The Wellcome Trust Limited

(incorporated in England and Wales under the Companies Acts 1985 to 1989 with registered number 2711000)

£400,000,000 4 per cent. Bonds due 2059

Issue Price 99.574 per cent

The £400,000,000 4 per cent. Bonds due 2059 (the “Bonds”) will be issued by The Wellcome Trust Limited (the “Issuer”) (in its capacity as trustee of the Wellcome Trust, a charity registered with the Charity Commission for England and Wales with registered charity number 210183 (the “Wellcome Trust”)).

Interest on the Bonds is payable annually in arrear on 9 May in each year. If payments on the Bonds are subject to withholding or deduction for or on account of taxes of the United Kingdom, such payments will be increased to the extent and in the circumstances described under “Terms and Conditions of the Bonds – Taxation”.

The Bonds will mature on 9 May 2059 but may be redeemed before that date at the option of the Issuer (in its capacity as trustee of the Wellcome Trust) in whole but not in part at any time at a redemption price which is equal to the higher of (i) their principal amount and (ii) a price calculated by reference to the yield on the relevant United Kingdom government stock, plus 0.10 per cent., in each case, together with accrued interest. See “Terms and Conditions of the Bonds – Redemption and Purchase”. The Bonds are also subject to redemption in whole but not in part, at their principal amount, together with accrued interest, at the option of the Issuer (in its capacity as trustee of the Wellcome Trust) at any time in the event of certain changes affecting taxes of the United Kingdom. See “Terms and Conditions of the Bonds – Redemption and Purchase”.

This Prospectus has been approved by the Central Bank of Ireland (the “Central Bank”), as competent authority under Directive 2003/71/EC, as amended (including the amendments made by Directive 2010/73/EU) (the “Prospectus Directive”). This Prospectus constitutes a prospectus for the purposes of the Prospectus Directive. The Central Bank only approves this Prospectus as meeting the requirements imposed under Irish and EU law pursuant to the Prospectus Directive. Application has been made to The Irish Stock Exchange Plc (the “Irish Stock Exchange”) for the Bonds to be admitted to its official list (the “Official List”) and trading on the Main Securities Market of the Irish Stock Exchange (the “Market”). References in this Prospectus to Bonds being “listed” (and all related references) shall mean that the Bonds have been admitted to trading on the Market and have been admitted to the Official List. The Market is a regulated market for the purposes of Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments.

The Bonds will initially be represented by a temporary global bond (the “Temporary Global Bond”), without interest coupons or talons, which will be issued in new global note (“NGN”) form as they are intended to be eligible collateral for Eurosystem monetary policy. The Temporary Global Bond will be delivered on or prior to 9 May 2014 to a common safekeeper (the “Common Safekeeper”) for Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”). The Temporary Global Bond will be exchangeable for interests in a permanent global bond (the “Permanent Global Bond” and together with the Temporary Global Bond, the “Global Bonds”), without interest coupons or talons, on or after a date which is expected to be 9 May 2014 upon certification as to non-U.S. beneficial ownership. The Permanent Global Bond will be exchangeable for definitive Bonds in bearer form in the denominations of £100,000 and integral multiples of £1,000 in excess thereof, up to and including £199,000 in the limited circumstances set out in it. No definitive Bonds will be issued with a denomination above £199,000. See “Summary of Provisions relating to the Bonds while in Global Form”.

The Bonds will be rated AAA by Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies Inc. (“Standard & Poor’s”), and Aaa by Moody’s Investors Service Limited (“Moody’s”). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Standard & Poor’s and Moody’s are established in the EU and are registered under Regulation (EC) No 1060/2009.

The Bonds may not be offered, sold or delivered within the United States or to U.S. persons unless the Bonds are registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or an exemption from the registration requirements under the Securities Act is available. The Bonds have not been and will not be registered under the Securities Act and are subject to U.S. tax law requirements. For a further description of certain restrictions on the offering and sale of the Bonds and on distribution of this document, see “Subscription and Sale” below.

Prospective investors should have regard to the factors described under the section headed “Risk Factors” in this Prospectus. This Prospectus does not describe all the risks of an investment in the Bonds.

J.P. Morgan Cazenove

Morgan Stanley

This Prospectus comprises a prospectus for the purposes of Directive 2003/71/EC (the “Prospectus Directive”) and for the purpose of giving information with regard to the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust, the Wellcome Trust and its subsidiaries taken as a whole (the “Group”) and the Bonds which according to the particular nature of the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust, the Group and the Bonds is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust and the Group and of the rights attaching to the Bonds. The Issuer (in its capacity as trustee of the Wellcome Trust) accepts responsibility for the information contained in this Prospectus. To the best of the knowledge and belief of the Issuer (in its capacity as trustee of the Wellcome Trust) (which has taken all reasonable care to ensure that such is the case), the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Prospectus is to be read in conjunction with all the documents which are incorporated herein by reference (see “Documents Incorporated by Reference”). This Prospectus shall be read and construed on the basis that such documents are incorporated in, and form part of, the Prospectus.

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust or the Managers (as defined in “Subscription and Sale” below) to subscribe or purchase any of the Bonds. The distribution of this Prospectus and the offering of the Bonds in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust and the Managers to inform themselves about and to observe any such restrictions. For a description of further restrictions on offers and sales of Bonds and distribution of this Prospectus see “Subscription and Sale” below.

No person is authorised to give any information or to make any representation not contained in this Prospectus and any information or representation not so contained must not be relied upon as having been authorised by or on behalf of the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust or the Managers. Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer (in its capacity as trustee of the Wellcome Trust) or the Wellcome Trust since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer (in its capacity as trustee of the Wellcome Trust) or the Wellcome Trust since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that the information contained in it or any other information supplied in connection with the Bonds is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

To the fullest extent permitted by law, the Managers accept no responsibility whatsoever for the contents of this Prospectus. Each Manager accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus.

In this Prospectus, references to “£”, pounds and “sterling” are to the lawful currency of the United Kingdom.

In connection with the issue of the Bonds, Morgan Stanley & Co. International plc (the “Stabilising Manager”) or any person acting on behalf of the Stabilising Manager may over-allot Bonds or effect transactions with a view to supporting the market price of the Bonds at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager (or any person acting on behalf of the Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Bonds is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager (or any person acting on behalf of the Stabilising Manager) in accordance with all applicable laws and rules.

RISK FACTORS

Prospective investors should consider carefully the risks set forth below and the other information contained in this Prospectus prior to making any investment decision with respect to the Bonds. Each of the risks highlighted below could have a material adverse effect on the business, operations, financial condition or prospects of the Issuer (in its capacity as trustee of the Wellcome Trust) or the Wellcome Trust which, in turn, could have a material adverse effect on the amount of principal and interest which investors will receive in respect of the Bonds. In addition, each of the risks highlighted below could adversely affect the trading price of the Bonds or the rights of investors under the Bonds and, as a result, investors could lose some or all of their investment.

Prospective investors should note that the risks described below are not the only risks the Issuer (in its capacity as trustee of the Wellcome Trust) and the Wellcome Trust face. The Issuer (in its capacity as trustee of the Wellcome Trust) has described only those risks relating to its and the Wellcome Trust's operations that it considers to be material. There may be additional risks that it currently considers not to be material or of which it is not currently aware, and any of these risks could have the effects set forth above.

