This Prospectus has been approved by the Central Bank of Ireland (the “**Central Bank**”), as competent authority under Directive 2003/71/EC, which expression shall include any amendments thereto, including Directive 2010/73/EU (the “**2010 PD Amending Directive**”) (the “**Prospectus Directive**”). The Central Bank only approves this Prospectus as meeting the requirements imposed under Irish and EU law pursuant to the Prospectus Directive. This document constitutes a Prospectus for the purposes of the Prospectus Directive. Application has been made to the Irish Stock Exchange for the Notes to be admitted to the official list (the “**Official List**”) and trading on its regulated market which is a regulated market for the purposes of Directive 2004/39/EC.

The Notes and the Coupons relating to them will constitute unsecured obligations of the Issuer and will at all times rank pari passu and without any preference among themselves and at least pari passu with all senior, unsecured and unsubordinated obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application. Atlantia (in such capacity, the “**Guarantor**”) has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer until the Guarantee Expiry Date (as defined below) (the “**Guarantee**”). The Guarantee will constitute a direct, unsecured obligation of Atlantia ranking at least pari passu with all senior unsecured and unsubordinated obligations of Atlantia, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

The Notes bear interest at a rate of 3.750 per cent. per annum. Interest on the Notes is payable annually in arrear on 9 June in each year. Payments on the Notes will be made in euro without deduction for or on account of taxes imposed or levied by the Republic of Italy to the extent described under “Terms and Conditions of the Notes – Taxation”.

Any capitalised terms used but not defined in this Prospectus shall have the meanings given to them in the Offering Circular as defined below.

Investing in Notes involves certain risks. For a discussion of these see the section entitled “Risk Factors” beginning on page 1.

The Notes have been offered outside the United States in accordance with Regulation S under the Securities Act (“**Regulation S**”), and may not be offered, sold, pledged or otherwise transferred in the United States or to U.S. persons (as defined in Regulation S) except in a transaction that is exempt from the registration requirements of the Securities Act and in compliance with any applicable state securities laws.

The Notes are in bearer form and in denominations of €100,000 and integral multiples of €1,000 in excess thereof up to and including €199,000 and are in the form of a permanent global note (the “**Permanent Global Note**”), without interest coupons, which was deposited on or around the Issue Date with a common safekeeper (the “**Common Safekeeper**”) for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**” and, together with Euroclear, the “**Clearing Systems**”). The Permanent Global Note (also the “**Global Note**”) was issued in new global note (“**NGN**”) form. Ownership of the beneficial interests in the Notes will be shown on, and transfers thereof will be effected through, records maintained in book-entry form by the Clearing Systems and their respective participants.

Autostrade Italia’s long-term debt is rated BBB+ by Standard & Poor’s Credit Market Services Europe Limited (“**S&P**”), A- by Fitch Italia S.p.A. (“**Fitch**”) and Baa1 by Moody’s Investors Service Ltd (“**Moody’s**”). Each of Moody’s, S&P and Fitch is established in the European Union and registered under Regulation (EC) No.1060/2009 (as amended) (the “**CRA Regulation**”) and as such is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. **A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, supervision or withdrawal at any time by the assigning rating organization.**

Each investor must comply with all applicable laws and regulations in each country or jurisdiction in or from which the investor purchases, offers, sells or delivers the Notes or has in the investor’s possession or distributes this Prospectus, including the accompanying Issue Terms.

FORWARD-LOOKING STATEMENTS

All statements other than statements of historical fact included in this Prospectus regarding the Group's business financial condition, results of operations and certain of the Group's plans, objectives, assumptions, expectations or beliefs with respect to these items and statements regarding other future events or prospects are forward-looking statements. These statements include, without limitation, those concerning: the Group's strategy and the Group's ability to achieve it; expectations regarding revenues, profitability and growth; plans for the launch of new services; the Group's possible or assumed future results of operations; research and development, capital expenditure and investment plans; adequacy of capital; and financing plans. The words "aim", "may", "will", "expect", "anticipate", "believe", "future", "continue", "help", "estimate", "plan", "intend", "should", "could", "would", "shall" or the negative or other variations thereof as well as other statements regarding matters that are not historical fact, are or may constitute forward-looking statements. In addition, this Prospectus includes forward-looking statements relating to the Group's potential exposure to various types of market risks, such as foreign exchange rate risk, interest rate risks and other risks related to financial assets and liabilities. These forward-looking statements have been based on the Group's management's current view with respect to future events and financial performance. These views reflect the best judgment of the Group's management but involve a number of risks and uncertainties which could cause actual results to differ materially from those predicted in such forward-looking statements and from past results, performance or achievements. Although the Group believes that the estimates reflected in the forward-looking statements are reasonable, such estimates may prove to be incorrect. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by these forward-thinking statements. Prospective investors are cautioned not to place undue reliance on these forward-looking statements. Neither the Issuer nor the Group undertakes any obligation to republish revised forward-looking statements to reflect events or circumstances after the date hereof. Prospective purchasers are also urged carefully to review and consider the various disclosures made by the Issuer, the Guarantor and the Group in this Prospectus which attempt to advise interested parties of the factors that affect the Issuer, the Guarantor, the Group and their business, including the disclosures made under "*Risk Factors*" and "*Business Description of the Group*".

Neither the Issuer nor the Guarantor intends to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. All subsequent written or oral forward-looking statements attributable to the Issuer or the Guarantor or persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained throughout this Prospectus. As a result of these risks, uncertainties and assumptions, investors should not place undue reliance on these forward-looking statements as a prediction of actual results or otherwise.

INDUSTRY AND MARKET DATA

Information regarding markets, market size, market share, market position, growth rates and other industry data pertaining to the Group's business contained in this Prospectus consists of estimates based on data reports compiled by professional organisations and analysts, on data from other external sources, and on the Group's knowledge of its sales and markets. In many cases, there is no readily available external information (whether from trade associations, government bodies or other organisations) to validate market-related analyses and estimates, requiring the Group to rely on internally developed estimates. The Group has compiled, extracted and correctly reproduced market or other industry data, and information taken from external sources, including third parties or industry or general publications, has been identified where used and accurately reproduced and as far as the Issuer and the Guarantor are aware and are able to ascertain from information published by those external sources, no facts have been omitted which would render the reproduced information inaccurate or misleading.

NON-IFRS FINANCIAL MEASURES

This Prospectus incorporates by reference certain parts of the Atlantia Base Prospectus (as defined in “*Information incorporated by reference*”) which contain references to EBITDA. In the Guarantor’s financial statements, EBITDA is calculated as operating profit, plus impairment losses on assets and reversals of impairment losses, amortisation, depreciation, and provisions and other adjustments. EBITDA is not a measurement of performance under IFRS and should not be considered by prospective investors as an alternative to (a) net profit/(loss) as a measure of the Guarantor’s operating performance, (b) cash flows from operating, investing and financing activities as a measure of the Guarantor’s ability to meet its cash needs or (c) any other measure of performance under IFRS.

