NEW MARKET ADMISSION Q2

draper esprit

"Our IPO enables us to invest for longer in our emerging companies and build bigger stakes, capturing more value for shareholders. It also further democratises funding for entrepreneurs, as the listings now enable everyone to participate in the growth of VC backed companies."

DRAPER ESPRIT CEO, SIMON COOK

TRANSFER TO MAIN SECURITIES MARKET Q2

"Given the considerable growth of the business both financially and operationally we believe that a listing on the main market is the most appropriate platform for our future development. Through this move to the official list we look forward to improving our profile and broadening our investor base further."

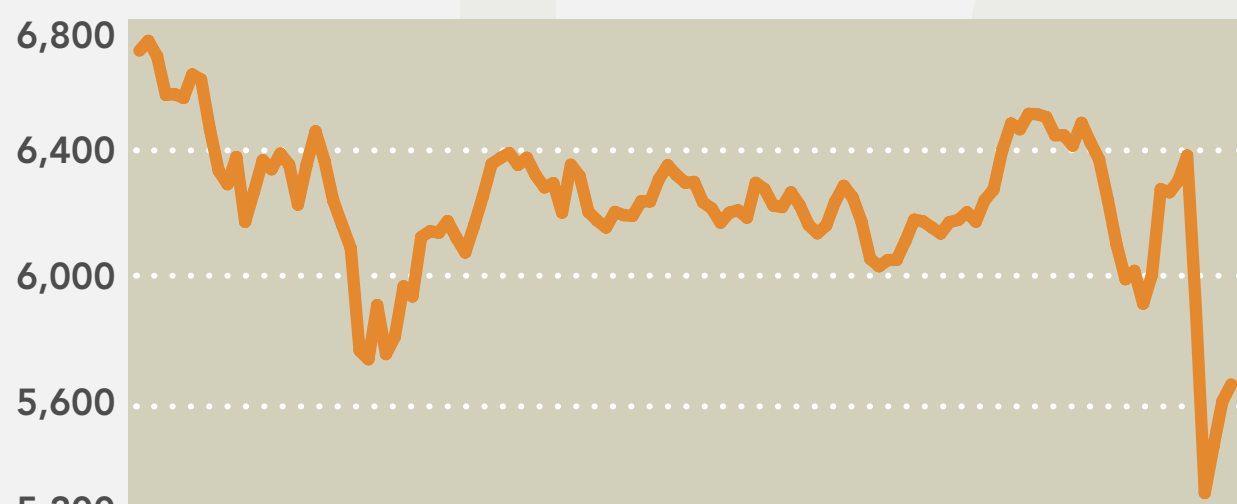

DALATA HOTEL GROUP CEO, PAT MCCANN
