Programme Summary

This summary must be read as an introduction to this Base Prospectus and any decision to invest in the Notes should be based on a consideration of this Base Prospectus as a whole, including the documents incorporated by reference. No civil liability attaches to the Issuer solely on the basis of the summary, including any translation thereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to the information contained in this Base Prospectus is brought before a court in a Member State, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Words and expressions defined in the “General Terms and Conditions of the Notes” below or elsewhere in this Base Prospectus have the same meanings in this summary.

ESSENTIAL CHARACTERISTICS AND RISKS ASSOCIATED WITH THE ISSUER

The legal and commercial name of the company is UBS AG. The company was formed on 29 June 1998, when Union Bank of Switzerland (founded 1862) and Swiss Bank Corporation (founded 1872) merged to form UBS.

UBS is one of the world’s leading financial firms, serving a discerning global client base. As an organisation, it combines financial strength with a global culture that embraces change. As an integrated firm, UBS creates added value for clients by drawing on the combined resources and expertise of all its businesses.

UBS is present in all major financial centres worldwide, with offices in 50 countries. UBS employs more than 69,500 people, 39 per cent. in the Americas, 37 per cent. in Switzerland, 16 per cent. in Europe and 8 per cent. in the Asia Pacific time zone.

UBS is one of the best-capitalised financial institutions in the world, with a BIS Tier 1 ratio of 12.9 per cent., invested assets of CHF 2.65 trillion, shareholders’ equity of CHF 44.3 billion and market capitalisation of CHF 131.9 billion on 31 December 2005.

ESSENTIAL CHARACTERISTICS AND RISKS ASSOCIATED WITH THE NOTES

The Issuer may, subject to compliance with all relevant laws, regulations and directives, from time to time issue Notes denominated in any currency (including euro) agreed between the Issuer and the relevant Dealer. The Notes may be issued in registered or bearer form, with or without interest coupons, in denominations of not less than €1,000 (or nearly equivalent in another currency), if they are to be listed on a regulated market or admitted to listing, trading and/or quotation in a member state of the European Union.

The aggregate principal amount, any interest rate or interest calculation, the issue price, maturity and any other terms and conditions not contained herein with respect to each Series of Notes will be established at the time of issuance and set forth in the applicable Final Terms.

The Notes issued under the Programme are unsecured obligations of the Issuer and rank *pari passu* without any preference among themselves. The Notes may be subordinated or senior obligations of the Issuer and will have the benefit of the events of default set out in the “General Terms and Conditions of the Notes”.

The Notes may be redeemed prior to maturity at par or at such other Redemption Amount as may be specified in the Final Terms.

The Notes may be offered for sale only (i) in the United States to qualified institutional buyers (as defined in Rule 144A) pursuant to Rule 144 A or (ii) outside the United States to non-U.S. persons in reliance on and in accordance with Regulation S and in accordance with applicable laws.

Application has been made for the Notes issued under the Programme to be admitted to trading on the Irish Stock Exchange’s regulated market. However, Notes may also be issued under the Programme on an unlisted basis or be admitted to listing, trading and/or quotation by other stock exchanges, listing authorities and/or quotation systems, and the Final Terms applicable to a Series will specify whether or not Notes of such Series have been admitted to trading on the Irish Stock Exchange’s regulated market or admitted to listing, trading and/or quotation by any other stock exchange, listing authority and/or quotation system.

Programme Summary

The Notes shall be accepted for clearing through one or more clearing systems as specified in the applicable Final Terms. These systems shall include, in the United States, the systems operated by DTC and, outside the United States, the systems operated by Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. Because the Global Notes are to be held by or on behalf of DTC, Euroclear, Clearstream, Luxembourg, and Clearstream, Frankfurt, investors will have to rely on their procedures for transfer, payment and communications with the Issuer.

There is no active trading market for the Notes unless, in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued.

Any statement that is modified or superseded in this manner will no longer be a part of this Base Prospectus, except as modified or superseded.

Key Features of the Programme

The following information is only a summary of the key features of the Programme. To determine the terms and conditions which apply to any issue of Notes it is necessary to read the general terms and conditions (see “General Terms and Conditions”) and the relevant Final Terms which will contain the specific terms and conditions of the relevant issue.

Issuer	UBS AG, acting through its London Branch, its Jersey Branch, its Australian Branch or through such other of its branches outside Switzerland as it shall determine from time to time.
Programme Arranger and Authorised Adviser	UBS Limited
Dealers	UBS Limited UBS Securities LLC UBS AG Other dealers may be appointed from time to time by the Issuer either generally for the Programme or in relation to a particular Series or Tranche of Notes.
Agent	HSBC Bank plc
Luxembourg Listing Agent	Dexia Banque Internationale à Luxembourg S.A.
Irish Listing Agent	UBS Limited
Irish Paying Agent	HBSC Institutional Trust Services (Ireland) Limited
Registrar	U.S. Bank Trust National Association
Programme Amount	The aggregate principal amount outstanding under the Programme at any time is unlimited.
Form of Notes	The Notes may be issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”). Unless otherwise specified in the relevant Final Terms, Bearer Notes may be exchanged for Registered Notes, however, Registered Notes may not be exchanged for Bearer Notes. Notes may be issued in global form or definitive form. The term “Notes” refers to Bearer Notes and Registered Notes and to Notes in definitive or global form.
Bearer Notes	Unless otherwise specified in the Final Terms, each Tranche of Bearer Notes may initially be represented by any one or more of (i) one or more temporary global Notes or, (ii) one or more permanent global Notes which will be issued in new global note (“New Global Note”) form. If the Final Terms specify that the New Global Note form is not applicable, then the Bearer Note will be a classic global note (“Classic Global Note”). In the case of Bearer Notes initially represented by a temporary or permanent global Note, if the Final Terms specify that the New Global Note form is not applicable, the global Note will be deposited with a depositary for one, or a common depositary for more than one, clearing system, including Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”), Clearstream Banking, <i>société anonyme</i> (“Clearstream, Luxembourg”) and Clearstream Banking AG (“Clearstream, Frankfurt”). Otherwise, if the Final Terms specify that the New Global Note form is applicable, each global Note will be deposited on or around the relevant issue date with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. Temporary global Notes will be exchanged for either (i) a permanent global Note which will be held by a depositary for one, or a

common depository or common safekeeper for more than one, clearing system, or (ii) definitive Notes, in accordance with the provisions set out in the relevant temporary global Note. A permanent global Note may be exchanged for definitive Notes only in accordance with the provisions set out in the relevant permanent global Note. Bearer Notes are subject to US tax law requirements. See “Selling Restrictions” below.

Notes that are initially deposited with a common depository or a common safekeeper may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear, Clearstream, Luxembourg or any accounts held with other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Euroclear and Clearstream, Luxembourg have announced that during 2006 the central banking system for the euro (the “Eurosystem”) may cease to accept bearer debt securities in Classic Global Note form as eligible collateral for the Eurosystem’s monetary policy and intra-day credit operations by the Eurosystem. The New Global Note form has been introduced so that, should this happen, Notes may continue to be issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the Eurosystem and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. However in any particular case such recognition will depend upon satisfaction of the Eurosystem eligibility criteria at the relevant time.

Notes denominated in Swiss Francs (“Swiss Franc Notes”) will be represented exclusively by a permanent global Note which shall be deposited with SIS SegInterSettle AG, Olten, Switzerland (“SIS”), or such other depository as may be approved by the Admission Board of the SWS Swiss Exchange. The permanent global Note will be exchangeable for definitive Notes only if the Principal Swiss Paying Agent should deem, after consultation with the Issuer, the printing of definitive notes to be necessary or useful, or if applicable laws and regulations in connection with the enforcement of the rights of noteholders, or if the Principal Swiss Paying Agent at any time at its discretion determines to have definitive Notes issued. Holders of Swiss Franc Notes will not have the right to request delivery of definitive Notes.

Registered Notes

Registered Notes which are sold outside the United States (as such term is defined in Regulation S under the Securities Act of 1933) to non-US persons, will initially be represented by interests in a single, permanent global unrestricted registered Note (each an “Unrestricted Global Note”), without Coupons or Talons, which will be deposited with a depository for, and registered in the name of a nominee of, Euroclear and Clearstream, Luxembourg. Interests in each such Unrestricted Global Note may be held only through Euroclear or Clearstream, Luxembourg.

Registered Notes sold to qualified institutional buyers in reliance upon Rule 144A will initially be represented by a single, permanent global restricted registered Note (each, a “Restricted Global Note” and, together with any Unrestricted Global Notes, the “Global Registered Notes”), without Coupons or Talons, which will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company (“DTC”) or, subject to compliance with applicable legal, regulatory and clearing system requirements, deposited with a depository for, and

RISK RELATING TO THE NOTES

There is no active trading market for the Notes.

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although applications have been made for the Notes issued under the Programme to be admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, the Luxembourg Stock Exchange’s regulated market and the Irish Stock Exchange’s regulated market, there is no assurance that such applications will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity.

Unless in the case of any particular Tranche of Notes the relevant Final Terms specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed by or on behalf of the jurisdiction of establishment of the relevant branch through which the Issuer is acting, Switzerland, or any other jurisdiction in which the Issuer is or becomes subject to tax, or any political subdivision thereof or any authority therein or thereof having power to tax as a result of any change in laws or regulations of the relevant jurisdiction, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer’s option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because the Global Notes are held by or on behalf of Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt investors will have to rely on their procedures for transfer, payment and communication with the Issuer.

Notes issued under the Programme may be represented by one or more Global Notes. If the Final Terms specify that the New Global Note form is not applicable, such Global Notes will be deposited with a common depository for Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. If the Final Terms specify that the New Global Note form is applicable, then the Global Notes will be deposited with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear, Clearstream, Luxembourg and Clearstream Frankfurt.

