

SERIES MEMORANDUM

ARLO XII Limited

(Incorporated with limited liability in the Cayman Islands)

Series Repack-25

JPY 665,000,000 Secured Limited Recourse Fixed Rate Notes due 1 December 2022

This Series Memorandum is issued in conjunction with, and incorporates by reference the contents of the Programme Memorandum dated 7 February 2020, and as supplemented by a programme memorandum supplement dated 18 May 2020 (the "**Programme Memorandum**") in relation to the U.S.\$5,000,000,000 Programme for the issue of Notes and the making of Alternative Investments (the "**Programme**") of ARLO XII Limited (the "**Issuer**"). Unless the context otherwise requires, terms defined in the Programme Memorandum have the same meanings when used in this Series Memorandum.

This Series Memorandum has been prepared for the purpose of giving information about the issue of the Series Repack-25 JPY 665,000,000 Secured Limited Recourse Fixed Rate Notes due 1 December 2022 of the Issuer (the "**Notes**").

PROHIBITION OF SALES TO EEA RETAIL INVESTORS: The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA Retail Investor**"). For these purposes, an EEA Retail Investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); (ii) a customer within the meaning of the Insurance Mediation Directive (Directive 2016/97/EC (as amended)) ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the "**Prospectus Regulation**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended from time to time, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to EEA Retail Investors has been prepared and therefore offering or selling the Notes or otherwise making them available to any EEA Retail Investor may be unlawful under the PRIIPs Regulation.

This Series Memorandum has been approved by The Irish Stock Exchange plc trading as Euronext Dublin ("Euronext Dublin") as listing particulars (the "Listing Particulars"). Application has been made to Euronext Dublin for the Notes to be admitted to the Official List and to trading on the Global Exchange Market of Euronext Dublin. The Global Exchange Market is not a regulated market for the purpose of MiFID II. No assurance can be given that such application will be granted. This Series Memorandum is provided only for the purpose of obtaining approval of admission of the Notes to the Official List of Euronext Dublin and admission to trading on the Global Exchange Market and shall not be used or distributed for any other purposes. This Series Memorandum does not constitute an offer to sell, or a solicitation of an offer to buy, any of the Notes.

The terms and conditions set out below should be read in conjunction with the Terms and Conditions set out in the Programme Memorandum.

The date of this Series Memorandum is 03 June 2020.

RISK FACTORS

The following is a description of certain aspects of the issue of the Notes of which any prospective purchaser of the Notes should be aware, but it is not intended to be exhaustive and any prospective purchaser of the Notes should also read the detailed information set out elsewhere in this document and the other documents relating to the Notes and take their own tax, legal and other relevant advice as to the advisability, structure and viability of their investment. In particular, the attention of prospective purchasers of the Notes is drawn to “Investor Suitability” and “Risk Factors” in the Programme Memorandum.

General

Charged Assets

As of the Issue Date, the Charged Assets will comprise the following, as selected by the Swap Counterparty in its sole and absolute discretion:

- (i) EUR cash in an amount equal to the Cash Assets Amount, in cleared and freely transferable funds, which shall be deposited into a Cash Account;
- (ii) Corporate Bonds with an aggregate principal amount equal to the Initial Reference Amount; or
- (iii) (x) an aggregate principal amount of Corporate Bonds as determined by the Swap Counterparty in its sole and absolute discretion, provided that such aggregate principal amount shall not exceed the Initial Reference Amount; and (y) an amount of EUR cash in cleared and freely transferable funds, which shall be deposited into a Cash Account, equal to the product of (A)(i) the Initial Reference Amount less the Initial Bond Reference Amount divided by (ii) the Initial Reference Amount, multiplied by (B) the Cash Assets Amount.

To the extent EUR cash is held as Charged Assets after the Issue Date, the Swap Counterparty, in its sole and absolute discretion, shall be entitled to replace such cash with Corporate Bonds, however, there can be no assurance the Swap Counterparty will replace such cash for Corporate Bonds during the term of the Notes, and therefore Noteholders must be aware that the Charged Assets may be comprised of EUR cash, Corporate Bonds or a combination of both.

