1. **Form and Denomination**

1.01 Instruments are issued in bearer form ("**Bearer Instruments**") or in registered form ("**Registered Instruments**"), as specified in the Final Terms and are serially numbered. Registered Instruments are not exchangeable for Bearer Instruments.

Form of Bearer Instruments

1.02 Each Tranche of Bearer Instruments will be represented upon issue by a temporary global instrument (a "**Temporary Global Instrument**") in substantially the form (subject to amendment and completion) scheduled to the Issue and Paying Agency Agreement. In the case of an exchange for Registered Instruments at any time and without any requirement for certification, but otherwise on or after the date (the "**Exchange Date**") which is forty days after the completion of the distribution of the Instruments of the relevant Tranche and provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations in a form as is customarily issued in such circumstances by the relevant clearing systems) has been received, interests in the Temporary Global Instrument may be exchanged for:

- (ii) if so specified in the relevant Final Terms, serially numbered definitive instruments ("**Definitive Instruments**") and/or (in the case of a Series comprising both Bearer Instruments and Registered Instruments and if so specified in the relevant Final Terms) Registered Instruments in substantially the form (subject to amendment and completion) scheduled to the Issue and Paying Agency Agreement.

1.03 If any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations in a form as is customarily issued in such circumstances by the relevant clearing systems) has been received by Euroclear Bank S.A./N.V. Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of fourteen days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so or announces its intention to withdraw its acceptance of the Instruments for clearance and settlement through its system or in fact does so; or (c) if so specified in the Final Terms, at the option of the Holder of such Permanent Global Instrument upon such Holder's request, in all cases at the cost and expense of the Issuer, unless otherwise specified in the relevant Final Terms. In order to exercise the option contained in part (c) of the preceding sentence, the Holder must, not less than forty-five days before the date upon which the delivery of such Definitive Instruments and/or Registered Instruments is required, deposit the relevant Permanent Global Instrument with the Issue and Paying Agent at its specified office with the form of exchange notice endorsed thereon duly completed. 1.05 Definitive Instruments will, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery coupons ("**Coupons**"), presentation of which will be a prerequisite to the payment of interest in certain circumstances specified below. Definitive Instruments will also, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery, a talon ("**Talon**") for further coupons and the expression "**Coupons**" shall, where the context so requires, include Talons.

1.06 Bearer Instruments, the principal amount of which is repayable by instalments ("**Instalment Instruments**") have attached thereto at the time of their initial delivery, payment receipts ("**Receipts**") in respect of the instalments of principal.

Form of Registered Instruments

1.07 All Registered Instruments will be in individual form. There will be no global Registered Instruments. Registered Instruments will be in substantially the form (subject to amendment and completion) scheduled to the Issue and Paying Agency Agreement. Registered Instruments will not be exchangeable for Bearer Instruments.

1.08 Bearer Instruments are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Final Terms. Bearer Instruments of one denomination will not be exchangeable, after their initial delivery, for Bearer Instruments of any other denominations. No Instruments may be issued under the Programme which have a minimum denomination of less than €1,000 (or equivalent in another currency).

US Tax Legend

1.09 Each Instrument in bearer form with an original maturity of more than 1 year will bear the following legend: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

1.11 Instruments may be denominated in any currency, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

1.12 For the purposes of these Terms and Conditions, references to Instruments shall, as the context may require, be deemed to be to Temporary Global Instruments, Permanent Global Instruments, Definitive Instruments or, as the case may be, Registered Instruments.

2. Title

2.01 Title to Bearer Instruments and Coupons passes by delivery. References herein to the "**Holders**" of Bearer Instruments or of Coupons are to the bearers of such Bearer Instruments or such Coupons.

2.03 The Holder of any Bearer Instrument, Coupon or Registered Instrument will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

Transfer of Registered Instruments and exchange of Bearer Instruments for Registered Instruments

2.04 A Registered Instrument may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (*provided that* such part is, or is an integral multiple of, the minimum denomination specified in the relevant Final Terms) upon the surrender of the Registered Instrument to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar. A new Registered Instrument will be issued to the transferee and, in the case of a transfer of part only of a Registered Instrument, a new Registered Instrument in respect of the balance not transferred will be issued to the transferor.

2.05 If so specified in the relevant Final Terms, the Holder of Bearer Instruments may exchange the same for the same aggregate principal amount of Registered Instruments upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Instrument for a Registered Instrument, the Holder thereof shall surrender such Bearer Instrument at the specified office outside the United States of the Issue and Paying Agent or of the Registrar together with a written request for the exchange. Each Bearer Instrument so surrendered must be accompanied by all unmatured Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 2.06) where the exchange date would, but for the provisions of Condition 2.06, occur between the Record Date (as defined in Condition 9B.03) for such payment of interest and the date on which such payment of interest falls due.

For these purposes, a form of transfer or request for exchange received by the Registrar or the Issue and Paying Agent after the Record Date in respect of any payment due in respect of Registered Instruments shall be deemed not to be effectively received by the Registrar or the Issue and Paying Agent until the day following the due date for such payment.

For the purposes of these Terms and Conditions,

- (i) "Relevant Banking Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of

This Condition 3.01 is applicable to Instruments issued by Santander International only

3.01 The Senior Instruments (being those Instruments which specify their status as Senior), and the Receipts and Coupons relating to them, constitute direct, unconditional, unsubordinated and unsecured obligations of Santander International and, upon the insolvency of Santander International (and unless they qualify as subordinated claims pursuant to Article 92 of Law 22/2003 (*Ley Concursal*) of 9 July 2003 (the "**Insolvency Law**" or "**Law 22/2003**") or equivalent legal provision which replaces it in the future, and subject to any applicable legal and statutory exceptions), rank *pari passu* and rateably without preference among themselves and the payment obligations of Santander International under the Senior Instruments, Receipts and Coupons related to them rank at least *pari passu* with all other unsecured and unsubordinated indebtedness and monetary obligations involving or otherwise related to borrowed money of Santander International, present or future.

By purchasing the Senior Instruments, holders of any Senior Instruments expressly waive any preference or priority that may be conferred upon them by any existing or future law over the holders of any other Senior Instruments and any other unsecured and unsubordinated debt securities issued by Santander International (the "**Senior Securities**"), so that no Senior Instruments shall rank in any circumstances ahead of any such other Senior Instruments and any Senior Securities (provided, however, that no such waiver shall apply in respect of any other Senior Instruments and Senior Securities which qualify as subordinated claims pursuant to Article 92 of the Insolvency Law or equivalent legal provision which replaces it in the future).

Senior Guarantee

This Condition 3.02 is applicable to Instruments issued by Santander International only

3.02 The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by Santander International under the Senior Instruments, Receipts and Coupons on an unsubordinated basis.

