SCOPE

The provisions of The Code apply to an Applicant or Listed Fund.

All of the requirements of the Listing Rules in respect of its Contents of Listing Particulars, as they relate to investment Funds, are contained in Chapters 2 – 6 of The Code. Where The Code is silent or in cases of ambiguity, disagreement or uncertainty as to the application of any of the requirements or procedures set out in The Code, an Applicant should consult Euronext Dublin. Where The Code requires documents to be made available, Euronext Dublin may provide copies of such documents on request.

The Code is subject to revision from time to time. Code revisions will be published on Euronext Dublin website www.ise.ie, any such revisions shall be notified to all Sponsors and shall be effective from the date of such notification or such later date as Euronext Dublin may determine.

Neither the admission of any securities to the Official List and to trading on the regulated market of Euronext Dublin nor the approval of any Listing Particulars pursuant to the listing requirements of Euronext Dublin shall constitute a warranty or representation by Euronext Dublin as to the competence of the service providers to or any other party connected with a Listed Fund, the adequacy of information contained in the Listing Particulars or the suitability of a listed Fund for investment or for any other purpose.

In respect of the Official List the Irish Stock Exchange plc, trading as Euronext Dublin performs its functions as the Competent Authority under Regulation 6 of the European Communities (Admission to Listing and Miscellaneous Provisions) Regulations 2007, as amended.

Where a rule vests a power, duty or function in Euronext Dublin and does not state that such power duty or function vests with the Board or a committee of the Board, then such power, duty or function shall be deemed to vest in the management of Euronext Dublin.

The Admission to Trading Rules apply to an investment fund seeking admission of its securities to trading on the regulated market of Euronext Dublin.

In accordance with its regulatory obligations, Euronext Dublin may submit information to the Central Bank of Ireland/the European Securities and Markets Authority, including information that has been provided to it by or on behalf of an issuer or which Euronext Dublin has sourced regarding an issuer's financial instrument reference data.

Euronext Dublin operates a Regulated Market named Euronext Dublin.

- 1.4.8 Up to 40% of the value of the Gross Assets of an Applicant may be invested in any other Fund or may be allocated by the Investment Manager to any manager to manage on a discretionary basis, provided that other fund or manager operates on the principle of risk spreading.
- 1.4.9 Where 1.4.8 applies the Investment Manager of an Applicant must undertake to monitor the underlying Investments to ensure that, in aggregate, the restrictions in 1.4.7 are not breached. If 1.4.7 is breached other than as provided for in 1.4.11 the Investment Manager must take immediate corrective action, having regard to 1.4.11.
- 1.4.10 No more than 20%, in aggregate, of the value of the Gross Assets of an Applicant which is a Fund of Funds may be invested in other Funds whose principal investment objectives include investing in other Funds.
- 1.4.11 The investment restrictions in 1.4.7 - 1.4.10 apply to any Investment at the time that investment is made. Where any restriction is breached, the Investment Manager must ensure that immediate corrective action is taken except where the breach is due to appreciations or depreciations, changes in exchange rates, or by reason of the receipt of rights, bonuses, benefits in the nature of capital or by reason of any other action affecting every holder of that investment. 1.4.15 Where an Applicant appoints more than one Investment Manager, each Investment Manager must comply with 1.4.7 in respect of the assets allocated to that Investment Manager.

INVESTMENT MANAGER

Where the Investment Manager is authorised as an AIFM under the AIFMD, listing requirements 1.4.16 – 1.4.17 will be deemed to be met.

1.4.16 The Investment Manager must have adequate and appropriate expertise and experience in the management of Investments.

1.4.17 The Investment Manager may offer unitholders and other entities the opportunity of investing directly in the Investments of an Applicant ('co-investment opportunities') only where arrangements are in place to avoid any conflicts of interest arising from such Investments and the Investment Manager is satisfied that any such offer does not unfairly prejudice the interests of the Applicant or its unitholders as a whole.