Notwithstanding the Charged Assets may be comprised of entirely EUR cash or a combination of EUR cash or Corporate Bonds, prospective purchasers of Notes should be aware that they bear the risk of a Bond Redemption Event occurring at any time from and including 17 April 2020, up to and including the Maturity Date even where the Charged Assets do not include any Bond Charged Assets. Consequentially Notes are exposed to a decline in the market value of the Corporate Bonds from 17 April 2020.

Credit Considerations

Prospective purchasers of Notes should take into account, when making a decision as to whether or not to invest in the Notes, that the timing of redemption of the Notes, the amount due to be paid and/or delivered upon redemption of the Notes and the timing and the amount of any interest and principal due on the Notes is dependent on the performance of the Charged Assets, all other Pari Passu Debt and the Charged Agreement.

Risk of total loss of investment

The Notes are not principal-protected and, accordingly, Noteholders may lose their entire investment in the Notes. In addition, an investment in the Notes represents an investment in the creditworthiness of the Issuer (and investors are hence exposed to the Issuer's credit risk).

Security

There can be no assurance that the amount payable to the Noteholders on any early redemption of the Notes or upon enforcement of the security for the Notes will be equal to the Issue Price or the outstanding principal amount of the Notes. Any shortfall in payments due to the Secured Creditors, including the Noteholders, will be borne in the inverse of the order of the Priority of Payments specified in Paragraph 4 of "Conditions of the Notes", and any claims of the Noteholders remaining after a mandatory redemption of the Notes or a realisation of the security and application of the proceeds as aforesaid shall be extinguished. None of the Programme Parties or the obligors under the Collateral (other than the Issuer) has any obligation to Noteholders for payment of any amount owing by the Issuer in respect of the Notes.

Custody Arrangements

The Issuer has appointed the Custodian to hold the Charged Assets on its behalf in accordance with the Custody Agreement.

In respect of any cash held by the Custodian on behalf of the Issuer in respect of the Notes, if the relevant overnight benchmark rate or any official overnight interest rate set by a central bank or other monetary authority reaches or falls below zero, the Custodian (or its affiliates) shall be entitled to levy the Custodian Charge in respect of the Issuer's Cash Account held directly or indirectly with the Custodian. It is anticipated that the Swap Counterparty will, pursuant to the Charged Agreement, pay to, or to the order of, the Issuer an amount equal to any such Custodian Charge for settlement thereof.

Cash held by the Custodian

Investors should note that any cash held by the Custodian, whether as Charged Assets or proceeds thereof, Eligible Credit Support or otherwise, will be credited to the Cash Account and held by the Custodian as banker and not as trustee and as a result such money will not be held in accordance with the UK Financial Conduct Authority's client money rules.

This means that any such money may be used by the Custodian in the course of its own business and the Issuer will rank only as a general creditor of the Custodian as regards such money. Accordingly, insofar as the Custodian holds any such cash, any investor in the Notes will be exposed to the credit risk of the Custodian and, if the security for the Notes is enforced, the balance of the Cash Account will only be available to satisfy the liabilities of the Issuer to the extent that such amount is available to the Issuer as a general creditor of the Custodian.

Expenses

All payments of anticipated costs and expenses of the Issuer in connection with the issue of Notes have been, or will be, met by the Arranger pursuant to the Programme Expenses Letter and the Series Expenses Letter. Where payments have been made by the Arranger in respect of such expenses, they do not constitute any part of the Collateral or any other form of credit support by the Swap Counterparty and are not available to pay any amounts due under the Notes. To the extent that any unanticipated or extraordinary costs and expenses of the Issuer which are payable by the Issuer arise in connection with the Notes or otherwise and such costs and expenses are not paid by the Arranger (or are not otherwise payable by the Arranger pursuant to

the Programme Expenses Letter and the Series Expenses Letter), the Issuer may have no available funds to pay such costs and expenses and there is a risk that it might become insolvent as a result thereof.