The obligations of the Guarantor in respect of Senior Instruments under the Senior Guarantee constitute direct, unconditional, unsubordinated and unsecured obligations of the Guarantor and, upon the insolvency of the Guarantor (and unless they qualify as subordinated claims pursuant to Article 92 of the Insolvency Law or equivalent legal provision which replaces it in the future, and subject to any applicable legal and statutory exceptions), rank *pari passu* and rateably without preference among such obligations of the Guarantor in respect of Senior Instruments and at least *pari passu* with all other unsubordinated and unsecured

indebtedness and monetary obligations involving or otherwise related to borrowed money of the Guarantor, present and future. Its obligations in that respect are contained in the Senior Guarantee.

Status of Subordinated Instruments

This Condition 3.03 is applicable to Instruments issued by Santander Issuances only

3.03 Status of Subordinated Instruments: The Subordinated Instruments (being Instruments which specify their status as Subordinated) constitute direct, unconditional, subordinated and unsecured obligations of Santander Issuances and, upon the insolvency of Santander Issuances (and unless they qualify as subordinated claims pursuant to Articles 92.3 to 92.7 of the Insolvency Law or equivalent legal provisions which replace them in the future, and subject to any applicable legal and statutory exceptions) rank without preference or priority among themselves together with all other subordinated obligations of Santander Issuances other than those subordinated obligations pursuant to Articles 92.3 to 92.7 of the Insolvency Law or equivalent legal provisions which replace them in the future, other subordinated obligations prescribed by law or which are expressed to rank junior to the Subordinated Instruments. By purchasing the Subordinated Instruments, holders of any Subordinated Instruments expressly waive any preference or priority that may be conferred upon them by any existing or future law over the holders of any other Subordinated Instruments and any other subordinated debt securities issued by Santander Issuances (the "**Subordinated Securities**"), so that no Subordinated Instruments shall rank in any circumstances ahead of any other Subordinated Instruments and any Subordinated Securities (provided, however, that no such waiver shall apply in respect of any other Subordinated Instruments and Subordinated Securities which are subordinated by operation of Articles 92.3 to 92.7 of the Insolvency Law or equivalent legal provisions which replace them in the future, other subordinated obligations prescribed by law or which are expressed to rank junior to the Subordinated Instruments or other Subordinated Securities).

Subordinated Guarantee

This Condition 3.04 is applicable to Instruments issued by Santander Issuances only

3.04 The Guarantor shall, on or before the date of issue (as specified in the relevant Final Terms) of any Subordinated Instruments, execute a guarantee in the form scheduled to the Base Prospectus dated 21 June 2013 (each, a "**Subordinated Guarantee**").

Pursuant to each Subordinated Guarantee, the Guarantor will unconditionally and irrevocably guarantee, on a subordinated basis, the due and punctual payment of all the sums expressed to be payable by Santander Issuances under the relevant Subordinated Instruments.

The obligations of the Guarantor under the Subordinated Guarantees in respect of the relevant Subordinated Instruments constitute direct, unconditional, subordinated and unsecured obligations of the Guarantor which, upon the insolvency of the Guarantor (and unless they qualify as subordinated claims pursuant to Articles 92.3 to 92.7 of the Insolvency Law or equivalent legal provision which replace them in the future, and subject to any applicable legal and statutory exceptions) shall rank *pari passu* with all other present and future subordinated obligations of the Guarantor other than those subordinated obligations pursuant to Articles 92.3 to 92.7 of the Insolvency Law or equivalent legal provision which replace them in the future, other subordinated obligations of the Guarantor prescribed by law or which are expressed to rank junior to the Guarantor's obligations under the Subordinated Guarantees. In the event of insolvency (*concurso*) of the Guarantor, under Law 22/2003, claims relating to the Subordinated Guarantees will fall within the category of "subordinated debts" (as defined in Law 22/2003). After payment in full of unsubordinated debts but before distributions to shareholders and creditors of the Guarantor which are characterised as holders of equity (*Otros Acreedores a Título Asimilable al de Aportación de Capital*), under article 92 of Law 22/2003, the Guarantor will meet such subordinated debts in the following order and pro rata within each class: (i) claims lodged belatedly or inaccurately in the context of insolvency proceedings; (ii) contractually subordinated debt (such as the claims under the Subordinated Guarantees); (iii) interest; (iv) fines; (v) claims of creditors which are related to the Guarantor; (vi) debt arising from transactions set aside by Spanish courts in the context of insolvency proceedings (*rescisión concursal*) and in respect of which the court has determined that the relevant creditor has acted in bad faith; and (vii) credits arising from agreements with reciprocal obligations,

as referred to in articles 61, 62, 68 and 69 of Law 22/2003, whenever the court rules, following the administrators' report of insolvency (*administración concursal*), that the creditor has, on a repetitive basis, impeded the performance of the agreement to the detriment of the insolvency proceedings.

4. Interest

Instruments will be interest-bearing. The Final Terms in relation to each Tranche of Instruments shall specify which of Condition 4A, 4B and/or 4C shall be applicable and Condition 4D will be applicable to each Tranche of Instruments as specified therein save, in each case, to the extent inconsistent with the relevant Final Terms. In relation to any Tranche of Instruments, the relevant Final Terms may specify actual amounts of interest payable rather than, or in addition to, a rate or rates at which interest accrues.

4A Interest — Fixed Rate

This Condition 4A applies to Fixed Rate Instruments only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4A and/or the relevant provisions of the Payout Annex for full information on the manner in which interest is calculated on Fixed Rate Instruments.

Instruments in relation to which this Condition 4A is specified in the relevant Final Terms as being applicable shall bear interest from their date of issue (as specified in the relevant Final Terms) or from such other date as may be specified in the relevant Final Terms at the rate or rates per annum (or otherwise, as specified in the relevant Final Terms) specified in the relevant Final Terms. Such interest will be payable in arrear on such dates as are specified in the relevant Final Terms and on the date of final maturity thereof. Interest in respect of a period of less than one year will be calculated on such basis as may be specified in the relevant Final Terms.

4B Interest — Floating Rate Instruments, CMS-Linked Instruments and Variable Interest Rate Instruments

This Condition 4B applies to Floating Rate Instruments, CMS-Linked Instruments and Variable Interest Rate Instruments. The applicable Final Terms contains provisions applicable to the determination of interest in respect of such Instruments and must be read in conjunction with this Condition 4B and/or the relevant provisions of the Payout Annex for full information on the manner in which interest is calculated on Floating Rate Instruments, CMS-Linked Instruments and Variable Interest Rate Instruments. In particular in respect of Variable Interest Instruments, the applicable Final Terms will identify those items specified in the applicable paragraph of the Payout Annex.

