The Notes are not intended to be offered, distributed or sold to any investor in the European Economic Area, and no person may offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by the Base Prospectus as completed by these Final Terms to any investor in the European Economic Area.

## **PART A - CONTRACTUAL TERMS**

Terms used herein shall be deemed to be defined as such for the purposes of the General Conditions of the Notes (and, together with the applicable Annex(es), the “**Conditions**”) set forth in the Base Prospectus dated 18 June 2019 and the supplements to it dated 9 August 2019, 31 October 2019 and 14 November 2019 which together constitute a base prospectus for the purposes of the Prospectus Directive (the “**Base Prospectus**”). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer, the Guarantor and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. An issue specific summary of the Notes (which comprises the summary in the Base Prospectus as amended to reflect the provisions of these Final Terms) is annexed to these Final Terms. The Base Prospectus has been published on the websites of Euronext Dublin ([www.ise.ie](http://www.ise.ie)) and the Central Bank of Ireland (<http://www.centralbank.ie>).

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or under any state securities laws, and the Notes may not be offered, sold, transferred, pledged, delivered, redeemed, directly or indirectly, at any time within the United States or to, or for the account or benefit of, or by, any U.S. person. Furthermore, the Notes do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act, as amended (the “**CEA**”), and trading in the Notes has not been approved by the U.S. Commodity Futures Trading Commission (the “**CFTC**”) pursuant to the CEA, and no U.S. person may at any time trade or maintain a position in the Notes. For a description of the restrictions on offers and sales of the Notes, see “*Subscription and Sale*” in the Base Prospectus.

As used herein, “**U.S. person**” includes any “**U.S. person**” or person that is not a “**non-United States person**” as either such term may be defined in Regulation S or in regulations adopted under the CEA.

The notes of these Final Terms may be considered structured products in Switzerland; they are not collective investment schemes within the meaning of the Swiss Federal Act on Collective Investment Schemes (“CISA”). Accordingly, they are not subject to the supervision of the Swiss Financial Market Supervisory Authority, FINMA and potential investors do not benefit from the specific investor protection provided under the CISA. Investors bear the credit risk of the Issuer and the Guarantor. The Notes of these Final Terms are not being distributed to non-qualified investors in or from Switzerland and neither these Final Terms nor any offering materials relating to the Notes may be available to non-qualified investors in or from Switzerland. Distribution of the Notes in or from Switzerland is only made by way of private placement to, and is directed exclusively at, qualified investors (as defined in the CISA and its implementing ordinance).

## SUMMARY OF NOTES

Summaries are made up of disclosure requirements known as “**Elements**”. These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for the Notes and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary explaining why it is not applicable.

### Section A– Introduction and warnings

Element	Title	
A.1	<b>Introductions and warnings:</b>	<p><b>This summary should be read as an introduction to the Base Prospectus and the Final Terms.</b></p> <p><b>Any decision to invest in any Notes should be based on a consideration of the Base Prospectus as a whole, including any documents incorporated by reference, and the Final Terms.</b></p> <p><b>Where a claim relating to information contained in the Base Prospectus and the Final Terms is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus and the Final Terms before the legal proceedings are initiated.</b></p> <p><b>Civil liability attaches to the Issuer or the Guarantor in any such Member State solely on the basis of this summary, including any translation of it, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus and the Final Terms or, following the implementation of the relevant provisions of Directive 2010/73/EU in the relevant Member State, it does not provide, when read together with the other parts of the Base Prospectus and the Final Terms, key information in order to aid investors when considering whether to invest in the Notes.</b></p>
A.2	<b>Consent by the Issuer:</b>	Not Applicable

C.11	<b>Listing and admission to trading:</b>	Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on the regulated market of Euronext Dublin.																					
C.15	<b>Description of how the value of the Note is affected by the value of the underlying asset:</b>	<p>The Interest Amount, Final Redemption Amount and Automatic Early Redemption Amount (in each case, if any) payable in respect of the Notes are calculated by reference to the relevant underlying set out in Element C.20 (<i>A description of the type of the underlying and where the information of the underlying can be found</i>) below. Please also see Element C.9 (Payment Features) and Element C.10 (Derivative component in the interest payments). These Notes are derivative securities and their value may go down as well as up.</p> <p>If the Worst Value on any Automatic Early Redemption Valuation Date is greater than or equal to the corresponding Automatic Early Redemption Trigger then the Notes will redeem at the corresponding AER Percentage on the corresponding Automatic Early Redemption Date.</p> <p>If the Worst Value on the Redemption Valuation Date is below 65 per cent. the risk of loss is similar to that of a direct investment in the Reference Item with the worst performance on the Redemption Valuation Date</p> <p>The Notes are securities with a high degree of risk, because they can incorporate complex structures and their performance may be linked to the performance of, without limitation, one or more, or a combination of, underlying shares or depositary receipts, indices, rates of interest, other rates, foreign exchange rates, exchange traded fund shares, funds, inflation indices and/or entities (“Reference Item Linked Notes”). Amounts payable (whether in respect of principal and/or interest) or deliverable will be dependent upon the performance of the Reference Item, or a combination of Reference Items, which themselves may contain substantial credit, interest rate, foreign exchange, correlation, time value, political and/or other risks. These risks include, among other things, the possibility that the holder of a Reference Item Linked Note could lose all or a substantial portion of the principal of such Note (whether payable at maturity or upon redemption or repayment), and that no interest may be payable on such Notes.</p>																					
C.16	<b>Maturity date of the Notes:</b>	The Maturity Date of the Notes is 12 December 2022, subject to adjustment.

## Section D – Risks

Element	Title	
D.2	<b>Key risks regarding the Issuer and the Guarantor:</b>	In purchasing Notes, investors assume the risk that the Issuer and the Guarantor may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer and the Guarantor becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer and the Guarantor may not be aware of all relevant factors and certain factors which they currently deem not to be material may become material as a result of the occurrence of events outside the Issuer's and the Guarantor's control. The Issuer and the Guarantor have identified a number of factors which could materially adversely affect their businesses and ability to make payments due under the Notes. These factors include:
		<p><b>Risk Factors relating to the Issuer</b></p> <ul style="list-style-type: none"> <li>• The Issuer is dependent on the Guarantor to make payments on the Notes.</li> <li>• Certain considerations in relation to the forum upon insolvency of the Issuer.</li> </ul> <p><b>Risk Factors that may affect the Guarantor's ability to fulfil its obligations under the Guarantee</b></p> <p><b>Macroeconomic Risks</b></p> <ul style="list-style-type: none"> <li>• Economic conditions in the countries where the Group operates could have a material adverse effect on the Group's business, financial condition and results of operations.</li> <li>• Since the Guarantor's loan portfolio is highly concentrated in Spain, adverse changes affecting the Spanish economy could have a material adverse effect on its financial</li> </ul>