It should be noted that these non-IFRS financial measures are not recognised as a measure of performance under IFRS and should not be recognised as an alternative to operating income or net income or any other performance measures recognised as being in accordance with IFRS or any other generally accepted accounting principles. These non-IFRS financial measures are used by management to monitor the underlying performance of the business and operations but are not indicative of the historical operating results of the Guarantor, nor are they meant to be predictive of future results. Since all companies do not calculate these measures in an identical manner, the Guarantor’s presentation may not be consistent with similar measures used by other companies. Therefore, undue reliance should not be placed on any such data.

RISK FACTORS

In purchasing Notes, investors assume the risk that the Issuer and the Guarantor may become insolvent or otherwise be unable to make all payments due in respect of the Notes and the Guarantee. There is a wide range of factors which individually or together could result in the Issuer and the Guarantor becoming unable to make all payments due in respect of the Notes and the Guarantee. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer and the Guarantor may not be aware of all relevant factors and certain factors which they currently deem not to be material may become material as a result of the occurrence of events outside the Issuer's and the Guarantor's control. The Issuer and the Guarantor believe that the following factors could materially adversely affect their business and ability to make payments due under the Notes and the Guarantee. Most of these factors are contingencies which may or may not occur and the Issuer and the Guarantor are not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below.

Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision.

Words and expressions defined elsewhere in this Prospectus have the same meaning in this section. Prospective Noteholders should read the entire Prospectus.

Risks relating to the Business of the Group

For purposes of this Prospectus only, the Risks relating to the Business of the Group are set out under the heading “*Risks relating to the Business of the Group*” on pages 1 to 9 in the section entitled “*Risk Factors*” in the Offering Circular, which has been incorporated by reference into this Prospectus.

Risks relating to an Investment in the Notes

For purposes of this Prospectus only, save as provided below, the risks relating to investments in the Notes are set out under the heading “*Risks Relating to an Investment in the Notes*” on pages 10 to 12 in the section entitled “*Risk Factors*” in the Offering Circular, which has been incorporated by reference into this Prospectus.

For purposes of this Prospectus only, the risk entitled “*The Issuer has guaranteed several series of notes issued by Atlantia pursuant to Atlantia's separate Euro Medium Term Note Programme, which may be transferred to the Issuer as part of a planned reorganisation of the Atlantia Group's debt, and has borrowed the proceeds under intercompany loans*” on pages 11 and 12 of the Offering Circular shall be deleted in its entirety.

Risks related to the Notes generally

For purposes of this Prospectus only, the risks relating to the Notes generally set out under the heading “*Risks related to the Notes generally*” on pages 12 to 17 in the section entitled “*Risk Factors*” in the Offering Circular shall be deleted in their entirety and replaced with the following risks.

“The Notes are fixed rate securities and are vulnerable to fluctuations in market interest rates

*The Notes carry fixed interest. A holder of a security with a fixed interest rate is exposed to the risk that the price of such security falls as a result of changes in the current interest rate on the capital markets (the “**Market Interest Rate**”). While the nominal interest rate of a security with a fixed interest rate is fixed during the life of such security or during a certain period of time, the Market Interest Rate typically changes on a daily basis. As the Market Interest Rate changes, the price of such security moves in the opposite direction. If the Market Interest Rate increases, the price of such security typically falls whereas, if the Market Interest Rate falls, its price typically increases, in each case until the yield of such security is approximately equal to the Market Interest Rate. Investors should be aware that movements of the Market Interest Rate could adversely affect the market price of the Notes.*

The Notes may not be a suitable investment for all Noteholders.

Each potential Noteholder must determine the suitability of that investment in the light of its own circumstances. In particular, each potential Noteholder should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;*
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;*
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential Noteholder's currency;*
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and*
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.*

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential Noteholder should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential Noteholder's overall investment portfolio.

There are no limitations to the Issuer's or the Guarantor's incurrence of additional debt in the future.

The Issuer and the Guarantor are not prohibited from issuing, providing guarantees or otherwise incurring further debt ranking pari passu with their existing obligations and any future obligations arising under the Notes.

The Notes do not contain covenants governing the Group's operations and do not limit its ability to merge, effect asset sales or otherwise effect significant transactions that may have a material and adverse effect on the Notes and the holders thereof.

The Notes do not contain covenants governing the Group's operations and do not limit its ability to enter into a merger, asset sale or other significant transaction that could materially alter its existence, jurisdiction of organisation or regulatory regime and/or its composition and its business. In the event the Group was to enter into such a transaction, Noteholders could be materially and adversely affected.

The Issuer may amend the economic terms and conditions of the Notes without the prior consent of all holders of such Notes.

The Trust Deed and the Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders, including Noteholders who did not attend and vote at the relevant meeting, and Noteholders who voted in a manner contrary to the majority. Any such amendment to the Notes may include, without limitation, lowering the ranking of the Notes, reducing the amount of principal and interest payable on the Notes, changing the time and manner of payment, changing provisions relating to redemption, limiting remedies on the Notes, and changing the amendment provisions. These and other changes may adversely impact Noteholders' rights and may adversely impact the market value of the Notes.

The Conditions also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Trust Deed or (ii) the substitution of another company as principal debtor under any Notes in place of the Issuer, in the circumstances described in Condition 11 of the Terms and Conditions of the Notes.

Risk connected with the possibility of changes to the tax regime of the Notes.

It is not possible to predict whether the tax regime applicable on interest and on other income, including capital gains, deriving from the Notes, will undergo changes during the life of such Notes; therefore it cannot be ruled out that, in the event of such changes, the net values indicated may alter, perhaps significantly, from those that actually apply to the Notes at the various payment dates.

Any greater fiscal charges on profits or on capital gains in connection with the Notes, with reference to those payable under the applicable tax regulations, following legislative or regulatory changes, or as a result of a change of practice in terms of interpretation of the rules by the financial administration, will consequently mean a reduction in the return on the Notes, net of the tax charge, and this will not result in any obligation of the Issuer to pay the Noteholders any additional sum by way of compensation for such greater tax burden.

Tax law in Italy may restrict the deductibility of all or a portion of the interest expenses of the Issuer or the Group's indebtedness, including interest expenses in respect of the Notes.