4B.01 Instruments in relation to which this Condition 4B is specified in the relevant Final Terms as being applicable, shall bear interest at the rate or rates per annum (or otherwise, as specified in the relevant Final Terms) determined in accordance with this Condition 4B. Condition 4D.01 shall apply to Instruments to which this Condition 4B applies. The Rate of Interest payable from time to time in respect of Floating Rate Instruments and CMS-Linked Instruments will be determined in the manner specified in the applicable Final Terms. The Rate of Interest payable from time to time in respect of Variable Interest Instruments will be determined in accordance with the relevant paragraph of the Payout Annex.

4B.02 Such Instruments shall bear interest from their date of issue (as specified in the relevant Final Terms) or from such other date as may be specified in the relevant Final Terms. Such interest will be payable in arrear on each Interest Payment Date (as defined in Condition 4D.01) and on the maturity date.

4B.03 Screen Rate Determination

If “**Screen Rate Determination**” is specified in the relevant Final Terms as the manner in which the rate(s) of interest (the “**Rate of Interest**”) is/are to be determined, the Rate of Interest applicable to such Instruments for each Interest Period will be determined by the Determination Agent (as defined in Condition 4D.03) on the following basis:

- (A) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Determination Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date.
- (B) in any other case, the Determination Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (C) if, in the case of (A) above, such rate does not appear on that page or, in the case of (B) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Determination Agent will:
 - (1) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (2) determine the arithmetic mean of such quotations; and
- (D) if fewer than two such quotations are provided as requested, the Determination Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Determination Agent) quoted by major banks in the Relevant Financial Centre (or in the case of Instruments denominated in Euro, in such financial centre(s) as the Determination Agent may select), selected by the Determination Agent, at approximately 11.00 a.m. (local time in the Relevant Financial Centre or local time at such other financial centre(s) as aforesaid) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time;

and the Rate for such Interest Period shall be the rate or (as the case may be) the arithmetic mean so determined; provided, however, that if the Determination Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate will be the rate or (as the case may be) the arithmetic mean last determined in relation to the Instruments in respect of a preceding Interest Period.

4B.04 ISDA Determination: If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate applicable to the Instruments for each Interest Period will be the relevant ISDA Rate where “**ISDA Rate**” in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the 2006 Definitions of the International Swaps and Derivatives Association, Inc. (the “**ISDA Definitions**”) (as amended and updated as at the date specified in the relevant Final Terms) that would be determined by the Determination Agent under an interest rate swap transaction if the Determination Agent were acting as Determination Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and

(iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms.

4B.05 **Rate of Interest:** The Rate of Interest in relation to the Instruments shall be determined as follows:

(A) If "Margin Plus Rate" is specified as applicable in the applicable Final Terms, the Rate of Interest will be equal to the Margin plus the Rate;

(B) If "Specified Percentage Multiplied by Rate" is specified in the applicable Final Terms, the Rate of Interest will be equal to the Specified Percentage multiplied by the Rate; or

(C) If "Difference in Rates" is specified in the applicable Final Terms, the Rate of Interest will be equal to the Specified Percentage multiplied by (Rate– Rate 2), each of Rate and Rate 2 to be determined in accordance with Condition 4B.03 or with Condition 4B.04 as applicable.

4B.06 **Maximum or Minimum Rate of Interest:** If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the Maximum Rate of Interest or be less than the Minimum Rate of Interest so specified.

4B.07 **CMS Linked Interest Provisions:** If the CMS-Linked Interest Instruments Provisions are specified in the relevant Final Terms as being applicable, the Rate(s) applicable to the Instruments for each Interest Period will be the constant maturity swap rate specified in the relevant Final Terms.

4B.08 **Step-up Provisions:** If the Step-up Provisions are specified in the relevant Final Terms as being applicable, if the Barrier Condition is met, the interest rate applicable to Senior Instruments will be increased by the relevant percentage (the "Step-up") as specified in the applicable Final Terms with effect from, and including, the Interest Payment Date immediately following the date the Barrier Condition was met provided that, if the Barrier Condition ceases to apply, the Step-up shall no longer apply from, and including, the Interest Payment Date immediately following the date the Barrier Condition ceased to apply.

If as described in the paragraph above a Step-up comes into effect or subsequently no longer applies, then the Issuer shall, without undue delay, after becoming aware thereof, give notice of the Step-up or dissipation thereof, to the Holders in accordance with Condition 13 (Notices).

In the case of Subordinated Instruments which qualify as regulatory capital (recursos propios), the Step-up shall take place in accordance with the requirements of Spanish law (including for this purpose Bank of Spain's regulations in so far as the relevant Issuer seeks to maintain eligibility of such instruments as regulatory capital).

4B.09 The Determination Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the principal amount of the smallest or minimum denomination of such Instruments specified in the relevant Final Terms for the relevant Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to such principal amount, multiplying the product by a fraction (day count fraction) the numerator of which is the actual number of days in the Interest Period concerned and the denominator for which is 360 (or, in the case of Instruments denominated in Sterling, 365 or, when all or part of an Interest Period falls in a leap year, 366 for that proportion of the Interest Period so falling) or by such other day count fraction as may be specified in the relevant Final Terms and rounding the resulting figure to the nearest sub-unit of the currency in which such Instruments are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards).

4C **Equity Index-Linked Interest Instruments Provisions and Inflation-Linked Interest Instruments Provisions**

4C.01 **Equity Index-Linked Interest Instruments Provisions:** If the Equity Index-Linked Interest Instruments Provisions are specified in the relevant Final Terms as being applicable, the Rate(s) of Interest

applicable to the Instruments for each Interest Period will be determined in the manner specified in the Equity Index-Linked Interest Instruments Annex.

4C.02 ***Inflation-Linked Interest Instruments Provisions***: If the Inflation-Linked Interest Provisions are specified in the relevant Final Terms as being applicable, the Rate(s) of Interest applicable to the Instruments for each Interest Period will be determined in the manner specified in the Inflation-Linked Interest Instruments Annex.

