

FINAL TERMS

28 November 2018

BBVA GLOBAL MARKETS, B.V.

(a private company with limited liability (besloten vennootschap met beperkte aansprakelijkheid) incorporated under Dutch law with its seat in Amsterdam, the Netherlands but its tax residency in Spain)
(as “**Issuer**”)

Issue of Series 944 USD 600,000 Index Linked Notes due 2021 (the “**Notes**”)

under the €4,000,000,000
Structured Medium Term Note Programme

guaranteed by

BANCO BILBAO VIZCAYA ARGENTARIA, S.A.

(incorporated with limited liability in Spain)
(as “**Guarantor**”)

These Notes are not intended for, and are not to be offered to, the public in any jurisdiction of the EEA.

Any person making or intending to make an offer of the Notes may only do so in circumstances in which no obligation arises for the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or to supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer.

Neither the Issuer nor the Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“**MiFID II**”); (ii) a customer within the meaning of Directive 2002/92/EC (“**IMD**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the “**Prospectus Directive**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PART A - CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the General Conditions of the Notes (and, together with the applicable Annex(es), the “**Conditions**”) set forth in the Base Prospectus dated 18 June 2018 and the supplement to it dated 14 August 2018, 7 November 2018 and 22 November 2018 which together constitute a base prospectus for the purposes of the Prospectus Directive (the “**Base Prospectus**”). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer, the Guarantor and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. An issue specific summary of the Notes (which comprises the summary in the Base Prospectus as amended to reflect the provisions of these Final Terms) is annexed to these Final Terms. The Base Prospectus has been published on the websites of Euronext Dublin (www.ise.ie) and the Central Bank of Ireland (<http://www.centralbank.ie>).

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or under any state securities laws, and the Notes may not be offered, sold, transferred, pledged, delivered, redeemed, directly or indirectly, at any time within the United States or to, or for the account or benefit of, or by, any U.S. person. Furthermore, the Notes do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act, as amended (the “**CEA**”), and trading in the Notes has not been approved by the U.S. Commodity Futures Trading Commission (the “**CFTC**”) pursuant to the CEA, and no U.S. person may at any time trade or maintain a position in the Notes. For a description of the restrictions on offers and sales of the Notes, see “*Subscription and Sale*” in the Base Prospectus.

As used herein, “**U.S. person**” includes any “**U.S. person**” or person that is not a “**non-United States person**” as either such term may be defined in Regulation S or in regulations adopted under the CEA.

The notes of these Final Terms may be considered structured products in Switzerland; they are not collective investment schemes within the meaning of the Swiss Federal Act on Collective Investment Schemes (“**CISA**”). Accordingly, they are not subject to the supervision of the Swiss Financial Market Supervisory Authority, FINMA and potential investors do not benefit from the specific investor protection provided under the CISA. Investors bear the credit risk of the Issuer and the Guarantor. The Notes of these Final Terms are not being distributed to non-qualified investors in or from Switzerland and neither these Final Terms nor any offering materials relating to the Notes may be available to non-qualified investors in or from Switzerland. Distribution of the Notes in or from Switzerland is only made by way of private placement to, and is directed exclusively at, qualified investors (as defined in the CISA and its implementing ordinance). Each copy of these Final Terms is addressed to a specifically named recipient and shall not be passed on to a third party.

NASDAQ 100 Stock Index

"The Issuer, Dealer, Investor and each purchaser of the Notes (altogether the **"Parties"**) agree and acknowledge that the note issuance contemplated herein (the "Transaction") is not sponsored, recommended, endorsed, sold or promoted by the NASDAQ 100 Stock Index (the **"Index"**) nor by Nasdaq Financial Products Services, Inc. ("NFPS") (the **"Index Sponsor"**). The Parties also agree and acknowledge that the Index Sponsor does not make any representations regarding the results to be obtained from using their Index or the level at which an Index may stand nor its suitability. Further, the Parties will not have any liability to each other for an act or omission by the Index Sponsor, for the accuracy, timeliness and completeness of the Index and its data, the merchantability for a particular purpose or use of the Index and its data nor the performance of the Transaction."