Article 96 of Decree No. 917 of 22 December 1986 (“**Decree 917**”) outlines the general rules on deductibility of interest expenses for Italian corporate income tax purposes. Specifically, subject to certain exceptions, such rules allow for the full tax deductibility of interest expenses and assimilated costs (collectively “**Interest Expenses**”) incurred by an Italian tax resident company in each fiscal year up to the amount of the interest income and assimilated proceeds (collectively “**Interest Income**”) accrued in the same fiscal year, as evidenced by the relevant annual financial statements. Any excess interest expense over that amount is deductible up to 30 per cent. of the gross operating income (i.e. earnings before interest, taxes, depreciation and amortization, EBITDA; or “**ROL**”) derived through the core business of the company. If, in a fiscal year, there is an excess of 30% ROL over the net Interest Expenses, the excess may be carried forward without limitation and may be used to increase the relevant ROL threshold in the following fiscal years. Interest Expenses not deducted in a fiscal year can be carried forward to the following fiscal years, provided that, in such fiscal years, the amount by which Interest Expenses exceeds Interest Income is lower than 30% of ROL. In case a resident company is part of a domestic fiscal unit (tax consolidation), Interest Expenses that cannot be deducted at stand-alone level by an entity belonging to the fiscal unit due to a lack of sufficient ROL can be deducted at the fiscal unit level to the extent of the excess ROL of other companies belonging to the same fiscal unit. Under Article 4 of Legislative Decree No. 147 of 14 September 2015, published in the Official Gazette No. 220 of 22 September 2015 (“**Internationalisation Decree**”), starting from 1 January 2016 ROL of non-resident controlled companies is no longer taken into account for interest deduction purposes. Under certain conditions, however, dividends paid by non-resident controlled companies to their Italian parent companies will increase the ROL of the Italian receiving companies.

Any future changes in Italian tax laws or in their interpretation (including any future limitation on the use of the ROL of the Issuer and its subsidiaries or changes in the tax treatment of Interest Expenses arising from any indebtedness incurred by the Issuer and its subsidiaries, including in respect of the Notes), the failure to satisfy the applicable Italian legal requirements relating to the deductibility of Interest Expenses incurred in respect of the Notes or the application by the Italian tax authorities of certain existing interpretations of Italian tax law may result in the Issuer or the Group's inability to fully deduct their Interest Expenses in respect of the Notes, which may have a material adverse impact on the Group's business, financial condition, results of operations or prospects.

Change of law.

The Notes are governed by English law in effect as at the date of this Prospectus (save for mandatory provisions of Italian law in certain cases). No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Prospectus.

The Issuer may redeem the Notes prior to maturity and Noteholders may be unable to reinvest the proceeds of any such redemption in comparable securities.

In the event that the Issuer would be obliged to increase the amounts payable in respect of the Notes due to any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Italy or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions. If the Issuer calls and redeems the Notes in the circumstances mentioned above, the Noteholders may not be able to reinvest the redemption proceeds in comparable securities offering a yield as high as that of the Notes.

Because the Global Notes are held by Euroclear and Clearstream, Luxembourg, Noteholders will have to rely on their procedures for transfer, payment and communication with the Issuer.

The Notes are represented by a Global Note, which has been deposited with a common depositary or a common safekeeper for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the Global Note and the Issue Terms, Noteholders will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by a Global Note, Noteholders will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by a Global Note, the Issuer will discharge its payment obligations under the Notes by making payments to the common depositary or common safekeeper for Euroclear and Clearstream, Luxembourg for distribution to their account holders. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Note. A holder of a beneficial interest in the Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Notes. The Issuer cannot assure holders that the procedures of Euroclear and Clearstream, Luxembourg will be adequate to ensure that holders receive payments in a timely manner. A holder of beneficial interests in the Global Note will not have a direct right to vote in respect of the Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

Payments under the Notes may be subject to withholding tax pursuant to the U.S. Foreign Account Tax Compliance Act.

With respect to (i) Notes issued after the date that is six months after the date the term “foreign passthru payment” is defined in regulations published in the U.S. Federal Register (the “Grandfather Date”), or (ii) Notes issued on or before the Grandfather Date that are materially modified after the Grandfather Date, the Issuer may, under certain circumstances, be required pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (“FATCA”) to withhold U.S. tax at a rate of 30% on all or a portion of payments of principal and interest which are treated as “foreign passthru payments” made on or after the later of 1 January 2019, or the date of publication in the Federal Register of final regulations defining the term “foreign passthru payment”, to an investor or a non-U.S. financial institution that is not in compliance with FATCA and through which payment on the Notes is made. As of the date of this Prospectus, regulations defining the term “foreign passthru payment” have not been published. If the Issuer issues further Notes on or after the Grandfather Date pursuant to a reopening of a Series of Notes that was created on or before the Grandfather Date (the “original Notes”) and such further Notes are not fungible with the original Notes for U.S. federal income tax purposes, payments on such further Notes may be subject to withholding under FATCA and, should the original Notes and the further Notes be indistinguishable for non-tax purposes, payments on the original Notes may also become subject to withholding under FATCA. The FATCA withholding tax may be triggered if: (i) the Issuer is a foreign financial institution (an “FFI”, as defined in FATCA), (ii) the Issuer, or any paying agent through which payments on the Notes are made, has agreed to provide the U.S. Internal Revenue Service (the “IRS”) or other applicable authority with certain information on its account holders (making the Issuer or such paying agent a “Participating FFI”, as defined in FATCA) and (iii)(a) an investor does not provide information sufficient for the Participating FFI that is making the payment to determine whether the investor is a

U.S. person or should otherwise be treated as holding a “United States Account” of such FFI, or (b) any FFI through or to which payments on the Notes are made is not a Participating FFI.

The United States and the Republic of Italy entered into an agreement (the “**US-Italy IGA**”) based largely on the Model 1 IGA, which was ratified in Italy by Law No. 95 of 18 June 2015, published in the Official Gazette No. 155 of 7 July 2015. There are still uncertainties in relation to the application of FATCA. Under the Italian IGA, an entity classified as an FFI that is treated as resident in Italy is expected to provide the Italian tax authorities with certain information on U.S. holders of its securities. Information on U.S. holders will be automatically exchanged with the IRS. The Issuer does not expect to be treated as an FFI or to be required to withhold under FATCA on payments that it makes on securities such as the Notes.

Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

Denominations.

The Notes are issued in denominations consisting of €100,000 or its equivalent plus one or more higher integral multiples of €1,000. It is possible that the Notes may be traded in amounts in excess of €100,000 that are not integral multiples of €100,000. In such a case, a Noteholder who, as a result of trading such amounts, holds a principal amount of less than €100,000 may not receive a definitive Note (should definitive notes be printed) and may need to purchase a principal amount of Notes such that its holding is an integral multiple of €100,000.

If Definitive Notes are issued, Noteholders should be aware that Definitive Notes which have a denomination that is not an integral multiple of €100,000 may be illiquid and difficult to trade.”

Risks related to the market generally

For purposes of this Prospectus only, the risks relating to the market generally set out under the heading “Risks related to the market generally” on pages 17 to 19 in the section entitled “Risk Factors” in the Offering Circular shall be deleted in their entirety and replaced with the following risks.

“No prior market for Notes — if an active trading market does not develop for the Notes, the Notes may not be able to be resold.

There is no existing market for the Notes, and there can be no assurance regarding the future development of a market for the Notes. Although application has been made to list the Notes on the Irish Stock Exchange, no assurance can be made that the Notes will become or remain listed.

No assurance can be made as to the liquidity of any market that may develop for the Notes, the ability of Noteholders to sell the Notes or the price at which Noteholders may be able to sell the Notes. The liquidity of any market for the Notes will depend on the number of Noteholders, prevailing interest rates, the market for similar securities and other factors, including general economic conditions and the Group’s financial condition, performance and prospects, as well as recommendations of securities analysts. As a result, there can be no assurance that an active trading market for the Notes will develop or, if one does develop, that it will be maintained. Illiquidity may have a severely adverse effect on the market value of the Notes.