Risk Factors relating to the Issuer and the Wellcome Trust

Recovery from the Wellcome Trust

If the Issuer (in its capacity as trustee of the Wellcome Trust) were unable to satisfy its obligations under the Bonds, Bondholders would have recourse to the assets of the Wellcome Trust. As the Wellcome Trust is not a separate legal person, the Bonds are issued by the Issuer in its capacity as trustee of the Wellcome Trust.

In accordance with the constitution of the Wellcome Trust, a person ("the creditor") who deals with the Issuer (in its capacity as trustee of the Wellcome Trust) in good faith and for value where the Issuer states that it is acting as trustee of the Wellcome Trust shall, in respect of any liability of the Issuer arising out of such dealing, have unlimited direct recourse to the assets from time to time of the Wellcome Trust and be entitled to be fully indemnified out of the assets of the Wellcome Trust notwithstanding the existence of any indebtedness or liabilities owed to the Wellcome Trust by the Issuer or any successor trustee (whether incurred as trustee of the Wellcome Trust or otherwise), where the dealing arises out of a written contract which refers to the creditor having the benefit of the relevant provision of the constitution of the Wellcome Trust.

The Trust Deed specifies that Bondholders shall have the benefit of that provision of the constitution of the Wellcome Trust. Accordingly Bondholders should be entitled to unlimited direct recourse to the assets from time to time of the Wellcome Trust, subject to the dealing by or on behalf of Bondholders being in good faith and for value.

Assets of the Wellcome Trust

The liability of the Issuer under the Trust Deed is limited to the assets from time to time in the hands, or under the control, of the Issuer (in its capacity as trustee of the Wellcome Trust). Accordingly, a significant reduction in the value of those assets could impact on the ability of the Issuer (in its capacity as trustee of the Wellcome Trust) to make payments to Bondholders under the Bonds. Investment markets are from time-to-time highly volatile and accordingly there can be no certainty that the value of the assets of the Wellcome Trust will not suffer a significant reduction during the life of the Bonds. Failure to reach desired real returns over the long term, failure to manage investment risk and liquidity requirements due to internal or external factors over the medium to long term, or failure to achieve strategic goals and realise initiatives could also impact the value of the Wellcome Trust's assets or its ability to meet planned charity spend in the future.

Regulatory intervention

The Wellcome Trust is regulated by the Charity Commission. The Charity Commission has power under the Charities Act to institute inquiries into charities and, if it finds evidence of misconduct or mismanagement in the administration, or otherwise believes it is necessary to protect the property, of a charity it may, amongst other things:

- remove the charity trustees and appoint new charity trustees in their place; or
- establish a scheme for the administration of the charity.

Pending the outcome of any such investigation, the Charity Commission has power to:

- suspend the charity trustees;
- vest the charity's property in the Official Custodian;
- order any person holding the charity's property not to part with it without the permission of the Charity Commission; or
- restrict the transactions that may be entered into or payments made by a charity without the approval of the Charity Commission.

Any such action by the Charity Commission may have a detrimental effect on the ability of the Issuer (in its capacity as trustee of the Wellcome Trust) to make payments to satisfy obligations to the Bondholders.

Risk Factors relating to the Bonds

The Bonds may not be a suitable investment for all investors

Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds;
- (iv) understand thoroughly the terms of the Bonds and be familiar with the behaviour of any relevant markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Risk Factors relating to the structure of the Bonds

Redemption by the Issuer

The Issuer (in its capacity as trustee of the Wellcome Trust) may, in the circumstances set out in Condition 5 of the Terms and Conditions of the Bonds (the "Conditions" and references in this Prospectus to any numbered Condition being construed accordingly), redeem the Bonds prior to their stated maturity date. Depending on prevailing market conditions at the time, an investor receiving the proceeds of an early redemption of the Bonds may not be able to reinvest those proceeds in a comparable security at an effective interest rate as high as that carried by the Bonds.

Modification, waivers and substitution

The Conditions contain provisions for calling meetings of Bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant meeting and Bondholders who voted in a manner contrary to the majority.

The Conditions also provide that the Trustee may, without the consent of Bondholders or Couponholders and subject to the provisions of the Trust Deed, agree to (i) any modification (except as mentioned in the Trust Deed), waiver or authorisation of any breach, or proposed breach, of any of the provisions of the Bonds which is, in the opinion of the Trustee, not materially prejudicial to the interests of the Bondholders or (ii) determine without the consent of the Bondholders that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such if in the opinion of the Trustee it is not materially prejudicial to the interests of Bondholders to do so or (iii) the substitution of certain other entities as principal debtor under the Bonds in place of the Issuer (in its capacity as trustee of the Wellcome Trust), in each case in the circumstances described in Condition 11.

EU Savings Directive

The European Union has adopted a Directive regarding the taxation of savings income (the “Savings Directive”). The Savings Directive requires Member States to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person established within its jurisdiction to (or for the benefit of) an individual or to certain other persons in that other Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld) unless during such period they elect otherwise. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015.

The Council of the European Union has adopted a Directive (the “Amending Directive”) amending the Savings Directive, which will, when implemented, inter alia, broaden (i) the scope of the information reporting or withholding requirements to include payments to (or for the benefit of) an entity or legal arrangement having its place of effective management in a Member State and not being subject to effective taxation, (ii) the circumstances in which an economic operator, entity or legal arrangement may be required to report information or withhold tax, (iii) the types of payment to which the Savings Directive applies and (iv) the circumstances in which an individual resident in a Member State is to be treated as the beneficial owner of such payments. The Amending Directive requires Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

A number of third countries and territories have adopted similar measures to the Savings Directive.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer (in its capacity as trustee of the Wellcome Trust), nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to the Bonds as a result of the imposition of such withholding tax. Furthermore, once the Amending Directive is implemented and takes effect in Member States, such withholding may occur in a wider range of circumstances than at present, as explained above. Pursuant to Condition 6 the Issuer (in its capacity as trustee of the Wellcome Trust) has agreed to maintain a Paying Agent with a specified office in a Member State that will not be obliged to withhold or deduct tax pursuant to any law implementing the Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced to conform to, such Directive, which may mitigate an element of this risk if the Bondholder or Couponholder (as applicable) is able to arrange for payment through such a Paying Agent. However, investors should choose their custodians and intermediaries with care, and provide each custodian and intermediary with any information that may be necessary to enable such persons to make payments free from withholding and in compliance with the Savings Directive.

Investors who are in any doubt as to their position should consult their professional advisers.

U.S Foreign Account Tax Compliance Act Withholding

Sections 1471 through 1474 (inclusive) of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), and associated regulations (“FATCA”) impose a new reporting regime and, potentially, a 30 per cent. withholding tax (“FATCA Withholding”) with respect to certain payments by any non-U.S. financial institution (a foreign financial institution, or “FFI”, as defined by FATCA) that (i) does not become a “Participating FFI” by entering into an agreement with the U.S. Internal Revenue Service (“IRS”) to provide certain information on its account holders or (ii) is not otherwise exempt from or in deemed-compliance with FATCA. The new withholding regime will be phased in beginning on 1 July, 2014 for interest and dividend payments received from sources within the United States and will apply to “foreign passthru payments” (not yet defined) and gross proceeds no earlier than 1 January 2017.

