## **AMENDMENTS**

- 1 The third paragraph under the risk factor entitled “**The Credit Support Annex**” on page 43 of the Prospectus shall be amended by deleting the words “to have a value equal to” and replacing them with the following:

“to have a value (after the application of the relevant Valuation Percentage haircut specified in the Credit Support Annex) at least equal to”

- 2 The third paragraph under the heading “**The Credit Support Annex**” on page 70 of the Prospectus shall be amended by deleting the words “an aggregate value equal to” and replacing them with the following:

“an aggregate value (after the application of the relevant Valuation Percentage haircut specified in the Credit Support Annex) at least equal to”

- 3 Paragraph 17(iv) of the Issue Terms on page 91 of the Prospectus shall be deleted in its entirety and replaced with the following:

“(iv) Credit Support Annex: Applicable. An ISDA Credit Support Annex (Bilateral Form – Transfer) (English Law) (containing the paragraph 11 elections set out in the Master CSA Terms dated 23 December 2013, as amended and supplemented by the Issue Deed) to be dated on or about the Issue Date and will be entered into between the Issuer and the Swap Counterparty.

Under the terms of the Credit Support Annex, a weekly valuation will be performed by the Swap Counterparty (in its capacity as Valuation Agent) as to the Issuer’s Exposure (as defined in the Credit Support Annex) to the Swap Counterparty under the Swap Agreement, whereupon (subject to certain thresholds being met, as set out below) the Swap Counterparty may be required to transfer Eligible Securities to the Issuer as credit support in order to collateralise any such Exposure. Such Eligible Securities may, at the option of the Swap Counterparty, comprise negotiable debt obligations issued by the governments of the Republic of Italy, the United States of America, Canada, the United Kingdom, France, Germany, the Netherlands, Belgium, Sweden Switzerland or Japan.

The Valuation Percentage (as defined in the Credit Support Annex) for Eligible Securities transferred as credit support is 95%. This means that the minimum value of Eligible

Securities required to have been transferred following any valuation will be greater than the corresponding Exposure (at around 105%).

The amount of credit support required to be transferred by the Swap Counterparty under the Credit Support Annex in respect of a valuation date will depend on the Issuer's Exposure to the Swap Counterparty under the Swap Agreement and the value of any existing credit support balance held by the Issuer, as determined by the Swap Counterparty (in its capacity as Valuation Agent) in accordance with the terms of the Credit Support Annex.

All valuations will be by reference to the Base Currency under the Credit Support Annex, being SEK.

To the extent that the value of any existing credit support balance held by the Issuer exceeds the Issuer's Exposure to the Swap Counterparty, then the Issuer may be obliged to return any excess credit support to the Swap Counterparty in accordance with the terms of the Credit Support Annex."

- 4 Paragraph (a) on page 62 of the Prospectus shall be amended by deleting the words "(which is expected to be 8 January 2015)" and replacing them with the words "(which is expected to be 12 January 2015)".