While the Notes are represented by one or more Global Notes the Issuer will discharge its payment obligations under the Notes by making payments to the common depository, common safekeeper or the relevant clearing system, as applicable, for Euroclear, Clearstream, Luxembourg and Clearstream Frankfurt for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear, Clearstream, Luxembourg and Clearstream Frankfurt to receive payments under the relevant Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear, Clearstream, Luxembourg and Clearstream Frankfurt to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the Issuer in the event of a default under the relevant Notes but will have to rely upon their rights under the Deed of Covenant.

Subordinated Notes are subordinated to most of the Issuer's liabilities.

If in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are subordinated obligations of the Issuer and the Issuer is declared insolvent and a winding up is initiated, it will be required to pay the holders of senior debt and meet its obligations to all its other creditors (including unsecured creditors but excluding any obligations in respect of subordinated debt) in full before it can make any payments on the relevant Notes. If this occurs, the Issuer may not have enough assets remaining after these payments to pay amounts due under the relevant Notes.

EU SAVINGS TAX DIRECTIVE

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "EU Savings Tax Directive"), each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent.. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

A number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States including Jersey, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

Terms and Conditions of the Notes

UBS AG (the “Issuer”) has established a programme under which it will issue notes and other debt securities (the “Notes”). The Notes will be issued in series (each a “Series”). Each Series may comprise one or more tranches of Notes issued on different issue dates (each a “Tranche”). The Notes of each Tranche will have identical terms and conditions, however, a Tranche may comprise Notes in bearer form and Notes in registered form. The Notes of each Series will have identical terms, however, the issue date for each Tranche will, and the issue price and the date for the first payment of interest of each Tranche may, be different from the issue date, the issue price and the date for the first payment of interest in other Tranches of the same Series.

In connection with the Programme, the Issuer has entered into an amended and restated issuing and paying agency agreement dated 3 July 2006 (as further amended and restated from time to time, the “Agency Agreement”) with HSBC Bank plc as issuing and paying agent (the “Agent” which expression includes any successor to HSBC Bank plc), U.S. Bank Trust National Association as registrar (the “Registrar” which expression includes any successor to U.S. Bank Trust National Association in its capacity as Registrar), HSBC Institutional Trust Services (Ireland) Limited as Irish paying agent (the “Irish Paying Agent” which expression includes any successor of HSBC Institutional Trust Services (Ireland) Limited as Irish Paying Agent) and certain other paying agents (the “Paying Agents” which expression shall include the Agent and any other paying agent appointed in accordance with the terms of the Agency Agreement) and transfer agents (the “Transfer Agents” which expression shall include Dexia Banque Internationale à Luxembourg S.A. and any other transfer agent appointed in accordance with the terms of the Agency Agreement) named in the Agency Agreement.

References to the parties herein and in the General Terms and Conditions (as defined below) include references to their successors, including without limitation, an entity which assumes the rights and obligations of the relevant party by operation of the law of the jurisdiction of incorporation or domicile of such party.

The Agency Agreement contains a set of general terms and conditions (the “General Terms and Conditions”). The General Terms and Conditions do not reflect the terms and conditions of any specific issue of Notes. The General Terms and Conditions may be amended from time to time.

For the purposes of Notes denominated in Swiss Francs (“Swiss Franc Notes”), the Issuer will, together with the Agent and the Dealer under the Programme specified in the Final Terms relating to the relevant issue of Notes as principal Swiss paying agent (the “Principal Swiss Paying Agent”), enter into a supplemental issuing and paying agency agreement. In addition, all references in the Terms and Conditions of the Notes to the Paying Agents shall, so far as the context permits, be construed as references only to the relevant Swiss Paying Agents, as set out in paragraph 9 of the Final Terms, and references in the Terms and Conditions of the Notes to “Euroclear” and/or “Clearstream, Luxembourg” shall be construed as including references to SIS SegalInterSettle AG, the Swiss Securities Services Corporation in Olten, Switzerland, which shall be considered an additional or alternative clearance system for the purposes of the final paragraph of Condition 2(b)(vi) of the Terms and Conditions of the Notes.

In connection with each issue of Notes, the Issuer will prepare final terms which will contain the information which specifically relates to that issue of Notes (the “Final Terms”). In relation to any issue of Notes, the Final Terms may contain provisions which supplement, modify or replace all or any part of the General Terms and Conditions for the purpose of that issue alone. The applicable provisions of the relevant Final Terms will be endorsed upon, or attached to, each temporary global Note, permanent global Note, definitive Bearer Note and Registered Note. A copy of the Final Terms for each issue of Notes will be available for inspection at the specified office of the Agent and, in the case of Notes in registered form, the Registrar. In addition, where Notes are admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, a copy of the Final Terms will be lodged with the FSA. In respect of Notes listed on the Luxembourg Stock Exchange, a copy of the Final Terms will be lodged with the Luxembourg Stock Exchange and will be available free of charge at the specified office of the Paying Agent and the Transfer Agent in Luxembourg. In respect of Notes listed on the Irish Stock Exchange, a copy of the Final Terms will be delivered to the Irish Stock Exchange.

Terms and Conditions of the Notes

To determine the terms and conditions which apply to a particular issue of Notes, it is necessary (i) to refer to the General Terms and Conditions in force on the date the Notes were issued and (ii) to consider the extent to which the General Terms and Conditions have been supplemented, modified or replaced by the information contained in the relevant Final Terms.

In relation to the terms and conditions of any issue of Notes, to the extent that there is any inconsistency between the General Terms and Conditions and the terms and conditions which appear in the relevant Final Terms, the terms and conditions which appear in the Final Terms shall prevail.

In relation to an issue of Notes where the Notes are printed in definitive form, for the purpose of printing the terms and conditions on the definitive Notes, a set of terms and conditions which apply specifically to the relevant issue may be prepared (“Specific Terms and Conditions”). If Specific Terms and Conditions are prepared, then, to the extent that there is any inconsistency between the Specific Terms and Conditions and either the General Terms and Conditions or the relevant Final Terms, the Specific Terms and Conditions shall prevail.

Each issue of Notes may be represented by (i) Notes in bearer form (“Bearer Notes”) or (ii) Notes in registered form (“Registered Notes”) or (iii) Bearer Notes or Registered Notes, as indicated in the relevant Final Terms. If the Final Terms for an issue of Notes specifies that the Notes may be represented by Bearer Notes or Registered Notes, then unless otherwise specified in the relevant Final Terms, Bearer Notes may be exchanged for Registered Notes of the same Series, however, it will not be possible to exchange Registered Notes for Bearer Notes.

Unless otherwise specified in the Final Terms, in relation to each issue of Notes for which Bearer Notes are available, the Bearer Notes may initially be represented by any one or more of (i) one or more temporary global Notes (each, a “Temporary Global Note”), (ii) one or more permanent global Notes (each, a “Permanent Global Note”) or (iii) definitive Notes. In the case of Bearer Notes initially represented by a Temporary or Permanent Global Note, if the Final Terms specify that the New Global Note form is not applicable, the Global Note will be deposited with a depositary for one, or a common depositary for more than one, clearing system, including Euroclear Bank SA/N.V., as operator of the Euroclear System (“Euroclear”), Clearstream Banking, *société anonyme*, (“Clearstream, Luxembourg”) and Clearstream Banking AG (“Clearstream, Frankfurt”). Otherwise, if the Final Terms specify that the New Global Note form is applicable, the Global Note will be deposited with a common safekeeper for Euroclear and/or Clearstream, Luxembourg. Temporary Global Notes will be exchanged for either (i) a Permanent Global Note which, if the Final Terms specify that the New Global Note form is not applicable, will be held by a depositary for one, or a common depositary for more than one, clearing system, or if the Final Terms specify that the New Global Note form is applicable, will be held by a common safekeeper or clearing system, as the case may be, or (ii) definitive Notes, in accordance with the provisions set out in the relevant Temporary Global Note. A Permanent Global Note may be exchanged for definitive Notes only in accordance with the provisions set out in the relevant Permanent Global Note. As a result of the issue of global Notes, rights conferred by Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt in relation to the Notes will be created in favour of Noteholders.

Registered Notes which are sold outside the United States (as such term is defined in Regulation S under the Securities Act of 1933) to non-US persons, will initially be represented by interests in a single, permanent global unrestricted registered Note (each an “Unrestricted Global Note”), without Coupons or Talons, which will be deposited with a depositary for, and registered in the name of a nominee of, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. Interests in each such Unrestricted Global Note may be held only through Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt.

Registered Notes sold to qualified institutional buyers in reliance upon Rule 144A will initially be represented by a single, permanent global restricted registered Note (each, a “Restricted Global Note” and, together with any Unrestricted Global Notes, the “Global Registered Notes”), without Coupons or Talons, which will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company (“DTC”) or Euroclear. Holders of interests in a global Note representing Registered Notes may apply for definitive Registered Notes only in the limited circumstances set out in the relevant global Note.

In addition, in relation to any Note, Coupon or Receipt, no one shall be required to obtain any proof of (i) ownership of the relevant Note, Coupon or Receipt or (ii) the identity of the relevant Noteholder, Couponholder or Receiptholder. No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.

4. TRANSFER OF REGISTERED NOTES

- (a) A Registered Note may, upon the terms and subject to the conditions set forth in the Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the relevant Final Terms) upon the surrender of the Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. A new Registered Note will be issued to the transferee and, in the case of a transfer of part only of a Registered Note, a new Registered Note in respect of the balance not transferred will be issued to the transferor.
- (b) Each new Registered Note to be issued upon the transfer of Registered Notes will, upon the effective receipt of such form of transfer by the Registrar at its specified office, be available for delivery at the specified office of the Registrar or any Transfer Agent. For these purposes, a form of transfer received by the Registrar or any Transfer Agent during the period of fifteen London or, as the case may be, Relevant Banking Days ending on the due date for any payment on the relevant Registered Notes shall be deemed not to be effectively received by the Registrar or any Transfer Agent until the day following the due date for such payment. For the purposes of these Terms and Conditions, “London Banking Day” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London and “Relevant Banking Day” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar or any Transfer Agent is located.