FATCA Withholding could potentially apply to payments in respect of (a) any bonds (the interest on which is from sources outside the United States) characterised as debt for U.S. Federal tax purposes that are materially modified on or after the date that is six months after the date on which the final regulations applicable to “foreign passthru payments” are filed in the Federal Register (the “Grandfathering Date”) and (b) any bonds (the interest on which is from sources outside the United States) characterised as equity for U.S. federal tax purposes regardless of the date they are issued. The Issuer expects the Bonds to be characterised as debt for U.S. federal tax purposes. Therefore, FATCA Withholding should not apply to payments in respect of the Bonds if they are properly characterised as debt for U.S. Federal tax purposes and they are not materially

modified on or after the Grandfathering Date.

If an amount in respect of FATCA Withholding were to be deducted or withheld from interest, principal or other payments on the Bonds, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Bonds, be required to pay additional amounts as a result of the deduction or withholding of such tax. As a result, investors may receive less interest or principal than expected. If any FATCA Withholding is imposed, a beneficial owner of Bonds that is not an FFI generally will be entitled to a refund of any amounts withheld by filing a US Federal income tax return, which may entail a significant administrative burden. A beneficial owner of the Bonds that is an FFI will be able to obtain a refund only to the extent an applicable income tax treaty with the United States entitles it to an exemption from, or reduced rate of, tax on the payment that was subject to FATCA Withholding.

Definitive Bonds will not be issued in integral multiples of less than £100,000

The denominations of the Bonds are £100,000 plus integral multiples of £1,000 in excess thereof, up to and including £199,000. Therefore it is possible that the Bonds may be traded in amounts in excess of £100,000 that are not integral multiples of £100,000. In such a case a Bondholder who, as a result of trading such amounts, holds a principal amount of less than £100,000 will not receive a definitive Bond in respect of such holding (should definitive Bonds be printed) and would need to purchase a principal amount of Bonds such that it holds an amount equal to one or more denominations.

Risk Factors relating to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, interest rate risk and credit risk:

The secondary market generally

The Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. Although application has been made for the Bonds to be admitted to listing on the Official List and to trading on the Market, there is no assurance that such application will be accepted or that an active trading market will develop. Illiquidity may have a severely adverse effect on the market value of Bonds.

Interest rate risks

Investment in the Bonds, which are fixed rate obligations, involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds.

Exchange rate risks and exchange and controls

The Issuer (in its capacity as trustee of the Wellcome Trust) will pay principal and interest on the Bonds in Sterling. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit other than Sterling.

Credit ratings may not reflect all risks

The Bonds will be rated AAA by Standard & Poor's and Aaa by Moody's. The ratings assigned to the Bonds may not reflect the potential impact of all risks related to factors that may affect the value of the Bonds. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. Any adverse change in an applicable credit rating could affect the trading price for the Bonds.

As the Global Bonds are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer (in its capacity as trustee of the Wellcome Trust).

The Bonds will be represented by the Global Bonds and, except in certain limited circumstances described in the Permanent Global Bond, investors will not be entitled to receive definitive Bonds. The Global Bonds will be deposited with the Common Safekeeper for Euroclear and Clearstream, Luxembourg. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Bonds. While the Bonds are represented by the Global Bonds, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

The Issuer (in its capacity as trustee of the Wellcome Trust) will discharge its payment obligations under the Bonds by procuring that payments are made to the Common Safekeeper for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Bond must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Bonds. The Issuer (in its capacity as trustee of the Wellcome Trust) has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Bonds.

Holders of beneficial interests in the Global Bonds will not have a direct right to vote in respect of the Bonds. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) the Bonds are legal investments for it, (2) the Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of the Bonds. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Bonds under any applicable risk-based capital or similar rules.

The issue of the Bonds was authorised by: (i) a resolution of the Board of Governors of the Issuer (in its capacity as trustee of the Wellcome Trust) passed on 14 April 2014 and (ii) a resolution of the Bond Issuance Committee of the Issuer (in its capacity as trustee of the Wellcome Trust) passed on 28 April 2014. These Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds and the coupons (the “Coupons”) relating to them and talons for further coupons (the “Talons”) relating to them. Copies of the Trust Deed, and of the Paying Agency Agreement dated 9 May 2014 relating to the Bonds between the Issuer (in its capacity as trustee of the Wellcome Trust), the Trustee and the initial principal paying agent and paying agents named in it (the “Paying Agency Agreement”), are available for inspection during usual business hours at the principal office of the Trustee (being, on the date of issue of the Bonds, at Citigroup Centre, Canada Square, London E14 5LB) and at the specified offices of the principal paying agent for the time being (the “Principal Paying Agent”) and the paying agents for the time being (the “Paying Agents”, which expression shall include the Principal Paying Agent). The Bondholders and the holders of the Coupons (whether or not attached to the relevant Bonds) (the “Couponholders”) and the holders of Talons are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Paying Agency Agreement.

For the purposes of these Conditions “Wellcome Trust” means the Wellcome Trust, a charity registered with the charity commission for England and Wales with registered charity number 210183.

1. Form, Denomination and Title

- (a) **Form and denomination:** The Bonds are serially numbered and in bearer form in the denominations of £100,000 and integral multiples of £1,000 in excess thereof, up to and including £199,000 each with Coupons and a Talon attached on issue. No definitive Bonds will be issued with a denomination above £199,000. Bonds of one denomination may not be exchanged for Bonds of any other denomination.
- (b) **Title:** Title to the Bonds, Coupons and Talons passes by delivery. The holder of any Bond, Coupon or Talon will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on it, or its theft or loss) and no person will be liable for so treating the holder.

2. Status

Status: The Bonds and Coupons constitute direct, unconditional and (subject to Condition 3) unsecured obligations of the Issuer (in its capacity as trustee of the Wellcome Trust) and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer (in its capacity as trustee of the Wellcome Trust) under the Bonds and Coupons shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

3. Negative Pledge

So long as any Bond or Coupon remains outstanding (as defined in the Trust Deed), the Issuer (in its capacity as trustee of the Wellcome Trust) will not create, or have outstanding, any mortgage, charge, lien, pledge or other security interest (other than arising solely by operation of law) (each a “Security Interest”), upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled capital) or the present or future undertaking, assets or revenues of the Wellcome Trust to secure any Relevant Indebtedness, or payment under any guarantee or indemnity granted by the Issuer (in its capacity as trustee of the Wellcome Trust) in respect of any Relevant Indebtedness, without at

the same time or prior thereto according to the Issuer's obligations under the Bonds, the Coupons and the Trust Deed the same security as is created or subsisting to secure any such Relevant Indebtedness, guarantee or indemnity to the satisfaction of the Trustee or such other security as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Bondholders or (ii) shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Bondholders.

Notwithstanding the foregoing provisions of this Condition 3, the Issuer (in its capacity as trustee of the Wellcome Trust) may create or have outstanding any such Security Interest to secure Relevant Indebtedness or payment under any such guarantee or indemnity in respect of any Relevant Indebtedness where the aggregate principal amount of the Relevant Indebtedness so secured or in respect of which the relevant guarantee or indemnity is given does not exceed 5 per cent. of the aggregate amount of the consolidated net assets of the Wellcome Trust as shown in the then most recently prepared audited consolidated financial statements of the Wellcome Trust.