4D Interest — Supplemental Provision

Interest Payment Date Conventions and other Calculations

4D.01(a) **Business Day Convention**: The Final Terms in relation to each Series of Instruments in relation to which this Condition 4D.01 is specified as being applicable shall specify which of the following conventions shall be applicable, namely:

- (i) the "**FRN Convention**", in which case interest shall be payable in arrear on each date (each an "**Interest Payment Date**") which numerically corresponds to their date of issue or such other date as may be specified in the relevant Final Terms or, as the case may be, the preceding Interest Payment Date in the calendar month which is the number of months specified in the relevant Final Terms after the calendar month in which such date of issue or such other date as aforesaid or, as the case may be, the preceding Interest Payment Date occurred *provided that*:
 - (a) if there is no such numerically corresponding day in the calendar month in which an Interest Payment Date should occur, then the relevant Interest Payment Date will be the last day which is a Business Day (as defined in Condition 8C.03) in that calendar month;
 - (b) if an Interest Payment Date would otherwise fall on a day which is not a Business Day, then the relevant Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case it will be the first preceding day which is a Business Day; and
 - (c) if such date of issue or such other date as aforesaid or the preceding Interest Payment Date occurred on the last day in a calendar month which was a Business Day, then all subsequent Interest Payment Dates will be the last day which is a Business Day in the calendar month which is the specified number of months after the calendar month in which such date of issue or such other date as aforesaid or, as the case may be, the preceding Interest Payment Date occurred;
- (ii) the "**Modified Following Business Day Convention**", in which case interest shall be payable in arrear on such dates (each an "**Interest Payment Date**") as are specified in the relevant Final Terms *provided that*, if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case the relevant Interest Payment Date will be the first preceding day which is a Business Day;
- (iii) the "**Following Business Day Convention**" in which case interest shall be payable in arrear on such dates (each an "**Interest Payment Date**") as are specified in the relevant Final Terms *provided that*, if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Interest Payment Date will be the first following day which is a Business Day; or
- (iv) "**No Adjustment**" in which case the relevant date shall not be adjusted in accordance with any Business Day Convention.

- (b) **"Day Count Fraction"** means, in respect of the calculation of an amount for any period of time ("**Calculation Period**"), such day count fraction as may be specified in the Final Terms and:
- (i) if "**Actual/Actual**", "**Actual/Actual (ISDA)**", "**Act/Act**" or "**Act/Act (ISDA)**" is so specified, means the actual number of days in the Calculation Period divided by 365 (or, if any portion of the Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
 - (ii) if "**Actual/365 (Fixed)**", "**Act/365 (Fixed)**", "**A/365 (Fixed)**" or "**A/365F**" is so specified, means the actual number of days in the Calculation Period divided by 365;
 - (iii) if "**Actual/Actual (ICMA)**" or "**Act/Act (ICMA)**" is so specified, means a fraction equal to "number of days accrued/number of days in year", as such terms are used in Rule 251 of the statutes, by-laws, rules and recommendations of the International Capital Market Association (the "**ICMA Rule Book**"), calculated in accordance with Rule 251 of the ICMA Rule Book as applied to non U.S. dollars denominated straight and convertible bonds issued after 31 December 1998, as though the interest coupon on a bond were being calculated for a coupon period corresponding to the Calculation Period;
 - (iv) if "**Actual/360**", "**Act/360**" or "**A/360**" is so specified, means the actual number of days in the Calculation Period divided by 360;
 - (v) if "**30/360**" "**360/360**" or "**Bond Basis**" is so specified, means the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if "**30E/360**" or "**Eurobond Basis**" is so specified, means the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30.

- (vii) if "**30E/360 (ISDA)**" is specified, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Termination Date or (ii) such number would be 31, in which case D₂ will be 30.

Each period beginning on (and including) such date of issue or such other date as aforesaid and ending on (but excluding) the first Interest Payment Date and each period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an "**Interest Period**".

Notification of Rates of Interest, Interest Amounts and Interest Payment Dates

4D.02 The Determination Agent will cause each Rate of Interest, floating rate, Interest Payment Date, final day of a calculation period, Interest Amount, floating amount or other item, as the case may be, determined or calculated by it to be notified to the Issuer and the Issue and Paying Agent. The Issue and Paying Agent will cause all such determination or calculations to be notified to the other Paying Agents and, in the case of Registered Instruments, the Registrar (from whose respective specified offices such information will be available) and to the Holders in accordance with Condition 13 as soon as practicable after such determination or calculation but in any event not later than the fourth London Banking Day thereafter or, if earlier, in the case of notification to any listing authority, stock exchange and/or quotation system, the time required by the rules of any such listing authority, stock exchange and/or quotation system. The Issue and Paying Agent will cause all such determinations or calculations to be notified to the Irish Stock Exchange no later than the first day of each Interest Period. The Determination Agent will be entitled to amend any Interest Amount, floating amount, Interest Payment Date or final day of a calculation period (or to make appropriate alternative arrangements by way of adjustment) without prior notice in the event of the extension or abbreviation of any relevant Interest Period or calculation period and such amendment will be notified in accordance with the first two sentences of this Condition 4D.02.

4D.03 The determination by the Determination Agent of all items falling to be determined by it pursuant to these Terms and Conditions shall, in the absence of manifest error, be final and binding on all parties.

"**Determination Agent**" means the Issue and Paying Agent or such other person specified in the relevant Final Terms as the party responsible for calculating the Rate(s) of Interest and Interest Amount(s) and/or such other amount(s) as may be specified in the relevant Final Terms.

Accrual of Interest

4D.04 Interest shall accrue on the principal amount of each Instrument or, in the case of an Instalment Instrument, on each instalment of principal, on the paid up principal amount of such Instrument or otherwise as indicated in the Final Terms from the Interest Commencement Date. Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment thereof) unless upon (except in the case of any payment where presentation and/or surrender of the relevant Instrument is not required as a precondition of payment) due presentation or surrender thereof, payment in full of the principal amount or the relevant instalment or, as the case may be, redemption amount is improperly withheld or refused or default is otherwise made in the payment thereof in which case interest shall continue to accrue thereon (as well after as before any demand or judgment) at the rate then applicable to the principal amount of the Instruments or such other rate as may be specified in the relevant Final Terms (the "**Default Rate**") until the earlier of (i) the date on which, upon due presentation of the relevant Instrument (if required), the relevant payment is made or (ii) (except in the case of any payment where presentation and/or surrender of the relevant Instrument is not required as a precondition of payment) the seventh day after the date on which notice is given to the Holders in accordance with Condition 13 that the Issue and Paying Agent or the Registrar (as the case may be) has received the funds required to make such payment (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Temporary suspension to payments of Principal and Interest (Short Term Subordinated Instruments)

4D.05 In the event of a shortage in the consolidated own funds of the Guarantor (as defined in Chapter 3 of Circular 3/2008, of 22 May (*Circular 3/2008, de 22 de mayo, del Banco de España*)) Santander Issuances, S.A. Unipersonal will be obliged to suspend payments of principal and interest in respect of Subordinated Instruments with a maturity of not less than two years ("**Short Term Subordinated Instruments**"). Following an increase in the consolidated own funds of the Guarantor so that there is no longer a shortage of

such funds, Santander Issuances, S.A. Unipersonal must give the Bank of Spain (*Banco de España*) one month's notice prior to payment of any interest or principal.

