for taxable income between €6,000.01 and €50,000, and 23.5 per cent. for taxable income exceeding €50,000.

As from 1 January 2016, a noteholder's savings income tax base will be taxed at 19 per cent. for taxable income up to €6,000, 21 per cent. for taxable income between €6,000.01 and €50,000, and 23 per cent. for taxable income exceeding €50,000.

According to Section 44.5 of Royal Decree 1065/2007, of 27 July approving the General Regulations of the tax inspection and management procedures and developing the common rules of the procedures to apply taxes, as amended ("**Royal Decree 1065/2007**"), and in the opinion of the Issuer, the Issuer would pay interest as well as income derived from the redemption or repayment of the Notes without withholding to individual Noteholders who are resident for tax purposes in Spain provided that the information about the Notes required by Exhibit I is submitted by the Fiscal Agent in a timely manner, notwithstanding the information obligations of the Issuer under general provisions of Spanish tax legislation. In addition, income obtained upon transfer or exchange of the Notes could also be paid without withholding.

The Issuer will apply a withholding at the current rate of 19.5 per cent. (19 per cent. as from 1 January 2016) on interest as well as on income derived from the redemption or repayment of the Notes obtained by individual Noteholders who are resident for tax purposes in Spain. In addition, income obtained upon transfer or exchange of the Notes may also be subject to withholding.

In any event, the individual Noteholder would be able to credit the withholding against his or her Personal Income Tax liability for the relevant year.

1.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

Individuals with tax residency in Spain are subject to Wealth Tax on the 2015 tax year to the extent that their net worth exceeds a certain limit. This limit has been set at €700,000 for 2015. Therefore, such Noteholders would be required to take into account the value of the Notes which they hold as at 31 December in each year, the applicable rates ranging between 0.2 per cent. and 2.5 per cent. The autonomous communities may have different provisions on this respect.

1.3 **Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Individuals tax resident in Spain who acquire ownership or other rights over any Notes by inheritance, gift or legacy will be subject to Inheritance and Gift Tax in accordance with the applicable Spanish regional or state rules. As at the date of this Base Prospectus, the applicable tax rates currently range between 7.65 per cent. and 34 per cent. Relevant factors applied (such as previous net wealth or family relationship among transferor and transferee) determine the final effective tax rate that range, as of the date of this Base Prospectus, between 0 per cent. and 81.6 per cent.

2. **Legal Entities with Tax Residency in Spain**

2.1 **Corporate Income Tax (*Impuesto sobre Sociedades*)**

Payments of both interest periodically received and income deriving from the transfer, redemption or repayment of the Notes would have to be included in the profit and taxable income of legal entities with tax residency in Spain for Corporate Income Tax purposes in accordance with the rules for Corporate Income Tax.

In accordance with Section 44.5 of Royal Decree 1065/2007, of 27 July, and in the opinion of the Issuer, there would be no obligation to withhold on income payable to Spanish Corporate Income Tax taxpayers (which for the sake of clarity, include Spanish tax resident investment funds and Spanish tax resident pension funds). Consequently, the Issuer would not withhold tax on interest payments to Spanish Corporate Income Tax taxpayers as well as on income derived from the redemption of the Notes provided that the information about the Notes required by Exhibit I is submitted by the Fiscal Agent in a timely manner, notwithstanding the information obligations of the Issuer under general provisions of Spanish tax legislation.

However, with regard to income derived from the transfer of the Notes: (i) if the Notes are listed on the AIAF Fixed Income Securities Market in Spain, any income derived would be exempt from taxation in accordance with Section 59.q of the Corporate Income Tax Regulations; and (ii) if the Notes are listed on an organised market in another OECD country, then in accordance with Section 59.s of the Corporate Income Tax Regulations, there would be no obligation to withhold on income obtained by Spanish Corporate Income Tax taxpayers. Application would be made for the Notes to be traded on an organised market in an OECD country and, upon admission to trading on such market, the Notes would fulfil the requirements set forth in the legislation for exemption from withholding.