For the purpose of these Conditions:

- (i) "Indebtedness" shall be construed so as to include any obligation for the payment or repayment of money, whether present or future, actual or contingent; and
- (ii) "Relevant Indebtedness" means any Indebtedness which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which for the time being are, or are capable of being, quoted, listed or dealt in or traded on any stock exchange or over-the-counter or other securities market.

4. Interest

The Bonds bear interest from and including 9 May 2014 at the rate of 4 per cent. per annum, payable annually in arrear on 9 May in each year, commencing 9 May 2015 (each an "Interest Payment Date"). Each Bond will cease to bear interest from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at such rate (both before and after judgment) until whichever is the earlier of (a) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant holder and (b) the day seven days after the date on which the Trustee or the Principal Paying Agent has notified Bondholders of receipt of all sums due in respect of all the Bonds up to that seventh day (except to the extent that there is failure in the subsequent payment to the relevant holders under these Conditions).

Where interest is to be calculated in respect of a period which is shorter than an Interest Period (as defined below) the day-count fraction used will be the number of days in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

The period beginning on and including 9 May 2014 and ending on but excluding the first Interest Payment Date and each successive period beginning on and including an Interest Payment Date and ending on but excluding the next succeeding Interest Payment Date is called an "Interest Period".

Interest in respect of any Bond shall be calculated per £1,000 in principal amount of the Bonds (the "Calculation Amount"). The amount of interest payable per Calculation Amount for any period shall be equal to the product of 4 per cent., the Calculation Amount and the day-count fraction for the relevant period, rounding the resulting figure to the nearest penny (half a penny being rounded upwards).

5. Redemption and Purchase

- (a) **Final redemption:** Unless previously redeemed, or purchased and cancelled, the Bonds will be redeemed at their principal amount on 9 May 2059. The Bonds may not be redeemed at the option of the Issuer (in its capacity as trustee of the Wellcome Trust) other than in accordance with this Condition 5.
- (b) **Redemption for taxation reasons:** Unless the Issuer (in its capacity as trustee of the Wellcome Trust) has already given notice of redemption pursuant to Condition 5(c), the Bonds may be redeemed at the option of the Issuer (in its capacity as trustee of the Wellcome Trust) in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bondholders (which notice shall be irrevocable), at their principal amount, (together with interest accrued to the date fixed for

redemption), if (i) the Issuer (in its capacity as trustee of the Wellcome Trust) satisfies the Trustee immediately prior to the giving of such notice that it has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of the United Kingdom or any political subdivision or any authority therein or thereof having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 9 May 2014, and (ii) such obligation cannot be avoided by the Issuer (in its capacity as trustee of the Wellcome Trust) taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (in its capacity as trustee of the Wellcome Trust) would be obliged to pay such additional amounts were a payment in respect of the Bonds then due. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer (in its capacity as trustee of the Wellcome Trust) shall deliver to the Trustee a certificate signed by an Authorised Person of the Issuer (in its capacity as trustee of the Wellcome Trust) stating that the obligation referred to in (i) above has arisen and cannot be avoided by the Issuer (in its capacity as trustee of the Wellcome Trust) taking reasonable measures available to it, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above (without liability to any person), in which event it shall be conclusive and binding on the Bondholders and the Couponholders.

For the purposes of these conditions “Authorised Person” means a Governor of the Issuer (in its capacity as trustee of the Wellcome Trust) or any other person as may be duly authorised from time to time to act on behalf of the Issuer (in each case in its capacity as trustee of the Wellcome Trust) and certified to the Trustee in writing by a Governor of the Issuer as being so duly authorised.

- (c) **Redemption at the option of the Issuer:** The Issuer (in its capacity as trustee of the Wellcome Trust) may, at any time, on giving not less than 30 nor more than 60 days’ notice to the Bondholders in accordance with Condition 15 (which notice shall be irrevocable and shall specify the date fixed for redemption (the “Optional Redemption Date”)), redeem all, but not some only, of the Bonds at a redemption price per Bond equal to the higher of the following, in each case together with interest accrued to but excluding the Optional Redemption Date:

- (i) the principal amount of the Bond; and
- (ii) the principal amount of the Bond multiplied by the price (as reported in writing to the Issuer (in its capacity as trustee of the Wellcome Trust) and the Trustee by a financial adviser appointed by the Issuer (in its capacity as trustee of the Wellcome Trust) and approved by the Trustee) expressed as a percentage (rounded to four decimal places, 0.00005 being rounded upwards) at which the Gross Redemption Yield on the Bonds on the Calculation Date is equal to the Gross Redemption Yield at 11.00 a.m. (London time) on the Calculation Date of the 4.25 per cent. United Kingdom Government Treasury Stock due 2055 (or, where such financial adviser advises the Issuer and notifies the Trustee that, for reasons of illiquidity or otherwise, such Stock is not appropriate for such purpose, such other government stock as such financial adviser may recommend) plus 0.10 per cent. For such purposes, “Calculation Date” means the date which is the second London business day prior to the Optional Redemption Date and “Gross Redemption Yield” means a yield calculated in accordance with generally accepted market practice at such time, as advised to the Issuer and notified to the Trustee by such financial adviser.

Any notice of redemption given under this Condition 5(c) will override any notice of redemption given (whether previously, on the same date or subsequently) under Condition 5(b).

In this Condition “business day” means a day on which commercial banks and foreign exchange markets are open in the relevant city.

- (d) **Notice of redemption:** All Bonds in respect of which any notice of redemption is given under this Condition shall be redeemed on the date specified in such notice in accordance with this Condition.
- (e) **Purchase:** The Issuer (in its capacity as trustee of the Wellcome Trust) and any Subsidiary (as defined in Condition 8 below) may at any time purchase Bonds in the open market or otherwise at any price (provided that they are purchased together with all unmatured Coupons and unexchanged Talons relating to them). The Bonds so purchased, while held by or on behalf of the Issuer (in its capacity as trustee of the Wellcome Trust) or any Subsidiary or otherwise on behalf of the Wellcome Trust, shall

not entitle the holder to vote at any meetings of the Bondholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Bondholders or for the purposes of Conditions 8, 11(a) and 12.

- (f) **Cancellation:** All Bonds so redeemed or purchased and any unmatured Coupons and unexchanged Talons attached to or surrendered with them will be cancelled and may not be re-issued or resold.