No Secondary Market

No secondary market exists for the Notes upon issue and there can be no assurance that a secondary market for the Notes will develop or, if a secondary market does develop, that it will provide Noteholders with liquidity of investment or that it will continue for the life of the Notes. Consequently, a prospective purchaser of the Notes must be prepared to hold its Notes for an indefinite period of time or until their redemption or maturity. The Notes may be illiquid even if settled through customary clearance systems or listed on an exchange. Neither Barclays Bank PLC nor any of its affiliates is under any obligation to provide secondary market liquidity.

Nature of the Investment

Leverage

The Notes may be leveraged if, as of the Issue Date, the principal amount of the Notes is less than the market value corresponding to the principal amount of the Charged Assets (“**Charged Asset Market Value Amount**”). In such cases, the difference between the Charged Asset Market Value Amount and the principal amount of the Notes is the additional exposure that is provided for and incorporated into the terms of the Charged Agreement.

Leverage increases the Noteholder’s exposure to the Charged Assets and amplifies the Noteholder’s losses and gains. In particular, upon the occurrence of an Early Redemption Event, the Early Redemption Amount with respect to each Note would be based on such Note’s *pro rata* share of an amount equal to sales proceeds of the Charge Assets less certain costs (which including, amongst other things, the termination costs of the Charged Agreement). These costs would be expected to be materially higher for where there is leverage given the additional exposure provided for under the Charged Agreement. Therefore, Noteholders may receive less than their original investment and this may be materially less than the amount that Noteholders would otherwise receive where the Notes do not include any leverage.

FX Risk

An investment in the Notes involves exposure to the JPY/EUR foreign exchange rates. In addition where an investment in the Notes is denominated and payable in a different currency to that of an investor’s home currency, there are significant risks to such investor that would not be involved if a similar investment were made in a Note denominated and payable in such investor’s home currency. These risks include, without limitation, the possibility of significant changes in rates of exchange between the foreign currency and such investor’s home currency and generally depend on economic and political events over which the Issuer has no control.

If the Realisation Agent as part of the realisation process of the Charged Assets conducted in accordance with terms of the Notes has been unable to procure the conversion of any sale proceeds following the liquidation of the Charged Assets into JPY, such portion of unconverted sale proceeds shall be paid to Noteholders in the currency in which such portion of the unconverted Sale Proceeds was received.

Risk of Loss

The Noteholders bear the risk of certain aspects of a Bond Event of Default occurring from the Trade Date (see the definition of Bond Event of Default as defined herein for further details). Noteholders should note that such risk is borne from 17 April 2020, notwithstanding that the date

precedes, the Issue Date of the Notes.

If an Early Redemption Event occurs, the Notes will be redeemed (in the manner more particularly described in the Notes) and the Issuer will (subject as provided herein) pay to the Noteholders the Early Cash Redemption Amount (as defined herein) in respect of each Note. The Early Cash Redemption Amount may be substantially less than par, or even zero, and therefore the Noteholders may receive on such redemption less than their initial investment. In addition, the amount of interest payments will be adversely affected. If an Early Redemption Event occurs, no further interest will be paid in respect of the Notes and interest shall cease to accrue from and including the Interest Payment Date immediately prior to the date on which such Early Redemption Event is deemed to have occurred (or if none, the Interest Commencement Date).

Exposure to default or early termination under Charged Agreement

Upon the occurrence of an Event of Default or Termination Event (each as defined in the Charged Agreement) under the Charged Agreement, the Notes shall fall due for early redemption by applying the net proceeds of enforcement of the security in accordance with the Conditions, which may have a market value substantially less than par or even zero, and therefore in such circumstances, the Noteholders may receive on redemption an amount which is equal to less than the outstanding principal amount of the Notes.