DEPOSITARY

Where the AIFM authorised under the AIFMD has appointed the Depositary and the Depositary is charged with the safekeeping and custody of the Applicants assets, listing requirements 1.4.20 – 1.4.25 shall be deemed to be met.

1.4.18 An Applicant must have a Depositary/s which is/are charged with responsibility for the safekeeping and custody of the assets of the Applicant and for compliance with the specific requirements outlined in 1.4.20–1.4.25. - (i) to the extent that the relevant portion of the Derivative Cash Position consists of cash, it is: (A) subject to the requirements for holding client money set out in Chapter 7 of the FCA's client assets sourcebook (CASS) or to equivalent or similar levels of protection under the rules of the CFTC, or another Recognised Public Authority or; (B) held with an entity which: satisfies the Financial Resources Requirement; or
- (ii) to the extent that the relevant portion of the Derivative Cash Position consists of items other than cash, it is: (A) held such that the Applicant (or its Depositary) retains beneficial ownership of the Liquid Assets comprised in the Derivative Cash Position and therefore does not take credit risk in respect of such Liquid Assets on the counterparty or other person with which they are held; or (B) held with an entity which: satisfies the Financial Resources Requirement.

Provided that

- (iii) the Directors of the Applicant:
 - (a) take all reasonable steps to ensure that the amount of Liquid Assets that the Applicant holds with the relevant counterparty pursuant to parts (i)(B) and (ii)(B) does not exceed the level that the Directors reasonably consider to be prudent, having regard to the counterparty's creditworthiness;
 - (b) appoint an administrator or other entity responsible for carrying out a periodic verification and reconciliation of the Applicant's positions from such derivatives contracts (such reconciliation to be performed each time that the net asset value of Units in the Applicant is calculated in accordance with 1.4.27) and such appointment must be, initially and on an ongoing basis, in the opinion of the Directors a suitable entity to carry out the function. The administrator or other entity responsible must be a separate legal entity to the Investment Manager and counterparty to the Derivative Contract. The Directors must, in accordance with their obligations under Chapter 7 report to Euronext Dublin any significant discrepancies identified as a result of this verification and reconciliation process;

- 1.4.19(b) Where Derivative Contracts to which the Applicant is party (and their related derivatives cash positions) are such that they fall outside of the scope of the exemption in 1.4.19(a), the provision in 1.4.18 regarding “safe-keeping and custody” of the assets shall not apply to any such derivatives contracts (and any such related derivatives cash positions) to the extent that the Applicant’s aggregate exposure to its counterparties under all such Derivative Contracts (and all such related derivatives cash positions) does not exceed 20% of the Gross Assets of the Applicant and further provided that the Directors of the Applicant:
- (i) take all reasonable steps to ensure that the amount of Liquid Assets that the Applicant holds with each relevant counterparty referred to above does not exceed the level that the Directors reasonably consider to be prudent, having regard to the counterparty’s creditworthiness;
 - (ii) appoint an administrator or other entity responsible for carrying out a periodic verification and reconciliation of the Applicant’s positions from such derivatives contracts (such reconciliation to be performed each time that the net asset value of Units in the Applicant is calculated in accordance with 1.4.27) and such appointment must be, initially and on an ongoing basis, in the opinion of the Directors a suitable entity to carry out the function. The administrator or other entity responsible must be a separate legal entity to the Investment Manager and counterparty to the Derivative Contract. The Directors must, in accordance with their obligations under Chapter 7 report to Euronext Dublin any significant discrepancies identified as a result of this verification and reconciliation process;
 - (iii) appoint a person to verify the value of its OTC derivative positions in accordance with 1.4.28 and takes all reasonable steps to ensure that the policies and procedures to be applied by that person in valuing those positions and the Applicant’s procedures for monitoring the activities of that person and the risks inherent in the Applicant’s OTC derivatives positions are, and at all times remain appropriate and are described in the Listing Particulars.

