The Issuer and the Trustee shall enter into a deed supplemental to the Master Trust Deed with respect to each Specific Series (each a “**Supplemental Trust Deed**”). The Master Trust Deed and any relevant Supplemental Trust Deed with respect to a Specific Series are referred to together as the “**Trust Deed**” with respect to the relevant Specific Series. References in these Conditions to the “**Custodian**” shall be construed accordingly. Statements in these terms and conditions (as amended and supplemented in the case of a Specific Series) by the relevant Supplemental Trust Deed, and as described in the relevant Final Terms or Series Offering Document, as applicable, (the “**Conditions**”) are subject to the detailed provisions of the Trust Deed and the Agency Agreement, copies of which are available for inspection at the registered office of the Issuer and the specified offices of the Principal Paying Agent. The Trust Deed includes the form of the Notes in bearer and registered form, the interest coupons (if any) relating to Notes in bearer form (the “**Coupons**”) and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”). Noteholders and Couponholders (each as defined in Condition 1) are entitled to the benefit of, and are deemed to have notice of, all the provisions contained in the Trust Deed and the relevant Final Terms or Series Offering Document, as applicable, and those applicable to them of the Agency Agreement.

Capitalised terms used but not defined in these Conditions shall have the meanings or values attributed to them in the Trust Deed unless the context otherwise requires or unless otherwise stated.

1. **Form, Denomination and Title**

The Notes are serially numbered and issued in bearer form (“**Bearer Notes**”) in the denomination of the Specified Denominations(s) or in registered form (“**Registered Notes**”) in amounts of the Specified Denomination or such integral multiples of a stated amount in excess thereof (“**Authorised Denominations**”) as are specified in the Final Terms or Series Offering Document, as applicable. “**Specified Denomination**” means such amount as is specified in the Final Terms or Series Offering Document, as applicable, subject to a minimum denomination of €1,000 (or its equivalent in any other currency as at the date of issue of these Notes). All Registered Notes of the same Series shall have the same Specified Denomination.

So long as the Notes are represented by a temporary Global Note, permanent Global Note or Global Certificate and the relevant clearing system(s) so permit, the Notes shall be tradable only in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lowest Specified Denomination) provided hereon and integral multiples of the Tradable Amount provided in the Final Terms or Series Offering Document, as applicable.

Subject as described in “*Summary of Provisions relating to the Notes while in Global Form*”, Bearer Notes are issued with Coupons (and, where appropriate, a Talon) attached save in the case of Notes which do not bear interest in which case references to interest (other than in relation to interest due after the due date for redemption in respect of overdue amounts of principal, both before and after judgment) and Coupons and Talons in these Conditions are not applicable.

Subject as described in “*Summary of Provisions relating to the Notes while in Global Form*”, Registered Notes are represented by registered certificates (“**Individual Certificates**”), and, save as provided in Condition 2(c), each Individual Certificate representing a holding of one or more Registered Notes by the same holder.

Title to the Bearer Notes, the Coupons appertaining thereto and Talons shall pass by delivery. Title to the Registered Notes shall pass by assignment and registration in the register (the “**Register**”) which the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement. A copy of the Register showing current holdings of Registered Notes will be available at the registered office of the Issuer. Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Bearer Note, Coupon

or Talon shall be deemed to be and may be treated as the absolute owner of such Note, Coupon or Talon, as the case may be, for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Note, Coupon or Talon shall be overdue and notwithstanding any notice of ownership, theft or loss thereof or any writing thereon made by anyone.

In these Conditions “**Noteholder**” means (i) the holder of any definitive Bearer Note or (ii) the person in whose name a Registered Note is registered and “**Couponholder**” means the holder of any Coupon and “**Talonholder**” means the holder of any Talon.

The Issuer, the Trustee and each Paying Agent shall deem and treat each Noteholder, Couponholder and Talonholder as the absolute owner of the relevant Note, Coupon or Talon (whether or not such Note, Coupon or Talon shall be overdue and notwithstanding any notice of ownership or writing thereon) for the purpose of making payments and for all other purposes.

2. Exchanges of Bearer Notes and Transfers of Registered Notes

(a) *Exchange of Bearer Notes*

Subject as provided in Condition 2(f), Bearer Notes may be exchanged for the same aggregate principal amount of Registered Notes of the Specified Denomination at the request in writing of the relevant Noteholder and upon surrender of each Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of the Registrar or any Transfer Agent; provided, however, that where a Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 8(b)(ii)) for any payment of interest, the Coupon and Talon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) *Transfer of Registered Notes*

A Registered Note may be transferred in whole or in part in the Specified Denomination upon the surrender of the Individual Certificate representing such Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. In the case of a transfer of part only of a holding of Registered Notes represented by one Individual Certificate, a new Individual Certificate in respect of the balance not transferred will be issued to the transferor. A transfer of a Registered Note shall be completed by the recording of the holding of such Registered Notes in the Register. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in respect of Registered Notes*

In the case of an exercise of an Issuer’s or Noteholder’s option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Individual Certificate, a new Individual Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Individual Certificates shall be

issued in respect of those Notes of that holding that have the same terms. New Individual Certificates shall only be issued against surrender of the existing Individual Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Individual Certificate representing the enlarged holding shall only be issued against surrender of the Individual Certificate representing the existing holding.

(d) *Delivery of new Individual Certificates*

Each new Individual Certificate to be issued pursuant to Conditions 2(b) or (c) shall be available for delivery within three business days of receipt of a duly completed request for exchange or form of transfer or Exercise Notice (as defined in Condition 7(g)) or the surrender of the Certificate for exchange together with satisfaction of any other requirements imposed by these Conditions. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Individual Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Individual Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/ or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets set the payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange free of charge*

Exchange and transfer of Notes or Individual Certificates on registration or transfer or exercise of an option or partial redemption will be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require in respect of) any tax, duty or other governmental charges which may be imposed in relation to such registration or transfer.

(f) *Closed periods*

No Noteholder may require the transfer of a Registered Note to be registered or a Bearer Note to be exchanged for a Registered Note (i) during the period of 15 days ending on the due date for any payment of principal on that Note, (ii) during the period of 15 days prior to any date on which Notes may be drawn for redemption by the Issuer at its option pursuant to Condition 7(f), (iii) after any such Note has been drawn for redemption in whole or in part or (iv) during the period of seven days ending on (and including) any Record Date. A Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Individual Certificate is simultaneously surrendered not later than the relevant Record Date.

In order to meet its payment obligations under the Subordinated Notes and Coupons, the Issuer must rely solely upon payments received out of the relevant Charged Assets and/or any relevant Swap Agreements. Therefore, the holders of Subordinated Notes and Coupons must rely on the proceeds of such payments to be applied by the Issuer in accordance with (and subject to the priority of payments described in) Condition 4A, 4B or 4C, as applicable.