5. **Redemption and Purchase**

Redemption at Maturity

5.01 Unless previously redeemed, or purchased and cancelled, each Instrument shall be redeemed at its maturity redemption amount (the "**Maturity Redemption Amount**") (which shall be its principal amount or such other Maturity Redemption Amount as may be specified in or determined in accordance with the relevant Final Terms) (or, in the case of Instalment Instruments, in such number of instalments and in such amounts as may be specified in the relevant Final Terms) on the date or dates (or, in the case of Instruments which bear interest at a floating rate of interest, on the date or dates upon which interest is payable) specified in the relevant Final Terms. Subordinated Instruments (other than Short Term Subordinated Instruments) qualifying as regulatory capital (*recursos propios*) in accordance with Banco de España requirements will have a maturity of not less than five years or as otherwise permitted by Banco de España. Short Term Subordinated Instruments will have a maturity of not less than two years or as otherwise permitted by Banco de España.

Early Redemption for Taxation Reasons

5.02 If, in relation to any Series of Instruments, (i) as a result of any change in the laws or regulations of Spain or in either case of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the date of issue of such Instruments or any earlier date specified in the relevant Final Terms, the relevant Issuer (or, if either the Senior Guarantee or the Subordinated Guarantee was called, the Guarantor) would be required to pay additional amounts as provided in Condition 7 and (ii) such circumstances are evidenced by the delivery by the relevant Issuer or (as the case may be) the Guarantor to the Issue and Paying Agent of a certificate signed by two directors of the relevant Issuer or (as the case may be) the Guarantor stating that the said circumstances prevail and describing the facts leading thereto, an opinion of independent legal advisers of recognised standing to the effect that such circumstances prevail and, in the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*), a copy of the Banco de España consent to the redemption, the relevant Issuer may, at its option and having given no less than thirty nor more than sixty days' notice (ending, in the case of Instruments which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Instruments in accordance with Condition 13 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Instruments (in the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*) in accordance with the requirements of Banco de España) comprising the relevant Series at their early tax redemption amount (the "**Early Redemption Amount (Tax)**") (which shall be their principal amount or at such other Early Redemption Amount (Tax) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Instrument, the aggregate amount of all instalments that shall have become due and payable in respect of such Instrument prior to the date fixed for redemption under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon *provided, however*, that (i) no such notice of redemption may be given earlier than 90 days (or, in the case of Instruments which bear interest at a floating rate a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Instruments plus 60 days) prior to the earliest date on which the relevant Issuer or (as the case may be) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Instruments then due and (ii) in the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*), that the Banco de España consents to redemption of the Subordinated Instruments.

In the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*), redemption for taxation reasons is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Instruments, two years) from their date of issue or as otherwise permitted by Banco de España.

Optional Early Redemption (Call)

5.03 If this Condition 5.03 is specified in the relevant Final Terms as being applicable, then the relevant Issuer may, upon the expiry of the appropriate notice and subject to such conditions as may be specified in the relevant Final Terms (and subject, in the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*), in accordance with the requirements of Banco de España, to the prior consent of Banco de España) redeem all (but not, unless and to the extent that the relevant Final Terms specifies otherwise, some only) of the Instruments of the relevant Series at their call early redemption amount (the "**Early Redemption Amount (Call)**") (which shall be their principal amount or such other Early Redemption Amount (Call) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Instrument, the aggregate amount of all instalments that shall have become due and payable under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon.

In the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*), redemption at the option of the relevant Issuer is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Instruments, two years) from their date of issue or as otherwise permitted by Banco de España.

5.04 The appropriate notice referred to in Condition 5.03 is a notice given by the relevant Issuer to the Issue and Paying Agent, the Registrar (in the case of Registered Instruments) and the Holders of the Instruments of the relevant Series, which notice shall be signed by two duly authorised officers of the Issuer and shall specify:

- the Series of Instruments subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of the Instruments of the relevant Series which are to be redeemed;
- the due date for such redemption which shall be a Business Day, which shall be not less than thirty days (or such lesser period as may be specified in the relevant Final Terms) after the date on which such notice is validly given and which is, in the case of Instruments which bear interest at a floating rate, a date upon which interest is payable; and
- the Early Redemption Amount (Call) at which such Instruments are to be redeemed.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the relevant Issuer to make the redemption therein specified.

Partial Redemption

5.05 If the Instruments of a Series are to be redeemed in part only on any date in accordance with Condition 5.03:

- in the case of Bearer Instruments, the Instruments to be redeemed shall be drawn by lot, with the intervention of the relevant Commissioner and before a Notary Public who will take the minutes, in such European city as the Issue and Paying Agent may specify, or identified in such other manner or in such other place as the Issue and Paying Agent may approve and deem appropriate and fair; and
- in the case of Registered Instruments, the Instruments shall be redeemed (so far as may be practicable) pro rata to their principal amounts, subject always as aforesaid and provided always that the amount redeemed in respect of each Instrument shall be equal to the minimum denomination thereof or an integral multiple thereof,

subject always to compliance with all applicable laws and the requirements of any listing authority, stock exchange and/or quotation system on which the relevant Instruments may be listed and/or quoted.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 1.04 to 1.09 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

In connection with an exercise of the option contained in Condition 5.03 (*Optional Early Redemption (Call)*) in relation to some only of the Instruments, the Permanent Global Instrument may be redeemed in part in the principal amount specified by the Issuer in accordance with the Terms and Conditions and the Instruments to be redeemed will not be selected as provided in the Terms and Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

In the case of Subordinated Instruments qualifying as regulatory capital (*recursos propios*) partial redemption is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Instruments, two years) from which their date of issue or as otherwise permitted by Banco de España.

Optional Early Redemption (Put)

5.06 If this Condition 5.06 is specified in the relevant Final Terms as being applicable to the Senior Instruments, then the Issuer shall, upon the exercise of the relevant option by the Holder of any Instrument of the relevant Series, redeem such Instrument on the date or the dates specified in the relevant Final Terms at its put early redemption amount (the "**Early Redemption Amount (Put)**") (which shall be its principal amount or such other Early Redemption Amount (Put) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Instrument, the aggregate amount of all instalments that shall have become due and payable in respect of such Instrument under any other Condition prior to the date fixed for redemption (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than sixty days before the date so specified (or such other period as may be specified in the relevant Final Terms), deposit the relevant Instrument (together, in the case of a Definitive Instrument, with any unmatured Coupons appertaining thereto) with, in the case of a Bearer Instrument, any Paying Agent or, in the case of a Registered Instrument, the Registrar together with a duly completed redemption notice in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Registered Instrument, the aggregate principal amount in respect of which such option is exercised (which must be the minimum denomination specified in the Final Terms or an integral multiple thereof). No Instrument so deposited and option exercised may be withdrawn (except as provided in the Issue and Paying Agency Agreement).