Fees and Taxes

Payments in respect of the Notes are made subject to any tax, duty, withholding or other payment which may be required to be made, withheld or deducted, including, without limitation, any withholding, excise, stamp, registration, document or other tax, duty, levy or impost of any nature (including any interest, penalty or addition). Further, should a Note Tax Event (as defined herein) occur at any time prior to the Maturity Date, the Notes may redeem at their Early Redemption Amount on the applicable Early Redemption Date.

No Obligation to Make Good on Losses

Neither the Issuer nor any of the Programme Parties guarantees the performance of or otherwise stands behind any Corporate Bond Obligor and is not obligated to make good on any losses suffered by the Noteholders as a result of a Bond Redemption Event with respect to any Corporate Bond Obligor.

Limited Recourse

All payments to be made by the Issuer in respect of the Notes will only be due and payable from and to the extent of the sums received or recovered from time to time by or on behalf of the Issuer or the Trustee in respect of the Collateral in respect of such Notes. To the extent that such sums are less than the amount which the holders of the Notes expected to receive (the difference being referred to herein as a “**shortfall**”), such shortfall will be borne, following enforcement of the security for the Notes, in the inverse of the order of priorities on enforcement specified in Condition 4(d). Each holder of Notes by subscribing for or purchasing such Notes will be deemed to accept and acknowledge that it is fully aware that: (i) the holders of the Notes shall look solely to the sums referred to in the first sentence of this section, as applied in accordance with the order of priorities referred to in the second sentence of this section (the “**Relevant Sums**”), for payments to be made by the Issuer in respect of such Notes; (ii) the obligations of the Issuer to make payments in respect of such Notes will be limited to the Relevant Sums and the holders of such Notes shall have no further recourse to the Issuer (or any of its rights, assets or properties), the Swap Counterparty or any other Programme Party or person and, without limiting the generality of the foregoing, any right of the holders of such Notes to claim payment of any amount exceeding the Relevant Sums shall be automatically extinguished; and (iii) the holders of such

Notes shall not be entitled to petition for the winding up of the Issuer as a consequence of any such shortfall or otherwise.

No Guarantee of Performance

None of the Programme Parties is obligated to make payments on the Notes, and none of them guarantees the value of the Notes or is obliged to make good on any losses suffered as a result of an investment in the Notes. Investors must rely solely on the relevant Collateral for payment under the Notes. There can be no assurance that amounts received by the Issuer from the Collateral will be sufficient to pay all amounts when due if at all. Neither the Issuer nor any of the Programme Parties will have any liability to the holders of any Notes as to the amount, or value of, or any decrease in the value of, the relevant Collateral.

Accordingly, Noteholders may incur a partial or total loss of their investment if the value of the Collateral is lower than the amounts payable in respect of the Notes and/or the Swap Counterparty fails to make a payment when due under the Charged Agreement.

No Credit Enhancement

Neither Barclays Bank PLC nor any of its affiliates is under any legal, regulatory or moral obligation to purchase any Charged Assets or support any losses suffered by the Issuer or Noteholders. Neither Barclays Bank PLC nor any of its affiliates guarantees or stands behind the Issuer or the obligations of the Issuer under the Notes, and will not make good and is under no obligation to make good any losses under the Charged Assets or under the Charged Agreement or any other agreements that the Issuer might enter into with any third parties.

Independent Review and Advice

Each prospective purchaser of the Notes is responsible for its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of each Corporate Bond Obligor, the Charged Assets, any other Pari Passu Debt as well as the risks in respect of the Notes and their terms, including, without limitation, any tax, accounting, credit, legal and regulatory risks.

A prospective purchaser of the Notes should have such knowledge and experience in financial and business matters and expertise in assessing credit risk that it is capable of evaluating the merits, risks and suitability of investing in such Notes including any credit risk associated with each Corporate Bond Obligor, the Charged Assets and any other Pari Passu Debt and the Issuer. None of the Issuer or any of the Programme Parties will have any responsibility or duty to make any such investigations, to keep any such matters under review or to provide the prospective purchasers of the Notes with any information in relation to such matters or to advise as to the attendant risks. See also the section entitled "Investor Suitability" in the Programme Memorandum.