The assets described above are together referred to herein as the “**General Short Charged Assets**”.

The General Short Charged Assets in respect of the Notes of any General Short Series shall also constitute the General Short Charged Assets in respect of each other General Short Series of Notes of the Issuer which are outstanding. Claims in respect of any difference between the amount of the net proceeds of the General Short Security after enforcement thereof and the amount which would otherwise have been payable under the Notes and Coupons (if any) of any General Short Series (a “**shortfall**”) shall be extinguished and failure to make any payment in respect of any such shortfall shall in no circumstances constitute a General Short Event of Default. Any such shortfall shall be borne by the Noteholders and Couponholders of each relevant General Short Series on a *pro rata* basis. In such circumstances the Noteholders of any General Short Series will not have any right to take any further action against the Issuer in respect of the shortfall.

The assets described above are together referred to herein as the “**General Long Charged Assets**” and, together with the General Short Charged Assets, as the “**General Charged Assets**”.

In the event of any of the General Long Security becoming enforceable (as described below), the Trustee may at its discretion and:

(whichever shall be the first request or direction to be received by the Trustee) shall, in each such case subject to the Trustee first being indemnified and/or secured and/or pre-funded to its satisfaction, enforce the Specific Security granted in respect of the relevant Specific Series in accordance with the relevant Supplemental Trust Deed and Specific Pledge Agreement, but without any liability as to the consequence

of such action and without having regard to the effect of such action on individual Noteholders or Couponholders and provided that the Trustee shall not be required to take any action that would involve any personal liability or expense without first being indemnified and/or secured and/or pre-funded to its satisfaction.

In such circumstances the Noteholders of the relevant Specific Series will not have any right to take any further action against the Issuer in respect of the shortfall.

So long as any of the Notes remain outstanding, the Issuer will not, without the consent of the Trustee, except as contemplated by these Conditions and the Programme Documents, incur any other indebtedness for borrowed moneys, engage in any business, declare any dividends, have any employees or have any subsidiaries.

6. **Interest**

(a) *Interest Rate and Accrual*

If stated in the Final Terms or Series Offering Document, as applicable, to bear interest, each Note bears interest on its principal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Interest Rate (which may be a specified rate or rates (if the Interest Basis is specified as “**Fixed Rate**”) or may be based on a benchmark rate in the manner specified in the relevant Final Terms or Series Offering Document, as applicable, (if the Interest Basis is specified as “**Floating Rate**”)), which may be different for different Interest Accrual Periods, or a combination thereof payable in the Relevant Currency in arrear (unless otherwise stated in the relevant Final Terms or Series Offering Document, as applicable) on each Interest Payment Date specified in the Final Terms or Series Offering Document, as applicable.

Interest will cease to accrue on each Note on the Interest Cessation Date (as defined below) unless, upon due presentation, payment of the full amount of principal due on such due date for redemption is not made, in which event interest will continue to accrue on the unpaid amount of principal (as well after as before judgment) until the Relevant Date (as defined below) at the Interest Rate determined by the Calculation Agent in the manner provided in this Condition.

(b) *Business Day Conventions*

If any date referred to in these Conditions which is specified in the relevant Final Terms or Series Offering Document, as applicable, to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Relevant Business Day, then, if the Business Day Convention specified in the relevant Final Terms or Series Offering Document, as applicable, is (i) the Floating Rate Business Day Convention, such date shall be postponed to the next day which is a Relevant Business Day unless it would thereby fall into the next calendar month, in which event (A) such date shall be brought forward to the immediately preceding Relevant Business Day and (B) each subsequent such date shall be the last Relevant Business Day of the month in which such date would have fallen had it not been subject to adjustment, (ii) the Following Business Day Convention, such date shall be postponed to the next day which is a Relevant Business Day, (iii) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Relevant Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Relevant Business Day or (iv) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Relevant Business Day.

(c) *Interest Rate on Floating Rate Notes*

If the Interest Rate is specified as being Floating Rate in the Final Terms or Series Offering Document, as applicable, the Interest Rate for each Interest Accrual Period will be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (i) if the Primary Source for the Floating Rate is a Screen Page (and specified as 'Reuters' or 'Telerate' or other relevant screen page in the Final Terms or Series Offering Document, as applicable), subject as provided below, the Interest Rate shall be:
 - (A) the Relevant Rate (where such Relevant Rate on such Screen Page is a composite quotation or is customarily supplied by one entity); or
 - (B) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Screen Page;
 - (C) in each case appearing on such Screen Page at the Relevant Time on the Interest Determination Date;
- (ii) if the Primary Source for the Floating Rate is specified as 'Reference Banks' in the Final Terms or Series Offering Document, as applicable, or if subparagraph 6(c)(i)(A) applies and no Relevant Rate appears on the Screen Page at the Relevant Time on the Interest Determination Date or if subparagraph 6(c)(i)(B) above applies and fewer than two Relevant Rates appear on the

Screen Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Interest Rate shall be the arithmetic mean of the Relevant Rates which each of the Reference Banks is quoting to major banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent;

- (iii) if the Primary Source for the Floating Rate is specified as being 'ISDA Rate' in the Final Terms or Series Offering Document, as applicable, it shall be calculated in accordance with the definition of ISDA Rate set out below;
- (iv) if paragraph 6(c)(ii) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Interest Rate shall be the arithmetic mean of the rates per annum (expressed as a percentage) which the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Relevant Currency which at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Relevant Currency or, if the Relevant Currency is Euro, in Europe as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in such Principal Financial Centre the Interest Rate shall be the Interest Rate determined on the previous Interest Determination Date (after readjustment for any difference between any Margin or Maximum and/or Minimum Interest Rate applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(d) *Interest Rate on Zero Coupon Notes*

As from the Maturity Date, the Interest Rate for any overdue principal in respect of a Note the Interest Rate of which is specified to be Zero Coupon shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as specified in the Final Terms or Series offering Document, as applicable).

(e) *Calculations*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Interest Rate and the outstanding principal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period will equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period will be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(f) *Determination and Publication of Interest Rates and Interest Amounts*

As soon as practicable after the Relevant Time on each Interest Determination Date, the Calculation Agent will determine the Interest Rate and calculate the amount of interest payable (the "**Interest Amounts**") in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period and cause the Interest Rate and

the Interest Amounts for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee, the Principal Paying Agent, each of the Paying Agents, the Noteholders, the relevant Dealer (if such Dealer is not the Calculation Agent), any other Calculation Agent appointed in respect of the Notes which is to make a further calculation upon receipt of such information and, for so long as the Notes are listed on a stock exchange and the rules of such stock exchange require, such stock exchange, as soon as possible after their determination but in no event later than (except in the case of notices to the Noteholders) the commencement of the relevant Interest Period, if determined prior to such time. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the Interest Rate payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no notification of the Interest Rate or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of each Interest Rate, Interest Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer and the Noteholders.