6. *Payments*

- (a) **Method of Payment:** Payments of principal and interest will be made against presentation and surrender (or, in the case of a partial payment, endorsement) of Bonds or the appropriate Coupons (as the case may be) at the specified office of any Paying Agent. Payments of interest due in respect of any Bond other than on presentation and surrender of matured Coupons shall be made only against presentation and either surrender or endorsement (as appropriate) of the relevant Bond.
- (b) **Payments subject to laws:** Payments will be made at the specified office of any Paying Agent, at the option of the holder, by sterling cheque drawn on, or by transfer to a sterling account maintained by the payee with, a bank in London. Save as provided in Condition 7, payments will be subject in all cases to any other applicable fiscal or other laws and regulations in the place of payment or other laws and regulations to which the Issuer (in its capacity as trustee of the Wellcome Trust) or its agents agree to be subject and the Issuer (in its capacity as trustee of the Wellcome Trust) will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations or agreements. No commissions or expenses shall be charged to the Bondholders or Couponholders in respect of such payments.
- (c) **Unmatured Coupons:** Upon the due date for redemption of any Bond, unmatured Coupons relating to such Bond and any unexchanged Talon relating to such Bond (in each case, whether or not attached) shall become void and no payment shall be made in respect of such Coupons and no Coupons shall be delivered in respect of such Talon. Where any Bond is presented for redemption without all unmatured Coupons or any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer (in its capacity as trustee of the Wellcome Trust) may require.
- (d) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).
- (e) **Payments on business days:** A Bond or Coupon may only be presented for payment on a day which is a business day in the place of presentation. No further interest or other payment will be made as a consequence of the day on which the relevant Bond or Coupon may be presented for payment under this paragraph falling after the due date. In this Condition “business day” means a day on which commercial banks and foreign exchange markets are open in the relevant city.
- (f) **Paying Agents:** The initial Paying Agents and their initial specified offices are listed below. The Issuer (in its capacity as trustee of the Wellcome Trust) reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of any Paying Agent and appoint additional or other Paying Agents, provided that it will maintain (i) a Principal Paying Agent, (ii) Paying Agents having specified offices in at least two major European cities and (iii) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any law implementing European Council Directive 2003/48/EC (as amended from time to time) or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive. Notice of any change in the Paying Agents or their specified offices will promptly be given to the Bondholders by the Issuer. In no event may payment of principal or interest be made upon presentation of a Bond or Coupon at an office of a Paying Agent within the United States of America, Puerto Rico, the United States Virgin Islands, Guam, American Samoa, Wake Island, or the Northern Mariana Islands.

7. *Taxation*

All payments of principal and interest by or on behalf of the Issuer (in its capacity as trustee of the Wellcome Trust) in respect of the Bonds and the Coupons shall be made free and clear of, and without withholding or

deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event the Issuer (in its capacity as trustee of the Wellcome Trust) shall pay such additional amounts as will result in receipt by the Bondholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Bond or Coupon presented for payment:

- (a) **Other connection:** by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Bond or Coupon; or
- (b) **Non-residence or other similar exemption:** where such withholding or deduction would not have been required had the holder made a declaration of beneficial ownership of the relevant Bond or Coupon and of non-residence or other similar claim for exemption to the relevant tax authority or to any other relevant person; or
- (c) **Presentation more than 30 days after the Relevant Date:** more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting such Bond or Coupon for payment on the last day of such period of 30 days; or
- (d) **Payment to individual:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC (as amended from time to time) or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (e) **Payment by another Paying Agent:** by or on behalf of a Bondholder or a Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Bond or Coupon to another Paying Agent in a Member State of the European Union.

“Relevant Date” means whichever is the later of (i) the date on which such payment first becomes due and (ii) if the full amount payable has not been received in London by the Principal Paying Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders.

Any reference in these Conditions to principal and/or interest shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or substitution for it under the Trust Deed.

8. Events of Default

If any of the following events occurs, the Trustee at its discretion may, and if so requested by holders of at least one quarter in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution shall, (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice to the Issuer (in its capacity as trustee of the Wellcome Trust) that the Bonds are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

- (a) **Non-Payment:** default is made in the payment of any interest on any of the Bonds when due and such default continues for a period of 14 days; or
- (b) **Breach of Other Obligations:** the Issuer (in its capacity as trustee of the Wellcome Trust) does not perform or comply with any one or more of its other obligations under the Bonds or the Trust Deed which default is incapable of remedy or, if in the opinion of the Trustee capable of remedy, is not in the opinion of the Trustee remedied within 30 days after written notice of such default shall have been given by the Trustee to the Issuer (in its capacity as trustee of the Wellcome Trust); or
- (c) **Cross-Default:** save in any case where the Issuer (in its capacity as trustee of the Wellcome Trust) or the relevant Material Subsidiary, as the case may be, is contesting its obligation to make the relevant payment in good faith and based on appropriate legal advice obtained by it, (i) any other present or future indebtedness of the Issuer (in its capacity as trustee of the Wellcome Trust) or any Material Subsidiary for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity by reason of any actual or potential default, event of default or the like (howsoever described), or (ii) any such indebtedness is not paid when due or, as the case may be, within any applicable grace

- period, or (iii) the Issuer (in its capacity as trustee of the Wellcome Trust) or any Material Subsidiary fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised, provided that the aggregate amount of the relevant indebtedness, guarantee and/or indemnity in respect of which one or more of the events mentioned above in this paragraph (c) have occurred equals or exceeds £100,000,000 or its equivalent; or
- (d) **Enforcement Proceedings:** a distress, attachment, execution or other legal process is levied, enforced or sued out on or against all or any (in the opinion of the Trustee) material part of the property, assets or revenues of the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust or any Material Subsidiary and is not discharged or stayed within 60 days; or

- (f) **Insolvency:** the Issuer or any Material Subsidiary is (or is, or could be, deemed by law or a court to be) insolvent or bankrupt (as applicable) or unable to pay its debts, or stops, suspends or threatens to stop or suspend payment of all or (in the opinion of the Trustee) a material part of its debts, proposes or makes any agreement for the deferral, rescheduling or other readjustment of all of its debts (or of any part which it will or might otherwise be unable to pay when due), proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any of such debts, or a moratorium is agreed or declared or comes into effect in respect of or affecting all or any part of the debts of the Issuer or any Material Subsidiary; or
- (g) **Winding-up:** an administrator is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any Material Subsidiary, or the Issuer or any Material Subsidiary ceases or threatens to cease to carry on all or substantially all of its business or operations, except for the purpose of and in connection with an amalgamation, reconstruction, reorganisation, merger, consolidation, transfer or contribution of assets or other similar transaction (i) on terms previously approved by the Trustee in writing or by an Extraordinary Resolution of the Bondholders, or (ii) in the case of a Material Subsidiary, whereby the undertaking and assets of the Material Subsidiary are transferred to or otherwise vested in the Issuer (in its capacity as trustee of the Wellcome Trust), the Wellcome Trust or another Subsidiary; or

11. Meetings of Bondholders, Modification, Waiver and Substitution

(a) **Meetings of Bondholders:** The Trust Deed contains provisions for convening meetings of Bondholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Bondholders holding not less than 10 per cent. in principal amount of the Bonds for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution will be two or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting two or more persons being or representing Bondholders whatever the principal amount of the Bonds held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to modify the maturity of the Bonds or the dates on which interest is payable in respect of the Bonds, (ii) to reduce or cancel the principal amount of, or interest on, the Bonds, (iii) to change the currency of payment of the Bonds or the Coupons, or (iv) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Bondholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in principal amount of the Bonds outstanding shall for all purposes be valid and effective as an Extraordinary Resolution passed at a meeting of Bondholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Bondholders.