Although the Swap Counterparty and/or its affiliates may have entered into and may from time to time enter into business transactions with any Corporate Bond Obligor, the Swap Counterparty and/or its affiliates at any time may or may not hold obligations of or have any business relationship with any Corporate Bond Obligor.

No Representations

None of the Issuer, any of the Programme Parties or any of their respective affiliates will have made any investigation of, or makes any representation or warranty, express or implied, as to any Corporate Bond Obligor (including, without limitation, with regard to its financial condition or

creditworthiness), any Charged Assets or any Pari Passu Debt or any information contained in any documents provided by any Corporate Bond Obligor to any of them or to any other person or filed by any Corporate Bond Obligor with any exchange or with any governmental entity regulating the offer and sale of securities.

In particular, none of the Issuer, any of the Programme Parties or any of their respective affiliates will have made any investigation of, or makes any representation or warranty, express or implied, as to:

- (1) the existence or financial or other condition of any Corporate Bond Obligor; or
- (2) whether the Corporate Bonds constitute legal, valid and binding obligations of any Corporate Bond Obligor.

Conflicts of Interest

The Issuer, the Programme Parties and any of their respective affiliates may deal in any obligation, including the Charged Assets, any other Pari Passu Debt and other obligations of any Corporate Bond Obligor, and may accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking or other business with any Corporate Bond Obligor and any other person or entity having obligations relating to any Corporate Bond Obligor and may act with respect to such business in the same manner as if any Notes issued hereunder did not exist, regardless of whether any such action might have an adverse effect (including, without limitation, any action which might give rise to an event of default or Bond Event of Default) on any Corporate Bond Obligor. Various potential and actual conflicts of interest may arise between the interests of the Noteholders, on the one hand, and some or all of the Issuer, the Programme Parties and any of their respective affiliates, on the other hand. None of the Issuer, the Programme Parties nor any of their respective affiliates is required to resolve such conflicts of interest in favour of the Noteholders and may pursue actions and take such steps that it deems necessary or appropriate to protect its interests without regard to the consequences for the Noteholders. In particular, the interests of the Swap Counterparty may be adverse to those of the Noteholders. The terms of the Notes and the Charged Agreement provide the Swap Counterparty with certain discretions which it may exercise without any regard for the interests of the Noteholders.

Provision of Information

The Issuer, the Programme Parties and any of their respective affiliates, whether by virtue of the types of relationships described herein or otherwise, may possess information in relation to any Corporate Bond Obligor and any Pari Passu Debt that is or may be material in the context of these Notes and that may or may not be publicly available or known. The Notes will not create any obligation on the part of any of the Issuer, the Programme Parties and any of their respective affiliates to disclose any such relationship or information (whether or not confidential). None of the Issuer, the Programme Parties or any of their respective affiliates makes any representation as to the credit quality of the Charged Assets, any other Pari Passu Debt or any Corporate Bond Obligor.

Legal Opinions

Whilst legal opinions relating to the issue of the Notes will be obtained by the Arranger, the Dealer and the Trustee with respect to English law and Cayman Islands law, it is not intended that legal opinions be obtained with respect to the laws governing the Corporate Bonds in the context of the validity, enforceability or binding nature of the Corporate Bonds as against any Corporate Bond Obligor.

No Fiduciary Role

None of the Issuer, any of the Programme Parties or any of their respective affiliates is acting as an investment adviser, and none of them (other than the Trustee) assumes any fiduciary obligation, to any purchaser of Notes.

None of the Issuer or any of the Programme Parties assumes any responsibility for conducting or failing to conduct any investigation into the business, financial condition, prospects, creditworthiness, status and/or affairs of the any Corporate Bond Obligor, any Pari Passu Debt or the terms thereof or of any Swap Counterparty or the terms of the Charged Agreement.