(g) *Determination or Calculation by Trustee*

If the Calculation Agent fails at any time for any reason to establish the Interest Rate for an Interest Accrual Period or the Interest Amount or, pursuant to Condition 7(m), any Redemption Amount, Optional Redemption Amount or Early Redemption Amount (each as defined in Condition 6(i) below) or to comply with any other requirement, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects, it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Interest Rate for any Interest Period or to calculate any Interest Amount, the Redemption Amount or any Optional Redemption Amount or Early Redemption Amount or to comply with any other requirements, the Issuer shall (with the prior written approval of the Trustee) appoint the London office of a leading bank engaged in the London interbank market (or, if appropriate, money, swap or over-the-counter index options market) or other market that is most closely connected with the calculation or determination to be made by the Calculation Agent to act as such in its place. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Notes including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

7. **Redemption, Purchase and Options**

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below, each Note will be redeemed at its Redemption Amount on the Maturity Date specified in the relevant Final Terms or Series Offering Document, as applicable. Notes will only be redeemable or repayable in accordance with the provisions of this Condition 7 or Condition 9A, 9B or 9C, as applicable.

If Optional Maturity Date Extension is specified in the Final Terms or the Series Offering Document, as applicable, as being applicable, the Issuer shall be entitled (but not obliged) by giving notice to the Noteholders in accordance with Condition 13 no later than 10 Business Days prior to the then scheduled Maturity Date in respect of the Notes as specified in the Final Terms or the Series Offering Document, to cause the Maturity Date to be extended to the next following anniversary of the date specified in the Final Terms or the Series Offering Document as the Maturity Date, which election may be made more than once, so that the Maturity Date may (subject to notice being given to the Noteholders as aforesaid) be postponed to the then next following anniversary of the date specified in the Final Terms or the Series Offering Document as the Maturity Date on any number of occasions, and provided further that the Maturity Date shall in any event be subject to adjustment in accordance with the Business Day Convention.

If Automatic Maturity Date Extension is specified in the Final Terms or the Series Offering Document, as applicable, as being applicable, the Maturity Date shall be postponed to the then next following anniversary of the date specified in the Final Terms or the Series Offering Document as the Maturity Date, which postponement shall be repeated annually, until the Issuer, in its absolute discretion, by giving notice to the Noteholders in accordance with Condition 13 no later than 10 Business Days prior to the then scheduled Maturity Date in respect of the Notes as specified in or postponed in accordance with the Final Terms or the Series Offering Document, causes the Maturity Date to fall on either the date specified in the Final Terms or the Series Offering Document as the Maturity Date or the then next following anniversary of that date, as applicable, provided further that the Maturity Date shall in any event be subject to adjustment in accordance with the Business Day Convention.

(b) *Mandatory Redemption*

If any of the Eligible Assets purchased with the proceeds of issue of a Specific Series of Notes (as specified in the relevant Final Terms or Series Offering Document, as applicable, or Supplemental Trust Deed) becomes repayable prior to its stated date of maturity for whatever reason (unless the Trustee otherwise agrees in writing), or there is a payment default (regardless of any actual or implied grace period which may be applicable thereto) in respect of any such Eligible Assets, all such Eligible Assets (which may or may not form obligations of the same person as those which have become repayable or in respect of which there has been such a payment default) shall be deemed to have become immediately repayable (the “**Repayable Assets**”). The Issuer shall then forthwith give not more than 28 nor less than 7 days’ notice to the Trustee and the Noteholders in accordance with Condition 13 and upon expiry of such notice shall redeem each Note of the relevant Specific Series in whole or, as the case may be, in part on a pro rata basis in a proportion of its Redemption Amount equal to the proportion that the principal amount of the Repayable Assets which are the subject of such notice bears to the principal amount of all such Eligible Assets. Interest shall continue to accrue on the part of the principal amount of Notes so redeemed until payment thereof has been made to the Trustee and notice is given in accordance with Condition 13 that such amount is available for payment. Failure to make any payment due in respect of a mandatory redemption under this Condition 7(b) of part of the principal amount of the Notes or interest thereon shall not constitute an Event of Default under the Notes.

In the event of such redemption and the Security becoming enforceable the Trustee may take such action as is provided in Condition 4C(c).

(c) *Redemption for Taxation and Other Reasons*

(i) If the Issuer, on the occasion of the next payment due in respect of the Notes or Coupons (if any) of any Specific Series, would be required by applicable law to withhold or account for tax or would suffer withholding tax on payments due to it in respect of the Eligible Assets (if any, and as specified in the relevant Final Terms or Series Offering Document, as applicable, or Supplemental Trust Deed) acquired by it with the proceeds of issue of the Notes of the relevant Specific Series, then, subject to (B) below, the Issuer shall so inform the Trustee in writing, and shall be entitled to arrange the substitution of a company incorporated in another jurisdiction approved beforehand in writing by the Trustee as the principal obligor in respect of such Specific Series or to change (to the satisfaction of the Trustee) its residence for taxation purposes to another jurisdiction approved beforehand in writing by the Trustee. If the Issuer elects not to arrange such change or substitution before the next payment is due in respect of the relevant Notes, the Issuer shall at its discretion either:

(A) forthwith give not more than 28 nor less than 7 days’ notice to the Trustee and the relevant Noteholders in accordance with Condition 13, and upon expiry of such notice the Issuer shall provided that the Trustee is satisfied that it has at its disposal funds for such purpose redeem all but not some only of the relevant Notes at their Early Redemption Amount together with interest (if any) accrued to the date fixed for redemption unless the Trustee certifies to the Issuer that, in its absolute discretion, it considers that it is in the best interests of the Noteholders of the relevant Specific Series that the

Notes not be so redeemed or an Extraordinary Resolution of the Noteholders of the relevant Specific Series otherwise directs; or