(b) **Modification and Waiver:** The Trustee may, subject to the terms of the Trust Deed, agree, without the consent of the Bondholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed which is (in the opinion of the Trustee) of a formal, minor or technical nature or is made to correct a manifest error, (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed which is in the opinion of the Trustee not materially prejudicial to the interests of the Bondholders and (iii) determine that any Event of Default or Potential Event of Default (as defined in the Trust Deed) should not be treated as such if in the Trustee's opinion it is not materially prejudicial to the interests of Bondholders to do so. Any such modification, authorisation, determination or waiver shall be binding on the Bondholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Bondholders as soon as practicable.

(c) **Substitution:** The Trust Deed contains provisions permitting the Trustee to agree, subject to the conditions set out in the Trust Deed, but without the consent of the Bondholders or the Couponholders, to the substitution of another entity (the "Substitute Obligor") in place of the Issuer (in its capacity as trustee of the Wellcome Trust) (or any successor in business). In the case of such a substitution the Trustee may agree, without the consent of the Bondholders or Couponholders, to a change of the law governing the Bonds, the Coupons, the Talons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Bondholders.

(d) **Entitlement of the Trustee:** In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Bondholders as a class and shall not have regard to the consequences of such exercise for individual Bondholders or

Couponholders and the Trustee shall not be entitled to require, nor shall any Bondholder or Couponholder be entitled to claim, from the Issuer (in its capacity as trustee of the Wellcome Trust) or the Wellcome Trust any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders or Couponholders.

12. Enforcement

At any time after the Bonds become due and payable, the Trustee may, at its discretion and without further notice, institute such actions, steps or proceedings against the Issuer (in its capacity as trustee of the Wellcome Trust) as it may think fit to enforce the terms of the Trust Deed, the Bonds and the Coupons, but it need not take any such actions, steps or proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Bondholders holding at least one quarter in principal amount of the Bonds outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Bondholder or Couponholder may proceed directly against the Issuer (in its capacity as trustee of the Wellcome Trust) unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer (in its capacity as trustee of the Wellcome Trust), any Subsidiary and the Wellcome Trust and any entity related to the Issuer (in its capacity as trustee of the Wellcome Trust), any Subsidiary or the Wellcome Trust without accounting for any profit.

14. Further Issues

The Issuer (in its capacity as trustee of the Wellcome Trust) may from time to time without the consent of the Bondholders or Couponholders create and issue further securities either having the same terms and conditions as the Bonds in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Bonds) or upon such terms as the Issuer (in its capacity as trustee of the Wellcome Trust) may determine at the time of their issue. References in these Conditions to the Bonds include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Bonds. Any further securities forming a single series with the outstanding securities of any series (including the Bonds) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Bondholders and the holders of securities of other series where the Trustee so decides.

15. Notices

Notices to Bondholders will be valid and binding if published in a leading newspaper having general circulation in London (which is expected to be the Financial Times) or, if such publication shall not be practicable, in an English language newspaper of general circulation in Europe.

For so long as the Bonds are listed on the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, notices to Bondholders will also be sent to the Companies Announcement Office of the Irish Stock Exchange.

Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the first date on which publication is made. Couponholders and Talonholders will be deemed for all purposes to have notice of the contents of any notice given to the Bondholders in accordance with this Condition.

16. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any of the provisions of these Conditions under the Contracts (Rights of Third Parties) Act 1999.

17. Governing Law

The Trust Deed, the Bonds, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with them, are governed by and shall be construed in accordance with English law.

SUMMARY OF PROVISIONS RELATING TO THE BONDS WHILE IN GLOBAL FORM

The Temporary Global Bond and the Permanent Global Bond contain provisions which apply to the Bonds while they are in global form, some of which modify the effect of the Conditions set out in this Prospectus. The following is a summary of certain of those provisions:

1. Nominal Amount and Exchange

The nominal amount of the Bonds shall be the aggregate amount from time to time entered in the records of Euroclear and Clearstream, Luxembourg or any alternative clearing system approved by the Issuer (in its capacity as trustee of the Wellcome Trust), the Trustee and the Principal Paying Agent and permitted to hold the Global Bonds as eligible collateral for Eurosystem monetary policy and intra-day credit operations (each a “relevant Clearing System”). The records of such relevant Clearing System shall be conclusive evidence of the nominal amount of Bonds represented by the Temporary Global Bond and the Permanent Global Bond and a statement issued by such relevant Clearing System at any time shall be conclusive evidence of the records of that relevant Clearing System at that time.

The Temporary Global Bond is exchangeable in whole or in part for interests recorded in the records of the relevant Clearing System in the Permanent Global Bond on or after a date which is expected to be 9 May 2014 upon certification as to non-U.S. beneficial ownership in the form set out in the Temporary Global Bond. The Permanent Global Bond is exchangeable in whole but not in part (free of charge to the holder) for the definitive Bonds described below (i) if the Permanent Global Bond is held on behalf of a relevant Clearing System and such relevant Clearing System is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or (ii) if the Issuer (in its capacity as trustee of the Wellcome Trust) would suffer a material disadvantage in respect of the Bonds as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction referred to in Condition 7 or as a result of a change in the practice of a relevant Clearing System which would not be suffered were the Bonds in definitive form and a certificate to such effect signed by an Authorised Person of the Issuer (in its capacity as trustee of the Wellcome Trust) is delivered to the Trustee. Thereupon (in the case of (i) above) the holder or the Trustee may give notice to the Principal Paying Agent, and (in the case of (ii) above) the Issuer (in its capacity as trustee of the Wellcome Trust) may give notice to the Trustee and the Bondholders, of its intention to exchange the Permanent Global Bond for definitive Bonds on or after the Exchange Date (as defined below) specified in the notice.

On or after the Exchange Date (as defined below) the holder of the Permanent Global Bond may surrender the Permanent Global Bond to or to the order of the Principal Paying Agent. In exchange for the Permanent Global Bond, the Issuer (in its capacity as trustee of the Wellcome Trust) will deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated definitive Bonds (having attached to them all Coupons in respect of interest which has not already been paid on the Permanent Global Bond and if applicable, a Talon), security printed in accordance with any applicable legal and stock exchange requirements and in or substantially in the form set out in Schedule 1 to the Trust Deed. On exchange of the Permanent Global Bond, the Issuer (in its capacity as trustee of the Wellcome Trust) will, if the holder so requests, procure that it is cancelled and returned to the holder together with any relevant definitive Bonds.

“Exchange Date” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Principal Paying Agent is located and, except in the case of exchange pursuant to (i) above, in the cities in which the relevant Clearing System is located.

2. Payments

No payment will be made on the Temporary Global Bond unless exchange for an interest in the Permanent Global Bond is improperly withheld or refused. Payments of principal and interest in respect of Bonds represented by the Permanent Global Bond will be made to the bearer of such Permanent Global Bond. The Issuer (in its capacity as trustee of the Wellcome Trust) shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant Clearing System and, in the case of payments of principal, the nominal amount of the Bonds will be reduced accordingly. Each payment so made will discharge the Issuer’s (in its capacity as trustee of the Wellcome Trust) obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing System shall not affect such discharge. References in the Conditions to Coupons and Couponholders shall be construed accordingly. No person shall however be entitled to receive any payment on the Permanent Global Bond falling due after the Exchange Date, unless exchange of the Permanent Global Bond for definitive Bonds is improperly withheld or refused by or on

behalf of the Issuer (in its capacity as trustee of the Wellcome Trust). Condition 6(e)(iii) and Condition 7(d) will apply to the definitive Bonds only.

