The credit ratings included or referred to in the documents incorporated by reference have been issued, for the purposes of Regulation (EC) No 1060/2009 as amended by Regulation (EU) No 513/2011 (as amended, the “**CRA Regulation**”), by Moody’s Investors Service, Inc. (“**Moody’s**”), Fitch, Inc. (“**Fitch**”) and Standard & Poor’s Financial Services LLC (“**S&P**”). None of Moody’s, Fitch or S&P is established in the European Union and none of them has applied for registration under the CRA Regulation. The European Securities and Markets Authority (“**ESMA**”) is currently assessing the relevant regulatory framework of the third countries from which credit rating agencies have indicated their intention to endorse credit ratings, with a view to verifying compliance with the CRA Regulation.

Subject to the fulfilment of the conditions set out in Article 4(3) of the CRA Regulation, a credit rating agency established in the European Union and registered in accordance with the CRA Regulation (an “**EU CRA**”) may endorse (for regulatory purposes in the European Union) credit ratings issued outside the European Union where (i) the credit rating activities resulting in the issuing of the credit rating are undertaken in whole or in part by a credit rating agency or credit rating agencies belonging to the same group (a “**Non-EU CRA**”); and (ii) the EU CRA has verified and is able to demonstrate on an ongoing basis to ESMA that the conduct of the credit rating activities by the Non-EU CRA resulting in the issuing of the credit rating to be endorsed fulfils requirements which are “at least as stringent as” the requirements of the CRA Regulation. On 15 March 2012, ESMA announced that it considers the regulatory framework for credit rating agencies in the United States to be “as stringent as” the requirements of the CRA Regulation.

Subject to the fulfilment of the conditions set out in Article 4(3) of the CRA Regulation, the credit ratings issued by Moody’s, Fitch and S&P may be endorsed for regulatory purposes in the European Union by an EU CRA belonging to the same group. There can be no assurance that such endorsements of the credit ratings issued by Moody’s, Fitch and S&P will be made. In general, and subject to certain exceptions, European investors are restricted from using a credit rating for regulatory purposes if such a credit rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation.