- (B) make such payment, increasing it to the extent necessary to ensure that after the withholding or accounting for tax, such amount is received by Noteholders as would have been received by them had no such withholding or accounting been required.
- (ii) If the Issuer satisfies the Trustee that the performance of its obligations under the Notes of any Series or that any arrangements made to hedge its position under the Notes of any Series (including, for the avoidance of doubt, purchasing or holding any Eligible Assets acquired with the proceeds of issue of such Notes) have or will become unlawful, illegal, or otherwise prohibited in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power, or in the interpretation thereof, then the Issuer shall forthwith give not more than 28 nor less than 7 days' notice to the relevant Noteholders and, upon expiry of such notice, shall redeem all but not some only of the Notes of such Series at their Early Redemption Amount together with interest (if any) accrued to the date fixed for redemption. Such notice (which shall be irrevocable) shall be given promptly upon the occurrence of either of the above events unless the Trustee certifies to the Issuer that, in its absolute discretion, it considers that it is in the best interests of the Noteholders of such Series that such notice be delayed or not given or an Extraordinary Resolution of the Noteholders of such Series otherwise directs.
- (iii) If any Specific Swap Agreement (as specified in the Final Terms or Series Offering Document, as applicable) with respect to a Specific Series terminates prior to its scheduled termination date then the Issuer shall forthwith give not more than 28 nor less than 7 days' notice to the Noteholders of the relevant Specific Series and, upon expiry of such notice, shall redeem all but not some only of the Notes of such Specific Series at their Early Redemption Amount together with interest (if any) accrued to the date fixed for redemption. Such notice (which shall be irrevocable) shall be given promptly upon the occurrence of either of the above events unless the Trustee certifies to the Issuer that, in its absolute discretion, it considers that it is in the best interests of the Noteholders of the relevant Specific Series that such notice be delayed or not given or an Extraordinary Resolution of the Noteholders of the relevant Specific Series otherwise directs.

Notwithstanding the foregoing, if any of the taxes referred to in Condition 7(c)(i) above arises (i) by reason of any Noteholder's connection with the country of incorporation of the Issuer otherwise than by reason only of the holding of any Note or receiving or being entitled to any Redemption Amount or interest in respect thereof; or (ii) by reason of the failure by the relevant Noteholder to comply with any applicable procedures required to establish non-residence or other similar claim for exemption from such tax, then to the extent it is able to do so, the Issuer shall deduct such taxes from the amounts payable to such Noteholder and all other Noteholders shall receive the due amounts payable to them. Any such deduction shall not be an Event of Default under the Notes.

In the event of such redemption and the Security becoming enforceable, the Trustee may take such action as is provided in Condition 4(A)(c), 4(B)(c) or 4C(c), as applicable.

(d) *Purchases*

If either (i) the Issuer has satisfied the Trustee that it has made arrangements for the realisation of no more than the equivalent proportion of the Eligible Assets and for the purchase of any Notes, which transaction will leave the Issuer with no net liabilities in respect thereof or (ii) the Trustee has otherwise agreed in writing, the Issuer may purchase Notes in the open market or otherwise at any price subject to and in compliance with any applicable law and stock exchange regulations.

(e) *Early Redemption of Zero Coupon Notes*

(i) The Redemption Amount payable in respect of any Note which does not bear interest prior to the Maturity Date, upon redemption of such Note pursuant to Condition 7(b) or 7(c) or upon it becoming due and payable as provided in Condition 9A, 9B or 9C, as applicable, shall be the Amortised Face Amount (calculated as provided below) of such Note.

(ii) Subject to the provisions of paragraph 7(e)(iii) below, the “Amortised Face Amount” of any such Note shall be the scheduled Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the Final Terms or Series Offering Document, as applicable, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the Final Terms or Series Offering Document, as applicable.

(iii) If the Redemption Amount or Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 7(b) or 7(c) or upon it becoming due and payable as provided in Condition 9A, 9B or 9C, as applicable, is not paid when due, the Redemption Amount or Early Redemption Amount, as the case may be, due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in paragraph 7(e)(ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph will continue to be made (both before and after judgment) until the Relevant Date unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Redemption Amount of such Note on the Maturity Date together with any interest which may accrue in accordance with Condition 6(d).

(f) *Redemption at the Option of the Issuer*

If the Call Option is specified in the Final Terms or Series Offering Document, as applicable, as being applicable, the Issuer may, by giving irrevocable notice to the Noteholders (in accordance with Condition 13) falling within the Issuer’s Option Period, which shall not be a period shorter than 5 Business Days, redeem, or exercise any Issuer’s option in relation to all or, if so provided, some of such Notes at the Optional Redemption Amount and on the Optional Redemption Date(s) so provided. Any such redemption of Notes shall be at the Optional Redemption Amount together with interest accrued (if any) to the date fixed for redemption as provided in the Final Terms or Series Offering Document, as applicable.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

(g) *Redemption at the Option of Noteholders*

If the Put Option is specified in the Final Terms or Series Offering Document, as applicable, as being applicable, the Issuer shall, at the option of the holder of any such Note, redeem such Note on the Noteholder's Optional Redemption Date(s) so provided at the Optional Redemption Amount together with interest accrued (if any) to the date fixed for redemption as provided in the Final Terms or Series Offering Document, as applicable.

To exercise such option the holder must deposit such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent (in the case of Bearer Notes) or the Registrar or any Transfer Agent (in the case of Registered Notes) at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent within the Noteholders' Option Period specified in the Final Terms or Series Offering Document, as applicable. A duly completed Exercise Notice together with the relevant Note shall be deposited with the relevant Paying Agent or Registrar or Transfer Agent, as applicable, within such period prior to the relevant Optional Redemption Date as shall be specified in the applicable Final Terms or Series Offering Document, as applicable, which shall not be shorter than 5 Business Days prior to the relevant Optional Redemption Date, or if no such period is so specified, no fewer than 5 Business Days prior to the relevant Optional Redemption Date. No Note so deposited and option so exercised may be withdrawn without the prior consent of the Issuer (except that such Note will be returned to the relevant Noteholder by the Paying Agent, the Registrar or Transfer Agent with which it has been deposited if, prior to the date for its redemption or the exercise of the option, the Note becomes immediately due and payable or if upon due presentation payment of the redemption moneys is not made or exercise of the option is denied).