3. Notices

So long as the Bonds are represented by a Global Bond and such Global Bond is held on behalf of a relevant Clearing System, notices to Bondholders may be given by delivery of the relevant notice to that relevant Clearing System for communication by it to entitled accountholders in substitution for publication as required by the Conditions provided that so long as the Bonds are listed, the requirements of the Central Bank of Ireland and Irish Stock Exchange have been complied with.

4. Prescription

Claims against the Issuer (in its capacity as trustee of the Wellcome Trust) in respect of principal and interest on the Bonds while the Bonds are represented by the Permanent Global Bond will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 7).

5. Meetings

The holder of a Global Bond will be treated as being two persons for the purposes of any quorum requirements of a meeting of Bondholders and, at any such meeting, as having one vote in respect of each £1,000 in principal amount of Bonds.

6. Purchase and Cancellation

On cancellation of any Bond required by the Conditions to be cancelled following its purchase, the Issuer (in its capacity as trustee of the Wellcome Trust) shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Bonds recorded in the records of the relevant Clearing Systems and represented by this Global Bond shall be reduced by the aggregate nominal amount of the Bonds so cancelled.

7. Trustee's Powers

In considering the interests of Bondholders while the Permanent Global Bond is held on behalf of a relevant Clearing System the Trustee may have regard to any information provided to it by such relevant Clearing System or its operator as to the identity (either individually or by category) of its accountholders with entitlements to the Permanent Global Bond and may consider such interests as if such accountholders were the holder of the Permanent Global Bond.

WELLCOME TRUST

History and development of the Wellcome Trust

The Wellcome Trust is a charity administered in accordance with a constitution (the “Constitution”) adopted pursuant to a Scheme of the Charity Commission dated 20 February 2001 (as the same may be amended from time to time). The Wellcome Trust was established upon the death of Sir Henry Wellcome on 25 July 1936. Its registered charity number is 210183 and it operates under English charities law, including the Charities Act 2011. As a registered charity, the Wellcome Trust has tax exempt status under various provisions of tax law in the United Kingdom. The Internal Revenue Service has determined that the Wellcome Trust is exempt from US federal income tax under section 501 (c) (3) of the Code and is a foreign private foundation for the purposes of the Code.

The Wellcome Trust’s credit ratings are AAA (Standard & Poor’s) and Aaa (Moody’s). As set out in its investment policy, the Wellcome Trust’s policy is to maintain those credit ratings.

The principal office and telephone number of the Wellcome Trust are Gibbs Building, 215 Euston Road, London NW1 2BE and +44 (0)20 7611 8888, respectively.

The Issuer, a company limited by guarantee and incorporated in England and Wales on 24 April 1992 with registered number 2711000, is the sole trustee of the Wellcome Trust. The members of the Issuer are the Governors.

Business overview

The objects of the Wellcome Trust, as set out in its Constitution, are:

- to protect, preserve and advance all or any aspects of the health and welfare of humankind and to advance and promote knowledge and education by engaging in, encouraging and supporting:
 - (a) research into any of the biosciences; and
 - (b) the discovery, invention, improvement, development and application of treatments, cures, diagnostics and other medicinal agents, methods and processes that may in any way relieve illness, disease, disability or disorders of whatever nature in human beings or animal or plant life; and
- to advance and promote knowledge and education by engaging in, encouraging and supporting:
 - (a) research into the history of any of the biosciences; and
 - (b) the study and understanding of any of the biosciences or the history of any of the biosciences.

The Wellcome Trust’s vision is to achieve extraordinary improvements in human and animal health. In pursuit of this, the Trust supports the brightest minds in biomedical research and the medical humanities.

The Wellcome Trust’s ten year strategic plan 2010-20 describes how this will be achieved through focusing on three key areas of activity, reaching across five major research challenges.

The Wellcome Trust’s funding focuses on:

- Supporting outstanding researchers
- Accelerating the application of research
- Exploring medicine in historical and cultural contexts.

The Wellcome Trust’s five major challenges are:

- Maximising the health benefits of genetics and genomics
- Understanding the brain
- Combating infectious disease
- Investigating development, ageing and chronic disease

- Connecting environment, nutrition and health.

The principal activities of the Wellcome Trust include:

- providing funding to support biomedical research in universities and similar institutions in the UK and internationally;
- providing long-term support to the Wellcome Trust Sanger Institute (the “Sanger Institute”), owned by the Wellcome Trust’s subsidiary Genome Research Limited, a research facility that explores the role of genomes in health and disease;
- providing funding for research into the history of medicine and continuing to engage public audiences; and
- developing new initiatives to facilitate and accelerate the take-up of research outcomes by clinicians, industry and policy makers.

Major achievements of the Wellcome Trust in recent years include:

- funding the Wellcome Trust Sanger Institute, which is a leader in the Human Genome Project, and supporting the creation and development of a number of major consortia focusing on maximising the health benefits of genetics, including the Wellcome Trust Case Control Consortia, International Cancer Genome Consortia, 1000 Genomes Project, UK10k and UK Biobank);
- supporting leading malaria researchers and contributing to a number of major discoveries including pioneering trials of artemisinin combination therapies which have reduced the death rate from malaria in South East Asia;
- funding the Francis Crick Institute, which will be an inter-disciplinary medical research institute, in partnership with the Medical Research Council, Cancer Research UK, University College London, King’s College London and Imperial College London;
- developing initiatives to accelerate the application of research findings to improve health, including the Health Innovation Challenge Fund, in partnership with the UK Department of Health, and establishing the Stevenage Bioscience Catalyst with GlaxoSmithKline; and
- running Wellcome Collection as a public space for events and exhibitions, to stimulate dialogue between art, science, history and the public.

TAXATION

The comments below are of a general nature based on current United Kingdom law as applied in England and Wales and HM Revenue and Customs published practice (which may not be binding on HM Revenue and Customs) and are not intended to be exhaustive. They do not necessarily apply where the interest on the Bonds is deemed for tax purposes to be the income of any person other than the holder of the Bond or Coupon. They relate only to the position of persons who are the absolute beneficial owners of their Bonds and Coupons. (In particular, holders holding their Bonds or Coupons in a depository receipt system or clearance service should note that they may not always be the beneficial owners thereof.) They may not apply to certain classes of persons such as dealers, certain professional investors or persons connected with the Issuer and assume that there will be no substitution of the Issuer. The following is a general guide and should be treated with appropriate caution. Any Bondholders who are in doubt as to their tax position, or who may be subject to tax in a jurisdiction other than the United Kingdom, should consult their professional advisers.