The Issuer is only offering to and selling to the Dealer pursuant to and in accordance with the terms of the Programme Agreement. All sales to persons other than the Dealer will be made by the Dealer or persons to whom they sell, and/or otherwise make arrangements with, including the Financial Intermediaries. The Issuer shall not be liable for any offers, sales or purchase of Notes by the Dealer or Financial Intermediaries in accordance with the arrangements in place between any such Dealer or any such Financial Intermediary and its customers.

Financial intermediaries seeking to rely on the Base Prospectus and any Final Terms to resell or place Notes as permitted by article 3.2 of the 2010 PD Amending Directive must obtain prior written consent from the Issuer and the Guarantor; nothing herein is to be understood as a waiver of such requirement for prior written consent.

SUMMARY OF NOTES

Summaries are made up of disclosure requirements known as “Elements”. These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for the Notes and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary explaining why it is not applicable.

Section A– Introduction and warnings

Element	Title	
A.1	Introductions and warnings	<p>This summary should be read as an introduction to the Base Prospectus and the Final Terms. Any decision to invest in any Notes should be based on a consideration of the Base Prospectus as a whole, including any documents incorporated by reference, and the Final Terms. Where a claim relating to information contained in the Base Prospectus and the Final Terms is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus and the Final Terms before the legal proceedings are initiated. Civil liability attaches to the Issuer or the Guarantor in any such Member State solely on the basis of this summary, including any translation of it, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus and the Final Terms or, following the implementation of the relevant provisions of Directive 2010/73/EU in the relevant Member State, it does not provide, when read together with the other parts of the Base Prospectus and the Final Terms, key information in order to aid investors when considering whether to invest in the Notes.</p>

Statements of no significant or material adverse change

There has been no significant change in the financial or trading position of the Issuer since 31 December 2017. There has been no material adverse change in the prospects of the Issuer since 31 December 2017.

B.13	Events impacting the Issuer's solvency:	Not Applicable - There are no recent events particular to the Issuer which are, to a material extent, relevant to the evaluation of the Issuer's solvency.
B.14	Dependence upon other group entities:	See Element B.5 ("Description of the Group"). The Issuer is dependent upon the Guarantor to meet its payment obligations under the Notes. Should the Guarantor fail to pay interest on or repay any deposit made by the Issuer or meet its commitment under a hedging arrangement in a timely fashion, this will have a material adverse effect on the ability of the Issuer to fulfil its obligations under Notes issued under the Programme.
B.15	Principal activities:	The Issuer serves as a financing company for the purposes of the Group and is regularly engaged in different financing transactions within the limits set forth in its articles of association. The Issuer's objective is, among others, to arrange medium and long term financing for the Group and cost saving by grouping these activities.
B.16	Controlling shareholders:	The Issuer is a direct wholly-owned subsidiary of Banco Bilbao Vizcaya Argentaria, S.A.
B.17	Credit ratings:	The Issuer has been rated "A-" by S&P Global Notes issued under the Programme may be rated or unrated. Details of the rating, if applicable, will be set out in the Final Terms. The Notes are not rated. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
B.18	Description of the Guarantee:	The Notes will be unconditionally and irrevocably guaranteed by the Guarantor. The obligations of the Guarantor under its guarantee will be direct, unconditional and unsecured obligations of the Guarantor and will rank pari passu with all other unsecured and unsubordinated obligations of the Guarantor.
B.19	Information about the Guarantor:

C.11	Listing and admission to trading:	Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on the regulated market of Euronext Dublin																																							
C.15	Description of how the value of the Note is affected by the value of the underlying asset:	The Interest Amount, Final Redemption Amount and Automatic Early Redemption Amount (in each case, if any) payable in respect of the Notes are calculated by reference to the relevant underlying set out in Element C.20 below. Please also see Element C.9 (Payment Features) and Element C.10 (Derivative component in the interest payments). These Notes are derivative securities and their value may																																							