(h) *Optional Redemption Amount*

For the purposes of Condition 7(f) and 7(g), the "**Optional Redemption Amount**" in respect of each Note shall be determined as follows:

- (i) In respect of a Note of a General Short Series, the Optional Redemption Amount shall be the amount determined in accordance with the formula:

AV/N , where:

"**AV**" means (in each case as at the last Valuation Date) such proportion of the Asset Value of the General Short Portfolio as is equal to the proportion that the Notes of the relevant General Short Series represent of the General Short Outstanding Note Liability as determined by the Administration Agent (or such other person as may be responsible for calculating the Asset Value with respect to the Notes in accordance with the Agency Agreement) in accordance with clause 17 of the Agency Agreement and in consultation with the Portfolio Manager, adjusted, in consultation with the Portfolio Manager, to account fully for any losses, expenses and costs to the Issuer of unwinding any underlying or related hedging and funding arrangements; and

- (j) *Determination and Publication of Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The determination of each Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, and the making of each such determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

The Paying Agents, the Registrar, the Transfer Agents, the Administration Agent, the Custodian, the Calculation Agent and their respective specified offices are set out in the Agency Agreement. The Paying Agents, the Registrar, the Transfer Agent, the Administration Agent, the Custodian and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any holder. The Issuer reserves the right at any time with the prior written approval of the Trustee to vary or terminate the appointment of any Paying Agent, the Registrar, the Transfer Agent, the Administration Agent, the Custodian, or the Calculation Agent and to appoint additional or other Paying Agents, Registrar, Transfer Agent, Administration Agent or Calculation Agent (if applicable), provided that it will at all times maintain (i) a Principal Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) a Custodian, (v) an Administration Agent, (vi) a Calculation Agent where the Conditions so require one and (vii) such other agent as may be required by the rules of any stock exchange on which the Notes may be listed and a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 8(d) above.

Notice of any such change or any change of any specified office will be given promptly to the Noteholders in accordance with Condition 13.

(f) *Unmatured Coupons and Unexchanged Talons*

- (i) Upon the due date for redemption of any Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (ii) Upon the due date for redemption of any Bearer Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no coupon shall be delivered in respect of such Talon.
- (iii) Where any Note is presented for redemption without all unexpired Coupons relating to it, and where any Bearer Note is presented for redemption without any unexpired Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.
- (iv) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Note. Interest accrued on a Note which only bears interest after its Maturity Date or date of redemption shall be payable on redemption of such Note against presentation thereof.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet).

(h) *Non-Business Days*

If any date for payment in respect of a Note or Coupon referred to in these Conditions is not specified in the relevant Final Terms or Series Offering Document, as applicable, to be subject to adjustment in accordance with Business Day Convention and would otherwise fall on a day which is not a Relevant Business Day, then, the holder of the relevant Note or Coupon shall not be entitled to payment until the next following Relevant Business Day nor to any interest or other sum in respect of such postponed payment.

9. Enforcement Action

Condition 9A shall apply to each General Short Series, save to the extent modified or replaced by the relevant Series Offering Document, if applicable. Condition 9B shall apply to each General Long Series, save to the extent modified or replaced by the relevant Series Offering Document, if applicable. Condition 9C shall apply to each Specific Series save to the extent modified or replaced by the relevant Series Offering Document and/or Supplemental Trust Deed.

9A. Enforcement Action in respect of General Short Series and General Short Security

(a) *General Short Events of Default and Acceleration*

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in principal amount of Notes then outstanding of each General Short Series, or if so directed by an Extraordinary Resolution of such holders, shall give notice (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction) to the Issuer that the Notes of each General Short Series are, and they shall accordingly forthwith become, immediately due and repayable at their Redemption Amount, together with accrued interest (if any) thereon and the General Short Security shall become enforceable, as provided in the Trust Deed, upon the occurrence of a General Short Event of Default which is continuing. A General Short Event of Default is defined in the Master Trust Deed as the occurrence of any of the following events:

- (i) the Issuer defaults in the payment of the Redemption Amount, Early Redemption Amount or the Optional Redemption Amount, as the case may be, or defaults for a period of 14 days or more in the payment of any sum other than the Redemption Amount, Early Redemption Amount or the Optional Redemption Amount, as the case may be, due in respect of the Notes of any General Short Series, or any of them; or
- (ii) if the Issuer fails to perform or observe any of its other obligations under the Notes of any General Short Series or the Trust Deed and (unless such failure is, in the opinion of the Trustee, incapable of remedy in which case no such notice as is referred to in this paragraph shall be required) such failure continues for a period of 30 days (or such longer period as the Trustee may

permit) following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or

- (iii) if any order shall be made by any competent court or any resolution passed for the winding up or dissolution of the Issuer save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangement on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the holders of the Notes of each General Short Series or if the Issuer is subject to any insolvency, bankruptcy, compulsory liquidation, examination, controlled management procedures or suspension of payments; or
- (iv) if the Issuer is deemed to be unable to pay its debts as and when they fall due within the meaning of section 570 of the Companies Act 2014 of Ireland and/or section 509(3) of the Companies Act 2014 of Ireland.

(b) *Enforcement of General Short Series*

At any time after the Notes of each General Short Series become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, the General Pledge Agreement, the Notes of each General Short Series and the related Coupons, but it need not take any such proceedings unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in principal amount of the Notes outstanding of each General Short Series, and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

(c) *Non Petition and Limited Recourse*

Only the Trustee may pursue the remedies available under the Trust Deed and the General Pledge Agreement to enforce the rights of the Noteholders or Couponholders of any General Short Series and no Noteholder or Couponholder of any General Short Series is entitled to proceed against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the Trust Deed, fails or neglects to do so within a reasonable time and such failure or neglect is continuing.

The Trustee, the Agents (as defined in the Agency Agreement), the Portfolio Manager and the Noteholders and Couponholders of any General Short Series shall have recourse only to the General Short Charged Assets for satisfaction and discharge of the Issuer's obligations and liabilities arising under or in connection with the Notes of any General Short Series or the Programme Documents and, the Trustee having realised the same and distributed the net proceeds in accordance with Condition 4A, the Trustee, any Agent, the Portfolio Manager and the Noteholders and Couponholders of any General Short Series or anyone acting on behalf of any of them shall not be entitled to take any further steps against the Issuer to recover any further sum (save for lodging a claim in the liquidation of the Issuer initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer) and the right to receive any such sum shall be extinguished. In particular, none of the Trustee, any Agent, the Portfolio Manager or any Noteholder or Couponholder of any General Short Series nor any other party to a Programme Document shall be entitled to petition or take any other step for the winding-up of, or take any steps to institute insolvency proceedings in relation to, the Issuer, nor shall any of them have any claim to, or in respect of any sum arising in respect of, the

General Long Charged Assets for any General Long Series or the Specific Charged Assets for any Specific Series.