On 27 July 2004, the Directorate General for Taxation (*Dirección General de Tributos*) issued a ruling indicating that in the case of issues made by entities resident in Spain, as in the case of the Issuer, application of the exemption requires that, in addition to being traded on an organised market in an OECD country, the Notes be placed outside Spain in another OECD country. The Issuer believes that the issue of the Notes would fall within this exemption as the Notes are to be sold outside Spain and in the international capital markets. Consequently, no withholding on account of Corporate Income Tax should be made on income derived from the transfer of the Notes by Spanish Corporate Income Tax taxpayers that provide relevant information to qualify as such.

2.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

Spanish resident legal entities are not subject to Wealth Tax.

2.3 **Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Legal entities tax resident in Spain which acquire ownership or other rights over the Notes by inheritance, gift or legacy are not subject to Inheritance and Gift Tax and must include the market value of the Notes in their taxable income for Spanish Corporate Income Tax purposes.

3. **Individuals and Legal Entities with no tax residency in Spain**

3.1 **Non-resident Income Tax (*Impuesto sobre la Renta de No Residentes*)**

(a) *Non-Spanish resident investors acting through a permanent establishment in Spain*

Ownership of the Notes by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

If the Notes form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, such permanent establishment will be subject to Non-Resident Income Tax on similar terms as those previously set out for Spanish Corporate Income Tax taxpayers.

(b) *Non-Spanish resident investors not acting through a permanent establishment in Spain*

Both interest payments periodically received and payments of income deriving from the transfer, redemption or repayment of the Notes, obtained by individuals or legal entities without tax residency in Spain, and who are Non-Resident Income Tax taxpayers with no permanent establishment in Spain, would be exempt from Non-Resident Income Tax on the same terms as laid down for income from public debt.

In order to be eligible for the exemption from Non-Resident Income Tax, certain requirements would have to be met, including the provision by the Fiscal Agent of certain information relating to the Notes, in a timely manner as detailed under "*Disclosure of information about the Notes in connection with payments*". If the Fiscal Agent fails or for any reason is unable to deliver the required information in the manner indicated, the Issuer would withhold at the general rate applicable from time to time, and the Issuer would pay the relevant additional amounts as would result in receipt by the Noteholder of such amounts as would have been received by them had no such withholding or deduction been required.

3.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

For the tax year 2015, Spanish non-resident tax individuals are subject to Spanish Wealth Tax, which imposes a tax on property and rights in excess of €700,000 that are located in Spain, or can be exercised within the Spanish territory, on the last day of any year.

However, to the extent that income derived from the Notes is exempt from Non-Resident Income tax, individual Noteholders not resident in Spain for tax purposes who hold Notes on the last day of any year will be exempt from Spanish Wealth Tax. Furthermore, Noteholders who benefit from a convention for the avoidance of double taxation with respect to wealth tax that provides for taxation only in the Noteholder's country of residence will not be subject to Spanish Wealth Tax.

If the provisions of the foregoing paragraph do not apply, non-Spanish tax resident individuals whose net worth related to property located, or rights that can be exercised, in Spain is above €700,000 and who hold Notes on the last day of any year, would therefore be subject to Spanish Wealth Tax for such year at marginal rates varying between 0.2 per cent. and 2.5 per cent. of the average market value of the Notes during the last quarter of such year.

Non-Spanish resident legal entities are not subject to Wealth Tax.

3.3 **Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Individuals not tax resident in Spain who acquire ownership or other rights over the Notes by inheritance, gift or legacy, and who reside in a country with which Spain has entered into a double tax treaty in relation to Inheritance and Gift Tax will be subject to the relevant double tax treaty.

If the provisions of the foregoing paragraph do not apply, such individuals will be subject to Inheritance and Gift Tax in accordance with applicable Spanish regional and state legislation, to the extent that rights deriving from the Notes can be exercised within the Spanish territory.