		<p>go down as well as up. If the observed price of the Reference Items go down, the Notes may have a lower value compared with circumstances in which the observed prices go up. If the Worst Value on any Automatic Early Redemption Valuation Date is greater than or equal to the corresponding Automatic Early Redemption Trigger then the Notes will redeem at the corresponding AER Percentage on the corresponding Automatic Early Redemption Date.</p> <p>If the Worst Value on the Redemption Valuation Date is below 70 per cent. the risk of loss is similar to that of a direct investment in the Reference Item with the worst performance on the Redemption Valuation Date.</p>
C.16	Expiration or maturity date of the Notes:	The Maturity Date of the Notes is 29 November 2021, subject to adjustment.
C.17	Settlement procedure of derivative securities:	The Notes will be settled on the applicable Maturity Date or relevant delivery date at the relevant amount per Note.
C.18	Return on derivative securities:	The principal return is illustrated in Element C.9 (Payment Features) above. The principal return is illustrated in Element C.10 (Derivative component in the interest payments) above. These Notes are derivative securities and their value may go down as well as up.
C.19	Exercise price/final reference price of the underlying:	The final reference price of the underlying described in Element C.20 (<i>A description of the type of the underlying and where the information of the underlying can be found</i>) below shall be determined on the date(s) for valuation specified in C.9 (<i>Payment Features</i>) above subject to adjustment including that such final valuation may occur earlier in some cases.

Section D – Risks

Element	Title
D.2	<p data-bbox="344 286 699 353">Key risks regarding the Issuer and the Guarantor:</p> <p data-bbox="715 286 1388 936">In purchasing Notes, investors assume the risk that the Issuer and the Guarantor may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer and the Guarantor becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer and the Guarantor may not be aware of all relevant factors and certain factors which they currently deem not to be material may become material as a result of the occurrence of events outside the Issuer's and the Guarantor's control. The Issuer and the Guarantor have identified a number of factors which could materially adversely affect their businesses and ability to make payments due under the Notes. These factors include:</p> <p data-bbox="715 969 1145 1003">Risk Factors relating to the Issuer</p> <ul data-bbox="715 1037 1388 1211" style="list-style-type: none"> <li data-bbox="715 1037 1388 1104">• The Issuer is dependant on the Guarantor to make payments on the Notes. <li data-bbox="715 1137 1388 1211">• Certain considerations in relation to the forum upon insolvency of the Issuer. <p data-bbox="715 1245 1388 1312">Factors that may affect the Guarantor's ability to fulfil its obligations under the Guarantee</p> <p data-bbox="715 1346 983 1379">Macroeconomic Risks</p> <ul data-bbox="715 1413 1388 1984" style="list-style-type: none"> <li data-bbox="715 1413 1388 1559">• Economic conditions in the countries where the Group operates could have a material adverse effect on the Group's business, financial condition and results of operations. <li data-bbox="715 1592 1388 1738">• Since the Group's loan portfolio is highly concentrated in Spain, adverse changes affecting the Spanish economy could have a material adverse effect on its financial condition. <li data-bbox="715 1771 1388 1839">• The Group may be adversely affected by political events in Catalonia. <li data-bbox="715 1872 1388 1984">• Any decline in the Kingdom of Spain's sovereign credit ratings could adversely affect the Group's business, financial condition and results of operations.

- The Group may be materially adversely affected by developments in the emerging markets where it operates.
- The Group's business could be adversely affected by global political developments, particularly with regard to U.S. policies that affect Mexico.
- The Group's earnings and financial condition have been, and its future earnings and financial condition may continue to be, materially affected by depressed asset valuations resulting from poor market conditions.
- Exposure to the real estate market makes the Group vulnerable to developments in this market.

Legal, Regulatory and Compliance Risks

- The Group is subject to substantial regulation and regulatory and governmental oversight. Changes in the regulatory framework could have a material adverse effect on its business, results of operations and financial condition.
- Increasingly onerous capital requirements may have a material adverse effect on the Bank's business, financial condition and results of operations.
- Any failure by the Bank and/or the Group to comply with its MREL could have a material adverse effect on the Bank's business, financial condition and results of operations.
- Increased taxation and other burdens imposed on the financial sector may have a material adverse effect on BBVA's business, financial condition and results of operations.
- Contributions for assisting in the future recovery and resolution of the Spanish banking sector may have a material adverse effect on the Bank's business, financial condition and results of operations.
- Regulatory developments related to the EU fiscal and banking union may have a material adverse effect on the Bank's business, financial condition and results of operations.
- The Group's anti-money laundering and anti-terrorism policies may be circumvented or otherwise not be sufficient to prevent all money laundering or terrorism financing.