9B. Enforcement Action in respect of General Long Series and General Long Security

(a) General Long Events of Default and Acceleration

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in principal amount of Notes then outstanding of each General Long Series, or if so directed by an Extraordinary Resolution of such holders, shall give notice (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction) to the Issuer that the Notes of each General Long Series are, and they shall accordingly forthwith become, immediately due and repayable at their Redemption Amount, together with accrued interest (if any) thereon and the General Long Security shall become enforceable, as provided in the Trust Deed, upon the occurrence of a General Long Event of Default which is continuing. A General Long Event of Default is defined in the Master Trust Deed as the occurrence of any of the following events:

- (i) the Issuer defaults in the payment of the Redemption Amount, Early Redemption Amount or the Optional Redemption Amount, as the case may be, or defaults for a period of 14 days or more in the payment of any sum other than the Redemption Amount, Early Redemption Amount or the Optional Redemption Amount, as the case may be, due in respect of the Notes of any General Long Series, or any of them; or
- (ii) if the Issuer fails to perform or observe any of its other obligations under the Notes of any General Long Series or the Trust Deed and (unless such failure is, in the opinion of the Trustee, incapable of remedy in which case no such notice as is referred to in this paragraph shall be required) such failure continues for a period of 30 days (or such longer period as the Trustee may permit) following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (iii) if any order shall be made by any competent court or any resolution passed for the winding up or dissolution of the Issuer save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangement on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the holders of the Notes of each General Long Series or if the Issuer is subject to any insolvency, bankruptcy, compulsory liquidation, examination, controlled management procedures or suspension of payments; or
- (iv) if the Issuer is deemed to be unable to pay its debts as and when they fall due within the meaning of section 570 of the Companies Act 2014 of Ireland and/or section 509(3) of the Companies Act 2014 of Ireland.

(b) *Enforcement of General Long Series*

At any time after the Notes of each General Long Series become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, the General Pledge Agreement, the Notes of each General Long Series and the related Coupons, but it need not take any such proceedings unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders

holding at least one-fifth in principal amount of the Notes outstanding of each General Long Series, and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

(c) *Non Petition and Limited Recourse*

Only the Trustee may pursue the remedies available under the Trust Deed and the General Pledge Agreement to enforce the rights of the Noteholders or Couponholders of any General Long Series and no Noteholder or Couponholder of any General Long Series is entitled to proceed against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the Trust Deed, fails or neglects to do so within a reasonable time and such failure or neglect is continuing.

The Trustee, the Agents (as defined in the Agency Agreement), the Portfolio Manager and the Noteholders and Couponholders of any General Long Series shall have recourse only to the General Long Charged Assets for satisfaction and discharge of the Issuer's obligations and liabilities arising under or in connection with the Notes of any General Long Series or the Programme Documents and, the Trustee having realised the same and distributed the net proceeds in accordance with Condition 4B, the Trustee, any Agent, the Portfolio Manager and the Noteholders and Couponholders of any General Long Series or anyone acting on behalf of any of them shall not be entitled to take any further steps against the Issuer to recover any further sum (save for lodging a claim in the liquidation of the Issuer initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer) and the right to receive any such sum shall be extinguished. In particular, none of the Trustee, any Agent, the Portfolio Manager or any Noteholder or Couponholder of any General Long Series nor any other party to a Programme Document shall be entitled to petition or take any other step for the winding-up of, or take any steps to institute insolvency proceedings in relation to, the Issuer, nor shall any of them have any claim to, or in respect of any sum arising in respect of, the General Short Charged Assets for any General Short Series or the Specific Charged Assets for any Specific Series.

9C. Enforcement Action in respect of Specific Series and Specific Security

(a) *Specific Events of Default and Acceleration*

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in principal amount of the Notes of a Specific Series then outstanding, or if so directed by an Extraordinary Resolution of such holders, shall give notice (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction) to the Issuer that the Notes of the relevant Specific Series are, and they shall accordingly forthwith become, immediately due and repayable at their Redemption Amount, together with accrued interest (if any) thereon and the Specific Security in respect of such Specific Series shall become enforceable, as provided in the relevant Supplemental Trust Deed and Specific Pledge Agreement, upon the occurrence of a Specific Event of Default with respect to the relevant Specific Series which is continuing. A Specific Event of Default with respect to a Specific Series is defined in the Master Trust Deed as the occurrence of any of the following events:

- (i) the Issuer defaults in the payment of the Redemption Amount, Early Redemption Amount or the Optional Redemption Amount, as the case may be, or defaults for a period of 14 days or more in the payment of any sum other than the Redemption Amount, Early Redemption Amount or the

Optional Redemption Amount, as the case may be, due in respect of the Notes of the relevant Specific Series, or any of them; or

- (ii) if the Issuer fails to perform or observe any of its other obligations under the Notes of the relevant Specific Series or the relevant Supplemental Trust Deed and (unless such failure is, in the opinion of the Trustee, incapable of remedy in which case no such notice as is referred to in this paragraph shall be required) such failure continues for a period of 30 days (or such longer period as the Trustee may permit) following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (iii) if any order shall be made by any competent court or any resolution passed for the winding up or dissolution of the Issuer save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangement on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the holders of the Notes of the relevant Specific Series or if the Issuer is subject to any insolvency, bankruptcy, compulsory liquidation, examination, controlled management procedures or suspension of payments; or
- (iv) if the Issuer is deemed to be unable to pay its debts as and when they fall due within the meaning of section 570 of the Companies Act 2014 of Ireland and/or section 509(3) of the Companies Act 2014 of Ireland.

(b) *Enforcement of Specific Series*

At any time after the Notes of a Specific Series become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the relevant Supplemental Trust Deed, the relevant Specific Pledge Agreement, the Notes of the relevant Specific Series and the related Coupons, but it need not take any such proceedings unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in principal amount of the Notes outstanding of the relevant Specific Series, and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

(c) *Non Petition and Limited Recourse*

Only the Trustee may pursue the remedies available under the relevant Supplemental Trust Deed and Specific Pledge Agreement to enforce the rights of the Noteholders or Couponholders of any Specific Series and no Noteholder or Couponholder of any Specific Series is entitled to proceed against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the relevant Supplemental Trust Deed, fails or neglects to do so within a reasonable time and such failure or neglect is continuing.

The Trustee, the Agents (as defined in the Agency Agreement), the Portfolio Manager and the Noteholders and Couponholders of any Specific Series shall have recourse only to the Specific Charged Assets in respect of the relevant Specific Series for satisfaction and discharge of the Issuer's obligations and liabilities arising under or in connection with the Notes of the relevant Specific Series or the relevant Specific Series Documents and, the Trustee having realised the same and distributed the net proceeds in accordance with Condition 4C, the Trustee, any Agent, the Portfolio Manager and the Noteholders and Couponholders of the relevant Specific Series or anyone acting on behalf of any of them shall not be entitled to take any further steps

against the Issuer to recover any further sum (save for lodging a claim in the liquidation of the Issuer initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer) and the right to receive any such sum shall be extinguished. In particular, none of the Trustee, any Agent, the Portfolio Manager or any Noteholder or Couponholder of any Specific Series nor any other party to a Specific Series Document shall be entitled to petition or take any other step for the winding-up of, or take any steps to institute insolvency proceedings in relation to, the Issuer, nor shall any of them have any claim to, or in respect of any sum arising in respect of, the General Short Charged Assets for any General Short Series, the General Long Charged Assets for any General Long Series or the Specific Charged Assets for any other Specific Series.