None of such parties makes any representation or warranty, express or implied, as to any of such matters nor as to the legal, valid and binding effect of the terms of the Charged Assets or of the Charged Agreement.

THE RISK FACTORS ABOVE DO NOT DISCLOSE ALL THE RISKS AND OTHER SIGNIFICANT CONSIDERATIONS IN CONNECTION WITH A PURCHASE OF THE NOTES, INCLUDING ANY APPLICABLE LEGAL, TAX AND ACCOUNTING CONSIDERATIONS.

Investors should consult their own tax advisors regarding whether the purchase of the Notes, either alone or in conjunction with an investor's other activities, may subject a holder to any state or local taxes based, for example, on an assertion that the investor is either "doing business" in, or deriving income from a source located in, any state or local jurisdiction. If the rating assigned by Moody’s or S&P to the Negotiable Debt Obligations held as Eligible Credit Support falls below the minimum rating requirements imposed under the definition of “Eligible Credit Support” in Paragraph 11(b)(ii) (the “**Affected Credit Support**”), then the party that holds the Affected Credit Support shall be entitled to demand (by telephonic notice, facsimile transmission, in writing or by electronic messaging system or email) the further transfer to it of substitute Eligible Credit Support in exchange for the Affected Credit Support (such substitute

Eligible Credit Support to be of equal value to the Affected Credit Support, in the determination of the Valuation Agent).

The party obligated to provide substitute Eligible Credit Support shall make such transfer on the first Local Business Day following the date on which it receives such notice. The party demanding such transfer will only be obligated to return the Affected Credit Support after receiving the substitute Eligible Credit Support.

(ii) the reference to “(ii)” in the sixth line thereof shall be amended to “(iii)”; and

SCHEDULE

to the 2002 Master Agreement
published by the
International Swaps and Derivatives Association, Inc. ("ISDA")

Dated: the date specified in the
Constituting Instrument
relating to the Notes referred to
in such Constituting Instrument

between

the Swap Counterparty

("Party A")

and

the Issuer

("Party B")

In respect of each Constituting Instrument entered into by the parties thereto (the "**Constituting Instrument**") and the Series of Notes constituted thereby (the "**Notes**"), Party A and Party B are deemed to have entered into an agreement (the "**Agreement**") in the form of the 2002 ISDA Master Agreement relating to the Charged Agreement entered into by Party A and Party B in respect of such Series of Notes, and such Agreement is deemed to be incorporated into this Agreement *in extenso* as amended by the following schedule which shall take effect as if it was the Schedule to such Agreement.

**SCHEDULE TO THE AGREEMENT
IN RESPECT OF THE SERIES OF NOTES
CONSTITUTED BY THE CONSTITUTING INSTRUMENT**

This Schedule is the Schedule to the Agreement referenced on the preceding page. For the avoidance of doubt, the Agreement and this Schedule relate solely to the Charged Agreement entered into between Party A and Party B in respect the Notes constituted by the Constituting Instrument referenced on the preceding page.

In this Schedule **“Notes”** means the Notes of the relevant Series constituted by the relevant Constituting Instrument and **“Charged Assets”** and **“Noteholders”** bear the meaning ascribed thereto in the Conditions of the Notes of the relevant Series.

This Agreement shall not be construed in any circumstances to form a single agreement with two or more Confirmations together unless specific provision to that effect is made in the relevant Confirmation(s) and/or Constituting Instrument. It is understood that the parties would not otherwise enter into any Transaction or Transactions. References to this **“Agreement”** in respect of a Transaction or Transactions mean this document together with the Confirmation(s) relating to that Transaction or Transactions. The terms and provisions of the Agreement in all instances shall be read and construed so as to give effect to the foregoing.

Each Charged Agreement shall be constituted by the Agreement and a Confirmation or Confirmations evidencing the Transaction or Transactions to be outstanding thereunder (the **“Transaction”** or **“Transactions”**), each such Confirmation constituting a Confirmation for the purposes of the relevant Agreement.