Fluctuations in exchange rates may adversely affect the value of Notes.

*The Issuer will pay principal and interest on the Notes in the Specified Currency (as defined in the Issue Terms). This presents certain risks relating to currency conversions if a Noteholder’s financial activities are denominated principally in a currency or currency unit (the “**Noteholder’s Currency**”) other than the Specified Currency. These include the risk that there may be a material change in the exchange rate between the Specified Currency and the Noteholder’s Currency or that a modification of exchange controls by the applicable authorities with jurisdiction over the Noteholder’s Currency will be imposed. The Issuer has no control over the factors that generally affect these risks, such as economic, financial*

and political events and the supply and demand for the applicable currencies. Moreover, if payments on the Notes are determined by reference to a formula containing a multiplier or leverage factor, the effect of any change in the exchange rates between the applicable currencies will be magnified. In recent years, exchange rates between certain currencies have been volatile and volatility between such currencies or with other currencies may be expected in the future. An appreciation in the value of the Noteholder's Currency relative to the Specified Currency would decrease (i) the Noteholder's Currency equivalent yield on the Notes, (ii) the Noteholder's Currency equivalent value of the principal payable on the Notes and (iii) the Noteholder's Currency equivalent market value of the Notes. Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, Noteholders may receive less interest or principal than expected, or no interest or principal.

The Notes are not rated and credit ratings may not reflect all risks.

The Notes are not rated, while certain independent credit rating agencies have assigned credit ratings to the Issuer. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. In addition, real or anticipated changes in the Issuer's credit ratings will generally affect the market value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential Noteholder should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

The listing of the Notes may not satisfy the listing requirement of Italian Legislative Decree No. 239 of 1 April 1996.

The substitution of Autostrade Italia for Atlantia as the Issuer of the Notes might be deemed as a new issuance of the Notes for Italian income tax purposes and treated accordingly. There are conflicting views and interpretations in this respect, but there is no publicly available guidance by the Italian tax authorities that is sufficiently clear on this point. If the substitution were deemed as a new issuance of the Notes, it could not be ruled out that this might represent a taxable event (i.e. a deemed sale and repurchase) under Italian Legislative Decree No. 239 of 1 April 1996 ("**Decree 239**") and give potentially rise to the application of the "imposta sostitutiva" on the interest accrued on the Notes (and not paid yet) until the time of substitution.

Moreover, if the substitution were deemed as a new issuance of the Notes, because the shares of Autostrade Italia are not admitted to trading on a regulated market or a multilateral trading facility of an EU Member State or a State that is a party to the Agreement on the European Economic Area and allows an adequate exchange of information with Italy, whether the Notes may be subject to the regime provided under Decree 239 could depend on the admission to trading of such Notes on one of the aforesaid regulated markets or multilateral trading facilities. Application has been made for the Notes to be admitted to trading on the regulated market of the Irish Stock Exchange and to be listed in the Official List of the Irish Stock Exchange. However, such listing may not meet the listing requirements established by Decree 239 and by the Italian tax authorities, which in Circular Letter No. 4/E of 6 March 2013 stated that the listing requirement has to be satisfied upon the Issue Date. If the substitution of Autostrade Italia for Atlantia were deemed as a new issuance of the Notes, the term "upon the Issue Date" should be interpreted as referring to the date on which such substitution becomes legally effective. Considering that there cannot be assurance that the Notes will be listed on the Issue Date, there may be the risk that the Notes may not fall within the scope of, and benefit from, the tax regime set forth in Decree 239. If this were the case, payments of interest, premium and other income with respect to the Notes would be subject to a withholding tax generally at a rate of 26 per cent.

Not all non-Italian investors in the Notes will be able to obtain the benefits of the regime under Decree 239.

The regime provided by Decree 239 applies if certain procedural requirements are met. There can be no assurance that all non-Italian resident investors will be able to claim the application of the withholding tax exemption regime.

Notes may be affected by a proposal relating to Financial Transactions Tax (“FTT”).

On 14 February 2013, the European Commission issued proposals, including a draft Directive (the “Commission’s Proposal”) for a financial transaction tax (“FTT”) to be adopted in certain participating EU member states (including Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia, although Estonia has since stated that it will not participate). If the Commission’s Proposal were adopted, the FTT would be a tax primarily on “financial institutions” in relation to “financial transactions”, which would include the conclusion or modification of derivative contracts and the purchase and sale of financial instruments.

Under the Commission’s Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating EU member states. As a general rule, it would apply where at least one party is a financial institution and at least one party is established in a participating EU member state. A financial institution may be, or be deemed to be, “established” in a participating EU member state in a broad range of circumstances, including (i) by transacting with a person established in a participating EU member state or (ii) where the financial instrument which is subject to the financial transaction is issued in a participating EU member state.

The FTT may give rise to tax liabilities for the Issuer with respect to certain transactions (including concluding swap transactions and/or purchases of securities (such as authorised investments)) if it is adopted based on the Commission’s Proposal. Any such tax liabilities may reduce amounts available to the Issuer to meet its obligations under the Notes and may result in investors receiving less interest or principal than expected. It should also be noted that the FTT could be payable in relation to relevant transactions by investors in respect of the Notes (including secondary market transactions) if the conditions for a charge to arise were satisfied and the FTT were adopted based on the Commission’s Proposal. Primary market transactions referred to in Article 5(c) of Regulation (EC) No 1287/2006 are expected to be exempt.

The FTT proposal, however, remains subject to negotiations between participating EU member states. It may therefore be amended before any implementation, the timing of which remains unclear. Additional EU member states may decide to participate.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.”

BUSINESS DESCRIPTION OF THE GROUP

Recent Developments

For purposes of this Prospectus only, the sub-section entitled “*Issuer Substitution and Transfer*” on pages 64 and 65 of the Offering Circular shall be deleted in their entirety and replaced with the following sub-section:

“Issuer Substitution and Private Notes Amendments

On 8 July 2016, the boards of directors of Autostrade Italia and Atlantia approved a plan to “ring fence” the debt of Autostrade Italia by 2025 via:

- under seven series of notes issued by Atlantia in public syndicated transactions and guaranteed by Autostrade Italia (the “**Public Notes**”), the substitution as issuer of Autostrade Italia in place of Atlantia as the principal debtor, and the provision of a guarantee by Atlantia (the “**Issuer Substitution**”); and*
- under six series of notes issued by Atlantia on a private placement basis and guaranteed by Autostrade Italia (the “**Private Notes**”), the substitution as issuer of Autostrade Italia in place of Atlantia, the provision of a guarantee by Atlantia until 2025 and various amendments to the terms and conditions (the “**Private Notes Amendments**”).*

On 14 December 2016, holders of the Private Notes approved, amongst others, the Private Notes Amendments, including certain amendments to the terms and conditions of the Private Notes to align them with those of the notes issued by Autostrade Italia under the ASPI EMTN Programme, including to the cross default provision. In addition, on 21 December 2016, a supplemental trust deed and a supplemental agency agreement in respect of each series of Public Notes and Private Notes were executed, as a result of which the Issuer Substitution and the Private Notes Amendments were implemented.