10. Prescription

Claims against the Issuer for payment in respect of Notes and Coupons shall be prescribed and become void unless made within ten years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

11. Agents

In acting under the Agency Agreement and the Trust Deed, the Agents which are party to the Agency Agreement act solely as agents of the Issuer unless an Event of Default or Potential Event of Default (as defined in the Trust Deed occurs), when such Agents will, if required to do so, act as agents of the Trustee, and will not assume any obligation or relationship of agency or trust to or with the Noteholders or the Couponholders. The Issuer has agreed in the Trust Deed to perform and observe the obligations imposed upon it under the Agency Agreement and the Trust Deed. Such agreements may be amended by the parties thereto with the approval of the Trustee if, in the opinion of the Trustee, the amendment is not materially prejudicial to the interests of the Noteholders. The Issuer may not, without the consent of the Trustee, replace any Agent.

12. Replacement of Notes, Coupons and Talons

If a Note, Individual Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed it may be replaced, subject to applicable laws and stock exchange regulations, at the specified office of the Principal Paying Agent in Dublin (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Individual Certificates) in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Coupon or Talon is subsequently presented for payment or as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Individual Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Individual Certificates, Notes, Coupons or Talons must be surrendered before replacements will be issued.

13. Notices

Notices to holders of Registered Notes will be mailed to them at their respective addresses in the Register and deemed to have been given on the next weekday (being a day other than a Saturday or a Sunday) after the date of mailing.

Notices to holders of Notes represented by a Global Note or Global Certificate, as applicable, will be delivered to the Common Depository for communication by it to Euroclear and/or Clearstream, Luxembourg or other clearing system for communication by them to their

participants and for communication by such participants to entitled accountholders. Any notice delivered to Euroclear and/or Clearstream, Luxembourg as aforesaid shall be deemed to have been given on the day on which it is delivered to the Common Depositary. In addition, if the Notes are not represented by a Global Note or Global Certificate, or if the rules of the Irish Stock Exchange or any other stock exchange or market on which the relevant Notes are listed or admitted to trading so require, all notices to holders of Notes will be published in a daily newspaper with circulation in Ireland (expected to be *The Irish Times*). If in the opinion of the Trustee, any such publication is not practicable, notice shall be validly given if published in another leading English language newspaper with general circulation in Europe. Any such notice to holders of Bearer Notes and Registered Notes shall be deemed to have been given on the date of such publication or, if published more than once, on the first date on which publication is made.

Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

14. **Meetings of Noteholders; Modification; Waiver; etc.**

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of the terms and conditions of the Notes. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting, one or more persons being or representing Noteholders, whatever the principal amount of the Notes so held or represented, except that, inter alia, the terms of the Security and certain terms concerning the amount and currency and the postponement of the due dates of payment of the Notes and the Coupons (except where such modification is, in the opinion of the Trustee, not materially prejudicial to the interests of Noteholders), or the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, may be modified only by Extraordinary Resolutions passed at a meeting the quorum at which shall be one or more persons holding or representing not less than two-thirds, or at any such adjourned meeting not less than one-third, in principal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they were present at such meeting, and on the holders of Coupons. The Trustee, without consulting the Noteholders or holders of Coupons, may determine that an event which would otherwise be an Event of Default shall not be so treated in accordance with Condition 14(b) below.

(b) *Modification and Waiver*

The Trustee may agree, without the consent of the Noteholders or holders of Coupons, to (i) any modification of any of the provisions of the Trust Deed or any other Programme Document (as defined in the Master Trust Deed) which is in the opinion of the Trustee of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as provided in the Trust Deed), waiver or authorisation of any breach or proposed breach of any of the provisions of the Trust Deed or any other Programme Document (as defined in the Master Trust Deed) which, in any such case, is not in the opinion of the Trustee materially

prejudicial to the interests of the Noteholders. Any such determination, modification, authorisation or waiver shall be binding on the Noteholders and holders of Coupons, and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter.

(c) *Substitution*

Subject to such amendment of the Trust Deed and such other conditions as the Trustee may require including the transfer of the Security, but without the consent of the Noteholders or Couponholders, the Trustee may agree to the substitution of any other company in place of the Issuer as principal debtor under, in the case of Notes of a General Short Series, the Notes of such General Short Series and all other General Short Series and in place of the Issuer under the Programme Documents, or, in the case of Notes of a General Long Series, the Notes of such General Long Series and all other General Long Series and in place of the Issuer under the Programme Documents, or, in the case of Notes of a Specific Series, the Notes of such Specific Series and in place of the Issuer under the relevant Specific Series Documents. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons, the Talons and/or the Trust Deed and/or the Programme Documents or Specific Series Documents, as applicable, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders. Subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders or Couponholders, the Trustee may also agree to the change of the branch or office of the Custodian.

(d) *Entitlement of the Trustee*

In connection with the exercise of its powers, trusts, authorities or discretions (including but not limited to those in relation to any proposed modification, waiver, authorisation or substitution as aforesaid) under these Conditions or the Trust Deed the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholders or Couponholders be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any exercise upon individual Noteholders or Couponholders. Save as otherwise provided, the Trustee shall not have regard to the interests of any Secured Party other than the Noteholders except to apply the proceeds of enforcement of the Security in accordance with the order of priority set out in the Master Trust Deed and Condition 4A(b), 4(B)(b) or 4C(b), as applicable.

(e) *Meetings*

The Trust Deed provides *inter alia* that:

- (i) except where the Conditions specifically state that one meeting of Noteholders of more than one Series will be held, separate meetings of Noteholders of each separate Series will normally be held although the Trustee may from time to time determine that meetings of Noteholders of each separate Series issued by the Issuer may be held together;

- (ii) a resolution that in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the holders of Notes of the Series concerned;
 - (iii) a resolution which in the opinion of the Trustee affects the holders of more than one Series of Notes issued by the Issuer but does not give rise to a conflict of interest between the holders of the other Series of Notes concerned shall be deemed to have been duly passed if passed at a single meeting of the holders of Notes of all the relevant Series provided that for the purposes of determining the votes that a Noteholder is entitled to cast, each Noteholder shall have one vote in respect of each integral currency limit of the specified currency of the Notes;
 - (iv) a resolution that in the opinion of the Trustee affects the holders of more than one Series of Notes and gives or may give rise to a conflict of interest between the holders of the other Series of Notes concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the holders of the relevant Series of Notes, except where the Conditions specifically state that one meeting of Noteholders of more than one Series will be held; and
 - (v) if the Issuer proposes to exchange part of an existing Series of Notes for Notes of a new Series, only the Notes to be exchanged shall be deemed to be Notes of the relevant Series.
- (f) *Charged Assets*

Except where the Conditions or the Programme Documents expressly so provide or contemplate, the Issuer will not exercise any rights or take any action in its capacity as holder of the Charged Assets unless directed to do so by the Trustee or by an Extraordinary Resolution of the Noteholders. If such direction is given, the Issuer will act only in accordance with such directions.

