FINAL TERMS FOR GLOBAL COLLATERALISED MEDIUM TERM NOTES

Final Terms

IMPORTANT – PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Global Collateralised Medium Term Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, MiFID II); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (the PRIIPs Regulation) for offering or selling the Global Collateralised Medium Term Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Global Collateralised Medium Term Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Global Collateralised Medium Term Notes has led to the conclusion that: (i) the target market for the Global Collateralised Medium Term Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, MiFID II); and (ii) all channels for distribution of the Global Collateralised Medium Term Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Global Collateralised Medium Term Notes (a distributor) should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Global Collateralised Medium Term Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.