- 1.4.21 Any Depositary appointed pursuant to 1.4.18 must have suitable and relevant experience and expertise in the provision of custody services. Euronext Dublin must be satisfied as to a Depositary’s suitability to act as Depositary for the Applicant. Where the Depositary is a financial institution regulated in a Member State or is subject to equivalent prudential regulation and supervision by a third country regulatory authority, this will generally be accepted as prima facie compliance with this rule. In the absence of such regulation, Euronext Dublin may consider the prior experience that the Depositary has in the provision of custody services in respect of the asset

type and the jurisdiction/s in which the Applicant will invest, the amount of assets which the Depositary already has under custody, and any other relevant factor Euronext Dublin deems necessary to determine the Depositary's suitability.

1.4.22 Any Depositary, Sub-Custodian, Prime Broker, Broker or any other entity holding any of the assets of an Applicant should have no decision making discretion relating to the investment of those assets.

1.4.23 The Investment Manager, Directors, Depositary or other appropriate person approved by Euronext Dublin, of an Applicant which is a Multi-Manager Fund or a Fund of Funds must satisfy itself that adequate custody arrangements have been entered into by the Investment Manager or Fund to which the assets of the Applicant will be allocated or invested.

SUB-CUSTODIANS

1.4.24 Where a Sub-Custodian has been appointed to take custody of any of the assets of an Applicant and the Depositary does not take full responsibility for the safekeeping of those assets, the Depositary shall exercise reasonable skill, care and diligence in the selection of a suitable Sub-Custodian and shall be responsible to the Applicant for the duration of the Sub-Custodian agreement for satisfying itself as to the on-going suitability of the Sub-Custodian to provide custodial services to the Applicant. The Depositary must maintain an appropriate level of supervision over the Sub-Custodian/s and make appropriate enquiries, periodically, to confirm that the obligations of the Sub-Custodian/s continue to be adequately discharged.

BROKERS

1.4.25 The Directors or Depositary or Investment Manager to an Applicant, or the Applicant itself, shall require any Broker (except where 5.2.2 applies) which holds assets of the Applicant, other than Margin Deposits, to segregate those assets, either in segregated customer or omnibus client accounts, and separately identify them as belonging to the Applicant or the Depositary as nominee or fiduciary for the Applicant, in order to ensure that such assets are unavailable to the creditors of the Broker or any other entity.

AUDITOR

1.4.26 An Applicant must appoint an independent auditor to carry out the audit of the Applicant's financial statements in accordance with the Auditing Standards.

CALCULATION OF NET ASSET VALUE

1.4.27 The net asset value of the Units must be calculated at least annually. The method of valuation of the assets should be in accordance with the applicable accounting standards.

An Applicant must appoint an entity, which must be a separate legal entity to any entity appointed under 1.4.18 – 1.4.25, to be responsible for the determination and calculation of the net asset value of the Applicant. It is permissible that these entities be part of the same group.

1.4.28 Where the provisions of 1.4.19(a) and/or 1.4.19(b) are availed of, the valuation must be verified by a person who is independent of the Applicant, the Investment Manager and the counterparty on at least an annual basis in compliance with 1.4.27. The OTC value must be communicated directly to the entity responsible for calculating the net asset value of Units in the Applicant per 1.4.27 by the counterparty to the trade.

(b) direct investment solely in S shares is not permitted by the Applicant.

For the avoidance of doubt, the investment restrictions shall apply to the Applicant.

Failure by a Listed Fund to comply with any applicable continuing obligation or to continue to comply with the conditions for listing contained in The Code may result in Euronext Dublin taking disciplinary action as provided for in Chapter 1 of the Listing Rules.

Where a requirement of this chapter is inappropriate to a Listed Fund's legal form, that requirement should be appropriately adapted so that equivalent information is given or action taken as the case may be. In cases of doubt, Euronext Dublin should be consulted in advance.

A Listed Fund which is a Sub-Fund must provide the audited financial information required relating to the Sub-Fund itself. Where the Sub-Fund is not part of a segregated liability Umbrella Fund, audited financial information relating to the Umbrella Fund of which the Sub-Fund is a part, existing at the date of the annual accounts, should be provided for review.

The requirements set out herein apply to the Underlying Fund of a Feeder Fund as appropriate.