- The Group is exposed to risk in relation to compliance with anti-corruption laws and regulations and sanctions programmes.

- Local regulation may have a material effect on the Guarantor's business, financial condition, results of operations and cash flows.

- Reform of LIBOR and EURIBOR and Other Interest Rate, Index and Commodity Index "Benchmarks".

- European Market Infrastructure Regulation and Markets in Financial Instruments Directive.

Liquidity and Financial Risks

- BBVA has a continuous demand for liquidity to fund its business activities. BBVA may suffer during periods of market-wide or firm-specific liquidity constraints, and liquidity may not be available to it even if its underlying business remains strong.

- Withdrawals of deposits or other sources of liquidity may make it more difficult or costly for the Group to fund its business on favourable terms or cause the Group to take other actions.

- Implementation of internationally accepted liquidity ratios might require changes in business practices that affect the profitability of the Bank's business activities.

- The Group's businesses are subject to inherent risks concerning borrower and counterparty credit quality which have affected and are expected to continue to affect the recoverability and value of assets on the Group's balance sheet.

- The Group's business is particularly vulnerable to volatility in interest rates.

- The Group has a substantial amount of commitments with personnel considered wholly unfunded due to absence of qualifying plan assets.

- BBVA and certain of its subsidiaries are dependent on their credit ratings and any reduction of their credit ratings could materially and adversely affect the Group's business, financial condition and results of operations.

- Highly-indebted households and corporations could endanger the Group's asset quality and future revenues.

- The Group depends in part upon dividends and other funds from subsidiaries.

Business and Industry Risks

- The Group faces increasing competition in its business lines.
- The Group faces risks related to its acquisitions and divestitures.
- The Group is party to a number of legal proceedings.
- The Group's ability to maintain its competitive position depends significantly on its international operations, which expose the Group to foreign exchange, political and other risks in the countries in which it operates, which could cause an adverse effect on its business, financial condition and results of operations.

Financial, Reporting and other Operational Risks

- The Group's financial results, regulatory capital and ratios may be negatively affected by changes to accounting standards.
- Weaknesses or failures in the Group's internal processes, systems and security could materially adversely affect its results of operations, financial condition or prospects, and could result in reputational damage.
- The financial industry is increasingly dependent on information technology systems, which may fail, may not be adequate for the tasks at hand or may no longer be available.
- The Group faces security risks, including denial of service attacks, hacking, social engineering attacks targeting its colleagues and customers, malware intrusion or data corruption attempts, and identity theft that could result in the disclosure of confidential information, adversely affect its business or reputation, and create significant legal and financial exposure.
- The Group could be the subject of misinformation.
- BBVA's financial statements are based in part on assumptions and estimates which, if inaccurate, could cause material misstatement of the results of its operations and financial position.

		<p>Risk related to Early Intervention and Resolution</p> <ul style="list-style-type: none"> • The Notes may be subject to the exercise of the Spanish Loss-Absorption Powers by the Relevant Spanish Resolution Authority. Other powers contained in Law 11/2015 and the SRM Regulation could materially affect the rights of the Noteholders under, and the value of, any Notes.. • Noteholders may not be able to exercise their rights on an event of default in the event of the adoption of any early intervention or resolution measure under Law 11/2015 and the SRM Regulation.
<p>D.3</p>	<p>Key risks regarding the Notes:</p>	<p>There are a number of risks associated with an investment in the Notes. These risks include:</p> <ul style="list-style-type: none"> • Notes may be redeemed prior to their scheduled maturity. • Claims of Holders under the Notes are effectively junior to those of certain other creditors. • Spanish Tax Rules may impose withholding tax in certain circumstances (subject to certain exceptions) and neither the Issuer nor the Guarantor is obliged to pay additional amounts in such event. • The procedure for provision of information described in the Base Prospectus is a summary only. • The conditions of the Notes contain provisions which may permit their modification without the consent of all investors. • The Issuer of the Notes may be substituted without the consent of the Noteholders. • The Guarantor of the Notes may be substituted without the consent of the Noteholders. • The Notes may be subject to withholding taxes in circumstances where the Issuer is not obliged to make gross up payments and this would result in holders receiving less interest than expected and could significantly adversely affect their return on the Notes. • The value of the Notes could be adversely affected by a change in English law or administrative practice. • Reliance on DTC, Euroclear and Clearstream, Luxembourg procedures.