15. **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility including for the exercise of any voting rights in respect of the Eligible Assets, for the validity, sufficiency and enforceability (which the Trustee has not investigated) of the Security. The Trustee is not obliged to take any action under the Trust Deed unless indemnified to its satisfaction. The Trustee and any affiliate is entitled to enter into business transactions with the Issuer, and/or any issuer or guarantor (where applicable) of any of the Eligible Assets, without accounting to the Noteholders for profit resulting therefrom.

The Trustee is exempted from liability with respect to any loss or theft or reduction in value of the Eligible Assets, from any obligation to insure or to procure the insuring of the Eligible Assets and from any claim arising from the fact that the Eligible Assets will be held in safe custody by the Custodian or any custodian selected by the Trustee (in each case, if applicable). The Trustee is not responsible for supervising the performance by any other person of its obligations to the Issuer and, in particular, shall not have any responsibility for the administration, management or operation of the Charged Assets.

The Trust Deed provides that in acting as Trustee under the Trust Deed, the Trustee shall not assume any duty or responsibility to the Custodian or the Principal Paying Agent (other than to pay to any such persons any monies received and repayable to it and to act in accordance

with the provisions of Condition 4A(b), 4B(b) or 4(C)(b), as applicable) and shall have regard solely to the interests of the Noteholders.

16. **Further Issues**

(a) *Further Indebtedness of a General Short Series or a General Long Series*

The Issuer shall be at liberty from time to time (without the consent of the Noteholders or the Couponholders of any Series, but provided that the Trustee is satisfied that the restrictions contained in this Condition will be complied with) to issue further Notes under the Programme. Such further Notes, if constituted as a General Short Series, shall be secured on, and only on, the General Short Charged Assets and on terms that provide for the extinction of all claims in respect of such Notes after application of the proceeds of enforcement of the General Short Security (or arrangements have been entered into that, to the satisfaction of the Trustee, have a like result). Such further Notes may or may not have, when issued, the same terms and conditions as the Notes of any General Short Series and may, or may not (at the option of the Issuer), be consolidated and form a single series with the Notes of any General Short Series. Such further Notes, if constituted as a General Long Series, shall be secured on, and only on, the General Long Charged Assets and on terms that provide for the extinction of all claims in respect of such Notes after application of the proceeds of enforcement of the General Long Security (or arrangements have been entered into that, to the satisfaction of the Trustee, have a like result). Such further Notes may or may not have, when issued, the same terms and conditions as the Notes of any General Long Series and may, or may not (at the option of the Issuer), be consolidated and form a single series with the Notes of any General Long Series.

(b) *Non-Fungible Further Indebtedness – Specific Series*

The Issuer shall be at liberty from time to time (without the consent of the Noteholders or the Couponholders of any Series, but provided that the Trustee is satisfied that the restrictions contained in this Condition will be complied with (as to which, the Trustee shall be entitled to rely on an opinion of counsel reasonably satisfactory to it)) to issue further bonds and notes and to borrow under, buy, sell or enter into other obligations in the form of loans, options, swaps or other derivative transactions. Such further bonds, notes or other obligations must be issued under the Programme and, if constituted as a Specific Series, shall be secured on, and only on, assets of the Issuer other than the General Short Charged Assets, the General Long Charged Assets or any Specific Charged Assets relating to any other Specific Series or the Issuer's share capital and on terms that provide for the extinction of all claims in respect of such bonds, notes or other obligations after application of the proceeds of enforcement of the security over the assets on which such bonds, notes or other obligations are secured (or arrangements have been entered into that, to the satisfaction of the Trustee, have a like result).

(c) *Fungible Further Indebtedness – Specific Series*

The Issuer may from time to time (without the consent of the Noteholders or the Couponholders of any Series, but provided that the Trustee is satisfied that the restrictions contained in this Condition will be complied with (as to which, the Trustee shall be entitled to rely on an opinion of counsel reasonably satisfactory to it)) issue further bonds and notes that have, when issued, the same terms and conditions as the Notes of a Specific Series in all respects (or in all respects except for the Issue Date, the Issue Price and/or the Interest Commencement Date) and that are consolidated and form a single series with the Notes of such Specific Series; provided

that (unless otherwise approved by an Extraordinary Resolution of the Noteholders of the relevant Specific Series), (i) the Issuer provides additional security for such new bonds or notes that comprises assets that are fungible with, and have the same proportionate composition as, the Specific Charged Assets in respect of the relevant existing Notes of such Specific Series and that has an aggregate principal amount at least equal to the principal amount of such existing relevant Specific Charged Assets multiplied by a fraction, the numerator of which is the aggregate principal amount of such new bonds or notes and the denominator of which is the aggregate principal amount of the existing Notes; (ii) the Issuer enters into an additional or supplemental swap agreement varying the terms of the relevant Specific Swap Agreement (if any) to take account of the new bonds or notes on terms no less favourable than those of the relevant Specific Swap Agreement (if any). Upon issue of such new bonds or notes, the Notes of the relevant Specific Series and such new bonds or notes shall form a single series and be secured on the relevant Specific Charged Assets and such additional assets. Such further bonds or notes shall be constituted and secured by a further Supplemental Trust Deed.

17. Taxation

All payments in respect of the Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless the Issuer or the Registrar or any Transfer Agent or any Paying Agent is required by applicable law to make any such payment in respect of the Notes subject to any withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature. Subject to Condition 7(c)(i), in that event the Issuer or such Paying Agent, Registrar or Transfer Agent (as the case may be) shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted, neither the Issuer, subject to any election it may make pursuant to Condition 7(c)(i)(B), nor any Paying Agent, Registrar or Transfer Agent will be obliged to make any additional payments to holders of Notes in respect of such withholding or deduction.

The Notes, Coupons and the Talons are governed by, and shall be construed in accordance with, the laws of Ireland. The Issuer has in the Trust Deed submitted to the jurisdiction of the Irish courts for all purposes in connection with the Notes, the Coupons and the Talons.