- (d) For so long as any of the Registered Notes remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer has agreed that it will, during any period in which it is neither subject to the reporting requirements of Section 13 or 15(d) under the United States Securities Exchange Act of 1934, as amended (the “Exchange Act”) nor exempt from reporting under the Exchange Act pursuant to Rule 12g3-2(b) thereunder, furnish, upon request, to any person in whose name such restricted securities are registered, to any owner of a beneficial interest in such restricted securities, and to any prospective purchaser of such restricted securities or beneficial interest therein designated by any such person or beneficial owner, in connection with resale of a beneficial interest in such restricted securities by such person or beneficial owner, as the case may be, the information specified in Rule 144A(d)(4) under the Securities Act.
- (e) Registered Notes will, if so specified in the relevant Final Terms, be the subject of an application by the Issuer to The Depository Trust Company (“DTC”) for the acceptance of such Registered Notes into

DTC's book-entry settlement system. If such application is accepted, one or more registered Notes (each a "DTC Note") in denominations equivalent in aggregate to the aggregate principal amount of relevant Registered Notes which are to be held in such system will be issued to DTC and registered in the name of Cede & Co., or such other person as may be nominated by DTC for the purpose, as nominee for DTC provided that no DTC Note may have a denomination of more than US\$500,000,000 and that, subject to such restriction, DTC Notes will always be issued in the largest possible denomination. Thereafter, such registered nominee will be the holder of record and entitled to rights in respect of each DTC Note.

Accordingly, each person having a beneficial interest in a DTC Note must rely on the procedures of the institutions having accounts with DTC to exercise any rights of such person. So long as Registered Notes are traded through DTC's book-entry settlement system, ownership of beneficial interest in the relevant DTC Note will (unless otherwise required by applicable law or regulatory requirement) be shown on, and transfers of such beneficial interest may be effected only through, records maintained by (i) DTC or its registered nominee (as to participant-interests) or (ii) institutions having accounts with DTC.

5. STATUS OF THE NOTES

(a) In the case of Senior Notes

If the Notes are specified as senior Notes ("Senior Notes") in the Final Terms, the Notes and the relevant Receipts and Coupons are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain debts required to be preferred by law) equally with all other outstanding unsecured and unsubordinated obligations of the Issuer.

(b) In the case of Subordinated Notes

- (i) **Subordinated Notes issued by UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch:** If the Notes are specified as subordinated Notes ("Subordinated Notes"), the Subordinated Notes constitute unsecured obligations of UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch, as the case may be, and UBS AG and rank *pari passu* without any preference among themselves. The Subordinated Notes constitute subordinated debt obligations and rank *pari passu* with all other subordinated debt obligations of UBS AG other than subordinated debt obligations which rank below the Notes. Accordingly, payments of principal and interest are conditional upon the Issuer being solvent at the time of payment by the Issuer and no principal or interest shall be payable in respect of the Notes except to the extent that the Issuer could make such payment and still be solvent immediately thereafter. For the purpose of this Condition 5(b), the Issuer shall be solvent if (i) it is able to pay its debts as they fall due and (ii) its Assets exceed its Liabilities (in each case as defined below) (other than its Liabilities which are not Senior Claims).

For the purposes of these Conditions, "Senior Claims" means the aggregate amount of all claims in respect of the deposit liabilities of the Issuer and all other liabilities of the Issuer (including all deposit liabilities and other liabilities of UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch, as the case may be, the head office and all other offices of the Issuer wherever located), except those liabilities which by their terms rank *pari passu* with or are subordinated to the Notes; "Assets" means the non-consolidated total assets of the Issuer and "Liabilities" means the non-consolidated total liabilities of the Issuer, all as shown by the latest published audited balance sheet of the Issuer but adjusted for contingencies and for subsequent events.

Subject to applicable law, no Noteholder may exercise or claim any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer, arising under or in connection with the Notes and each Noteholder shall, by virtue of his subscription, purchase or holding of any Note, be deemed to have waived all such rights of set-off, compensation or retention.

- (ii) **Subordinated Notes issued by other branches of the Issuer:**

Where Subordinated Notes are to be issued by branches (other than UBS AG London Branch, UBS AG Jersey Branch or UBS AG Australia Branch), the provisions dealing with subordination will be included in the Final Terms.

6. INTEREST

(a) Interest – Fixed Rate

If the Interest Basis specified in the Final Terms is "Fixed", then the Notes shall bear interest from and including the Issue Date or, if different, the Interest Commencement Date specified in the Final Terms at the

General Terms and Conditions

Rate of Interest specified in the Final Terms. Interest will be payable in arrear on the Interest Payment Dates specified in the Final Terms and on the Maturity Date specified in the Final Terms. Interest will be calculated on the Fixed Day Count Fraction specified in the Final Terms.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of these Conditions, “Fixed Day Count Fraction” means, in respect of the calculation of an amount for any period of time (the “Calculation Period”):

- (i) if “Actual/Actual (ISMA)” is specified in the applicable Final Terms:
 - (a) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (b) where the Calculation Period is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year;
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the Calculation Period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

“sub-unit” with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest – Floating Rate

- (i) If the Interest Basis specified in the Final Terms is “Floating” then the Notes shall bear interest from the Interest Commencement Date specified in the Final Terms.
- (ii) If the Interest Payment Date Convention specified in the Final Terms is “FRN Convention”, then interest shall be payable in arrear on each date (each, an “FRN Interest Payment Date”) which numerically corresponds to the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date in the calendar month which is the number of months specified in the Final Terms after the calendar month in which the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date occurred.
 - (A) If there is no such numerically corresponding day in the calendar month in which an Interest Payment Date should occur, then the relevant FRN Interest Payment Date will be the last day which is a Business Day in that calendar month.
 - (B) If an FRN Interest Payment Date would otherwise fall on a day which is not a Business Day, then the relevant FRN Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case it will be the first preceding day which is a Business Day.

- (C) If the Interest Commencement Date or the preceding FRN Interest Payment Date occurred on the last day in a calendar month which was a Business Day, then all subsequent FRN Interest Payment Dates will be the last day which is a Business Day in the calendar month which is the specified number of months after the calendar month in which the Interest Commencement Date or, as the case may be, the preceding FRN Interest Payment Date occurred.
- (iii) If the Interest Payment Date Convention specified in the Final Terms is “Following Business Day Convention”, then interest shall be payable in arrear on such dates (each a “Following Interest Payment Date”) as are specified in the Final Terms; provided that if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Following Interest Payment Date will be the first following day which is a Business Day.
- (iv) If the Interest Payment Date Convention specified in the Final Terms is “Modified Following Business Day Convention”, then interest shall be payable in arrear on such dates (each, a “Modified Interest Payment Date”) as are specified in the Final Terms; provided that, if any Modified Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Modified Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case the relevant Modified Interest Payment Date will be the first preceding day which is a Business Day.
- (v) The period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Payment Date and each period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an “Interest Period”.
- (vi) In relation to Floating Rate Notes, the Final Terms will specify the Interest Rate Basis. The Calculation Agent will calculate the rate of interest which will apply to the Notes for each Interest Period (the “Rate of Interest”) in accordance with the following terms, unless otherwise specified in the Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the Final Terms;
- (2) the Designated Maturity is a period specified in the Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the Final Terms.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time or, in the case of EURIBOR, Brussels time) on the Interest Determination Date in question plus or minus (as indicated in the Final Terms) the Margin (if any), all as determined by the Agent or such other person specified in the Final Terms. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the Final Terms.

- (vii) The Calculation Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the amount of interest (the "Interest Amount") payable in respect of the principal amount of the smallest or minimum denomination of such Notes specified in the Final Terms for the relevant Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to such principal amount, multiplying the product by Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the currency in which such Notes are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards).

(c) Notification of Rates of Interest, Interest Amounts and Interest Payments Dates

- (i) The Calculation Agent will cause each Rate of Interest, Interest Payment Date, Interest Amount or floating amount, and such other information as may be, determined by it, to be notified to the Paying Agents and, in the case of Registered Notes, the Registrar and the Transfer Agents (from whose respective specified offices such information will be available) as soon as practicable after such determination but in any event not later than the fourth London Banking Day after the Interest Determination Date and, in the case of Notes admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, the Luxembourg Stock Exchange's regulated market or the Irish Stock Exchange's regulated market, cause each such Rate of Interest, Interest Amount and such other information as the case may be, to be notified to the FSA, Luxembourg Stock Exchange or Irish Stock Exchange no later than the first day of the relevant Interest Period. The Calculation Agent will be entitled to amend any Rate of Interest, Interest Amount, Interest Payment Date or other information (or to make appropriate alternative arrangements by way of adjustment) without notice in the event of the extension or abbreviation of the relevant Interest Period or calculation period. Notice of any amendment will be given in accordance with this Condition.
- (ii) All determinations made by the Calculation Agent for the purposes of this Condition shall, in the absence of manifest error, be final and binding on all parties.

(d) Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the Final Terms.

(e) Partly Paid Notes

In the case of partly paid Notes (other than partly paid Notes which are zero coupon Notes) interest will accrue as aforesaid on the paid-up principal amount of such Notes and otherwise as indicated in the Final Terms.

7. REDEMPTION AND PURCHASE

(a) Final Redemption

Unless previously redeemed, or purchased and cancelled, Notes shall be redeemed by the Issuer at the Redemption Amount as specified in, or determined in the manner specified in, the Final Terms on the Maturity Date or Dates specified in the Final Terms.