Interest and Information Reporting

1. While the Bonds continue to be listed on a recognised stock exchange within the meaning of section 1005 of the Income Tax Act 2007 and provided the Bonds are treated as being issued by a company for the purposes of Section 987 of the Income Tax Act 2007 payments of interest by the Issuer (in its capacity as trustee of the Wellcome Trust) may be made without withholding or deduction for or on account of income tax. The Irish Stock Exchange is a recognised stock exchange for these purposes and HM Revenue and Customs have confirmed that they regard the Bonds as having been issued by a company for the purposes of Section 987 of the Income Tax Act 2007. Securities to be traded on a recognised stock exchange outside the United Kingdom will be treated as "listed" on a recognised stock exchange if they are admitted to trading on that exchange and they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

If the Bonds cease to be listed, interest will generally be paid under deduction of income tax at the basic rate (currently 20 per cent.) unless another relief applies or the Issuer (in its capacity as trustee of the Wellcome Trust) has received a direction to the contrary from HM Revenue and Customs in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.

2. Information relating to securities may be required to be provided to HM Revenue and Customs in certain circumstances. This may include the value of the Bonds, details of the holders or beneficial owners of the Bonds (or the persons for whom the Bonds are held), details of the persons to whom payments derived from the Bonds are or may be paid and information and documents in connection with transactions relating to the Bonds. Information may be required to be provided by, amongst others, the holders of the Bonds, persons by (or via) whom payments derived from the Bonds are made or who receive (or would be entitled to receive) such payments, persons who effect or are a party to transactions relating to the Bonds on behalf of others and certain registrars or administrators. In certain circumstances, the information obtained by HM Revenue and Customs may be provided to tax authorities in other countries.
3. The references to "interest" above mean "interest" as understood in United Kingdom tax law. The statements above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Bonds or any related documentation.
4. The interest has a United Kingdom source and accordingly may be chargeable to United Kingdom tax by direct assessment. Where the interest is paid without withholding or deduction on account of United Kingdom tax, the interest will not be assessed to United Kingdom tax in the hands of holders of the Bonds (other than certain trustees) who are not resident for tax purposes in the United Kingdom, except where such persons carry on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency or, in the case of a corporate holder, such persons carry on a trade through a permanent establishment in connection with which the interest is received or to which the Bonds are attributable, in which case (subject to exceptions for interest received by certain categories of agent) tax may be levied on the United Kingdom branch, agency or permanent establishment.

If interest were paid under deduction of United Kingdom income tax (e.g. if the Bonds lost their listing), Bondholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in an applicable double taxation treaty.

Bondholders should note that the provisions relating to additional amounts referred to in "Terms and Conditions of the Bonds - Taxation" above would not apply if HM Revenue and Customs sought to assess directly the person entitled to the relevant interest to United Kingdom tax. However, exemption from, or reduction of, such United Kingdom tax liability might be available under an applicable double taxation treaty.

United Kingdom Stamp Duty and Stamp Duty Reserve Tax

No United Kingdom stamp duty or stamp duty reserve tax is payable on the issue or transfer by delivery of the Bonds or on their redemption provided they continue to be listed on a recognised stock exchange and any transfer is not made in contemplation of, or as part of an arrangement for, a takeover of the Issuer.

EU Directive on the Taxation of Savings Income

The European Union has adopted a Directive regarding the taxation of savings income (the "Savings Directive"). The Savings Directive requires Member States to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person established within its jurisdiction to (or for the benefit of) an individual or to certain other persons in that other Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld) unless during such period they elect otherwise. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015.

The Council of the European Union has adopted a Directive (the "Amending Directive") amending the Savings Directive, which will, when implemented, inter alia, broaden (i) the scope of the information reporting or withholding requirements to include payments to (or for the benefit of) an entity or legal arrangement having its place of effective management in a Member State and not being subject to effective taxation, (ii) the circumstances in which an economic operator, entity or legal arrangement may be required to report information or withhold tax, (iii) the types of payment to which the Savings Directive applies and (iv) the circumstances in which an individual resident in a Member State is to be treated as the beneficial owner of such payments. The Amending Directive requires Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

A number of third countries and territories have adopted similar measures to the Savings Directive.

The Proposed Financial Transactions Tax ("FTT")

The European Commission has published a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "participating Member States").

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in the Bonds (including secondary market transactions) in certain circumstances.

Under current proposals the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Bonds where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

The FTT proposal remains subject to negotiation between the participating Member States and is the subject of legal challenge. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. Prospective holders of the Bonds are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

J.P. Morgan Securities plc and Morgan Stanley & Co. International plc (together, the “Joint Lead Managers”) have, pursuant to a Subscription Agreement dated 7 May 2014, jointly and severally agreed with the Issuer (in its capacity as trustee of the Wellcome Trust), subject to the satisfaction of certain conditions, to subscribe and pay for the Bonds at 4 per cent. of their principal amount. The Joint Lead Managers are entitled to terminate the Subscription Agreement in certain circumstances prior to payment in respect of the Bonds being made to the Issuer (in its capacity as trustee of the Wellcome Trust). The Issuer (in its capacity as trustee of the Wellcome Trust) has agreed to indemnify the Joint Lead Managers against certain liabilities in connection with the issue of the Bonds.

The Joint Lead Managers and their affiliates may have engaged, and may in future engage, in investment banking and/or commercial banking transactions with, and may perform services to the Issuer, the Wellcome Trust or entities within the Group and their respective affiliates in the ordinary course of business.

In addition, in the ordinary course of their business activities the Joint Lead Managers and their affiliates may make or hold a broad array of investments and actively trade securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer, the Wellcome Trust or entities within the Group or their respective affiliates. The Joint Lead Managers or their affiliates may have a lending relationship with the Issuer, the Wellcome Trust or entities within the Group and may hedge their credit exposure to the Issuer, the Wellcome Trust or entities within the Group consistent with their customary risk management policies. Typically, such persons would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Bonds. Any such short positions could adversely affect future trading prices of the Bonds. The Joint Lead Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Each of the Joint Lead Managers has acknowledged and agreed that the Issuer is entering into the Subscription Agreement solely in its capacity as the trustee for the time being of the Wellcome Trust and has agreed that, notwithstanding anything to the contrary contained or implied in the Subscription Agreement: (a) if the Issuer (or any subsequent trustee) ceases to be the trustee of the Wellcome Trust its obligations under or in consequence of the Subscription Agreement shall be assumed by its successor trustee so that the obligations incurred by the Issuer (in its capacity as trustee of the Wellcome Trust) under or in consequence of the Subscription Agreement shall be enforceable against the trustee of the Wellcome Trust from time to time and (b) the liabilities of the Issuer (in its capacity as trustee of the Wellcome Trust) (or such other trustees of the Wellcome Trust from time to time) in respect of such obligations shall be limited to such liabilities as can and may lawfully and properly be met out of the assets of the Wellcome Trust for the time being in the hands, or under the control, of the Issuer (in its capacity as trustee of the Wellcome Trust) (or any such other trustee from time to time).

United States

The Bonds have not been and will not be registered under the Securities Act and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Bonds are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Each Joint Lead Manager has represented and agreed that, except as permitted by the Subscription Agreement, it has not offered, sold or delivered and will not offer, sell or deliver the Bonds, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date (as defined in the Subscription Agreement) within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Bonds during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Bonds within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Bonds within the United

States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

1. it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received by it in connection with the issue or sale of any Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer (in its capacity as trustee of the Wellcome Trust); and
2. it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Bonds in, from or otherwise involving the United Kingdom.