- Credit ratings assigned to the Issuer, the Guarantor or any Notes may not reflect all the risks associated with an investment in those Notes.

Risks relating to the structure of particular Notes

- Investors may lose the original invested amount.
- The relevant market value of the Notes at any time is dependent on other matters in addition to the credit risk of the Issuer and Guarantor and the performance of the relevant Reference Item(s).
- If a Reference Item Linked Note includes Market Disruption Events or Failure to Open of an Exchange and the Calculation Agent determines such an event has occurred, any consequential postponement of any Strike Date, Valuation Date, Observation Date or Averaging Date may have an adverse effect on the Notes.
- If an investor holds Notes which are not denominated in the investor's home currency, that investor will be exposed to movements in exchange rates adversely affecting the value of its holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes
- There may be risks associated with any hedging transactions the Issuer enters into.
- There are risks related to Implicit Yield Notes.

Generic Risk Factors that are associated with Notes that are linked to Reference Item(s).

- There are risks relating to Reference Item Linked Notes.
- It may not be possible to use the Notes as a perfect hedge against the market risk associated with investing in a Reference Item.
- There may be regulatory consequences to the Noteholder of holding Reference Item Linked Notes.
- There are specific risks with regard to Notes with a combination of Reference Items.
- A Noteholder does not have rights of ownership in the Reference Item(s).
- The past performance of a Reference Item is not

		<p>indicative of future performance.</p> <p>There are a number of risks associated with Notes that are linked to one or more specific types of Reference Items.</p> <ul style="list-style-type: none"> • There are risks specific relating to Index Linked Notes. <p>Market Factors</p> <ul style="list-style-type: none"> • An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes. • There may be price discrepancies with respect to the Notes as between various dealers or other purchasers in the secondary market. <p>Potential Conflicts of Interest</p> <ul style="list-style-type: none"> • The Issuer, the Guarantor and their respective affiliates may take positions in or deal with Reference Item(s). • The Calculation Agent, which will generally be the Guarantor or an affiliate of the Guarantor, has broad discretionary powers which may not take into account the interests of the Noteholders. • The Issuer and/or the Guarantor may have confidential information relating to the Reference Item and the Notes. • The Guarantor's securities may be/form part of a Reference Item. • Potential conflicts of interest relating to distributors or other entities involved in the offer or listing of the Notes. <p>Calculation Agent powers should be considered</p>
D.6	Risk warning:	<p>See D.3 (“<i>Key risks regarding the Notes</i>”) above.</p> <p>Investors may lose the entire value of their investment or part of it in the event of the insolvency of the Issuer or if it is otherwise unable or unwilling to repay the Notes when repayment falls due or as a result of the performance of the relevant Reference Item(s)</p>

Section E – Offer

Element	Title	
---------	-------	--

E.2b	Use of proceeds:	The net proceeds from each issue of Notes will in accordance with Law 10/2014, of June 26 be deposited with the Guarantor. The net proceeds from each issue will be used for loans and/or investments extended to, or made in, other companies and entities belonging to the Group (for this purpose, as defined in section 3.2 of the FMSA).
E.3	Terms and conditions of the offer:	Not Applicable
E.4	Interest of natural and legal persons involved in the issue/offer:	A fee has been paid by the Dealer to a third party distributor which may take the form of the sale of the Notes by the Dealer to such third party distributor at a discount to the specified issue price. For specific and detailed information on the nature and quantity of such fee, the investor should contact the distributor in respect of the Notes.
E.7	Expenses charged to the investor by the Issuer:	No expenses will be charged to investors by the Issuer.