(b) Redemption for Taxation Reasons

The Issuer may at any time redeem all of the Notes (but may not partially redeem the Notes) at their principal amount or the Tax Redemption Amount specified in the Final Terms (together in each case with accrued interest in the case of interest bearing Notes), on giving not less than 30 and not more than 45 days' notice to the Noteholders and the Agent (and in the case of Registered Notes, the Registrar) of its intention to redeem the Notes in accordance with this Condition, if:

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay Additional Amounts as provided or referred to in Condition 10 (Taxation) as a result of any change in, or amendment to, the laws or regulations of the Relevant Jurisdiction (as defined in Condition 10 (Taxation) below) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it;

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due.

(c) Redemption at the Option of the Issuer

If the Issuer is specified in the Final Terms as having an option to redeem, the Issuer may, having given:

- (i) not less than 15 nor more than 35 days' notice to the Noteholders in accordance with this Condition; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent and the Registrar, (which notices shall be irrevocable), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date; Provided that, in the case of Subordinated Notes, the Optional Redemption Date may not fall earlier than five years and one day after the Issue Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount each as indicated in the Final Terms.

(d) The Appropriate Notice

The notice referred to in paragraphs (b) and (c) of this Condition is a notice given by the Issuer to the Noteholders, the Agent and the Registrar (in the case of Registered Notes), which shall be signed by two authorised signatories of the Issuer and shall specify the following details:

- (i) the Series of Notes subject to redemption;
- (ii) whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of the Notes of the relevant Series which are to be redeemed;
- (iii) the due date for such redemption, which shall be a Business Day; and
- (iv) the circumstances giving rise to the Issuer's entitlement to effect such redemption.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the Issuer to make the redemption therein specified.

(e) Redemption at the Option of the Noteholders

If the Noteholders are specified in the Final Terms as having an option to redeem, upon the holder of any Note giving to the Issuer not less than 15 nor more than 30 days' notice prior to the relevant Optional Redemption Date or such other period of notice as is specified in the Final Terms the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date; Provided that, in the case of Subordinated Notes, the Optional Redemption Date shall not fall earlier than five years and one day after the Issue Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note, the holder of this Note must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 12 (Events of Default).

(f) Purchases

The Issuer or any of its subsidiaries or affiliates may at any time purchase Notes at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(g) Instalment Notes

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts specified in the Final Terms and on the Instalment Dates specified in the Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (i) below.

(h) Cancellation

All Notes redeemed in accordance with this Condition 7 shall be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption) and may not be reissued or resold.

(i) Early Redemption Amounts

For the purpose of paragraph (g) above and Condition 12, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Redemption Amount equal to the Issue Price, at the Redemption Amount thereof; or
- (ii) in the case of index linked Notes, credit linked Notes or otherwise (other than Zero Coupon Notes but including Instalment Notes and Partly Paid Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the "Accreted Face Amount") equal to the sum of:
 - (A) the Reference Price specified in the Final Terms (the "Reference Price"); and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each or such other calculation basis as may be specified in the Final Terms.

8. REDENOMINATION AND EXCHANGEABILITY

Where Redenomination is specified in the Final Terms as being applicable and notwithstanding the provisions of Condition 15, the Issuer may, without the consent of the Noteholders, on giving at least 30 days' prior notice to the Noteholders in accordance with Condition 14, designate a Redenomination Date.

With effect from the Redenomination Date:

- (i) each Note and, in the case of a Fixed Rate Note, each amount of interest specified in the Coupons, shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated into such amount of euro in the denomination of euro 0.01 with a principal amount of each Note equal to the principal amount of that Note in the relevant currency (as specified in the Final Terms) converted into euro at the rate for the conversion of the relevant currency into euro established by the Council of the European Union pursuant to Article 123(4) of the Treaty establishing the European Communities, as amended (the "Treaty") (including compliance with rules relating to roundings in accordance with European Community regulations) provided however, that if the Issuer determines, with the agreement of the Agent that market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from that specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders and Couponholders, each stock exchange (if any) on which the Notes are then listed and the Paying Agents of such deemed amendments;
- (ii) all payments in respect of the Notes, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro, as though references in the Notes to the relevant currency were to euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee;
- (iii) where Exchangeability is specified in the Final Terms as being applicable, the Issuer may elect that the Notes shall be exchangeable for Notes, expressed to be denominated in euro in accordance with such arrangements as the Issuer may decide, having regard to the then prevailing market practice after consultation with the Agent, and as may be specified in the notice, including arrangements under which Receipts and Coupons unmaturing at the date so specified become void;
- (iv) if the Notes are Fixed Rate Notes and interest is required to be calculated for a period of less than one year, it will be calculated in accordance with Condition 6(a)(i) (Interest-Fixed Rate);
- (v) if the Notes are Floating Rate Notes, any applicable changes to the provisions relating to interest will be specified in the Final Terms; and
- (vi) such other changes will be made to the terms and conditions of the Notes as the Issuer may decide, after consultation with the Agent, to conform such Notes to conventions then applicable to instruments denominated in euro. Any such other change will not take effect until they have been notified to the Noteholders in accordance with Condition 14. (Notices).

Neither the Issuer nor any Paying Agent will be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of euro or any currency conversion or rounding effected in connection therewith.

As used in these Conditions:

"Participating Member State" means a member state of the European Communities which adopts the euro as its lawful currency in accordance with the Treaty.

As used in this Condition 9(a)(iii), “Payment Business Day” means:

If any Note, Coupon, Receipt or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence, security and indemnity as the Issuer may require. Mutilated or defaced Notes, Coupons, Receipts or Talons must be surrendered before replacements will be issued.

14. NOTICES

(a) Bearer Notes

In relation to Bearer Notes, notices to Noteholders will, save where another means of effective communication has been specified in the Final Terms, be deemed to be validly given if (i) published in one leading English language daily newspaper with circulation in London or, if this is not possible, in one other leading English language daily newspaper with circulation in Europe which, so long as Notes are admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, is expected to be the *Financial Times*, and (ii) in the case of Notes which are listed on the Luxembourg Stock Exchange's regulated market (so long as such Notes are listed on the Luxembourg Stock Exchange and the rules of such stock exchange so require), in a daily newspaper having general circulation in Luxembourg (which is expected to be the *d'Wort*), and (iii) in the case of Notes which are listed on the Irish Stock Exchange's regulated market, in the *Financial Times*. If any of the Notes are represented by a global note which is held by a depository on behalf of Euroclear or Clearstream, Luxembourg or both or, as the case may be, Clearstream, Frankfurt, then in relation to such Notes, notice may be given to the Noteholders by

being delivered to Euroclear and Clearstream, Luxembourg or, as the case may be, Clearstream, Frankfurt, for communication by them to the persons shown in their respective records as having interests therein (provided that, (i) in the case of Notes admitted to the Official List of the UKLA and to trading on the regulated market of the London Stock Exchange, the requirements of the FSA have been complied with, and (ii) in the case of Notes which are listed on the Luxembourg Stock Exchange's regulated market (so long as such Notes are listed on the Luxembourg Stock Exchange's regulated market and the rules of such stock exchange so require), a notice is published in a daily newspaper having general circulation in Luxembourg, which is expected to be the *d'Wort*), and (iii) in the case of Notes which are listed on the Irish Stock Exchange's regulated market (so long as such Notes are listed on the Irish Stock Exchange's regulated market and the rules of such stock exchange so require), a notice is published in a daily newspaper having general circulation in Dublin, which is expected to be the *Financial Times*. Any notice shall be deemed to have been given on the date of such publication or, if so published more than once, on the date of first publication. If publication is not practicable in any such newspaper, notice will be validly given if made in such other manner, and shall be deemed to have been given on such date as the Agent may approve.

For Swiss Franc Notes, notices to Noteholders will be deemed to have been given if published by the Principal Swiss Paying Agent at the expense of the Issuer, (i) by means of electronic publication on the internet website of the SWX Swiss Exchange (www.swx.com) or (ii) otherwise in accordance with the regulations of the SWX Swiss Exchange. Notices shall be deemed to be validly given on the date of such publication or, if published more than once, on the date of the first such publication.

(b) Registered Notes

In relation to Registered Notes, notices to Noteholders will be deemed to be validly given if sent by first class mail to Noteholders (or, in the case of joint Noteholders, to the first-named in the register kept by the Registrar) at the respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth Business Day after the date of such mailing. With respect to Registered Notes listed on the Luxembourg Stock Exchange, any notices to Noteholders must also be published in a Luxembourg daily newspaper (which is expected to be the *d'Wort*) and, in addition to the foregoing will be deemed validly given only after the date of such publication.

15. MEETINGS OF NOTEHOLDERS AND MODIFICATIONS OF TERMS AND CONDITIONS

- (a) The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matters affecting their interests, including modification of the Notes and any provisions of the Agency Agreement applicable to the Notes. Any such modification must be authorised by an extraordinary resolution of the Noteholders (an "Extraordinary Resolution", which means a resolution passed by a majority consisting of not less than 75 per cent. of the votes cast thereon). The quorum at any meeting will be two or more persons present in person holding or representing a clear majority in principal amount of the Notes for the time being outstanding, and at any adjourned meeting two or more persons being or representing holders of the Notes whatever the principal amount of Notes so held or represented provided that at any such meeting, the business of which includes the modification of certain of these Terms and Conditions, the necessary quorum for passing an Extraordinary Resolution is two or more persons holding or representing not less than 75 per cent. or, at any adjourned meeting, one or more persons holding or representing a clear majority, in principal amount of the Notes for the time being outstanding. An Extraordinary Resolution duly passed at a meeting will be binding on all the Noteholders (whether present at the meeting or not) and on all the Receiptholders and Couponholders.
- (b) The Agent may agree without the consent of the Noteholders, Receiptholders or the Couponholders to any modification to the Agency Agreement which, in the reasonable opinion of the Agent, is not materially prejudicial to the interest of the Noteholders or the Couponholders or which is of a formal, minor or technical nature or to any modification which is necessary, to correct a manifest error.