The Early Redemption (Put) shall not apply in the case of Subordinated Instruments and holders of Subordinated Instruments may not redeem such Subordinated Instruments prior to the Maturity Date.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 1.04 to 1.09 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

The Holder of an Instrument may not exercise such option in respect of any Instrument which is the subject of an exercise by the Issuer of its option to redeem such Instrument under either Condition 5.02 or 5.03.

Redemption by Instalments

5.07 Unless previously redeemed, purchased and cancelled as provided in this Condition 5, each Instrument which provides for Instalment Dates and Instalment Amounts in the relevant Final Terms will be partially redeemed on each Instalment Date at the Instalment Amount specified on it, whereupon the outstanding principal amount of such Instrument shall be reduced by the Instalment Amount for all purposes.

Cancellation of Redeemed Instruments

5.08 All unmatured Instruments and Coupons and unexchanged Talons redeemed (*amortizados*) will be cancelled forthwith and may not be reissued or resold.

Purchase of Instruments

5.09 The Issuers and the Guarantor and any of their respective subsidiaries or any third party designated by any of them, may at any time purchase Instruments in the open market or otherwise and at any price *provided that*, in the case of Definitive Instruments, all unmatured Coupons appertaining thereto are purchased therewith.

In the case of Subordinated Instruments which qualify as regulatory capital (*recursos propios*), the purchase of the Instruments by the Issuer or any of its subsidiaries shall take place in accordance with the requirements of Spanish law (including for this purpose Bank of Spain's regulations in so far as the Issuers seek to maintain eligibility of such instruments as regulatory capital).

Further Provisions applicable to Redemption Amount and Instalment Amounts

5.10 The provisions of Condition 4D.02 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms to be made by the Determination Agent.

5.11 References herein to "**Redemption Amount**" shall mean, as appropriate, the Maturity Redemption Amount, the final Instalment Amount, Early Redemption Amount (Tax), Early Redemption Amount (Call), Early Redemption Amount (Put) and Early Termination Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms.

Notices

5.12 Notices of early redemption (whether full or partial) of Instruments shall be given in accordance with Condition 13 (*Notices*).

Notification of Irish Stock Exchange

5.13 The relevant Issuer shall notify the Irish Stock Exchange of any early redemption (whether full or partial) of Instruments.

6. Events of Default

6.01 Unless otherwise specified in the relevant Final Terms, if, in the case of Subordinated Instruments, any of the events set out in paragraphs (ii), (iv), (v), (vi), (vii) or (viii) occurs and is continuing or, in the case of Senior Instruments, any of the following events occurs and is continuing (each an "**Event of Default**"), such Event of Default shall be an acceleration event in relation to the Instruments of any Series, namely:

- (i) *Non-payment*: if default is made in the payment of any interest or principal due in respect of the Instruments of the relevant Series or any of them and such default continues for a period of seven days (or such other period as may be specified in the relevant Final Terms); or
- (ii) *Breach of other obligations*: if the relevant Issuer or the Guarantor fails to perform or observe any of its other obligations under or in respect of the Instruments of the relevant Series, the relevant Guarantee or the Issue and Paying Agency Agreement and (except in any case where such failure is incapable of remedy when no such continuation as is hereinafter mentioned will be required) the failure continues for a period of 30 days next following the service by the relevant Commissioner (as defined in Condition 12 below) on the relevant Issuer of a notice requiring the same to be remedied; or
- (iii) *Winding up*: if any order is made by any competent court or resolution passed for the winding up or dissolution of the relevant Issuer or the Guarantor (except in any such case for the purpose of reconstruction or a merger or amalgamation which has been previously approved by a resolution of

the relevant Syndicate of Holders of the Instruments or a merger with another financial institution in this case even without being approved by a resolution of the relevant Syndicate of Holders of the Instruments, *provided that* any entity that survives or is created as a result of such merger is given a rating by an internationally recognised rating agency at least equal to the then current rating of the relevant Issuer or the Guarantor, as the case may be, at the time of such merger); or

- (iv) *Cessation of business*: if the relevant Issuer or the Guarantor ceases or threatens to cease to carry on the whole or a substantial part of its business, save for the purposes of a reorganisation (except in any such case for the purpose of reconstruction or a merger or amalgamation which has been previously approved by a resolution of the relevant Syndicate of Holders of the Instruments or a merger with another financial institution in this case even without being approved by a resolution of the relevant Syndicate of Holders of the Instruments, *provided that* any entity that survives or is created as a result of such merger is given a rating by an internationally recognised rating agency at least equal to the then current rating of the relevant Issuer or the Guarantor, as the case may be, at the time of such merger), or the relevant Issuer or the Guarantor stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class thereof) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (v) *Insolvency proceedings*: if (a) proceedings are initiated against the relevant Issuer or the Guarantor under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application made for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the relevant Issuer or the Guarantor or in relation to the whole or a part of the undertaking or assets of either of them, or an encumbrancer takes possession of the whole or a part of the undertaking or assets of either of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a part of the undertaking or assets or any of them and (b) in any case is not discharged within 14 days; or
- (vi) *Arrangements with creditors*: if the relevant Issuer or the Guarantor initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors); or
- (vii) *Guarantee*: if any of the Senior Guarantee or the Subordinated Guarantee ceases to be a valid and binding obligation of the Guarantor or it becomes unlawful for the Guarantor to perform its obligations under either the Senior Guarantee or the Subordinated Guarantee or either the Senior Guarantee or the Subordinated Guarantee is claimed by the relevant Issuer or the Guarantor not to be in full force and effect.

6.02 As used herein "**Indebtedness for Borrowed Money**" means (i) money borrowed and premiums and accrued interest in respect thereof, (ii) liabilities under or in respect of any acceptance or acceptance credit and (iii) the principal and premium (if any) and accrued interest in respect of any bonds, notes, debentures, debenture stock, loan stock, certificates of deposit or other securities whether issued for cash or in whole or in part for a consideration other than cash.

6.03 If any Event of Default shall occur in relation to any Series of Instruments, the relevant Commissioner, acting upon a resolution of the relevant Syndicate of Holders of the Instruments of the relevant Series, in respect of all the Instruments of a relevant Series, or any Holder of an Instrument in respect of such Instrument and *provided that* such Holder does not contravene the resolution of the relevant Syndicate (if any) may, by written notice to the relevant Issuer, at the specified office of the Issue and Paying Agent, declare that such Instrument or Instruments and all interest then accrued on such Instrument or Instruments shall (when permitted by applicable Spanish law) be forthwith due and payable, whereupon the same shall become immediately due and payable at its early termination amount (the "**Early Termination Amount**") (which shall be its principal amount or such other Early Termination Amount as may be specified in or

determined in accordance with the relevant Final Terms) less, in the case of any Instalment Instrument, the aggregate amount of all instalments that shall have become due and payable in respect of such Instruments under any other Condition prior to the date fixed for redemption (which amount, if and to the extent not then paid, remains due and payable), together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the relevant Issuer will expressly waive, anything contained in such Instrument or Instruments to the contrary notwithstanding, unless, prior thereto, all Events of Default in respect of the Instruments of the relevant Series shall have been cured.