Furthermore, on 22 December 2016 Autostrade Italia and Atlantia terminated the intra-group financing arrangements which were initially entered into in relation to the Public Notes and the Private Notes.

As a result of these transactions, after 2025 “ring fencing” will have been achieved because: (i) all of the Public Notes will have matured; (ii) Atlantia will no longer guarantee any of the series of Private Notes; and (iii) the amendments to the terms and conditions of the Private Notes will permit Autostrade Italia to have substantially the same terms and conditions across all series of notes, whether originally issued by Atlantia or Autostrade Italia.

The notes issued by Atlantia and distributed to Italian retail investors in 2012, which are due to mature in 2018, will not be affected by the Issuer Substitution or the Private Notes Amendments.”

TERMS AND CONDITIONS OF THE NOTES

*The terms and conditions of the Notes shall consist of the Master Terms and Conditions of the Notes set out below (the “**Master Terms and Conditions**”) as completed by the terms set out in the issue terms set out below (the “**Issue Terms**”) (the Master Terms and Conditions and the Issue Terms, together, being the “**Terms and Conditions of the Notes**”). Any references to “this document” in the “Issue Terms” section of this Prospectus shall be deemed to refer to the Terms and Conditions of the Notes. References in the Master Terms and Conditions to Final Terms shall be deemed to refer to the Issue Terms set out below.¹*

The Notes are constituted by a trust deed dated 31 October 2012 between Atlantia S.p.A. as issuer² (“**Atlantia**”), Autostrade per l’Italia S.p.A. as guarantor³ (“**Autostrade Italia**”), and BNY Mellon Corporate Trustee Services Limited (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below) (as amended or supplemented from time to time, the “**Trust Deed**”). The Trust Deed was amended and supplemented by a supplemental trust deed dated 21 December 2016 pursuant to which all the rights and obligations of Atlantia as issuer under the Trust Deed were transferred to and assumed by Autostrade Italia (the “**Issuer**”) and all the rights and obligations of Autostrade Italia as guarantor under the Trust Deed were transferred to and assumed by Atlantia (the “**Guarantor**”). These terms and conditions (the “**Conditions**”) include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An agency agreement in relation to the Notes was entered into on 31 October 2012 between Atlantia as issuer, Autostrade Italia as guarantor, the Trustee, The Bank of New York Mellon as initial issuing and paying agent and the other agents named in it (as amended or supplemented from time to time, the “**Agency Agreement**”). The Agency Agreement was amended and supplemented by a supplemental agency agreement dated 21 December 2016 pursuant to which all the rights and obligations of Atlantia as issuer under the Agency Agreement were transferred to and assumed by Autostrade Italia and all the rights and obligations of Autostrade Italia as guarantor under the Agency Agreement were transferred to and assumed by Atlantia. ³ As a result of the Private Notes Amendments (as defined in “*Business Description of the Group – Recent Developments – Issuer Substitution and Private Notes Amendments*”), Atlantia has become the Guarantor of the Notes.

The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Bearer Notes and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

1. **Form, Denomination and Title**

The Notes are issued in bearer form (“**Bearer Notes**”), or in registered form (“**Registered Notes**”) in each case in the Specified Denomination(s) as specified in the applicable Final Terms.

All Registered Notes shall have the same Specified Denomination.

The Notes may be Fixed Rate Notes, Floating Rate Notes, Zero Coupon Notes or a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown in the applicable Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be

issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(b) **Exercise of Options or Partial Redemption in Respect of Registered Notes**

In the case of any redemption of the Notes at the option of the Issuer or Noteholders in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

In this Condition 2(c), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) **Closed Periods**

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(f), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

At any time prior to the Guarantee Expiry Date, the Guarantee shall constitute a direct, unsecured obligation of the Guarantor ranking at least *pari passu* with all senior unsecured and unsubordinated obligations of the Guarantor, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

(c) **Status of Notes**

The Notes constitute “*obbligazioni*” pursuant to Article 2410 et seq. of the Italian Civil Code. The Notes and the Coupons relating to them constitute (subject to Condition 4(a)) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves and at least *pari passu* with all senior, unsecured and unsubordinated obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

The Maximum Amount shall be reduced by the amount of any payments of principal made by the Issuer under the Notes provided that any such reduction will occur on the day falling two years after the day on which the relevant payment was made by the Issuer.

4. **Negative Pledge**

(a) **Negative Pledge**

So long as any of the Notes or Coupons remains outstanding (as defined in the Trust Deed) neither the Issuer nor the Guarantor (at any time prior to the Guarantee Expiry Date) nor any Material Subsidiary shall create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest (“**Security**”) upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt, or any guarantee of or indemnity in respect of any Relevant Debt, except for Permitted Encumbrances (as defined below) unless, at the same time or prior thereto, the Issuer’s obligations under the Notes, Coupons and the Trust Deed or, as the case may be, the Guarantor’s obligations under the Guarantee (at any time prior to the Guarantee Expiry Date) (A) are secured equally and rateably therewith to the satisfaction of the Trustee or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, in each case to the satisfaction of the Trustee or (B) have the benefit of such other security, guarantee,

The amount of interest payable in respect of each Fixed Rate Note for any period for which no Fixed Coupon Amount or Broken Amount is specified shall be calculated in accordance with Condition 5(f) below.

(b) **Interest on Floating Rate Notes**

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) **Rate of Interest for Floating Rate Notes**

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Final Terms.

(A) **ISDA Determination for Floating Rate Notes**

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Final Terms;
- (y) the Designated Maturity is a period specified in the applicable Final Terms;

and

- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) **Screen Rate Determination for Floating Rate Notes**

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (x) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity); or

- (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date;

- (y) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (x)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) above applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Issuer determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Issuer determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Issuer in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the Euro-zone as selected by the Issuer (the “**Principal Financial Centre**”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Issuer determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(c) **Zero Coupon Notes**

Where a Zero Coupon Note is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Zero Coupon Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such Zero Coupon Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(c)(i)).

(d) **Accrual of Interest**

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(e) **Margin, Maximum/Minimum Rates of Interest and Redemption Amounts, Rate Multipliers and Rounding**

(i) If any Margin or Rate Multiplier is specified in the applicable Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.

(ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the applicable Final Terms, then (subject to Condition 6(a)) any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

(iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(f) **Calculations**

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the Calculation Amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods. Where the Specified Denomination of a Note comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(g) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts**

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) **Determination or Calculation by Trustee**

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Period or any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(c) **Early Redemption**

The Early Redemption Amount payable in respect of the Notes (the “**Early Redemption Amount**”) shall be determined as follows.

(i) **Zero Coupon Notes**

(A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to

Condition 6(d) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified in the applicable Final Terms.

- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the applicable Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(d) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the applicable Final Terms.

obligations of the Issuer or the Guarantor hereunder), and (ii) such obligation cannot be avoided by the Issuer (or the Guarantor (at any time prior to the Guarantee Expiry Date), as the case may be) taking commercially reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor (at any time prior to the Guarantee Expiry Date), as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantee (at any time prior to the Guarantee Expiry Date), as the case may be) then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Issuer (or the Guarantor (at any time prior to the Guarantee Expiry Date), as the case may be) stating that the obligation referred to in (i) above cannot be avoided by the Issuer (or the Guarantor (at any time prior to the Guarantee Expiry Date), as the case may be) taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (ii) above in which event it shall be conclusive and binding on all Noteholders and Couponholders.

(e) **Redemption at the Option of Noteholders on the Occurrence of a Put Event**

Prior to the Guarantee Expiry Date, if, at any time while any of the Notes remains outstanding (as defined in the Trust Deed), a Put Event (as defined below) occurs, then, unless at any time the Issuer shall have given a notice under Condition 6(d) in respect of the Notes, in each case expiring prior to the Put Date (as defined below), each Noteholder will, upon the giving of a Put Event Notice (as defined below), have the option to require the Issuer to redeem any Notes it holds on the Put Date at their principal amount, together with interest accrued up to, but excluding, the Put Date.

For the purposes of this Condition 6(e), a “Put Event” occurs if

- (i) the Autostrade Italia Concession or the Single Concession Contract is terminated or revoked in accordance with its terms or for public interest reasons; or
- (ii) a ministerial decree has been enacted granting to another person the Autostrade Italia Concession; or
- (iii) it becomes unlawful for Autostrade Italia to perform any of the material terms of the Autostrade Italia Concession; or
- (iv) the Autostrade Italia Concession is declared by the competent authority to cease before the Maturity Date (as defined in the applicable Final Terms); or

- (vi) the Autostrade Italia Concession is amended in a way which has a Material Adverse Effect (as defined in Condition 10 below).

Promptly upon becoming aware that a Put Event has occurred, and in any event not later than 21 days after the occurrence of the Put Event, the Issuer or the Guarantor shall give notice (a “**Put Event Notice**”) to the Noteholders in accordance with Condition 17, specifying the nature of the Put Event and the procedure for exercising the option contained in this Condition 6(e).

To exercise the option to require the Issuer to redeem a Note under this Condition 6(e), the Noteholder must deliver such Note at the specified office of any Paying Agent, on any day which is a day on which banks are open for business in

London and in the place of the specified office falling within the period (the “**Put Period**”) of 45 days after the date on which a Put Event Notice is given, accompanied by a duly signed and completed Exercise Notice in the form available from each office of the Paying Agents (the “**Exercise Notice**”). The Note must be delivered to the Paying Agent together with all Coupons, if any, appertaining thereto maturing after the date (the “**Put Date**”) being the seventh day after the date of expiry of the Put Period, failing which deduction in respect of such missing unmatured Coupons shall be made in accordance with Condition 7(e). The Paying Agent to which such Note and Exercise Notice are delivered will issue to the Noteholder concerned a non-transferable receipt (a “**Put Option Receipt**”) in respect of the Note so delivered. Payment by the Issuer in respect of any Note so delivered shall be made, if the holder duly specified in the Exercise Notice a bank account to which payment is to be made, by transfer to that bank account on the Put Date, and in every other case, on or after the Put Date against presentation and surrender of such Put Option Receipt at the specified office of any Paying Agent. An Exercise Notice, once given, shall be irrevocable. For the purposes of these Conditions and the Trust Deed, Put Option Receipts issued pursuant to this Condition 6(e) shall be treated as if they were Notes.

(f) **Redemption at the Option of the Issuer and Exercise of Issuer’s Options**

If Call Option (as defined below) is specified in the applicable Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days’ irrevocable notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms) and, on giving not less than 15 days irrevocable notice before the giving of the notice to the Noteholders, to the Issuing and Paying Agent and the Trustee and, in the case of a redemption of Registered Notes, the Registrar, redeem (“**Call Option**”), or exercise any Issuer’s option (as may be described in the applicable Final Terms) in relation to, all or, if so provided in such notice, part of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be, each as specified in the applicable Final Terms. Any such redemption of Notes shall be at their Optional Redemption Amount specified in the applicable Final Terms together with interest accrued to the date fixed for redemption. Any such partial redemption or partial exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the applicable Final Terms and no greater than the maximum nominal amount to be redeemed specified in the applicable Final Terms.

For the purposes of this Condition 6(f) only, the Optional Redemption Amount will either be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms or, if Make-Whole Amount is specified in the applicable Final Terms, an amount which is the higher of:

- (i) 100 per cent. of the principal amount of the Note to be redeemed; or
- (ii) as determined by the Reference Dealers (as defined below), the sum of the then current values of the remaining scheduled payments of principal and interest (not including any interest accrued on the Notes to, but excluding, the Optional Redemption Date) discounted to the Optional Redemption Date on an annual basis (based on the actual number of days elapsed divided by 365 or (in the case of a leap year) by 366) at the Reference Bond Rate (as defined below) plus the Redemption Margin,

plus, in each case, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

As used in this Condition 6(f):

“**Redemption Margin**” shall be as set out in the applicable Final Terms;

“**Reference Bond**” shall be as set out in the applicable Final Terms;

“**Reference Dealers**” shall be as set out in the applicable Final Terms; and

“**Reference Bond Rate**” means with respect to the Reference Dealers and the Optional Redemption Date, the average of the five quotations of the mid-market annual yield to maturity of the Reference Bond or, if the Reference Bond is no longer outstanding, a similar security in the reasonable judgement of the Reference Dealers at 11.00 a.m. London time on the third business day in London preceding the Optional Redemption Date quoted in writing to the Issuer by the Reference Dealers.

All Notes in respect of which any such notice is given under this Condition 6(f) shall be redeemed, or the Issuer’s option shall be exercised, on the date specified in such notice in accordance with this Condition 6(f).

In the case of a partial redemption or a partial exercise of the Issuer’s option, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements. So long as the Notes are listed on the Irish Stock Exchange or any other stock exchange and the rules of the relevant stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published on the Irish Stock Exchange’s website, www.ise.ie, or in a leading newspaper of general circulation as specified by such other stock exchange, a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

Unless the Issuer defaults in payment of the redemption price, from and including any Optional Redemption Date interest will cease to accrue on the Notes called for redemption pursuant to this Condition 6(f).

(g) **Clean-Up Call Option**

If the Clean-up Call Option (defined herein) is specified in the relevant Final Terms as being applicable, in the event that at least 80 per cent. of the initial aggregate principal amount of the Notes has been purchased and cancelled by the Issuer, the Issuer may, at its option (the “**Clean-Up Call Option**”) but subject to having given not less than thirty (30) nor more than sixty (60) days’ notice to the Noteholders, redeem all, but not some only, of the outstanding Notes. Any such redemption of Notes shall be at their Optional Redemption Amount (as specified in the applicable Final Terms) together with interest accrued to the date fixed for redemption.