16. FURTHER ISSUES

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or the Couponholders create and issue further notes and, provided that such further notes have the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them), the further notes shall be consolidated and form a single series with the Notes. In such circumstances, references in these Conditions to "Notes" include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single series with the Notes.

17. GOVERNING LAW AND JURISDICTION

- (a) The Agency Agreement, the Notes, the Coupons and the Talons are governed by and shall be construed in accordance with English law.
- (b) The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with the Notes, the Coupons or the Talons (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Noteholders, the Couponholders and the Talonholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- (c) The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to it at 1 Finsbury Avenue, London EC2M 2PP or at any other address of the Issuer in Great Britain at which service of process may be served on it in accordance with Part XXIII of the Companies Act 1985. Nothing herein shall affect the right to serve process in any other manner permitted by law.

Use of Proceeds

The net proceeds of the issue of each Series or Tranche of Notes will be used by the Issuer for its general corporate purposes or towards meeting the general financing requirements of the UBS Group, in each case outside Switzerland.

BUSINESSES

Wealth management

With more than 140 years of experience, an extensive global network that includes one of the largest private client businesses in the United States, and more than CHF 1,700 billion in invested assets, UBS is the world’s leading wealth management business, providing a comprehensive range of services customised for wealthy individuals, ranging from asset management to estate planning and from corporate finance to art banking.

¹ Long-term rating, as at 31 December 2005.

Investment banking and securities

UBS is a global investment banking and securities firm with a strong institutional and corporate client franchise. Consistently placed in the top tiers of major industry rankings, it is a leading player in the global primary and secondary markets for equity, equity-linked and equity derivative products. In fixed income, it is a first-rate global player. In foreign exchange, it places first in many key industry rankings. In investment banking, it provides premium advice and execution capabilities to its corporate client base worldwide. All of its businesses are sharply client focused, providing innovative products, top quality research and comprehensive access to the world's capital markets.

Asset management

UBS, a leading asset manager with invested assets of over CHF 750 billion, provides a broad base of innovative capabilities stretching from traditional to alternative investment solutions for, among other clients, financial intermediaries and institutional investors across the world.

Swiss corporate and individual clients

UBS is the leading bank for Swiss corporate and individual clients. It serves around 2.6 million individual clients through more than 3 million accounts, mortgages and other financial relationships. It also offers comprehensive banking and securities services for 136,500 corporations, institutional investors, public entities and foundations as well as 3,000 financial institutions worldwide. With a total loan book of over CHF 140 billion, UBS leads the Swiss lending and retail mortgage markets.

COMPETITION

UBS faces stiff competition in all business areas. Both in Switzerland and abroad, the Bank competes with asset management companies, commercial, investment and private banks, brokerages and other financial services providers. Competitors include not only local banks, but also global financial institutions, which are similar to UBS in terms of both size and services offered.

In addition, the consolidation trend in the global financial services sector is introducing new competition, which may have a greater impact on prices, as a result of an expanded range of products and services and increased access to capital and growing efficiency.

ORGANISATIONAL STRUCTURE OF THE ISSUER

The objective of UBS' group structure is to support the business activities of the Company within an efficient legal, tax, supervisory and financial framework. Neither the individual business groups of UBS, Global Wealth Management & Business Banking, Global Asset Management, Investment Bank, nor the Corporate Centre are legally independent entities; instead, they perform their activities through the domestic and foreign offices of the parent bank, UBS AG.

Settlement of transactions through the parent bank allows UBS to fully exploit the advantages generated for all business groups through the use of a single legal entity. In cases where it is impossible or inefficient to process transactions via the parent, due to local statutory, tax or supervisory provisions or newly acquired companies, these tasks are performed on location by legally independent group companies. The major subsidiaries are listed in the UBS Financial Report 2005, in English, on pages 157-160 (inclusive).

TREND INFORMATION

There have been no major negative changes relating to the prospects of the Issuer since the last audited financial report from 2005.

ADMINISTRATIVE, MANAGEMENT AND SUPERVISORY BODIES OF THE ISSUER

UBS operates under a strict dual Board structure, as mandated by Swiss banking law. The functions of Chairman of the Board of Directors ("Chairman") and Group Chief Executive Officer ("Group CEO") are assigned to two different people, thus providing separation of powers. This structure establishes checks and balances and creates an institutional independence of the Board of Directors ("BoD") from the day-to-day management of the firm, for which responsibility is delegated to the Group Executive Board ("GEB"). No member of one Board may be a member of the other.

Description of UBS AG

The supervision and control of the executive management remains with the BoD. The Articles of Association and the Organisation Regulations of UBS A.G., with their Appendices govern all details as to authorities and responsibilities of the two bodies. Please refer to www.ubs.com/corporate-governance.

The BoD consists of at least six and a maximum of twelve members. The term of office for members of the BoD is three years.

Board of Directors

The BoD itself then appoints its Chairman, the Vice Chairman and the various BoD Committees (Audit Committee, Compensation Committee, Nominating Committee and Corporate Responsibility Committee).

The BoD has ultimate responsibility for the mid- and long term strategic direction of UBS, for appointments and dismissals at top management levels and the definition of the firm's risk principles and risk capacity. While the majority of the BoD members are always non-executive and independent, the Chairman and at least one Vice Chairman have executive roles in line with Swiss banking laws, and assume supervisory and leadership responsibilities. The BoD meets as often as business requires, and at least six times a year.

The business address of the members of the BoD is UBS AG, Bahnhofstrasse 45, CH-8001 Zurich, Switzerland.

Group Executive Board

The GEB has business management responsibility for UBS. The Group CEO and the members of the GEB are appointed by the Board of Directors and are accountable to the Chairman and the Board for the firm's results. The GEB, and in particular the CEO, are responsible for the implementation and results of the firm's business strategies, for the alignment of the Business Groups to UBS's integrated business model, and for the exploitation of synergies across the firm.

The business address of the members of the GEB is UBS AG, Bahnhofstrasse 45, CH-8098 Zurich, Switzerland.

LEGAL AND ARBITRATION PROCEEDINGS

The Issuer and other UBS Group companies are involved in various claims, legal and court proceedings in the ordinary course of business. UBS maintains reserves for such matters, if in the opinion of its management and professional advisors payment is probable to be demanded of UBS and an appropriate figure can be given for the amount. At present, there are no government interventions, court proceedings or arbitrations pending or awaiting commencement in the twelve months to the date of this document, which could have (or could recently have had) a material effect on the financial situation or the profitability of the Issuer and other UBS Group companies.

SIGNIFICANT CHANGES IN THE FINANCIAL SITUATION OF THE ISSUER

We confirm that to the best of our knowledge and from the Group Controlling and Accounting perspective, there are no issues, developments or significant transactions (acquisitions or sales) that would require changes to our disclosure or any reason why we cannot or should not issue debt instruments at this time. Motor Columbus was sold on 23rd March 2006 and is shown in our 1Q06 report as a discontinued operation. UBS has published the intended acquisition of Piper Jaffray, Banco Pactual and ABN AMRO’s Global Futures and Options Business which are expected to be completed later in the year.

MATERIAL CONTRACTS

No material agreements have been concluded outside of the normal course of business which could lead to UBS being subjected to an obligation or obtaining a right, which would be of key significance to the Issuer’s ability to meet its obligations to the investors in relation to the issued securities.

Taxation

The following is a general description of certain tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes. Prospective purchasers of Notes who are in any doubt as to their tax positions should consult their professional advisers.

SWITZERLAND

Tax on Principal and Interest

Under present Swiss law, payment of interest on and repayment of principal of the Notes by UBS AG London Branch, UBS AG Jersey Branch or by UBS AG Australia Branch are not subject to Swiss withholding tax (Swiss Anticipatory Tax), and payments to a holder of a Note or Coupons who is a non-resident of Switzerland and who during the taxable year has not engaged in trade or business through a permanent establishment within Switzerland, will not be subject to any Swiss Federal, Cantonal or Municipal income tax.

Paying agents domiciled in Switzerland might be obliged to deduct a retention or withholding tax under the EU savings tax regime if certain criteria are met.

Gains on Sale or Redemption

Under present Swiss Law, a Noteholder who is a non-resident of Switzerland and who during the taxable year has not engaged in trade or business through a permanent establishment within Switzerland will not be subject to any Swiss Federal, Cantonal or Municipal income or other tax on gains realised during the year on the sale or redemption of a Note.

Stamp, issue and other taxes

There is no tax liability in Switzerland in connection with the issue and redemption of the Notes. However, Notes or Coupons sold through a bank or other securities dealer resident in Switzerland or Liechtenstein are in principle subject to Turnover Tax.

AUSTRALIA

The following is a summary of the taxation treatment under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, “Australian Tax Act”) at the date of this Base Prospectus, of payments of interest (as defined in the Australian Tax Act) on Notes to be issued by UBS AG Australia Branch under the Programme and certain other matters. It is not exhaustive and, in particular does not deal with the position of certain classes of Noteholders (including, without limitation, dealers in securities, custodians or other third parties who hold the Notes on behalf of other persons).

Prospective Noteholders should be aware that particular terms of issue of any Series of Notes may affect the tax treatment of that and other Series of Notes. The following is a general guide and should be treated with appropriate caution. Prospective holders of the Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes in their particular circumstances.