Notwithstanding anything to the contrary in this Agreement, in respect of a Series of Notes, each Agreement, each relevant Confirmation and each Transaction shall form a single agreement with respect to that Series of Notes. **“Transaction”**, **“Transactions”** and **“Agreement”** shall be interpreted accordingly and no other Agreements and no other Confirmations and Transactions in respect of any other Series of Notes shall be subject to, governed by or made part of such Agreement.

If, in respect of a Series of Notes, the Constituting Instrument therefor provides that Party A and Party B are parties to a Credit Support Annex (Bilateral Form – Transfer) governed by English law (**“Credit Support Annex”**) in respect of such Series of Notes, then the Transaction evidenced by such Credit Support Annex shall be a Transaction subject to, governed by and made part of the Agreement in respect of such Series of Notes.

1. **Termination Provisions**

In this Agreement:

1.1 **"Specified Entity"**: means in relation to Party A for the purpose of:

Section 5(a)(v), Not Applicable
Section 5(a)(vi), Not Applicable

1.3 **"Cross Default"**: the provisions of Section 5(a)(vi) will not apply to either Party A or Party B.

1.4 **"Credit Event Upon Merger"**: the provisions of Section 5(b)(v) will not apply to either Party A or Party B.

1.6 **Payments on Early Termination**. Section 6(e) of this Agreement will apply.

1.7 **"Termination Currency"**: means the currency in which the Notes are denominated.

1.8 **"Affected Transactions"**: If there is more than one Transaction outstanding under the Agreement in relation to a Series of Notes and an Early Termination Date is designated or deemed to occur in respect of any one Transaction under the Agreement in relation to a Series of Notes, all Transactions shall be Affected Transactions in respect of such Agreement and Series of Notes.

1.9 **"Additional Termination Event"** will apply as follows:

- (1) If at any time the Notes become repayable in full prior to the maturity date thereof in accordance with the Conditions thereof an Additional Termination Event will be deemed to have occurred; or
- (2) If at any time the Transaction is required to be terminated in part pursuant to any of Paragraphs 1.10 or 1.11 below, an Additional Termination Event will be deemed to have occurred, but only with respect to that part of the Transaction which terminates pursuant to such paragraph; or
- (3) If the event specified in Paragraph 1.12 occurs in relation to the Notes an Additional Termination Event will be deemed to have occurred.

For the purposes of the foregoing Additional Termination Events the Affected Party shall be Party B.

1.10 If some (but not all) of the Notes are to be redeemed by Party B pursuant to Condition 7(g) (*Redemption at the option of the Noteholders or the Issuer*) of the Notes (and subject,

where applicable, to the prior payment in respect of and/or delivery of such relevant proportion of the Charged Assets to the Swap Counterparty as is required to fund the Issuer Optional Redemption Amount) then:

- (A) the obligations of Party B to make payment or delivery to Party A in respect of each Transaction outstanding under the Agreement after the date of such redemption shall be terminated:
 - (1) in the event that there are Charged Assets in relation to the Series of Notes, to the extent and in the amounts that are equivalent to the amounts which would have been received by Party B on the Charged Assets to be released from the security granted in favour of the Trustee by or pursuant to the Constituting Instrument and, if applicable, any Additional Charging Instrument consequent upon such redemption; or
 - (2) in the event that there are no Charged Assets in relation to the Series of Notes, to the extent and in the amounts that are equivalent to the amounts which would have been payable on the Notes so redeemed; and
- (B) Party A's obligations to make payment or delivery to Party B in respect of each Transaction outstanding under the Agreement after such date shall be terminated to the extent and in the amounts that are equivalent to the amounts which would have been payable on the Notes so redeemed.