(h) **Redemption at the Option of Noteholders and Exercise of Noteholders’ Options**

If Put Option (as defined below) is specified in the applicable Final Terms, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days’ notice to the Issuer (or such other notice period as may be specified in the applicable Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount (each as specified in the applicable Final Terms) together with interest accrued to the date fixed for redemption (“**Put Option**”).

To exercise such option or any other Noteholders' option that may be set out in the applicable Final Terms (which must be exercised on an Option Exercise Date) the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(k) **Cancellation**

Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Obligors in respect of any such Notes shall be discharged. Any Notes not so surrendered for cancellation may be reissued or resold.

7. **Payments and Talons**

Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) **Payments Subject to Fiscal Laws**

All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws, regulations and directives to which the Issuer or its Agents may be subject, but without prejudice to the provisions of Condition 8 No commissions or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

Any amount so deducted shall be paid in the manner mentioned above against surrender of

such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Financial Centres” in the applicable Final Terms and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest by or on behalf of the Issuer or the Guarantor (at any time prior to the Guarantee Expiry Date) in respect of the Notes and the Coupons or under the Guarantee (at any time prior to the Guarantee Expiry Date) shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within either Italy (or any jurisdiction of incorporation of any successor of the Issuer or Guarantor (at any time prior to the Guarantee Expiry Date)) or any authority therein or thereof having power to tax (each a “**Relevant Taxing Jurisdiction**”), unless such withholding or deduction is required by law. In that event, the Issuer or, as the case may be, the Guarantor (at any time prior to the Guarantee Expiry Date) shall pay such additional amounts as shall result in receipt by the Noteholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or Coupon (including, for the avoidance of doubt, under the Guarantee (at any time prior to the Guarantee Expiry Date)) presented for payment:

- (a) by or on behalf of a Noteholder or Couponholder who:
 - (i) would have been entitled to avoid such deduction or withholding by making a declaration of non-residence or other similar claim for exemption and did not do so within the prescribed time period and/or in the prescribed manner; or
 - (ii) is liable to such taxes or duties, assessments or governmental charges in respect of such Notes or Coupons by reason of his having some connection with a Relevant Taxing Jurisdiction, other than the mere holding of the Note or Coupon; or
- (b) more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on such thirtieth day; or
- (c) in relation to any payment or deduction on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of 1 April 1996, as amended from time to time, and related regulations which have been or may be enacted; or
- (d) where such withholding or deduction is required pursuant to Italian Presidential Decree No. 600 of 29 September 1973, as amended from time to time; or
- (e) where such withholding or deduction is required pursuant to Italian Law Decree No. 512 of 30 September 1983, converted into Law No. 649 of 25 November 1983, as amended from time to time.

Notwithstanding any other provision of these Conditions, any amounts to be paid on the Notes by or on behalf of the Issuer will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Issuer nor any Agent nor any other person will be required or obliged to pay any additional amounts in respect of FATCA Withholding.

As used in these Conditions, “Relevant Date” in respect of any Note (or relative Certificate) or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment

in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate) or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. **Prescription**

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. **Events of Default**

If any of the following events (“**Events of Default**”) occurs and is continuing the Trustee at its discretion may, and if so requested by holders of at least one-quarter in nominal amount of the Notes then outstanding or if so directed by a Resolution shall, subject in each case to it being indemnified and/or secured and/or prefunded to its satisfaction, give notice to the Issuer and the Guarantor that the Notes are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

(c) **Cross-Default**

(i) any other present or future Indebtedness (other than Project Finance Indebtedness) of the Issuer or the Guarantor (at any time prior to the Guarantee Expiry Date) or any Material Subsidiary becomes due and payable prior to its stated maturity by reason of any event of default (howsoever described), or (ii) any such Indebtedness (other than Project Finance Indebtedness) is not paid when due or, as the case may be, within any applicable grace period, or (iii) the Issuer or the Guarantor (at any time prior to the Guarantee Expiry Date) or any Material Subsidiary fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any Indebtedness (other than Project Finance Indebtedness) provided that the aggregate amount of the relevant Indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this paragraph (c) have occurred equals or exceeds Euro fifty million (€50,000,000) in aggregate principal

amount or its equivalent (as reasonably determined by an investment bank of international repute nominated or approved by the Trustee on the basis of the middle spot rate for the relevant currency against the euro as quoted by any leading bank on the day on which this paragraph operates, which determination shall be binding on all parties); or

(d) **Enforcement Proceedings**

A distress, attachment, execution or other legal process is levied, enforced or sued out on or against all or a material part of the property, assets or revenues of the Issuer or the Guarantor (at any time prior to the Guarantee Expiry Date) or of the Issuer and its Material Subsidiaries taken as a whole (other than in relation to property, assets, receivables or revenues securing Project Finance Indebtedness; and is not discharged or stayed within 180 days); or

(e) **Unsatisfied Judgment**

(k) **Analogous Events**

Any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in sub-paragraphs (d), (e), (f) or (g) above, provided that in the case of paragraph (b) the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Noteholders.

For the purposes of these Conditions:

“**Indebtedness**” means any indebtedness of any person for moneys borrowed or raised.

“**Material Adverse Effect**” means a material adverse effect on or material adverse change in:

- (i) the net worth, assets or business of the Issuer, the Guarantor (at any time prior to the Guarantee Expiry Date) or any Material Subsidiary or the consolidated net worth, assets or business of the Group taken as a whole from that shown in the most recently published financial statements of the relevant members of the Group; or

provided however that (i) in any such reorganisation affecting the Issuer or the Guarantor, the Issuer, Guarantor or any successor corporation or corporations shall assume or maintain (as the case may be) all the obligations under the relevant Notes and the Trust Deed, including the obligation to pay any additional amounts under Condition 8 and in the case of the Guarantor, the obligations arising out of the Guarantee (at any time prior to the Guarantee Expiry Date); and (ii) no Event of Default shall have occurred or if an Event of Default shall have occurred it shall (if capable of remedy) have been cured.

11. **Meetings of Noteholders, Modification, Waiver and Substitution**

(a) **Meetings of Noteholders**

The Trust Deed contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution.