1. INTEREST WITHHOLDING TAX

An exemption from Australian interest withholding tax (“IWT”) imposed under Division 11A of Part III of the Australian Tax Act is available, in respect of the Notes issued by UBS AG Australia Branch, under section 128F of the Australian Tax Act if the following conditions are met:

- (a) UBS AG is a non-resident carrying on business at or through a permanent establishment in Australia when it issues the Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts;
- (b) the Notes are issued in a manner which satisfies the public offer test. There are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that UBS AG Australia Branch is offering those Notes for issue. In summary, the five methods are:
 - (i) offers to 10 or more unrelated financiers or securities dealers;

- (ii) offers to 100 or more investors;
- (iii) offers of listed Notes;
- (iv) offers via publicly available information sources; and
- (v) offers to a dealer, manager or underwriter who offers to sell the Notes within 30 days by one of the preceding methods.

In addition, the issue of any of those Notes (whether global in form or otherwise) and the offering of interests in any of those Notes by one of these methods should satisfy the public offer test;

- (c) UBS AG does not know, or have reasonable grounds to suspect, at the time of issue, that the Notes or an interest in a Note was being, or would later be, acquired directly or indirectly by an “associate” of UBS AG, except as permitted by section 128F(5) of the Australian Tax Act; and
- (d) at the time of the payment of interest, UBS AG does not know, or have reasonable grounds to suspect, that the payee is an “associate” of UBS AG, except as permitted by section 128F(6) of the Australian Tax Act.

Associates

An “associate” of UBS AG for the purposes of section 128F of the Australian Tax Act includes when the issuer is not a trustee (i) a person or entity which holds more than 50 per cent. of the voting shares in, or otherwise controls, UBS AG, (ii) an entity in which more than 50 per cent. of the voting shares are held by, or which is otherwise controlled by, UBS AG, (iii) a trustee of a trust where UBS AG is capable of benefiting (whether directly or indirectly) under that trust, and (iv) a person or entity which is an “associate” of another person or company which is an “associate” of UBS AG under any of the foregoing.

However, “associate” does not include:

- (A) onshore associates (ie Australian resident associates who do not hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident associates who hold the Notes in the course of carrying on business at or through a permanent establishment in Australia); or
- (B) offshore associates (ie Australian resident associates who hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident associates who do not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia) who are acting in the capacity of:
 - (i) in the case of section 128F(5), a dealer, manager or underwriter in relation to the placement of the relevant Notes, or a clearing house, custodian, funds manager or responsible entity of a registered managed investment scheme; or
 - (ii) in the case of section 128F(6), a clearing house, paying agent, custodian, funds manager or responsible entity of a registered managed investment scheme.

US and UK Resident Noteholders

The Australian government has signed a number of new or amended double tax conventions (“New Treaties”) with the Specified Countries. The New Treaties apply to interest derived by a resident of a Specified Country.

The New Treaties effectively prevent IWT applying to interest derived by:

- the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; and
- certain unrelated (1) banks and (2) other financial institutions which substantially derive their profits by carrying on a business of raising and providing finance, which are resident in a Specified Country,

by reducing the IWT rate to zero. Under the New Treaties back-to-back loans and economically equivalent arrangements will not obtain the benefit of the reduction in IWT mentioned above and the anti-avoidance provisions in the Australian Tax Act can apply.

“Specified Countries” means the United States and the United Kingdom. The New Treaty for the United States applies to any interest paid on or after 1 July 2003. The New Treaty for the United Kingdom applies to any interest paid on or after 1 July 2004.

Compliance with section 128F of the Australian Tax Act

Unless otherwise specified in a relevant Final Terms (or another relevant supplement to this Base Prospectus), UBS AG Australia Branch intends to issue Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

Notes in bearer form — Section 126 of the Australian Tax Act

Section 126 of the Australian Tax Act imposes a type of withholding tax at the rate of 47 per cent. on the payment of interest on Notes in bearer form if the Issuer fails to disclose the names and addresses of the holders to the Australian Taxation Office. Section 126 does not apply to the payment of interest on Notes in bearer form held by non-residents who do not carry on business at or through a permanent establishment in Australia where the issue of those Bearer Notes has satisfied the requirements of section 128F of the Australian Tax Act or IWT is payable. In addition, the Australian Taxation Office has confirmed that for the purpose of section 126 of the Australian Tax Act, the holder of debentures (such as Notes in bearer form) means the person in possession of the debentures. Section 126 is therefore limited in its application to persons in possession of Notes in bearer form who are residents of Australia or non-residents who are engaged in carrying on business in Australia at or through a permanent establishment in Australia. Where interests in the relevant Notes are held through the Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt systems, UBS AG Australia Branch intends to treat the operators of those clearing systems as the holders of the relevant Bearer Notes for the purposes of Section 126 of the Australian Tax Act.

Payment of Additional Amounts

As set out in more detail in the Terms and Conditions of the Notes, and unless expressly provided to the contrary in the relevant Final Terms (or another relevant supplement to this Base Prospectus), if UBS AG Australia Branch is at any time compelled or authorised by law to deduct or withhold an amount in respect of any Australian withholding taxes imposed or levied by the Commonwealth of Australia in respect of the Notes, UBS AG Australia Branch must, subject to certain exceptions, pay such additional amounts as may be necessary in order to ensure that the net amounts received by the holders of those Notes after such deduction or withholding shall equal the respective amounts which would have been received had no such deduction or withholding been required. In the event that UBS AG Australia Branch is compelled by law in relation to any Notes to deduct or withhold an amount in respect of any withholding taxes, UBS AG Australia Branch will have the option to redeem such Notes in accordance with the Terms and Conditions.

2. OTHER TAX MATTERS

Subject to paragraph (L) and (M), under Australian laws as presently in effect:

- (A) *income tax — offshore Noteholders* — assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, payment of principal and interest (as defined in section 128A(1AB) of the Australian Tax Act) to a holder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income taxes;
- (B) *income tax — Australian Noteholders* — Australian residents or non-Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment in Australia (“Australian Holders”), will be assessable for Australian tax purposes on income either received or accrued due to them in respect of the Notes. Whether income will be recognised on a cash receipts or accruals basis will depend upon the tax status of the particular Noteholder and the terms and conditions of the Notes. Special rules apply to the taxation of Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located;
- (C) *gains on disposal of Notes — offshore Noteholders* — a holder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business

at or through a permanent establishment in Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of the Notes, provided such gains do not have an Australian source. A gain arising on the sale of Notes by a non-Australian resident holder to another non-Australian resident where the Notes are sold outside Australia and all negotiations are conducted, and documentation executed, outside Australia would not be regarded as having an Australian source;

- (D) *gains on disposal of Notes — Australian Noteholders* — Australian Holders will be required to include any gain or loss on disposal of the Notes in their taxable income. Special rules apply to the taxation of Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located;
- (E) *deemed interest* — there are specific rules that can apply to treat a portion of the purchase price of Notes as interest for withholding tax purposes when certain Notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold to an Australian resident (who does not acquire them in the course of carrying on business at or through a permanent establishment outside Australia) or a non-resident who acquires them in the course of carrying on business at or through a permanent establishment in Australia. If the Notes are not issued at a discount and do not have a maturity premium, these rules should not apply to the Notes. These rules also do not apply in circumstances where the deemed interest would have been exempt under section 128F of the Australian Tax Act if the Notes had been held to maturity by a non-resident;
- (F) *death duties* — no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (G) *stamp duty and other taxes* — no *ad valorem* stamp, issue, registration or similar taxes are payable in Australia on the issue of any Notes or transfer of any Notes;
- (H) *other withholding taxes on payments in respect of Notes* — Section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia (“TAA”) imposes a type of withholding tax at the rate of (currently) 48.5 per cent. on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian Tax File Number (“TFN”), (in certain circumstances) an Australian Business Number (“ABN”) or proof of some other exemption (as appropriate). Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, the requirements of Section 12-140 do not apply to payments to a holder of Notes in registered form who is not a resident of Australia and not holding such Notes in the course of carrying on business at or through a permanent establishment in Australia. Payments to other classes of holders of Notes in registered form may be subject to a withholding where the holder of those Notes does not quote a TFN, ABN or proof of an appropriate exemption (as appropriate);
- (I) *supply withholding tax* — payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed pursuant to Section 12-190 of Schedule 1 to the TAA;
- (J) *goods and services tax (GST)* — neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia;
- (K) *debt/equity rules* — Division 974 of the Australian Tax Act, which applies from 1 July 2001, contains tests for characterising debt (for all entities) and equity (for companies) for Australian tax purposes, including for the purposes of dividend withholding tax and IWT. UBS AG Australia Branch intends to issue Notes which are to be characterised as “debt interests” for the purposes of the tests contained in Division 974 and the returns paid on the Notes are to be “interest” for the purpose of section 128F of the Australian Tax Act. Accordingly, Division 974 is unlikely to affect the Australian tax treatment of holders of Notes;
- (L) *additional withholdings from certain payments to non-residents* — Section 12-315 of Schedule 1 to the TAA gives the Governor-General power to make regulations requiring withholding from certain payments to non-residents after 1 July 2003. However, section 12-315 expressly provides that the

regulations will not apply to interest and other payments which are already subject to the current IWT rules or specifically exempt from those rules. Further, regulations may only be made if the responsible minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The regulations promulgated prior to the date of this Base Prospectus are not relevant to any payments in respect of the Notes. Any further regulations should also not apply to repayments of principal under the Notes, as in the absence of any issue discount, such amounts will generally not be reasonably related to assessable income. The possible application of any future regulations to the proceeds of any sale of the Notes will need to be monitored; and

(M) *taxation of foreign exchange gains and losses* — Divisions 775 and 960 of the Australian Tax Act contain rules to deal with the taxation consequences of foreign exchange transactions entered into on or after 1 July 2003 (unless a taxpayer elects for them to apply to earlier transactions).

The rules are complex and may apply to any Noteholders who are Australian residents or non-residents that hold Notes that are not denominated in Australian dollars in the course of carrying on business in Australia. Any such Note holders should consult their professional advisors for advice as to how to tax account for any foreign exchange gains or losses arising from their holding of those Notes.

UNITED KINGDOM

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes.

The following is a general guide and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers.

Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

The following assumes that UBS AG is not resident in the United Kingdom for United Kingdom tax purposes, that (except in the case of Notes issued by UBS AG London Branch) UBS AG is not issuing the Notes for the purposes of a trade or other business carried on by it in the United Kingdom and that only interest on Notes issued by UBS AG London Branch has a United Kingdom source.

1. UK WITHHOLDING TAX ON UK SOURCE INTEREST

1.1 UK Notes listed on a recognised stock exchange

The Notes issued by UBS AG London Branch which carry a right to interest (“UK Notes”) will constitute “quoted Eurobonds” provided they are and continue to be listed on a recognised stock exchange. On the basis of Her Majesty’s Revenue and Customs’ published interpretation of the relevant legislation, securities which are to be listed on a stock exchange in a country which is a member state of the European Union or which is part of the European Economic Area will satisfy this requirement if they are listed by a competent authority in that country and are admitted to trading on a recognised stock exchange in that country; securities which are to be listed on a stock exchange in any other country will satisfy this requirement if they are admitted to trading on a recognised stock exchange in that country. The London Stock Exchange, the Luxembourg Stock Exchange and the Irish Stock Exchange are each recognised stock exchanges for these purposes. Whilst the UK Notes are and continue to be quoted Eurobonds, payments of interest on the UK Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

1.2 All UK Notes

In addition to the exemption set out in 1.1 above, interest on the UK Notes may be paid without withholding or deduction for or on account of United Kingdom income tax so long as UBS AG London Branch is a

“bank” for the purposes of section 349 of the Income and Corporation Taxes Act 1988 and so long as such payments are made by UBS AG London Branch in the ordinary course of its business. In accordance with the published practice of Her Majesty’s Revenue and Customs, such payments will be accepted as being made by UBS AG London Branch in the ordinary course of its business unless either:

- (i) the borrowing in question conforms to any of the definitions of tier 1, 2 or 3 capital adopted by the Financial Services Authority whether or not it actually counts towards tier 1, 2 or 3 capital for regulatory purposes; or
- (ii) the characteristics of the transaction giving rise to the interest are primarily attributable to an intention to avoid United Kingdom tax.

1.3 Interest on the UK Notes may also be paid without withholding or deduction for or on account of United Kingdom income tax if and so long as UBS AG London Branch is authorised for the purposes of the Financial Services and Markets Act 2000 and its business consists wholly or mainly of dealing in financial instruments (as defined by section 349(5) of the Income and Corporation Taxes Act 1988) as principal and so long as such payments are made by UBS AG London Branch in the ordinary course of its business.

1.4 All other cases

In all cases falling outside the exemptions described in 1.1, 1.2 and 1.3 above, interest on the UK Notes may be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply. However, this withholding will not apply if the relevant interest is paid on Notes with a maturity of less than one year from the date of issue and which are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

2. PAYMENTS UNDER DEED OF COVENANT

Any payments made by UBS AG London Branch under the Deed of Covenant executed by it from time to time may not qualify for the exemptions from UK withholding tax described in 1 above.

3. PROVISION OF INFORMATION

Noteholders should note that where any interest on Notes is paid to them (or to any person acting on their behalf) by UBS AG London Branch or any person in the United Kingdom acting on behalf of the Issuer (a “paying agent”), or is received by any person in the United Kingdom acting on behalf of the relevant Noteholder (other than solely by clearing or arranging the clearing of a cheque) (a “collecting agent”), then UBS AG London Branch, the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to Her Majesty’s Revenue and Customs details of the payment and certain details relating to the Noteholder (including the Noteholder’s name and address). These provisions will apply whether or not the interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Noteholder is resident in the United Kingdom for United Kingdom taxation purposes. Where the Noteholder is not so resident, the details provided to Her Majesty’s Revenue and Customs may, in certain cases, be passed by Her Majesty’s Revenue and Customs to the tax authorities of the jurisdiction in which the Noteholder is resident for taxation purposes.

The provisions referred to above may also apply, in certain circumstances, to payments made on redemption of any Notes where the amount payable on redemption is greater than the issue price of the Notes.

EU Savings Tax Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “EU Savings Tax Directive”), each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

A number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States including Jersey, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by

such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

4. OTHER RULES RELATING TO UNITED KINGDOM WITHHOLDING TAX

Notes may be issued at an issue price of less than 100 per cent. of their principal amount. Any discount element on any such Notes should not be subject to any United Kingdom withholding tax pursuant to the provisions mentioned in 1 above, but may be subject to reporting requirements as outlined in 3 above.

Where Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined above.

Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.

The references to “interest” in this summary of the United Kingdom withholding tax position mean “interest” as understood in United Kingdom tax law. The statements in this summary do not take any account of any different definitions of “interest” or “principal” which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation.

This summary of the United Kingdom withholding tax position assumes that there will be no substitution of the Issuer and does not consider the tax consequences of any such substitution.

JERSEY

Interest bearing notes issued by UBS AG Jersey Branch, which is an International Business Company for the purposes of the application of the Income Tax (Jersey) Law, 1961 (as amended) will qualify for the payment of interest without any withholding or deduction on account of Jersey income tax.

EU Savings Tax Directive

As part of an agreement reached in connection with the EU directive on the taxation of savings income in the form of interest payments, and in line with steps taken by other relevant third countries, Jersey introduced with effect from 1 July 2005 a retention tax system in respect of payments of interest, or other similar income, made to an individual beneficial owner resident in an EU Member State by a paying agent established in Jersey. The retention tax system applies for a transitional period prior to the implementation of a system of automatic communication to EU Member States of information regarding such payments. During this transitional period, such an individual beneficial owner resident in an EU Member State will be entitled to request a paying agent not to retain tax from such payments but instead to apply a system by which the details of such payments are communicated to the tax authorities of the EU Member State in which the beneficial owner is resident.

The retention tax system in Jersey is implemented by means of bilateral agreements with each of the EU Member States, the Taxation (Agreements with European Union Member States) (Jersey) Regulations 2005 and Guidance Notes issued by the Policy & Resources Committee of the States of Jersey. Based on these provisions and what is understood to be the current practice of the Jersey tax authorities, the Issuer would not be obliged to levy retention tax in Jersey under these provisions in respect of interest payments made by it to a paying agent established outside Jersey.

Selling Restrictions

Subject to all legal and regulatory requirements, Notes may be issued from time to time by the Issuer to any one or more of UBS Limited and UBS Securities LLC (the “Dealers”) or to any other person. The arrangements under which Notes may from time to time be agreed to be issued by the Issuer to, and subscribed by, Dealers are set out in an amended and restated dealer agreement dated 3 July 2006 (the “Dealer Agreement”) and made between the Issuer and the Dealers, as such agreement may be amended or supplemented or superseded from time to time. Any such agreement for the issue and subscription of Notes will, *inter alia*, cover the price of the Notes, any commissions or other deductibles in respect of the Notes, the Form of the Notes, any other commercial terms of the issue and subscription of the Notes themselves, and any syndication or underwriting of the issue. The Dealer Agreement makes provision for the resignation or renewal of existing Dealers and the appointment of additional or other Dealers, either generally in respect of the Programme or in relation to a particular Series or Tranche of Notes.

GENERAL

With the exception of the approval by the IFSRA of this Base Prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in Ireland, no action has been or will be taken in any jurisdiction by the Issuer or the Dealers that would permit a public offering of Notes, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands this Base Prospectus comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver Notes or have in their possession or distribute such offering material and to obtain any consent, approval or permission required by them for the purchase, offer, sale or delivery by them of any Notes under the law and regulations in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales or deliveries, in all cases at their own expense, and neither the Issuer nor any Dealer shall have responsibility therefor. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, but without limiting the generality of the preceding paragraph, and subject to any amendment or supplement which may be agreed with the Issuer in respect of any particular Series or Tranche, each purchaser of Notes must comply with the restrictions described below, except to the extent that, as a result of changes in, or in the official interpretation of, any applicable legal or regulatory requirements, non-compliance would not result in any breach of the requirements set forth in the preceding paragraph.

THE UNITED STATES OF AMERICA

(Regulation S Category 2; TEFRA D, unless TEFRA C is specified as applicable in the relevant Final Terms; Rule 144A eligible if so specified in the relevant Final Terms)

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (“Securities Act”) and may not be offered or sold within the United States or to, or for the account or benefit of, US persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form are subject to US tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by US tax regulations. Terms used in this paragraph have the meanings given to them by the US Internal Revenue Code and regulations thereunder.

Each Dealer represents and agrees that, except as provided in the Dealer Agreement, it has not offered and sold Notes and will not offer and sell Notes of any Tranche (i) as part of its distribution at any time and (ii) otherwise until 40 days after the later of the date of issue of the relevant Tranche of Notes and the completion of the distribution of such Tranche, as determined and certified to the Agent or the Issuer by the relevant Dealer (or in the case of a sale of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to the Notes of such Tranche purchased by or through it, in which case the Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified), within the United States or to, or for

Selling Restrictions

the account or benefit of, US persons and it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration to which it sells Notes of such Tranche from it during the distribution compliance period (other than pursuant to Rule 144A under the Securities Act) a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, US persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Dealer Agreement provides that the relevant Final Terms may provide that a Dealer may, through its respective US Affiliates, arrange for resales of the Notes in the United States to qualified institutional investors (as defined in Rule 144A under the Securities Act) pursuant to Rule 144A under the Securities Act.

In addition, until 40 days after the completion of the offering of any Tranche of Notes, an offer or sale of Notes of such Tranche within the United States by a dealer (whether or not participating in the offering of such Notes) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A under the Securities Act.

Each Series of Notes will also be subject to such further United States selling restrictions as the Issuer and the relevant Dealer(s) may agree and as indicated in the relevant Final Terms.