1.11 If Party A receives a notice that some or all of the Notes are to be purchased by Party B pursuant to Condition 7(h) (*Purchase*) of the Notes having given its consent to such purchase in accordance with such Condition (and subject, where applicable, to the prior payment in respect of and/or delivery of such relevant proportion of the Charged Assets to the Swap Counterparty as is required to fund the relevant early Redemption Amount or Issuer Optional Redemption Amount, as the case may be) then:

- (A) the obligations of Party B to make payment or delivery to Party A in respect of each Transaction outstanding under the Agreement after the date of such purchase shall be terminated:
 - (1) in the event that there are Charged Assets in relation to the Series of Notes, to the extent and in the amounts that are equivalent to the amounts which would have been received by Party B on the Charged Assets to be released from the security granted in favour of the Trustee by or pursuant to the Constituting Instrument and, if applicable, any Additional Charging Instrument consequent upon such purchase; or
 - (2) in the event that there are no Charged Assets in relation to the Series of Notes, to the extent and in the amounts that are equivalent to the amounts which would have been payable on the Notes so purchased; and
- (B) Party A's obligations to make payment or delivery to Party B in respect of each Transaction outstanding under the Agreement after such date shall be terminated to the extent and in the amounts that are equivalent to the amounts which would have been payable on the Notes so purchased.

1.12 If Party A receives a notice that the Notes are to be exchanged for Notes of a New Series pursuant to Condition 7(i) (*Exchange of Series*) of the Notes having given its consent to such purchase in accordance with such Condition, then the obligation of each of Party A and Party B to make payment or delivery to the other party in respect of each Transaction outstanding under the Agreement after the date of such exchange shall be terminated in full.

- 1.13 (A) If either party notifies the other that a party will, or there is a substantial likelihood that it will, in respect of any payment due from it to the other party under this Agreement, be required to make a deduction or withholding on account of FATCA (as defined in Part 2), an Additional Termination Event will be deemed to have occurred.
- (B) Without prejudice to the generality of the foregoing, for the purposes of this Additional Termination Event, if on the date falling 60 days prior to the earliest date on which withholding on account of FATCA could (in Party A's determination) apply to payments due from Party A to Party B under this Agreement (other than interest under Section 9(h) of this Agreement) (such 60th day prior being the "**FATCA Test Date**") Party B is a "nonparticipating foreign financial institution" (as such term is used under section 1471 of the U.S. Internal Revenue Code or in any regulations or guidance thereunder), there will on the FATCA Test Date be deemed to be a substantial likelihood that Party A will be required to make a deduction or withholding on account of FATCA and therefore, this Additional Termination Event will have occurred on the FATCA Test Date.
- 1.14 On receiving a notice referred to in Paragraph 1.10, 1.11, 1.12 or 1.13 above Party A will calculate the amount owing hereunder to it as a result of such termination or by it as a result of such termination, unless the Confirmation in relation to any Transaction so terminated in whole or in part expressly provides otherwise. Amounts due from Party A to Party B or from Party B to Party A, as the case may be, will be made to the account of the relevant party specified in the Confirmation. All such payments will be made on the date specified in such notice or, in the case of Paragraph 1.10 above, on the due date of redemption of the Notes in question or, in the case of Paragraph 1.12 above, on the date of cancellation of the Notes and issue of the Notes of the New Series.
- 1.15 Separate Agreements: Section 1(c) shall be deleted and replaced with the following:
- "Notwithstanding anything to the contrary in this Agreement, in respect of a Series of Notes, each Agreement, each relevant Confirmation and each Transaction shall form a single agreement with respect to that Series of Notes. "**Transaction**", "**Transactions**" and "**Agreement**" shall be interpreted accordingly and no other Agreements and no other Confirmations and Transactions in respect of any other Series of Notes shall be subject to, governed by or made part of such Agreement.

This Agreement shall not be construed in any circumstances to form a single agreement with two or more Confirmations together unless specific provision to that effect is made in the relevant Confirmation and/or Constituting Instrument. It is understood that the parties would not otherwise enter into any Transaction or Transactions.