Non-Spanish resident legal entities which acquire ownership or other rights over the Notes by inheritance, gift or legacy are not subject to Inheritance and Gift Tax. They will be subject to Non-Resident Income Tax. If the legal entity is resident in a country with which Spain has entered into a double tax treaty, the provisions of such treaty will apply. In general, double-tax treaties provide for the taxation of this type of income in the country of residence of the beneficiary.

4. **Disclosure of information about the Notes in connection with payments**

As described above, interest and other income paid with respect to the Notes will not be subject to Spanish withholding tax unless the procedures for delivering to the Issuer the information described in Exhibit I of this Base Prospectus are not complied with. The Issuer is required by Spanish law to file an annual return with the Spanish tax authorities in which they report on certain information relating to the Notes as required by Royal Decree 1065/2007 and Royal Decree-Law 13/2011, of 16 September, on the temporary reinstatement of wealth tax. In accordance with Section 44 of Royal Decree 1065/2007, for the purpose of preparing the annual return referred to above, certain information with respect to the Notes must be submitted to the Issuer at the time of each payment.

Such information would be the following:

- (a) identification of the Notes in respect of which the relevant payment is made;
- (b) date on which relevant redemption is made;
- (c) the total amount of the relevant redemption; and
- (d) the amount of the relevant payment and to each entity that manages a clearing and settlement system for securities situated outside Spain.

In particular, the Fiscal Agent must certify the information above about the Notes by means of a certificate the form of which is attached as Exhibit I of this Base Prospectus.

In light of the above, the Issuer and the Fiscal Agent have arranged certain procedures to facilitate the collection of information concerning the Notes, in the form as contemplated as at the date of this Base Prospectus. If, despite these procedures, the relevant information were not to be received by the Issuer by the close of business on the Business Day (as defined in the Terms and Conditions of the Notes) immediately preceding the date on which any payment of interest, principal or any amounts in respect of the early redemption of the Notes is due, the Issuer may be required to withhold at the applicable rate (as at the date of this Base Prospectus, 19.5 per cent.) from any payment in respect of the relevant Notes as to which the required information has not been provided. In that event the Issuer would pay such additional amounts as would result in receipt by the Noteholders of such amount as would have been received by them had no such withholding been required.

The procedures for providing documentation referred to in this section are set out in detail in the fiscal agency agreement dated 23 July 2015 (the "**Agency Agreement**").

Set out below is Exhibit I. Sections in English have been translated from the original Spanish and such translations constitute direct and accurate translations of the Spanish language text. In the event of any discrepancy between the Spanish language version of the certificate contained in Exhibit I and the corresponding English translation, the Spanish tax authorities will give effect to the Spanish language version of the relevant certificate only.

The language of this Base Prospectus is English. The Spanish language text of Exhibit I has been included in order that the correct technical meaning may be ascribed to such text under applicable Spanish law. Any foreign language text included in this Base Prospectus does not form part of this Base Prospectus.

EU Savings Tax Directive

Under EU Council Directive 2003/48/EC, as amended on the taxation of savings income in the form of interest payments ("**EU Savings Directive**"), each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity (as defined in article 4.2 of the EU Savings Directive) established in that other Member State; however, for a transitional period, Austria may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

A number of non-EU countries, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

The EU Savings Directive has been amended by the EC Council Directive 2014/48/EU which was published on 15 April 2014 (the "**Amending Directive**"). The Amending Directive broadens the scope of the requirements described in the first paragraph above. Member States have until 1 January 2016 to adopt the national legislation necessary to comply with the Amending Directive and are required to apply these new requirements from 1 January 2017. The changes made under the Amending Directive include extending the scope of the EU Savings Directive to payments made to, or collected for, certain other entities and legal arrangements. They also broaden the definition of "interest payment" to cover income that is equivalent to interest.