In relation to the convening of meetings, quorums and the majorities required to pass an Extraordinary Resolution, the following provisions shall apply in respect of the Notes but are subject to compliance with mandatory laws, legislation, rules and regulations of Italy and the by-laws of the Issuer in force from time to time and shall be deemed to be amended, replaced and supplemented to the extent that such laws, legislation, rules, regulations and the by-laws of the Issuer are amended at any time while the Notes remain outstanding:

- (i) a meeting of Noteholders may be convened by the directors of the Issuer, the Noteholders' Representative (as defined below) or the Trustee and such parties shall be obliged to do so upon the request in writing of Noteholders holding not less than one twentieth of the aggregate principal amount of the outstanding Notes. If the Issuer defaults in convening such a meeting following such request or requisition by the Noteholders representing not less than one-twentieth of the aggregate principal amount of the Notes outstanding, the same may be convened by decision of the President of the competent court in accordance with article 2367, paragraph 2 of the Italian Civil Code;
- (ii) a meeting of Noteholders will be validly held if (A) there are one or more persons present, being or representing Noteholders holding at least half of the aggregate principal amount of the outstanding Notes, or (B) in the case of a second meeting following adjournment of the first meeting for want of quorum or a further meeting, there are one or more persons present being or representing Noteholders holding more than one third of the aggregate principal amount of the outstanding Notes, *provided, however, that* the Issuer's by-laws may in each case (to the extent permitted under applicable Italian law) provide for a higher quorum; and
- (iii) the majority required to pass an Extraordinary Resolution at any meeting (including any meeting convened following adjournment of the previous meeting for want of quorum) will be (A) in the case of voting at a first meeting, regardless of whether or not voting relates to a Reserved Matter, at least one half of the aggregate principal amount of the outstanding Notes; (B) in the case of voting at a second meeting or at a further meeting: (i) for the purposes of voting on a Reserved Matter, the higher of (a) at least one half of the aggregate principal amount of the outstanding Notes and (b) at least two thirds of the aggregate principal amount of the Notes represented at the Meeting; or (ii) for the purposes of voting on any other matter, at least two thirds of the aggregate principal amount of the Notes represented at the meeting, unless a different majority is required pursuant to Article 2369, paragraphs 3 and 6 of the Italian Civil Code and *provided, however, that* the Issuer's by-laws may from time to time (to the extent permitted under applicable Italian law) require a larger majority.

(b) **Noteholders' Representative**

A representative of the Noteholders (*rappresentante comune*) (the "**Noteholders' Representative**"), subject to applicable provisions of Italian law, may be appointed pursuant to Article 2417 of the Italian Civil Code in order to represent the Noteholders' interests under these Conditions and to give effect to resolutions passed at a meeting of the Noteholders. If the Noteholders' Representative is not appointed by a meeting of such Noteholders, the Noteholders' Representative shall be appointed by a decree of the court where the Issuer has its registered office at the request of one or more Noteholders or at the request of the directors of the Issuer. The Noteholders' Representative shall remain appointed for a maximum period of three years but may

be reappointed again thereafter and shall have the powers and duties set out in Article 2418 of the Italian Civil Code.

(c) **Modification and Waiver**

The Trust Deed contains provisions according to which the Trustee may, without the consent of the holders of the Notes, agree: (i) to any modification of these Conditions, the Agency Agreement or the Trust Deed (other than in respect of a Reserved Matter) which is, in the opinion of the Trustee, not materially prejudicial to the interests of holders of the Notes; and (ii) to any modification of the Notes or the Trust Deed which is, in the opinion of the Trustee, of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the holders of the Notes, authorise or waive any proposed breach or breach of the Notes or the Trust Deed or determine that any Event of Default shall not be treated as such (other than a proposed breach or breach relating to the subject of a Reserved Matter) if, in the opinion of the Trustee, the interests of the holders of the Notes will not be materially prejudiced thereby.

Unless the Trustee agrees otherwise, any such authorisation, waiver or modification shall be notified to the holders of the Notes as soon as practicable thereafter.

(d) **Substitution**

The Trust Deed contains provisions permitting the Trustee to agree in circumstances including, but not limited to circumstances which would constitute a Permitted Reorganisation, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders or the Couponholders, to the substitution of the Issuer's successor in business, transferee or assignee or any subsidiary of the Issuer or its successor in business, transferee or assignee or of the Guarantor or its successor in business, transferee or assignee or any subsidiary of the Guarantor or its successor in business, transferee or assignee in place of the Issuer or the Guarantor, or of any previous substituted company, as principal debtor or guarantor under the Trust Deed and the Notes. In addition, notice of any such substitution shall be given to the Irish Stock Exchange and published in accordance with Condition 17.

(e) **Entitlement of the Trustee**

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences (including but not limited to tax consequences) of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer or the Guarantor any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders, subject to applicable mandatory provisions of Italian law.

12. **Enforcement**

Subject to mandatory provisions of Italian law, at any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or the Guarantor (at any time prior to the Guarantee Expiry Date) or take any action or step as it may think fit to enforce the terms of the Trust Deed, the Notes and the Coupons, but it need not take any such proceedings, action or step unless (a) it shall have been so directed by a Resolution or so requested in writing by Noteholders holding

at least one-quarter in nominal amount of the Notes outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. Subject to mandatory provisions of Italian law (including, without limitation, to Article 2419 of the Italian Civil Code) no Noteholder or Couponholder may proceed directly against the Issuer or the Guarantor (at any time prior to the Guarantee Expiry Date), unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13. **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

14. **Replacement of Notes, Certificates, Coupons and Talons**

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent in Ireland (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

15. **Trustee Protections**

In connection with the exercise, under these Conditions or the Trust Deed, of its functions, rights, powers, trusts, authorities and discretions (including but not limited to any modification, consent, waiver or authorisation), the Trustee shall have regard to the interests of the Noteholders as a class and will not have regard to the consequences of such exercise for individual Noteholders or Couponholders, resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. The Trustee shall not be entitled to require from the Issuer or the Guarantor, nor shall any Noteholders or Couponholders be entitled to claim from the Issuer, the Guarantor or the Trustee, any indemnification or other payment in respect of any consequence (including any tax consequence) for individual Noteholders or Couponholders of any such exercise, subject to applicable mandatory provisions of Italian law.

16. **Further Issues**

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to

it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

17. **Notices**

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and, so long as the Notes are listed on the Irish Stock Exchange, shall be published on the Irish Stock Exchange's website, www.ise.ie.

Notices to the holders of Bearer Notes shall be valid if published so long as the Notes are listed on the Irish Stock Exchange, on the Irish Stock Exchange's website, www.ise.ie.

Notices will also be published by the Issuer (i) on its website and, (ii) to the extent required under mandatory provisions of Italian law, through other appropriate public announcements and/or regulatory filings.

If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

18. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Notes, the Coupons and the Talons under the Contracts (Rights of Third Parties) Act 1999.

19. **Governing Law and Jurisdiction**

(a) **Governing Law**

The Trust Deed, the Agency Agreement, the Guarantee, the Notes, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with the Trust Deed, the Agency Agreement, the Guarantee, the Notes, the Coupons and the Talons, are governed by, and shall be construed in accordance with, English law save for the mandatory provisions of Italian law relating to the meetings of Noteholders and the Noteholders' Representative.

(b) **Jurisdiction**

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Coupons or Talons or the Guarantee and accordingly any legal action or proceedings arising out of or in connection with any Notes, Coupons or Talons or the Guarantee ("**Proceedings**") may be brought in such courts. The Issuer and the Guarantor have in the Trust Deed irrevocably submitted to the jurisdiction of such courts.

(c) **Service of Process**

Each of the Issuer and the Guarantor has irrevocably appointed Law Debenture Corporate Services Ltd. as agent in England to receive, for it and on its behalf, service of process in any Proceedings in England.