EUROPEAN ECONOMIC AREA

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented, warranted and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) in (or in Germany, where the offer starts within) the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

UNITED KINGDOM

In relation to each Tranche of Notes, each Dealer subscribing for or purchasing such Notes has represented, warranted and undertaken, or will represent, warrant and undertake to the Issuer and each other Dealer (if any) that:

- (a) in relation to any Notes having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and

Selling Restrictions

- (ii) it has not offered or sold and will not offer or sell any Notes other than to persons:
 - (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not or would not, if the Issuer was not an authorised person, apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

AUSTRALIA

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or the Notes has been lodged with the Australian Securities and Investments Commission (“ASIC”). Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that, unless the relevant Final Terms (or another relevant supplement to this Base Prospectus) otherwise provides, it:

- (a) has not (directly or indirectly) offered or invited applications, and will not offer or invite applications, for the issue, sale or purchase of the Notes in, to or from Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, the Base Prospectus or any other offering material or advertisement relating to the Notes in Australia, unless (i) the minimum aggregate consideration payable by each offeree is at least A\$500,000 (or the equivalent in another currency, in either case disregarding moneys lent by the offeror or its associates) or the offer or invitation otherwise does not require disclosure to investors in accordance with Part 6D.2 of the Corporations Act, and (ii) such action complies with all applicable laws, regulations and directives and does not require any document to be lodged with ASIC.

In addition, and unless the relevant Final Terms otherwise provides, each Dealer has agreed that, in connection with the primary distribution of Notes issued by UBS AG Australia Branch, it will not offer or sell such Notes to any person if, at the time of such sale, the officers and employees of the Dealer aware of, or involved in, the sale knew or had reasonable grounds to suspect that, as a result of such sale, any such Notes or an interest in any such Notes were being, or would later be, acquired (directly or indirectly) by an “associate” of UBS AG within the meaning of section 128F(9) of the Australian Tax Act, except as permitted by section 128F(5) of the Australian Tax Act.

JAPAN

Each Dealer understands that the Notes have not been and will not be registered under the Securities and Exchange Law of Japan and, accordingly, each Dealer has undertaken that it will not offer or sell any Notes directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan, or to others for reoffering or resale, directly or indirectly, in Japan or to a resident of Japan except under circumstances which will result in compliance with applicable laws, regulations and guidelines promulgated by the relevant Japanese Governmental and Regulatory Authorities and in effect at the relevant time. Issues of Notes denominated in Japanese Yen are subject to post-facto reporting to the Minister of Finance of Japan.

HONG KONG

The Notes have not been offered and sold, and each purchaser of Notes represents and agrees that it will not offer and sell any of the Notes in Hong Kong, by means of any document, other than to persons whose ordinary business is to buy or sell shares or debentures, whether as principal or agent, or in circumstances which do not constitute an offer to the public within the meaning of the Companies Ordinance (Cap. 32 of the laws of Hong Kong). No advertisement, invitation or document relating to the Notes may be issued and each purchaser of Notes represents and agrees that it has not issued and will not issue any advertisement, invitation or document relating to the Notes, whether in Hong Kong or elsewhere, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made thereunder.

Each purchaser of the Notes confirms that it will not on-sell or distribute the Notes in Taiwan to Taiwanese residents or entities incorporated in Taiwan other than in accordance with laws and regulations of Taiwan.

Transfer Restrictions relating to US Sales

1. TRANSFER RESTRICTIONS

On or prior to the 40th day after the issue date of a Tranche of Notes represented by an Unrestricted Global Note, a beneficial interest in the Unrestricted Global Note may be transferred to a person who wishes to hold such beneficial interest through the Restricted Global Note only upon receipt by the Registrar of a written certification from the transferor (in substantially the form scheduled to the Agency Agreement) to the effect that such transfer is being made to a person who is or whom the transferor reasonably believes is a qualified institutional buyer within the meaning of Rule 144A of the Securities Act (“Rule 144A”), in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States and any other jurisdiction. After such 40th day, such certification requirements will no longer apply to such transfers, but such transfers will continue to be subject to the transfer restrictions contained in the legend appearing on the face of such Note, as set forth in (iii) below.

A beneficial interest in the Restricted Global Note may also be transferred to a person who wishes to hold such beneficial interest through the Unrestricted Global Note only upon receipt by the Registrar of a written certification from the transferor (in substantially the form scheduled to the Agency Agreement) to the effect that such transfer is being made in accordance with Regulation S, Rule 144 (if available or another exemption if available) under the Securities Act.

Any beneficial interest in either the Restricted Global Note or the Unrestricted Global Note that is transferred to a person who takes delivery in the form of a beneficial interest in the other such Global Note will, upon transfer, cease to be a beneficial interest in such Registered Global Note and become a beneficial interest in the other such Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to a beneficial interest in the other such Global Note for so long as such person retains such an interest.

Each purchaser of Notes offered in reliance on Rule 144A under the Securities Act will be deemed to have represented and agreed as follows (terms used herein that are defined in Rule 144A or in Regulation S under the Securities Act are used herein as defined therein).

- (i) The purchaser (A) is a qualified institutional buyer within the meaning of Rule 144A, (B) is acquiring the Notes for its own account or for the account of such a qualified institutional buyer and (C) such person is aware that the sale of the Notes to it is being made in reliance on Rule 144A.
- (ii) The purchaser understands that the Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, and the Notes offered hereby have not been and will not be registered under the Securities Act or any other applicable securities law and may not be offered, sold, pledged, or otherwise transferred except in accordance with the legend set forth in (iii) below.
- (iii) The Restricted Global Notes and any Registered Notes in definitive form offered in reliance on Rule 144A or exchanged for Restricted Global Notes (“Restricted Definitive Notes”) will bear a legend to the following effect, unless the Issuer determines otherwise in accordance with applicable law:

“THIS GLOBAL NOTE EVIDENCED HEREBY HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE US SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR ANY STATE SECURITIES LAW AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A)(1) TO A PERSON THAT THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (2) IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH RULE 903 OR 904 OF REGULATION S UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT (IF AVAILABLE), OR (4) TO THE ISSUER OR ITS AFFILIATES AND (B) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES. NO REPRESENTATION CAN BE MADE AS TO THE AVAILABILITY OF THE EXEMPTION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT FOR REALES OF THE NOTES.”

Upon the transfer, exchange or replacement of a Restricted Global Note or a Restricted Definitive Note bearing the legend referred to above, or upon specific request for removal of the legend, the Issuer will deliver only Restricted Definitive Notes that bear such legend, or will refuse to remove such legend, as the case may be, unless there is delivered to the Issuer and the Registrar an opinion reasonably satisfactory to the Issuer of United States counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States to the effect that neither such legend nor the restrictions on transfer set forth therein are required to maintain compliance with the provisions of such laws.

2. EXCHANGE OF INTERESTS IN REGISTERED GLOBAL NOTES FOR REGISTERED DEFINITIVE NOTES

Beneficial interests in a Restricted Global Note will be exchangeable for Restricted Definitive Notes: (i) if DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depositary with respect to the relevant Restricted Global Note or ceases to be a “clearing agency” registered under the Exchange Act, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of such depositary; or (ii) if the Issuer, at its option, elects to terminate the book-entry system through DTC; or (iii) if an event of default occurs as set out in Condition 12; or (iv) if so specified in the relevant Final Terms, if the holder of the relevant Restricted Global Note requests that such interest be exchanged for Restricted Definitive Notes in the relevant form.

Beneficial interests in an Unrestricted Global Note will be exchangeable, in whole but not in part, for Registered Notes in definitive form (“Unrestricted Definitive Notes” together with the Restricted Definitive Notes, the “Registered Definitive Notes”): (i) if Euroclear or Clearstream, Luxembourg or Clearstream, Frankfurt is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or (ii) if an event of default occurs as set out in Condition 12; or (iii) if so specified in the relevant Final Terms, if the holder of the relevant Unrestricted Global Note requests that such interest be exchanged for Unrestricted Definitive Notes in the relevant form.

In such circumstances, the Issuer shall procure the delivery of Unrestricted Definitive Notes in exchange for the Unrestricted Global Notes and/or Restricted Definitive Notes in exchange for the Restricted Global Notes, as the case may be. A person having an interest in a Registered Global Note must provide the Registrar with (i) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Registered Definitive Notes and (ii) in the case of the Restricted Global Note only, a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case of simultaneous sale pursuant to Rule 144A, a certification that the transfer is being made in compliance with the provisions of Rule 144A. Restricted Definitive Notes issued in exchange for a beneficial interest in the Restricted Global Note shall bear the legends applicable to transfers pursuant to Rule 144A, as set out under “Transfer Restrictions”.

The Registrar will not register the transfer of or exchange of interests in a Registered Global Note for Registered Definitive Notes for a period of 15 calendar days ending on the due date for any payment of principal.

General Information

1. The establishment and update of the Programme was authorised by resolutions of the Board of Directors of the Issuer passed on 24 June 1998.
2. Application has been made to list the Notes on the regulated market of the Irish Stock Exchange. It is expected that each Series of Notes which is to be admitted to the Irish Stock Exchange will be admitted separately as and when it is issued, subject only to the issue of the relevant Notes (in Bearer or Registered form and in global or definitive form. The approval to admit Notes issued under the Programme on the Irish Stock Exchange's regulated market is expected to be granted on or about 3 July 2006 for a period of 12 months.

It is expected that the admission of Notes issued under the Programme to the Official List of the UKLA and the admission to trading on the regulated market of the London Stock Exchange will be granted after the IFSRA has provided the FSA with a certificate of approval attesting that the Base Prospectus has been drawn up in accordance with the Prospectus Directive.

Prior to the listing of any Notes, the constitutional documents of the Issuer and the legal notice relating to the issue were registered with the Registre de Commerce et des Sociétés à Luxembourg where copies of these documents may be obtained upon request.