However, the European Commission has proposed the repeal of the EU Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to ongoing requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the EU Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the Amending Directive.

Investors who are in any doubt as to their position should consult their professional advisers.

SUBSCRIPTION AND SALE

Notes may be sold from time to time by the Issuer to any one or more of Banco Bilbao Vizcaya Argentaria, S.A., Banco Santander, S.A., Bankia, S.A., Barclays Bank PLC, BNP Paribas, CaixaBank, S.A., Crédit Agricole Corporate and Investment Bank, Deutsche Bank AG, London Branch, HSBC Bank plc and Société Générale (the "**Dealers**"). The arrangements under which Notes may from time to time be agreed to be sold by the Issuer to, and subscribed by, Dealers are set out in an amended and restated Dealer Agreement dated 23 July 2015, as the same may be as the same may be amended, restated, supplemented or replaced from time to time (the "**Dealer Agreement**") and made between the Issuer and the Dealers. If in the case of any Tranche of Notes the method of distribution is an agreement between the Issuer and more than one Dealer for that Tranche to be issued by the Issuer and subscribed by those Dealers, the method of distribution will be described in the relevant Final Terms or Drawdown Prospectus as "Syndicated", the obligations of those Dealers to subscribe the relevant Notes will be joint and several and the names and addresses of those Dealers and any other interests of any of those Dealers which is material to the issue of that Tranche beyond the fact of the appointment of those Dealers (including whether any of those Dealers has also been appointed to act as Stabilising Manager in relation to that Tranche) will be set out in the relevant Final Terms or Drawdown Prospectus.

Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be subscribed by the Dealer(s) and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such subscription. The Dealer Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

United States of America: *Regulation S Category 1; TEFRA D or TEFRA C as specified in the relevant Final Terms or Drawdown Prospectus or neither if TEFRA is specified as not applicable in the relevant Final Terms or Drawdown Prospectus.*

The Notes have not been and will not be registered under the Securities Act and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered or sold within the United States or to U.S. persons. Each of the Dealers has agreed that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver the Notes within the United States or to U.S. persons. In addition, until 40 days after the commencement of any offering, an offer or sale of Notes from that offering within the United States by any dealer whether or not participating in the offering may violate the registration requirements of the Securities Act.

Selling Restrictions Addressing Additional United Kingdom Securities Laws

Each Dealer has represented, warranted and agreed that:

- (a) **No deposit-taking:** in relation to any Notes having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold and will not offer or sell any Notes other than to persons:
 - (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer;

- (b) **Financial promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) **General compliance:** it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Spain

Notes may only be offered to or sold in Spain: (i) to institutional or professional investors (*inversores institucionales o profesionales*) (as defined in the Spanish Securities Market Law of 28 July 1988 (*Ley 24/1988, de 28 de julio, del Mercado de Valores*)), and (ii) by entities duly authorised to provide investment services within Spain. No publicity or marketing of any kind shall be made in Spain in relation to the Notes unless an application is going to be made for the Notes to be listed on the AIAF Fixed Income Securities Market.

The registered office of the Issuer is located at calle Hiedra s/n, Recinto, Estación de Chamartín, Edificio 23, 28036, Madrid, Spain, and its telephone number is +34 91 767 4425.

Authorisation

2. The establishment of the Programme was authorised by a resolution of the Board of Directors of the Issuer passed on 25 April 2014 and the update of the Programme was authorised by a resolution of the Board of Directors dated 30 January and 26 June 2015. The Issuer has obtained or will obtain from time to time all necessary consents, approvals and authorisations in connection with the issue and performance of the Notes, at each time, including amongst others and as the case may be, authorisation from the "*Secretaría General del Tesoro y Política Financiera*" of the Ministry of Economy and Competence resulting from the Order of the Ministry of Finance dated 26 December 1967, and authorisation from the Ministry of Finance and Public Administrations resulting from Law 22/2013, of 23rd December, of the General State Budget for the year 2014.