7. Taxation

7.01 All amounts payable (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Instruments, the Receipts and the Coupons, the Senior Guarantee and the Subordinated Guarantee by an Issuer or the Guarantor (as the case may be) will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Spain or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the relevant Issuer or (as the case may be) the Guarantor shall pay such additional amounts as will result in receipt by the Holder of any Instrument or Coupon of such amounts as would have been received by them had no such withholding or deduction been required.

7.02 Neither the relevant Issuer nor the Guarantor shall be required to pay any additional amounts as referred to in Condition 7.01 in relation to any payment in respect of any Instrument or Coupon:

- (i) to, or to a third party on behalf of, a Holder of an Instrument or Coupon who is liable for such taxes, duties, assessments or governmental charges in respect of such Instrument or Coupon by reason of his having some connection with Spain other than the mere holding of such Instrument or Coupon; or
- (ii) to, or to a third party on behalf of, a Holder in respect of whose Instruments the relevant Issuer or the Guarantor does not receive such information as may be required in order to comply with the applicable Spanish tax reporting obligations; or
- (iii) presented for payment more than thirty days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on the expiry of such period of thirty days; or
- (iv) where the withholding or deduction referred to in Condition 7.01 is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, this Directive; or
- (v) presented for payment by or on behalf of a Holder of an Instrument or Coupon who would have been able to avoid such withholding or deduction by presenting the relevant Instrument or Coupon to another Paying Agent in a Member State of the European Union; or
- (vi) to, or to a third party on behalf of, individuals resident for tax purposes in the Kingdom of Spain; or
- (vii) to, or to a third party on behalf of, a Spanish-resident legal entity subject to Spanish corporation tax if the Spanish tax authorities determine that the Instruments do not comply with exemption requirements specified in the Reply to a Consultation of the Directorate General for Taxation (*Dirección General de Tributos*) dated 27 July 2004 and require a withholding to be made.

All payments in respect of the Instruments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7, (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice

to the provisions of Condition 7) any law implementing an intergovernmental approach thereto and, accordingly, neither the Issuer nor the Guarantor shall be required to pay any additional amounts under 7.01 above, or (iii) any withholding or deduction required pursuant to Section 871(m) of the Code.

7.03 For the purposes of these Terms and Conditions, the "**Relevant Date**" means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Issue and Paying Agent, or as the case may be, the Registrar on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders of Instruments and Coupons, notice to that effect shall have been duly given to the Holders of the Instruments of the relevant Series in accordance with Condition 13.

7.04 Unless the context otherwise requires, any reference in these Terms and Conditions to "**principal**" shall include any premium payable in respect of an Instrument, any Instalment Amount or Redemption Amount and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and "**interest**" shall include all amounts payable pursuant to Condition 4 and any other amounts in the nature of interest payable to these Terms and Conditions.

8. **Payments**

8A **Payments — Bearer Instruments**

8A.01 This Condition 8A is applicable in relation to Instruments in bearer form.

8A.02 Payment of amounts (other than interest) due in respect of Bearer Instruments will be made against presentation and (save in the case of a partial redemption which includes, in the case of an Instalment Instrument, payment of any instalment other than the final instalment) surrender of the relevant Bearer Instruments at the specified office of any of the Paying Agents.

8A.03 Payment of amounts in respect of interest on Bearer Instruments will be made:

- (i) in the case of a Temporary Global Instrument or Permanent Global Instrument, against presentation of the relevant Temporary Global Instrument or Permanent Global Instrument at the specified office of any of the Paying Agents outside (unless Condition 8A.04 applies) the United States and, in the case of a Temporary Global Instrument, upon due certification as required therein;
- (ii) in the case of Definitive Instruments without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Definitive Instruments at the specified office of any of the Paying Agents outside (unless Condition 8A.04 applies) the United States; and
- (iii) in the case of Definitive Instruments delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on a scheduled date for the payment of interest, against presentation of the relevant Definitive Instruments, in either case at the specified office of any of the Paying Agents outside (unless Condition 8A.04 applies) the United States.

8A.04 Payments of amounts due in respect of interest on the Bearer Instruments and exchanges of Talons for Coupon sheets in accordance with Condition 8A.04 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Instruments when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (b) such payment or exchange is permitted by applicable United States law. If parts (a) and (b) of the previous sentence apply, the relevant Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

8A.05 If the due date for payment of any amount due in respect of any Bearer Instrument is not a Relevant Financial Centre Day (as defined in Condition 8C.03) and (in the case of Definitive Instruments only) a local banking day (as defined in Condition 8C.03), then the Holder thereof will not be entitled to payment thereof

until the next day which is such a day (or as otherwise specified in the relevant Final Terms) and, thereafter will be entitled to receive payment on a Relevant Financial Centre Day and (in the case of Definitive Instruments only) a local banking day and no further payment on account of interest or otherwise shall be due in respect of such delay or adjustment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 4D.04.

8A.06 Each Definitive Instrument initially delivered with Coupons attached thereto should be presented and, save in the case of partial payment which includes, in the case of an Instalment Instrument, payment of any instalment other than the final instalment, surrendered for final redemption together with all unmatured Coupons and Talons appertaining thereto, failing which:

- (i) in the case of Definitive Instruments which bear interest at a fixed rate or rates, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the redemption amount paid bears to the total redemption amount due) (excluding, for this purpose, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such final redemption amount;
- (ii) in the case of Definitive Instruments which bear interest at, or at a margin above or below, a floating rate, all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Instruments (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them; and
- (iii) in the case of Definitive Instruments initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 8A.06 notwithstanding, if any Definitive Instruments which bear interest at a fixed rate or rates should be issued with a maturity date and a fixed rate or fixed rates such that, on the presentation for payment of any such Definitive Instrument without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Instrument, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Instrument to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

8A.07 In relation to Definitive Instruments initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 8A.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 9 below. Each Talon shall, for the purpose of these Terms and Conditions, be deemed to mature on the due date for the payment of interest on which the final Coupon comprised in the relative Coupon sheet matures.

8A.08 For the purposes of these Terms and Conditions, the "**United States**" means the United States of America (including the States thereof and the District of Columbia) and its possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and Northern Mariana Islands).

8B. Payments — Registered Instruments

8B.01 This Condition 8B is applicable in relation to Instruments in registered form.

