Information Concerning Investment Risk

Noteholders and prospective purchasers of Notes should ensure that they understand the nature of the Notes and the extent of their exposure to risk and that they consider the suitability of the Notes as an investment in the light of their own circumstances and financial condition. The amount payable on redemption of the Notes is linked to the performance of the Sienna UK Preference Shares, and may be less than par. The Sienna UK Preference Shares are a series of preference shares issued by Sienna UK. Given the highly specialised nature of these Notes, Morgan Stanley B.V. (the "Issuer"), Morgan Stanley (the "Guarantor") and Morgan Stanley & Co. International plc (hereafter, "MSI plc") consider that they are only suitable for highly sophisticated investors who are able to determine for themselves the risk of an investment linked to the Sienna UK Preference Shares, are willing to take risks and can absorb the partial or complete loss of their initial investment. Consequently, if you are not an investor who falls within the description above you should not consider purchasing these Notes without taking detailed advice from a specialised professional adviser. Potential investors are urged to consult with their legal, regulatory, investment, accounting, tax and other advisors with regard to any proposed or actual investment in these Notes.

Potential investors should review the Offering Circular for a full detailed description of the Notes, review the Risk Factors associated with the Notes and in particular the Risk Factors in respect of Notes linked to Sienna UK Preference Shares.

Representations: In purchasing any Notes, purchasers will be deemed to represent and undertake to the Issuer, MSI plc and their respective affiliates in accordance with the terms set out in the Annex hereto.

Morgan Stanley is not qualified to give legal, tax or accounting advice to its clients and does not purport to do so in this document. Clients are urged to seek the advice of their own professional advisers about the consequences of the proposals contained herein.