Legal and Arbitration Proceedings

3. There are no governmental, legal or arbitration proceedings, (including any such proceedings which are pending or threatened, of which the Issuer is aware), which may have, or have had during the 12 months prior to the date of this Base Prospectus, a significant effect on the financial position or profitability of the Issuer.

Significant/Material Change

4. Save as disclosed in this Base Prospectus under the "*Description of ADIF-Alta Velocidad – Recent Developments*" section, since 31 December 2014, there has been no material adverse change in the prospects of the Issuer nor any significant change in the financial or trading position of the Issuer.

Auditors

5. The financial statements of the Issuer for the year ended 31 December 2014 have been audited by the General Public Auditor (*Intervención General de la Administración del Estado*) with registered office at Calle Sor Ángela de la Cruz, 3, 28020 Madrid, Spain in collaboration with Grant Thornton, S.L.P. Sociedad Unipersonal with registered office at Calle Tres Torres, 7, 08017 Barcelona, Spain, a member of the *Registro Oficial de Auditores de Cuentas* with registration number S 0231.

The financial statements of the Issuer for the year ended 31 December 2013 were audited by KPMG Auditores, S.L. with registered office at Edificio Torre Europa, Paseo de la Castellana, 95, 28046 Madrid, Spain, a member of the *Registro Oficial de Auditores de Cuentas* with registration number S0702.

The General Public Auditor (*Intervención General de la Administración del Estado*) issued an audit report on the audited financial statements of the Issuer for the year ended 31 December 2014 (the "**2014 Audit Report**"). The 2014 Audit Report is qualified because as at 31 December 2014, the amount recognised under Property, Plant and Equipment does not include all the land through which the track route for certain lines run, which were assigned to the Issuer during the spin-off of ADIF and which arise from the assignment of the State-Owned Network established in Royal Decree-Law 4/2013, of 22 February, and of other infrastructures transferred to the Issuer through a resolution adopted by the Spanish Cabinet on 27 June 2014. Also, the Issuer recognised the assignment value furnished by the Ministry of Public Works of the land subject to compulsory purchase through which certain high-speed sections and links run, even though it

does not have an itemised breakdown by property. The General Public Auditor has been unable to obtain sufficient audit evidence that would enable them to analyse the effect that the situations described might have on the Property, Plant and Equipment included in the financial statements of the Issuer for the year ended 31 December 2014. Therefore, the General Public Auditor has been unable to assess the effects that these matters might have on such financial statements.

The General Public Auditor accepts responsibility for the 2014 Audit Report and declares that, having taken all reasonable care to ensure that such is the case, the information contained in the 2014 Audit Report, to the best of its knowledge, is in accordance with the facts and contains no omission likely to affect its import.

KPMG Auditores, S.L. issued an audit report on the audited financial statements of the Issuer for the year ended 31 December 2013 (the "**2013 Audit Report**"). The 2013 Audit Report is qualified because as at 31 December 2013, the amount recorded in Property, Plant and Equipment does not include the land through which the stretch of the high-speed Madrid-Seville line (built by the Ministry of Public Works) runs, as well as the land on which certain railway premises are located and for which the Issuer holds legal title. KPMG Auditores, S.L. were unable to obtain sufficient appropriate audit evidence which would allow them to analyse the effect that not recording this land could have on Property, Plant and Equipment and Equity included in the financial statements of the Issuer for the year ended 31 December 2013. Consequently, KPMG Auditores, S.L. were unable to evaluate the impact that this situation could have on such financial statements.

KPMG Auditores, S.L. accepts responsibility for the 2013 Audit Report and declares that, having taken all reasonable care to ensure that such is the case, the information contained in the 2013 Audit Report, to the best of its knowledge, is in accordance with the facts and contains no omission likely to affect its import.
