These Notes are not intended for, and are not to be offered to, the public in any jurisdiction of the EEA.

Any person making or intending to make an offer of the Notes may only do so in circumstances in which no obligation arises for the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or to supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer.

Neither the Issuer nor the Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS** - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as may be amended or replaced from time to time, “**MiFID II**”); (ii) a customer within the meaning of Directive 2016/97/EC (as amended or superseded, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the “**Prospectus Directive**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (as may be amended or replaced from time to time, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**MIFID II PRODUCT GOVERNANCE TARGET MARKET** - Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) the following channels for distribution of the Notes are appropriate: investment advice, portfolio management and non advised sales, subject to the distributor's suitability

and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

**PART A - CONTRACTUAL TERMS**

Terms used herein shall be deemed to be defined as such for the purposes of the General Conditions of the Notes (and, together with the applicable Annex(es), the “**Conditions**”) set forth in the Base Prospectus dated 18 June 2019 which constitutes a base prospectus for the purposes of the Prospectus Directive (the “**Base Prospectus**”). Full information on the Issuer, the Guarantor and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. An issue specific summary of the Notes (which comprises the summary in the Base Prospectus as amended to reflect the provisions of these Final Terms) is annexed to these Final Terms. The Base Prospectus has been published on the websites of Euronext Dublin ([www.ise.ie](http://www.ise.ie)) and the Central Bank of Ireland (<http://www.centralbank.ie>).

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or under any state securities laws, and the Notes may not be offered, sold, transferred, pledged, delivered, redeemed, directly or indirectly, at any time within the United States or to, or for the account or benefit of, or by, any U.S. person. Furthermore, the Notes do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act, as amended (the “**CEA**”), and trading in the Notes has not been approved by the U.S. Commodity Futures Trading Commission (the “**CFTC**”) pursuant to the CEA, and no U.S. person may at any time trade or maintain a position in the Notes. For a description of the restrictions on offers and sales of the Notes, see “*Subscription and Sale*” in the Base Prospectus.

As used herein, “**U.S. person**” includes any “**U.S. person**” or person that is not a “**non-United States person**” as either such term may be defined in Regulation S or in regulations adopted under the CEA.
