under the Citi Regulation S Warrant Programme**

No prospectus is required in accordance with the Prospectus Regulation (as defined below) in relation to Warrants which are the subject of this Pricing Supplement.

The Base Listing Particulars referred to below (as completed by this Pricing Supplement) has been prepared on the basis that any offer of Warrants in any Member State of the European Economic Area and the UK will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of the Warrants. Accordingly and subject as provided above, any person making or intending to make an offer in that Member State or in the UK of the Warrants may only do so in circumstances in which no obligation arises for either of the Issuer or any Manager to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. None of the Issuer, the CGMFL Guarantor and any Manager has authorised, nor do they authorise, the making of any offer of the Warrants in any other circumstances.

For the purposes of the above paragraph, the expression “**Prospectus Regulation**” means Regulation (EU) 2017/1129.

The Warrants and the CGMFL Deed of Guarantee have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or with any securities regulatory authority of any state or other jurisdiction of the United States and may not at any time be offered, sold, resold or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person (as defined in Regulation S under the Securities Act, as amended (“**Regulation S**”)) or to others for offer, sale, resale or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person, nor may any U.S. persons at any time trade or maintain a position in the Warrants. Each purchaser of Warrants is hereby notified that the offer and sale of the Warrants is being made in reliance upon an exemption from the registration requirements of the Securities Act.

The Warrants and the CGMFL Deed of Guarantee do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the United States Commodity Exchange Act, as amended (“**CEA**”), and trading in the Warrants has not been approved by the United States Commodity Futures Trading Commission (the “**CFTC**”) pursuant to the CEA. For a description of certain restrictions on offers and sales

of Warrants, see “*Notice to Purchasers and Holders of Warrants and Transfer Restrictions*” in the Base Listing Particulars.

The Warrants may not be offered or sold to, or acquired by, any person that is, or whose purchase and holding of the Warrants is made on behalf of or with “plan assets” of, an employee benefit plan subject to Title I of the United States Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), a plan, individual retirement account or other arrangement subject to Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”) or an employee benefit plan or plan subject to any laws, rules or regulations substantially similar to Title I of ERISA or Section 4975 of the Code.

Notwithstanding anything to the contrary in this Pricing Supplement or the Base Listing Particulars (as defined below), all persons may disclose to any and all persons, without limitation of any kind, the United States federal, state and local tax treatment of the Warrants, any fact relevant to understanding the United States federal, state and local tax treatment of the Warrants, and all materials of any kind (including opinions or other tax analyses) relating to such United States federal, state and local tax treatment other than the names of the parties or any other person named herein, or information that would permit identification of the parties or other non-public business or financial information that is unrelated to the United States federal, state or local tax treatment of the Warrants with respect to such person and is not relevant to understanding the United States federal, state or local tax treatment of the Warrants with respect to such person.

The Issuer has not registered and will not register as an “investment company” under the U.S. Investment Company Act of 1940, as amended. Consequently, the Warrants may not be offered, sold, pledged, resold, delivered or otherwise transferred except in an “offshore transaction” (as such term is defined under Regulation S) to persons that are not “U.S. persons” (as such term is defined under Rule 902(k)(1) of Regulation S). In addition, no person has registered nor will register as a commodity pool operator of the Issuer under the CEA, and each purchaser of Warrants is hereby notified that the offer and sale of the Warrants is being made in reliance upon one or more exceptions and/or exclusions from regulation under the CEA. Consequently, unless otherwise specified in the relevant Issue Terms, Warrants may not be offered, sold, pledged, resold, delivered or otherwise transferred to any person that comes within any definition of U.S. person for any purpose under the CEA or any rule, order, guidance or interpretation proposed or issued by the CFTC under the CEA (including, without limitation, (i) any person who is not a “Non-United States person”, as such term is defined under CFTC Rule 4.7(a)(1)(iv), but excluding, for the purposes of subsection (D) thereof, the exception for qualified eligible persons who are not “Non-United States persons”, and (ii) any person who is a “U.S. person”, “guaranteed affiliate” or “affiliate conduit” as such terms are defined in the “Interpretive Guidance and Policy Statement Regarding Compliance with Certain Swap Regulations” published by the CFTC on July 26, 2013, as such guidance may be amended, revised, supplemented or superseded). Any person permitted to acquire, purchase or hold the Warrants as described immediately above is referred to herein as a “**Permitted Purchaser**”. If a Permitted Purchaser acquiring the Warrants is doing so for the account or benefit of another person, such other person must also be a Permitted Purchaser. For a description of certain restrictions on offers, sales and transfers of Warrants, see “*Subscription, Sale and Transfer and Selling Restrictions*” below. Each purchaser and transferee of the Warrants will be deemed to have made certain acknowledgments, representations and agreements as set out in “*Notice to Purchasers and Holders of Warrants and Transfer Restrictions*” in the Base Listing Particulars.