8B.02 Payment of amounts (whether principal, redemption amount or otherwise and including accrued interest) due in respect of Registered Instruments on the final redemption of Registered Instruments will be made against presentation and, save in the case of partial payment of the amount due upon final redemption by reason of insufficiency of funds, surrender of the relevant Registered Instruments at the specified office of the Registrar. If the due date for payment of the final redemption amount of any Registered Instrument is not both a Relevant Financial Centre Day (as defined in Condition 8C.03) and a local banking day (as defined in Condition 8C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day and, thereafter will be entitled to receive payment by cheque on any local banking day, and, will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 4D.04.

8B.03 Payment of amounts (whether principal, redemption amount, interest or otherwise) due (other than in respect of the final redemption of Registered Instruments) in respect of Registered Instruments will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar as at opening of business (local time in the place of the specified office of the Registrar) on the fifteenth Relevant Banking Day (as defined in Condition 2.06) before the due date for such payment for the Definitive Instruments or the day before if in global form (the “**Record Date**”).

8B.04 Notwithstanding the provisions of Condition 8C.02, payment of amounts (whether principal, redemption amount, interest or otherwise) due (other than in respect of final redemption of Registered Instruments) in respect of Registered Instruments will be made by cheque and posted to the address (as recorded in the register held by the Registrar) of the Holder thereof (or, in the case of joint Holders, the first-named) on the Relevant Banking Day (as defined in Condition 2.06) not later than the relevant date for payment unless prior to the relevant Record Date the Holder thereof (or, in the case of joint Holders, the first named) has applied to the Registrar and the Registrar has acknowledged such application for payment to be made to a designated account denominated in the relevant currency in which case payment shall be made on the relevant due date for payment by transfer to such account. In the case of payment by transfer to an account, if the due date for any such payment is not a Relevant Financial Centre Day, then the Holder thereof will not be entitled to payment thereof until the first day thereafter which is a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 4D.04.

8C. Payments — General Provisions

8C.01 Save as otherwise specified herein, this Condition 8C is applicable in relation to Instruments whether in bearer or in registered form.

Any notice so given will be deemed to have been validly given on the date of such publication (or, if published more than once, on the first date on which publication is made) or, as the case may be, on the fourth day after the date of such delivery to Euroclear and Clearstream, Luxembourg and any other relevant clearing system. Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Instruments in accordance with this Condition.

To Holders of Registered Instruments

13.02 Notices to Holders of Registered Instruments will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth day after the date of such mailing or, if posted from another country, on the fifth such day. With respect to Registered Instruments listed on the Irish Stock Exchange, any notices to Holders must also be published on the website of the Irish Stock Exchange (www.ise.ie) (so long as such Instruments are listed on the Irish Stock Exchange and the rules of that exchange so require) and, in addition to the foregoing, will be deemed validly given only after the date of such publication.

Notice of a General Meeting of the Syndicate of Holders

13.03 Notice of a General Meeting of Holders of Instruments of the Relevant Series must be given in accordance with the Regulations.

To Commissioners

13.04 Copies of any notice given to any Holders of the Instruments will be also given to the Commissioner of the Syndicate of Holders of the Instruments of the relevant Series.

Notices by any Holder of Instruments

13.05 Notices to be given by any Holder of Instruments shall be in writing and given by lodging the same, together (in the case of Definitive Instruments) with the relative Instrument, with the Issue and Paying Agent. Whilst any of the Instruments are represented by a Global Instrument, such notice may be given by any Holder of a Instrument to the Issue and Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Issue and Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. Further Issues

The relevant Issuer may, from time to time without the consent of the Holders of any Instruments or Coupons, create and issue further instruments, bonds or debentures having the same terms and conditions as such Instruments in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Instruments of any particular Series.

15. Currency Indemnity

The currency in which the Instruments are denominated or, if different, payable, as specified in the relevant Final Terms (the "**Contractual Currency**") is the sole currency of account and payment for all sums payable by the relevant Issuer in respect of the Instruments, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of an Instrument or Coupon in respect of any sum expressed to be due to it from the relevant Issuer shall only constitute a discharge to the relevant Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of an Instrument or Coupon in respect of such Instrument or Coupon the relevant Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the relevant Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the relevant Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of an Instrument or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Instruments or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of an Instrument or Coupon and no proof or evidence of any actual loss will be required by the relevant Issuer.

16. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Instrument, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

17. Law and Jurisdiction

17.01 The issue of the Instruments, including their legal nature (*obligaciones u otros valores que reconozcan o creen deuda*), the status of the Instruments, the status of the guarantee in respect of the Instruments, the capacity of the Issuers, the relevant corporate resolutions, when required the appointment of the Commissioner and the constitution of the Syndicates of Holders of the Instruments will be governed by Spanish law. The terms and conditions of the Instruments, the Issue and Paying Agency Agreement, the Deed of Covenant and, save for, in each case, the status of the guarantee, the Deed of Senior Guarantee and any Deed of Subordinated Guarantee and all non-contractual obligations arising out of or in connection with the terms and conditions of the Instruments, the Issue and Paying Agency Agreement, the Deed of Covenant, the Deed of Senior Guarantee and any Deed of Subordinated Guarantee, are governed by English law.

17.02 The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising from or in connection with the Instruments.

17.03 The Issuers and the Guarantor irrevocably waive any objection which they might now or hereafter have to the courts of England being nominated as the forum to hear and determine any proceedings and to settle any Disputes and agree not to claim that any such court is not a convenient or appropriate forum.

17.04 Without prejudice to any other mode of service allowed under any relevant law, the Issuers and the Guarantor irrevocably (a) appoint Banco Santander, S.A., London Branch at 2 Triton Square, Regent's Place, London, NW1 3AN as their agent for service of process in relation to any Proceedings or, if different, at any other address of the Guarantor in Great Britain at which service of process may from time to time be served on them and (b) agree that failure by an agent for service of process to notify the Issuers and the Guarantor of the process will not invalidate the Proceedings concerned. If the appointment of the person mentioned in this Condition 17.04 ceases to be effective, the Issuers and the Guarantor shall forthwith appoint a further person in England to accept service of process on its behalf in England and notify the name and address of such person to the Issue and Paying Agent and, failing such appointment within fifteen days, any Holder of an Instrument shall be entitled to appoint such a person by written notice addressed to the Issuers and the Guarantor and delivered to the Issuers and the Guarantor or to the specified office of the Issue and Paying Agent. Nothing contained herein shall affect the right of any Holder of an Instrument to serve process in any other manner permitted by law. This condition applies to proceedings in England and to proceedings elsewhere.

17.05 The submission to the exclusive jurisdiction of the courts of England is for the benefit of the Holders of the Instruments only and therefore shall not (and shall not be construed so as to) limit the right of the Holders of the Instruments or any of them to take proceedings in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.

18. **Rights of Third Parties**

Other than as provided for in Condition 2.09, no person shall have any right to enforce any term or condition of any Series of Instruments under the Contracts (Rights of Third Parties) Act 1999.
